GURU NANAK DEV UNIVERSITY, AMRITSAR

Guru Nanak Dev University was established on November 24, 1969 to mark the birth Quincentenary of Sri Guru Nanak Dev Ji, the founder of Sikhism. The University upholds the teachings and values of the Guru, the apostle of universal brotherhood, truthfulness, non-violence, compassion, tolerance, harmony, humanity, who strictly observed moral and ethical values in daily life.

Ever since its foundation the endeavour of the University has always been to meet the objectives enshrined in the Guru Nanak Dev University Act 1969, which emphasize that the new University would make provisions for imparting education and promoting research in the humanities, learned professions, Sciences, especially of applied nature and technology. Hence, it has been promoting education in such fields as Basic and Applied Sciences, Arts, Management, Information Technology, Media, Industrial Technology, Environment, Planning and Architecture Studies. In addition, research on the life and teachings of Guru Nanak Dev ji, promotion of Punjabi language and spreading education among educationally backward classes and communities are its other commitments.

The UGC conferred this University with status of “University with Potential for Excellence” in 2012. The National Assessment and Accreditation Council (NAAC), Bangalore in November 2014 re-accredited the University in 3rd cycle with CGPA of 3.51 out of 4 point scale at “A” grade (“A++”, highest level, as per the revised accreditation framework of NAAC dated 27th July, 2017). Earlier, it had been accredited at “A” grade level in 2000 and then reaccredited in 2007 with CGPA of 3.50/4.00. The current H index of the university is 102 indicating the quality of research publications at national and international level .

Guru Nanak Dev University, Amritsar has become the only University of Punjab to get the elite "Category-1" status by the University Grants Commission (UGC), giving autonomy to open new Departments, schools, off-campus facilities and starts new schools and distance learning programmes, besides the freedom to hire foreign faculty without the UGC’s approval.

With the motto of the University as engraved on its emblem ‘Guru's wisdom illumines all’, the University has been leaving no stone unturned to meet the aspirations and expectations of the society. Spread over area of 500 acres towards the west of the city, Guru Nanak Dev University presents a

picture of lush green landscape, modern architecture and sustainable environment.. The University today boasts of 43 teaching Departments at the Campus, two regional campuses and 165 affiliated, University and constituent colleges, many of which are located in the rural areas so as to make quality Higher Education accessible to the rural masses.

More than twenty thousand students, an overwhelming majority of them being women, are enrolled in various Departments at University Campus, Regional Campuses and Constituent Colleges. Online admission, online Counselling, online re-evaluation, introduction of Credit Based Evaluation & Grading System etc. are a few hallmarks of the University. All the results have been computerized and OMR (Optical Magnetic Recognition) system is being used to bring in more efficiency and transparency. It is the first University in the region to have computerized its examination and registration system. The students now have an all time access to their results through SMS service.

Academically also, the University has carved a niche for itself in the field of Higher Education in the country. Our University is recognized as one of the leading institutions in North India in the domain of Arts, Humanities, Science and Technology. Many coveted projects from the apex bodies like MHRD, DST, CSIR, BARC and other organizations worth crores of rupees have been awarded to our faculty members. One of the four Nodal Calibration Centres established by Bhabha Atomic Research Centre is set up at our campus. The Centre of Emerging Life Sciences equipped with the state-of-the-art scientific instruments worth crores of rupees, a well-maintained Botanical Garden, Department of Sports Medicine & Physiotherapy are a few to mention. A well equipped modern computer lab with the help of TCS has been established to strengthen the University infrastructure and to prepare students for employment. Presently, a Centre with Potential for Excellence in Life Sciences and a Centre for Advanced Study in Chemistry granted by UGC are working successfully in the University. A Centre for Entrepreneurship and Innovation is being set up in the university under the aegis of Rashtriya Uchatar Shiksha Abhiyan to provide skill oriented training and incubation facilities.

In the field of culture and Sports the achievements of the University are also noteworthy. The University has been National Champion for 10 times and the winner of the North-Zone-Inter- Varsity Cultural Championship for 13 times. The fact that the University has been the winner of the coveted Maulana Abdul Kalam Azad Trophy, the highest Sports award for a University in the country, for a record number of 23 times, speaks volumes about its supremacy in the field of Sports. An Astro Turf for hockey, a swimming pool of International standards, a velodrome, a gymnasium hall, a shooting range and many other state-of-the art Sports facilities are the prized possessions of the University. The Lifelong Learning Department of the University is successfully catering to the female folk of the region to make them self-dependent by offering various skill development programmes.

The track record of employment of our students by big business houses and multinational companies has been very satisfactory. Our students of engineering, planning, architecture, management and commerce field are employed by government sector and companies in India and abroad. They are all contributing to the credit worthiness of the University by their hard work and diligence. All these achievements and successes are due to the heart and soul put in by the students, faculty members, and administration of the University.

GURU NANAK DEV UNIVERSITY, REGIONAL CAMPUS, GURDASPUR

Guru Nanak Dev University Regional Campus, Gurdaspur spread over an area of 28 acres, is located on Hardo-Channi Road in the Lap of pristine nature which adds to the beauty and glory of the Institution. The campus was set up in the year 1999, to cater to the educational needs of the students of Punjab and neighbouring states such as Himachal Pradesh, Haryana, Rajasthan and Jammu & Kashmir.

Apart from the basic amenities, the Regional Campus, Gurdaspur has a separate hostel facility for boys and girls with the capacity of 200 and 300 students respectively. The Hostels are well furnished and have facility for indoor games, WiFi-Internet, common room and canteen etc. The regular placements of students from Regional Campus, Gurdaspur have been a distinguished achievement of the Campus. Further keeping pace with evolving cyber age, the University envisaged dedicated internet connectivity (20 Mbps) and four high end programming cum computing labs. There being a revolution in the telecommunication world, different advanced Computer and Electronics labs have been setup. Wi-Fi Internet connectivity is provided in the boys and girls hostels. All departments in the campus have been provided the internet connectivity. One Internet Lab is provided in the girls hostel for working in evening hours. The campus also has 250 KVA generator to provide 24 hrs electricity in the departments and the hostels. The Campus is having well stocked library with a collection of more than 19000 books and a subscription of various national and international e-journals. Special book bank has been set up for students belonging to SC students. The campus also has an active Technical Student Society (TSS#) that organizes various technical and cultural events and workshops/ seminars/ conferences to enhance the technical and personality development skills of the students. It organizes an annual Tech Fest LAKSHYA 2K (Technical events) and URJA 2K(Sports activities) every year. The campus organised two national seminars in 2012, 2014 and a national conference in 2017. The NSS unit of campus is also active in organizing various social activities like tree plantation, blood donation etc.

Vice Chancellor's Message

The capability of an institution to proliferate its practices, to respond to the numerous tests and to fulfil responsibilities towards students and society, comes from following an unshakable approach towards improved learning agendas, balanced performance indices, an exceptionally outlined academic structure, and a policy that drives students towards value-based approach and endow them with an enriched future. Guru Nanak Dev University in the more than fifty years of its progression has continued to be an epoch making institution offering varied academic schedules, sports legacy, literary expertise, and inclusivity in its learning programs. The status of “University with Potential for Excellence” by UGC, accreditation with “A++” grade (highest level as per modified criteria) by NAAC, and the only university having “Category One” status in the region of Punjab and Chandigarh, represents that Guru Nanak Dev University has always encouraged its students and members towards determination, fortitude, resilience and distinction.

The innovation in academia and co-curricular fields has been distinguished ever since the establishment of Guru Nanak Dev University. MHRD, Government of India has recognized our University as one of the top ten “High Performing State Public Universities” across India. For making efforts to reduce its carbon footprint and maintain cleanliness on campus, GNDU has been ranked second amongst the cleanest higher educational institutions in the country in the category of Government Universities by the Ministry of Human Resource Development, Government of India. Since strengthening of diverse pedagogies in the scheme of education and keeping upright the motto and philosophy of the institution has always remained an archetypical mark in the university’s journey. The NIRF Rank of the Universities has risen to 53rd in 2021. In World Universities Ranking (CWUR), the University is placed amongst top 9%. We have received substantial funding for establishing Centre for Interfaith Studies and MYAS-GNDU Centre for Sports Sciences besides RUSA & other Grants. More than twenty departments of the University have received varied grants under UGC-SAP, DST-FIST, and PURSE, in addition to the individual grants received by the faculty.

With the perpetual enthusiasm to become better and achieve imposing summits, the University has created a niche for itself at the global level. We have won the highest sports award in the country, the Maulana Abul Kalam Azad Trophy, for a record number of twenty three times. The university can also take pride that its three shooters and one fencer got selected for Olympics Games Tokyo-2021. Two Academies, for Fencing and for Archery, have been allocated to Guru Nanak Dev University under “Khelo India” scheme of Government of India; along with it, two Centres, for Handball and for Hockey, under the same scheme. Government of India has allotted us four Centres of Excellence in Sports (Athletics, Fencing, Cycling & Swimming) and sanctioned a considerable grant for the same.

With a vision to shape the future of our learners, Guru Nanak Dev University is building a steady network of global partnerships by building bridges with industries, institutions and communities which has resulted in an increase in the numbers of foreign students.

The university has also taken initiatives to make many of its systems and processes digitalized. Bhai Gurdas Library in the university is now fully automated with integrated RFID security system. The Credit Based Evaluation System and a well-developed Placement Cell assure the continuity of learning process and employment opportunities to our students. In order to prepare the students for a highly networked and competitive world, the University supports their interests, emboldens them to develop individual perspectives, and instils managerial and administrative skills in them. Since we attempt to transform our industrious students into smart team players, ethical leaders and conscientious citizens, Guru Nanak Dev University has witnessed a substantial increase of 34% admissions in the last four years, despite an overall fall in

admissions in the State.

Moreover, with admirable architecture, up-to-the-mark infrastructure in well-equipped laboratories, modern-day studios; classrooms for research and teaching, Guru Nanak Dev University is known to provide an encouraging ambience for work which has helped many members of faculty and researchers to win esteemed national and international recognitions and major research projects from the UGC. Many members of the University are serving the Government of India in the highest capacities. It is a matter of pride that the H-index of the University has increased to 121 in 2022. In addition, Web of Science has recognised GNDU for having maximum Science Citations. Thirteen members of faculty have been identified by Stanford University, USA in World's top 2% Scientists list and ninety-one members have been included in AD Scientific Index by Google Scholar. GNDU has also been indexed under QS World University Ranking, 2022 from Punjab. QS IGAUGE Rating System has placed GNDU in Diamond Category in the field of research, faculty quality and infrastructure; and Gold Category in facilities and employability criteria.

The publication of our in-house research journals with high academic visibility and impact factor, various Memorandums of Understanding and collaboration with National and International Universities for Programmes, research projects and conferences, specially designated 'Chairs', excellence in academic exploration, distinguished faculty and enthusiastic students are taking our University to higher peaks. The University has also started new departments viz. Department of Mass Communication, Department of Computational Statistics & Data Analytics, Department of Hotel Management & Tourism, a Division of Dietetics and Nutrition under the Centre for Agricultural Research and Innovation in Department of Agriculture, and Department of Apparel and Textile Technology under the Faculty of Sciences along with many need-based Programmes. In addition, Dual Degree Programmes with foreign Universities are also in the offing.

The university's response to COVID-19 characterizes its strategies that are adaptable and modifiable to the unanticipated circumstances. The academic initiatives taken by Guru Nanak Dev University in the time of Pandemic have helped to remove any gaps in studies. We are committed to advancing academic excellence, expanding liberal and professional knowledge, creating a diverse and inclusive community.

Dean Academic Affairs's Message

Established in 1969, Guru Nanak Dev University is counted among the premiere institutions of higher education in India and is widely known for its excellence in teaching, research, sports as well as cultural activities. It is an honour to serve this institution as Dean, Academic affairs. In line with the provisions in the Guru Nanak Dev University Act 1969, the University has created provisions to impart education to promote teaching and research in all disciplines including Sciences,

engineering and technology, life sciences, arts, social sciences, education, humanities, languages as well as religious studies and sports among others. The University has gained distinction in catering to the education needs of underprivileged society, especially in the rural areas. With 44 different Departments organized in fourteen different faculties, the University has regional campuses in Jalandhar and Gurdaspur, in addition to University colleges at Mukandpur, Jalandhar and Niari. Additionally, University has at least 13 constituent colleges located at different places in Punjab. The University has over 11363 students and more than 300 faculty members teaching different Programmes under the Credit Based Continuous Evaluation (CBCE) and grading system.

The faculty of Guru Nanak Dev University have achieved visibility at national as well as international level, which is attested by the number of awards and distinctions they have received in their respective disciplines. Some of these awards include fellowships of all major societies of science, medicine and other disciplines, medals of national societies, lecture awards and other coveted distinctions in sports. In recognition of this, University Grants commission recently awarded status of University with potential for excellence in addition to accreditation by NAAC. Excellent placement record, availability of state-of-the-art facilities and teaching aids, this University offers immense opportunities to the perspective students.

I am sure, under the leadership of Prof. (Dr.) Jaspal Singh Sandhu, Vice-Chancellor, the University is well poised to achieve more laurels at national and international level.

- (v) The candidate(s) willing to apply in more than one reserved categories, has/have to submit separate forms to be considered for each category for which he/she is applying as well as pay registration fee for all such applications. Change of category however shall not be allowed once the online application form has been submitted.
- (vi) If any reserved category candidate gets admission in general category due to his/her higher rank in merit he/she will be eligible for all benefits of reserved category like Post matric scholarship schemes of Punjab State in accordance with the rules of Punjab Govt.
- (vii) Candidates belonging to General and Reserved Categories other than Scheduled Castes/Scheduled Tribes who secure less than 30% marks in the Entrance Test conducted by the department will not be eligible for admission even if seats are available. However, in the case of Scheduled Castes/Scheduled Tribes candidates, the eligibility condition is a minimum of 20% marks in the Entrance Test.
- (viii) Personal appearance of the candidate in counselling is mandatory for admission. The selected students will have to deposit their fee within two working days or as notified during counselling after the admission slip is issued failing which their seats will be declared vacant and will be allotted to the next candidates. However, the students selected for **B.Tech. Programmes** will have to deposit their fee on the spot at the time of counseling.
- (viii) All admissions will be provisional and liable to cancellation, if at any stage, any information furnished by the candidate is found to be fabricated or false.
- (ix) In case of any dispute, the decision of competent authority conducting the counselling/admission shall be final and binding on all.

9. Discontinuation of a Programme: If the number of candidates seeking admission to a Programme is not adequate (minimum of 5 candidates in case of PG Programmes and 10 in case of UG Programmes) or due to administrative or other reasons, the University may decide not to offer the Programme, or may increase/decrease the number of seats of such a particular Programme at the time of admission.

10. Fees and Fee Concession: For approximate University tuition fee for various Programmes see Fee Structure in <http://gndurcgs.in/images/eligibility.pdf>

- (i) 10% of the students admitted, subject to maximum of 5, in each Programme may be considered for half-fee exemption under 'fee exemption to poor students' as per University rules.

- (ii) Fee may be escalated to the tune of 10% every year for new admissions.
- (iii) The University also offers a number of scholarships and awards to its students. For Further details see Scholarships and Awards.

11. Refund of Fee/Security: The following rules shall apply.

- 1) If a candidate does not join the Programme and surrenders the seat after getting admission slip, the fee and funds deposited by such a candidate will be refunded after deducting processing charges as per University Rules.
- 2) A candidate, who joins the Programme and attends class(es), even for one day, but subsequently surrenders the seat in writing, will be refunded tuition fee and funds after deducting fee and funds for three months.
- 3) A candidate is allowed to shift from one Programme to another Programme. For this purpose, fee and funds deposited by him/her will be adjusted after charging Rs. 5000/- (for each shifting) as shifting fee. However, shifting is not allowed after the admission process is over.

12. Prohibition of Ragging: Ragging of any type is strictly prohibited on the campus. Each students must follow the directives given in [Ragging:Prohibition,Prevention and Punishment](#).

13. Attendance: The following general rules shall apply.

- (i) 75% Attendance in theory and practical separately in each paper is mandatory.
- (ii) If a student does not attend the classes continuously for fifteen days without any information to the Head of the Department concerned, his/her name is liable to be struck off the rolls of the Department. He/she may seek re-admission giving valid reason for his/her absence within next fifteen days failing which he/she will forfeit the right of re-admission.
- (iii) A full-time student of a Programme is not allowed to join a full time job. Any student found doing this at any time shall be liable to lose his/her admission or degree even at a later stage. However, this shall not apply to students who have taken leave for study from their employers.
- (iv) Admission to two full-time Programmes is not allowed simultaneously.

14. Admission of Kashmiri Students: The following general rules shall apply.

- (i) In case of Kashmiri migrant students, the guidelines issued by the Ministry of Human Resource Development, Government of India and passed by the Syndicate of the University in its meeting held on 20.9.2016 vide Para No.32 shall be followed.
- (ii) As per guidelines of the UGC two Supernumerary seats are available in each of the Programme being run by the University for Jammu & Kashmir candidates (approved in the Syndicate meeting held on 29.06.2015 vide Para No. 38.).

15. Admission of Outstanding Artists/Sports Persons:

- (i) In case of outstanding artists, the University shall create 15 additional seats which may be allocated to different departments on the recommendation of a committee constituted for the purpose by the Vice Chancellor.
- (ii) In case of outstanding sports persons (as per criteria approved by The Syndicate in its meeting held on 7.2.2018, vide Para no. 9.9, Annexure-II), 20 seats in Department of Physical Education (Teaching) and 2 seats in other Programmes are available for admission.

16. Admission of Indian Army Personnel in P.G. Programmes(Approved by the Syndicate vide Item No. 5.6 of its meeting held on 10.2.2020) :

- (i) Two seats have been created for the Indian Army Personnel in each of the Postgraduate Programmes. These seats will be over and above the normal intake of these postgraduate Programmes except for Programmes covered under the purview of the respective councils viz., Bar Council of India, Architect Council of India, Pharmacy Council of India etc.
- (ii) The Admission of these Army Personnel will be subject to fulfilling the required eligibility criteria and qualifications. The Admission will be made on the basis of Entrance Test Examination as per counselling schedule or a separate Entrance Test may also be allowed to be conducted to accommodate leave schedule of these army personnel keeping in view of the nature and constraints of army services.
- (iii) The names of such army personnel shall be forwarded by the Indian Army along with the sanctioned leave for the duration of the Programme that he/she is willing to pursue in the University.

17. Admission of Foreign/NRI students: Being "Category-1" University, admission to foreign Nationals/NRI students is also open for which 20% seats over and above the regular number of seats are reserved. Fee structure is given in Details of Programmes offered and modes of payment of fee for foreign/NRI candidates, in each Programme are given in Admission to Foreign/NRI candidates. (Refer GNDU Main Campus Prospectus for details)

18. For any discrepancy or dispute, relevant ordinances as given in GNDU Calendar and as modified from time to time shall prevail.

ADMISSION PROCESS (2023-24)

IMPORTANT POINTS: [CHECK YOUR ELIGIBILITY BEFORE REGISTRATION, REGISTRATION FEE IS NON-REFUNDABLE.](#)

STEP 1: Generate Student ID

Student ID (13-digit unique number for every student) is compulsory and needs to be generated once. The **Student ID** will act as Login ID for every activity related with students like Download Roll No for entrance Test/ Counselling / Admission etc.

For generating Student ID, Email Id (Personal) and Aadhaar Number of the Student is required.

[CLICK HERE FOR GENERATING STUDENT ID](#)

STEP 2: Login

[B.TECH/
M.TECH/
M.C.A/
BCA, MCA\(FYIP\)
B.Com, MCom
\(FYIP\)/
MBA/M.Com](#)

The candidate is advised to Login using Student ID and Password. After successful Login, the candidate will be entered in the "**Candidate Area**" where different menu options like "**Fill Basic Details**", "**Fill Academic Details**", "**Programme Registration**", "**Fee Payment**", "**Print Application Form**" etc. shall be available.

STEP 3: PROGRAMME REGISTRATION & REGISTRATION FEE

During registration, Select **CAMPUS** as **GNDU REGIONAL CAMPUS, GURDASPUR**,
DEPARTMENT as **ENGINEERING & TECHNOLOGY**,
PROGRAMME TYPE as **B.Tech&B.C.A./M.Tech&M.C.A. respectively**

STEP 4: APPLICATION SUBMISSION

Once the fee paid by candidate is confirmed, the candidate may take printout of Application Form. The candidate has to take printout of Application Form every time updates academic details using "EDIT Option" which will be made available with due Programme of time.

Profile of the Departments

Guru Nanak Dev University Regional Campus, Gurdaspur

The Regional Campus, Gurdaspur which is spread over an area of 28 acres, is located on Hardo-Channi Road in the Lap of pristine nature which adds to the beauty and glory of the Institution. The campus was set up in the year 1999, to cater to the educational needs of the students of Punjab and neighbouring states of Himachal Pradesh and Jammu & Kashmir. **Apart from basic amenities, the campus has a separate hostel facility for boys and girls with the capacity of 200 and 300 students respectively. The Hostels are well furnished and have facility for indoor games, WiFi-Internet, common room and canteen etc.** The regular placements of students from Regional Campus, Gurdaspur have been a distinguished achievement of the Campus. Further keeping pace with evolving cyber age, the University envisaged dedicated internet connectivity (20 Mbps) and four high end programming cum computing labs. There being a revolution in the telecommunication world, different advanced Computer and Electronics labs have been setup. Wi-Fi Internet connectivity is provided in both the boys and girls hostels. All departments in the campus have been provided the internet connectivity. One Internet Lab is provided in the girls hostel for working in evening hours. The campus also has 250 KVA generator to provide 24 hrs electricity in the departments and the hostels. Transport facility for the students is available. The Campus is having well stocked library with facility of various national and international e-journals. Special book bank has been set up for students belonging to SC students. Technical Student Society is active to organize different activities related to enhance the technical and personality development skills of the students. NSS unit of campus is also active in organizing various social activities.

Competency Development:

The prime objective of this Programme is to enable students to acquire specialized knowledge for various

subjects in computer science & information technology. This Programme helps to enrich the student's personal, social and cognitive development to meet challenges of today and tomorrow. It is one of the most sought-after Programmes amongst the engineering aspirant. Computer Science Engineering (CSE) is an academic program which integrates the field of Computer Engineering and Computer Science. This Programme consists of topics related to computation, algorithms, program design, programming languages, computer software and computer hardware. The students are given industrial exposure in the final semester of B. Tech. After the completion of the degree, the students are equipped to pursue higher education or have job avenues in reputed MNCs, PSUs as well as in other government sector undertakings.

Learning Outputs

- The graduates are able to design, implement and evaluate a computer-oriented system, process and program to meet their needs as well as IT industry requirements.
- Students can apply knowledge of computation and mathematical approaches according to their desired outcomes.
- They are able to understand their professional responsibilities and having ability to make judgments in cyber and other security activities based on social and ethical principles.

Competency Development:

Electronics and Communication Engineering involves researching, designing, developing and testing of electronic equipment used in various systems. This Programme of engineering deals with basic electronics, microprocessor-based systems, solid-state devices, Analog and digital communication, integrated circuits, microwave engineering, satellite communication and antenna & wave propagation. The department has been successfully catering the needs of the students hailing from different parts of the country and Punjab itself.

Learning Outputs:

After the completion of this Programme, the students will be able to demonstrate their skills in designing, implementing and testing analog and digital electronic circuits, including microprocessor system for signal processing, communication, VLSI and embedded system applications.

Coordinator: Dr.Anu Sheetal, Dr.Satbir Singh

Competency Development:

This Programme provides advanced level knowledge and skills in the design of complex integrated software enabled electronic and microelectronic based hardware systems. In order to meet the demand of industry, the curriculum has been specially designed in consultation with technical experts from various industries. This Programme provides an exposure to build smart systems that involve processors, IOT based sensors, actuators, communication networks and Data Analytics. The department offers best infrastructure for both practical and theoretical purposes. B.Tech. (Electronics & Computer Engineering) provides a strong foundation in theoretical, practical and design aspects of Electronics and Computer Engineering.

Learning Outputs

- After the completion of this Programme, the students will be able to apply the fundamental and advanced concepts of electronics and computer engineering to analyze, design, develop and implement various systems and applications using

latest softwares.

Competency Development:

M.Tech. in Electronics and Communication Engineering with Specialization in Communication Systems is a two-year postgraduate degree program for engineering students. Electronics and communication is an allied branch of engineering which deals with research, design, manufacturing, and testing of electronic and communication devices and equipments. The Programme covers key areas such as Digital Signal Processing, Microwave Communication Systems, Information Theory and Coding, Wireless & Mobile Communication System, Photonic Network and Switching, Satellite Communication etc. The Master of Technology [in Electronics](#) & Communication Engineering is a valuable and work-oriented research-based degree in which the student submits dissertation based on research in the emerging trends in communication technology.

Learning Outputs

- Participation in research and development activities to integrate engineering issues in broader social contexts.
- The students can work in educational, R&D institutes, Industry and as an Entrepreneur in Electronics & Communication Engineering field.
- They can pursue their doctoral studies and research in the institutes of high repute in India & abroad and

develop independent and lifelong learning skills for their continuous professional development.

For admission in MCA Five Years Integrated Programme (FYIP) after Senior Secondary Examination (10+2)

The Students admitted to MCA Five Years Integrated programme will be awarded degrees of **BCA(3years duration), BCA (Honours) (4 years duration), BCA(Honours with research)(4 years duration), MCA (5 years duration)** with following exit options :

- i. The eligible students, who successfully complete 3 years (6 semesters) of MCA (FYIP) will have an option to exit the programme and will be awarded degree of BCA.
- ii. The eligible students with equal to or more than 7.5 CGPA in BCA degree (3 years duration), who opt for research in the 4th year of MCA(FYIP) will get **BCA (Honours with research)** after successfully completing 4 years (8 semesters) of MCA (FYIP).
- iii. The eligible students with equal to or more than 7.5 CGPA in BCA degree (3 years duration), who do not opt for research in the 4th year of MCA (FYIP) will get **BCA (Honours)** after successfully completing 4 years (8 semesters) of MCA (FYIP).
- iv. The eligible students with less than 7.5 CGPA in BCA degree (3 years duration), will not be offered option for research in the 4th year of MCA (FYIP) and they will get **BCA (Honours)** after successfully completing 4 years (8 semesters) of MCA (FYIP).
- v. The eligible students will be awarded **MCA** after successfully completing 5 years (10 semesters) of MCA (FYIP).

Competency Development:

During the Programme the students are given theoretical and hands-on training in Programming Techniques, Database Management System, Microprocessors, Operating Systems and other Application software. The students are encouraged to take an active interest in various research areas like Software Engineering, Computer Networks, Optimization Methods and Parallel Algorithm.

Learning Outputs:

This two years Post graduate programme is intended to prepare software professionals equipped with skills like software project handling and client-based project for the IT industry. The design and analysis of various software products along with maintenance, development of innovative practices as a part of skill set for IT companies.

Salient features of the Department of Engineering and Technology:

i) Core Competencies

The Department of Engineering and Technology imparts high quality education in Computer Science and Electronics Technology to produce highly competent technical manpower to meet the growing demand of the global industrial sector and cultivates young minds to grow and excel in the technical world. The students are given theoretical knowledge and hands-on training in Programming Techniques, Database Management System,

Networking and Data Communication, Operating Systems and other Application Softwares. Database Lab with latest SQL Server and supporting application softwares like MS Access, SQL Server, Oracle 10g & 11g are used for software development. Programming Lab is used for programming with latest IDE installed in it, front-end tools like C/C++, Java, VB.Net Developer 2015. Also, the department has well-furnished laboratories of Electronic Devices and Circuits, Communication Systems, Digital Electronics, Microcontroller, Microprocessors Microwave Engineering, Industrial Electronics etc. The students are also given exposure to various advanced commercial simulation softwares such as MATLAB for image processing and communication system, OPTISYSTEM for optical communication system design, CST- studio for antenna designing etc. The students are motivated to participate in the various activities like mock tests, group discussions, seminars, workshops to improve soft skills and enrich their personalities.

ii) Niche Areas

The department has highly qualified and competent faculty having research specialization in Optical fiber communication systems and networks, wireless Communication, Semiconductor Nanomaterials, Antenna, Distributed Artificial Intelligence & Machine Learning, Digital Image Processing, Open-Source Software, Complex Networks etc.

iii) Special Features

The Department of Engineering and Technology was established in the year 2002 at the Guru Nanak Dev University Regional Campus, Gurdaspur with 4-year B.Tech.(ECE), B.Tech.(CSE) and MCA (FYIP) degree programmes. In 2013, M.Tech., (CSE) and M.Tech. (ECE) Programmes were also started in the department. The department is catering to the needs of the students hailing from various parts of the country especially the backward and border areas of Punjab. It has highly qualified and competent faculty to educate the students theoretically and practically as per the industrial requirement. The faculty regularly attends various International/National Conferences/Symposia and Workshops to keep themselves updated with the emerging technological trends. The syllabi of offered Programmes are regularly updated to keep pace with the latest developments in the technology. The department has well stocked air-conditioned library having around 9,000 books, various newspapers, Magazines and subscription of various international e-Journals for ready reference to the students. Also, the department is well-equipped with the advanced laboratories with different research softwares such as NetLogo, MATLAB, OptiSystem, LabVIEW, Scilab and CST-Studio etc. The department provides state-of-the-art computing facilities and has about 150 Intel 5th Generation computers having i5 processor, with latest software platforms like Windows 7/10, LINUX, UNIX etc. All the computers in the various labs /offices in the Department are connected via campus wide Local Area Network and WiFi facility is also available in the classrooms and the offices. The department provides Internet connectivity through 20Mbps leased line catering to the need of entire campus. The department has 8 ICT enabled classrooms and 2 seminar halls for lectures and other co-curricular activities.

Competency Development

The Programmes in the Department are evaluated under Credit Based Continuous Evaluation Grading System and Credit Based Evaluation Grading System. The Department upgrades its syllabi on a continuous basis with the purpose to make the content of the Programmes more vibrant and contemporary. The syllabus is designed to focus on practical training through case studies, seminars, research projects, industry-academia interface and industrial visits. The teaching involves activities like immigration exercises, role playing, group discussions, and usage of multimedia projectors for better understanding.

During this programme, every student undergoes an internship relevant to his/her specialization that allows him/her to apply the newly acquired knowledge in practical industry settings. Students are given various opportunities to attend seminars, workshops and guest lectures, and to participate in personality and aptitude development activities like quiz competitions, group discussions, debates, extempore, and so on.

All the faculty members are actively engaged in research and have published their research papers in various renowned National/International journals. They bring their research experience into the classroom that provides greater depth to the Programme structure. The faculty in the Department imparts training to a large number of Ph.D. scholars. The Pre-Ph.D. Programme work is designed to make researchers aware of contemporary research areas, research methods and statistical techniques.

Areas of Research

The Department offers facilities for research in various specializations of Management leading to Ph.D. Degree. The Faculty and a fleet of research scholars are carrying out research in the area of Marketing, Finance, Human Resource Management, etc. The Department has produced Ph.D.'s in various crucial and contemporary topics in the area of Management.

Learning Outcomes

The Programmes of this Programme are well aligned with industry requirements to make students employable through enhancing their subject learning and skill development. The general orientation of this Programme is as follows:

- **Conceptual Understanding:** The syllabi of all Programmes are updated regularly to make them at par with premier institutions and meeting the industry requirements.
- **Relevant Market Understanding:** Students are made aware about market dynamics through expert talks, guest lectures, case analysis and applicability of concepts learnt on real life problems. It further improves their *problem solving skills*.
- **Incubation:** Creativity is the key to success and it is well acknowledged in various activities organized by the Department. Moreover the students are encouraged to participate in various intra/inter Departmental as well as off campus competitions.
