VICE-CHANCELLOR'S MESSAGE

Bharathiar University is a premier public University revered by the academicians and scholars across the country. Nationally acclaimed for its highest academic standards, diverse educational programmes, eminent faculties and illustrious alumni, the University established in Coimbatore have been evolving since its inception in 1982. Sprawling with a lush green campus, Western Ghats as its scenic backdrop, the natural vibes present a perfect atmosphere for the learners to unleash their potential in pursuing their academic goals. Beyond imparting the disciplinary knowledge, the University strives to mould its students to show grit and character in facing the growing demands of the society. Bharathiar University follows the Choice Based Credit System with Outcome Based Education, designs its unique, up-to date curricula attuned to Education 4.0 and Industry 4.0 aiming to prepare graduates with necessary information and 21st century skills so that they get attracted in job market. The national and international collaboration of our University with renowned institutions in academics and research opens the door to show multiple pathways in accessing the global knowledge and platter it to our faculties and students to quench their learning. Besides the University also focuses in setting up various interdisciplinary combining science, technology and humanities, innovatory labs and systems with cutting-edge technology that can facilitate effective teaching-learning, research and also extend full support to the budding scholars to nurture their ideas and establish it as an enterprise for knowledge creation and transfer.

Most of the faculty members of the University have attracted funds to execute research projects under University Grants Commission (UGC), Department of Science and Technology (DST), Defence Research and Development Organization (DRDO) and from other resources and are generating remarkable research outputs. The vast experiences of our faculty members in teaching and research is passed on to our students with high academic inputs. The soft-skills development programmes and preparatory training programmes for competitive examinations are also offered to make students more employable and towards 100% placement.

I consider this opportunity as a great honor to lead this prestigious Institution and I am immensely happy in bringing this Bharathiar University prospectus for the year 2022-2023. For the past two years we responded collectively to the shock of global pandemic and now we have knuckled down and got on with the work of education and research. Adapting to the new circumstances demanded resolve, resourcefulness and resilience, all of which the Bharathiar University as a community displayed in abundance and I am extremely proud of everything that the University has achieved in these challenging times and credits goes to all the faculties, staff, research scholars, students and members of the affiliated institutions.

Plunging deep into the lines of the great national poet Subramaniya Bharathi, 'Let all thoughts be accomplished, and only goodness be thought of', I am committed to provide such an opportunity in making every such student to rise higher, prepare to realize his or her dreams and bring pride to their country and people. I also believe that higher education should not merely give knowledge but should make our life in harmony with our existence and this University will strive to put this message to this generation and generations to come.

Col. Dr. P. Kaliraj

ABOUT THE UNIVERSITY

Bharathiar University (BU) was established by the Government of Tamil Nadu in February 1982 under the provisions of the Bharathiar University Act 1981. Bharathiar University, named after the great visionary and the revolutionary national poet Subramania Bharathi, functioning with the motto of "Educate to Elevate," has emerged as one of the strong pillars of higher education in this region. It is situated under the foothills of Marudhamalai, along the Western Ghats, with a sprawling area of 778.89 acres. It also has excellent connectivity through road, rail and air to other parts of the state and the country. The National Assessment and Accreditation Council (NAAC), has accredited Bharathiar University with 'A' Grade in third cycle of assessment. The University has 38 Departments under 13 schools. Through these Departments, 3 undergraduate programmes, 61 postgraduate and postgraduate diploma courses, M.Phil. and Ph.D. programmes are being offered. There are nearly 3000 post-graduate students and more than 1100 research scholars. This University covers Coimbatore, Erode, Tirupur and The Nilgiris districts, and is endowed with 135 affiliated colleges, of which 17 are Government colleges, 16 are aided colleges, 1 air force college and the remaining 101 are self-financing colleges; and 35 research institutions.

Bharathiar University has to its credit many notable achievements and it keeps on improving its standards to attain international acclaim. For the past four years, Bharathiar University has remained one among the top 25 Universities in India. Bharathiar University has been ranked 14th under the 'Universities' category by the National Institutional Ranking Framework (NIRF), MoE, Government of India, in 2021. Furthermore, the University is ranked 22st and 23rd in the overall, research categories.

The University has been ranked as 801 – 1000 (Global), 251 – 300 (Asia) and 201 – 250 (Young Universities) by Times Higher Education.

Fifteen faculty members of various disciplines and listed as world top 2% Scientists by the world largest research database scopus.

The number and quality of research publications are excellent; every year more than 900 high-quality research articles have been published by the faculty members in SCI journals. Eight patents are granted and Twelve copyrights registered in the name of Bharathiar Univiersity.

The University has been supported through research grants by the government agencies such as UGC – CPEPA, UGC-SAP, DST-FIST, DST-PURSE, MoE – RUSA, DRDO, etc.,

Bharathiar University campus also houses a research facility named DRDO - Industry Academia Centre of Excellence, a joint venture by DRDO, Ministry of Defense, Government of India, Bharathiar University, and the Government of Tamil Nadu. This autonomous research institute is pursuing both basic and applied research for defense.

The University provides an excellent ecosystem for the students and scholars to equip themselves with learning, research, co-curricular, extra curricular activities and the human values needed to excel in the society.
