## IIMB - The place to be

In a world that is rapidly changing, business leaders must adapt and grow wherever they work in order to stay competitive. IIM Bangalore nurtures business and management professionals and empowers them to accelerate their learning and personal growth to achieve excellence.

Established in 1973, Indian Institute of Management Bangalore (IIMB) is widely acknowledged as a premier management institute in India, with an international reputation for the quality of its post graduate and doctoral programmes.

IIMB is renowned for the excellence of its faculty who have studied and taught at some of the best universities in India and abroad. Their research regularly appears in leading publications and academic journals around the world. They bring vast industry, consulting and academic experience into the classroom, making for a unique and stimulating learning environment.

IIMB, housed in a renowned award-winning campus designed by a Pritzker Architecture Prize laureate, is India's top research-focused business school with over 100 full-time faculty members, more than 1400 students, and more than 5500 Executive Education participants (2019-20).

IIMB has the tradition of fostering excellence in research and teaching, and providing a supportive environment for faculty and students. The school's vision is to advance ideas in management, innovation and entrepreneurship for business, government and society.

IIMB has been quick to respond to the various challenges brought about by the pandemic and the following lockdown. The delivery of programmes had to undergo a significant change. The institute took up immediate action to start delivery of education through the digital mode. Utmost care continues to be taken to safeguard the health and safety of all the stakeholders. IIMB has made the best use of technology to stay connected and productive.

## Our Vision

To be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society

## Our Mission

Nurture innovative global business leaders, entrepreneurs, policy-makers and social change agents through holistic and transformative education

Provide thought leadership that is contextually embedded and socially relevant and makes positive impact

Pursue excellence in education and thought leadership simultaneously without making any tradeoffs

## Director's Message

### Professor Rishiksha T. Krishnan

It's a great honour to be the Director of IIM Bangalore (IIMB) at this important juncture in its evolution.

*IIMB's vision is "to be a global, renowned academic institution fostering excellence in management, innovation and entrepreneurship for business, government and society."*

In keeping with this vision, since its inception in 1973, IIMB has distinguished itself by its excellent academic programmes, executive education, research across management and related disciplines, support for entrepreneurs and contributions to public policy. Our 12,000+ alumni who received degrees (or equivalent qualifications) from IIMB are making significant contributions across sectors and across the world as are the thousands of professionals who have attended our executive education programmes.

IIMB has been an innovator in many respects. We have a complete bouquet of degree offerings in Management. Our new MBA programme in Business Analytics is specially designed to combine the best of management and data analytics. Our incubator, run under the aegis of the NS Raghavan Centre for Entrepreneurial Learning (NSRCEL), has a unique positioning in helping hundreds of qualified individuals start their first venture. We are the national leader in Massive Open Online Courses (MOOCs) with more than 40 courses in management offered on the edX, Swayam and IIMBx platforms. We follow a tenure track system to attract the best-qualified research-oriented faculty.

While our faculty are outstanding scholars in their respective disciplines with publications in leading academic journals, they are also inspiring teachers, impactful consultants, award-winning case writers, and renowned corporate and policy advisers. Many of them have been on the statutory and advisory boards of leading companies, start-ups, non-profits and educational institutions. Central and State governments in India, and international organizations have benefited from their expertise in formulating and reviewing public policy. Recent contributions

have included our faculty colleagues being part of the Kotak Committee on Corporate Governance (2017) and the Justice Srikrishna Committee that drafted a Data Protection legislation for India (2017-18).

Reflecting these strengths, we are consistently ranked the #1 or #2 Management School / MBA programme in India. It is a matter of pride that we figure in the top international rankings as well. For example, IIMB's One Year EPGP is ranked #27 in the *Financial Times* Global MBA rankings 2020, the best rank awarded to an MBA programme from India.

We value our international connections. Besides being EQUIS accredited by the EFMD, we are active participants in global networks like GNAM and have student exchange relationships with the best schools across the globe.

As we look ahead, an important priority for IIMB is to further enhance our impact. We have multiple platforms that can enable us to do this:

- Engaged Digital Learning by blending MOOCs with synchronous learning as a way of reaching out to thousands of new learners.
- Our new campus near Anekal provides the opportunity to nurture innovative leaders and entrepreneurs through new academic programmes in the most picturesque surroundings in keeping with IIMB's mission.
- The outstanding research capabilities of our faculty and specialized research centres offer us a significant opportunity to do contextually-relevant rigorous research that can contribute to addressing India's myriad managerial, economic, societal and environmental challenges.

Above all, we should seek to ensure that excellence pervades everything we do. Tejasvi navadhitamastu.

## Programmes at IIMB

IIM Bangalore offers degree-granting programmes, certificate programmes, executive education programmes and specialized courses in areas such as entrepreneurship and public policy.

### Degree-Granting Programmes

<b>Doctor of Philosophy (PhD), Five-year fulltime programme</b>	The doctoral programme is committed to training individuals who will excel in their area of research by publishing quality work of international standard.
<b>Master of Business Administration (MBA), Two-year fulltime programme (PGP)</b>	The Post Graduate Programme in Management (PGP), leading to an MBA, is designed to equip students with skills and capabilities that will enable them to reach responsible global leadership positions. The PGP revolves around the principle that world-class business leaders are not mass-produced; they are nurtured and developed in a practical application-oriented, user-friendly environment.
<b>Executive Post Graduate Programme in Management (EPGP), One-year fulltime residential programme for Experienced Professionals</b>	The Executive Post Graduate Programme in Management (EPGP), leading to an MBA, is an intensive one-year, full-time programme designed to enhance skills and capabilities essential for responsible positions at senior management levels. Challenging and globally-oriented, the objective of this programme is to produce future leaders who can handle a dynamic corporate environment.
<b>Master of Business Administration (MBA), Two-year programme for Working Professionals (PGPEM)</b>	The Post Graduate Programme in Enterprise Management (PGPEM), leading to an MBA, is designed for middle and senior level working professionals. Participants learn from world-class faculty, while strengthening their network through collaboration with peers during their on-campus sessions.
<b>Master of Management Studies (Public Policy), (MMS(PP)), One-year full-time</b>	Catalyzed by the Government of India and the United Nations Development Programme, the Post Graduate Programme in Public Policy and Management (PGPPM) is packed with path-breaking insights about winning policymaking and management strategies.
<b>Master of Business Administration (Business Analytics), (MBA(BA)), Two-year fulltime programme (PGP-BA)</b>	The Post Graduate Programme in Business Analytics (PGP BA), leading to an MBA, is a multidisciplinary programme intended to equip students to solve business and social problems using analytical tools. The programme also teaches techniques to identify patterns, gain insights, develop business strategies and help make better business decisions.

### Certificate Programmes

<b>N. S. Ramaswamy Pre-doctoral Fellowship (NSR Pre-doc), One-year, full-time</b>	N.S.Ramaswamy Pre-doctoral Fellowship (NSR Pre-doc) is a highly selective programme instituted with the aim to increase social diversity of management academia in India. Upon successful completion of the programme requirements, a Certificate of Completion is issued to the students.
<b>Mahatma Gandhi National Fellowship (MGNF), Two-year full-time</b>	The Mahatma Gandhi National Fellowship (MGNF) is a Certificate Programme in Public Policy and Management offered by IIM Bangalore. The Fellowship seeks to combine classroom sessions (Academic Module) at IIMB with an intensive field immersion at the district level (District Immersion) to create credible plans and identify barriers in raising employment, economic output, etc. and promote livelihoods in rural areas. MGNF is an initiative of the Ministry of Skill Development and Entrepreneurship (MSDE), Government of India (GoI) that is designed and implemented by IIMB, in collaboration with State Skill Development Missions (SSDMs).

## Executive Education Programmes

IIMB offers Executive Education Programmes, which cater to a wide variety of organizations in government, public and private sectors and non-governmental organizations, with Open and Custom programmes ranging from two days to one year. In the 2020 FT Rankings on EEPs, IIMB is ranked as number one in India in the Open and Custom categories. IIMB is the only school in India to figure among the top 50 Global Rankings for EEPs.

## IIMBx

IIMBx, the digital learning initiative of Indian Institute of Management Bangalore, places emphasis on making online education accessible, affordable and adaptable for all sections of the Indian population, simultaneously catering to the demands of a much wider, larger, global audience since its inception in 2015. From course content creation to platform designing, IIMBx's focus has been on delivering superior quality educational content that is relevant to the diverse group of the target market and user-friendly.

IIMBx's focus on quality and technology has fetched valuable partnerships. IIMBx has partnered with various educational institutes and corporate organizations to provide customized blended-learning modules. It also has partnered with IIT Madras to offer the Certificate Programme in Technology and Management (CTM) wherein IITM offers the technology-related courses and IIMB provides management-related courses to meet the requirements of young professionals aiming to hone their technological as well as managerial skills.

Besides the online courses, IIMBx also hosts workshops, seminars and conferences on a regular basis. The Faculty Development Programmes, conducted every quarter, invite teachers from across the country for a workshop on blended learning and designing MOOCs. The Future of Learning Conference organized every year hosts researchers and educationists from across the globe for a dialogue around online learning.

## Faculty & Research Ecosystem

The foundation of any good academic institution is its faculty. Well-known and highly respected faculty in their respective academic fraternities is what distinguishes IIMB from other business schools. The faculty body, a community of over 150 members, includes acclaimed scholars and award-winning professors drawn from all management disciplines.

Faculty members at IIMB generate knowledge through cutting-edge research in all functional areas of management that would benefit public and private sector companies, and government and society in general. The knowledge generated by IIMB faculty, a community of over 150 members, has appeared in leading academic journals with high citation index and impact factor. Many textbooks and working papers are written on a regular basis. Research carried out by IIMB faculty is used to augment new courses and executive education programmes.

In the past five years alone, IIMB scholars' cutting-edge research has been published in top-tier journals such as *Strategic Management Journal*, *Academy of Management Journal*, *Journal of the Royal Statistical Society*, *Entrepreneurship Theory and Practice*, *Human Resource Management*, among others.

## Placement Flexibility

---

After the completion of the Post Graduate Programme in Management, students can postpone placement to pursue their entrepreneurial venture. They have the flexibility to return, after two to three years, for placement through the Office of Career Development Services (CDS) at IIMB.

## Wide Range of Electives

---

The school strives to give students avenues for choice, based on their interest and industry need. IIMB has the distinction of offering the largest number of elective courses among B-schools in India, covering a wide array of topics. The school believes the freedom to choose electives helps in out-of-the-box thinking.

## Industry-relevant Curriculum

---

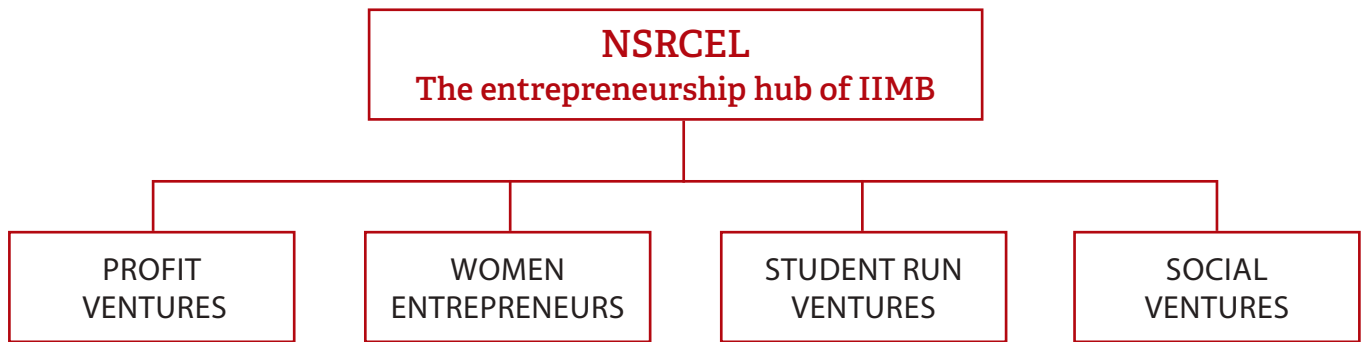

IIMB aims to keep students updated about the latest developments in the world of business and management. The school strives to make the curriculum industry-relevant through live projects, cases, global exposure and experiential learning, using outbound activities and interactive teaching sessions.

## Diversity

---

IIMB is an academic community with social and intellectual diversity, wherein the school encourages students coming from diverse backgrounds. The aim is to improve the in-class experience of the students and help them learn from, and contribute to, multiple perspectives.

## Innovation & Entrepreneurship

IIMB empowers students to pursue their entrepreneurial dreams. NSRCEL - the Incubation arm at IIMB aims at helping budding entrepreneurs tap into their potential and build successful business entities through its structured programs.

Ventures incubated at NSRCEL represent a large variety of stages and sectors that are progressing well in terms of customer acquisition, key partnerships, and funding opportunities - key measures of external validation for a startup.

Students at IIMB also have the opportunity to take up short projects with startups of NSRCEL, as part of their courses and gain valuable insights before they graduate from the institution. In order to encourage students to explore entrepreneurship, IIMB allows them to defer placements.

## Internationalization

IIMB has collaborated with 90 international partner institutions across the world in 30 countries.

In 2019-20, 166 of our students were outbound and 84 students came to IIMB on exchange.

As part of the Business Planning for International Markets (BPIM) programme, 98 of our students visited Japan, Dubai and Vietnam in 2019-20.

IIMB became a member of Global Network for Advanced Management in 2012.

IIMB commenced its Dual Degree Programme with Global Partner Schools in 2018.
