1. POSTGRADUATE PROGRAMMES

1.1 Introduction to Postgraduate Academic Programmes leading to M.Tech./ M.Arch./ M.U.R.P. (Two years duration)

The postgraduate programmes in Engineering and Architecture include 46 full-time specialized programmes leading to M.Tech. / M.Arch. / M.U.R.P. degrees. In addition, the departments of Hydrology and Water Resources Development and Management, also offer PG Diploma programmes. Details of different academic programmes leading to M.Tech. / M.Arch. / M.U.R.P. degree available in different departments along with their codes, GATE Disciplines, the minimum educational qualifications for admission are given in **Table-1**. The curriculum structure of these programmes is given on the Institute website: www.iitr.ac.in

The regulations in force determine the general academic requirements for the above programmes for full-time and part-time students.

Admission is open to full time sponsored and part time sponsored candidates also.

The minimum duration of all academic programmes would be four semesters for Full-Time candidates and six semesters for Part-Time candidates

1.2 Dual Degree Programme

The M.Tech./M.Arch./MURP candidates pursuing PG degree in any deptt/centre of IITR are permitted to switch over to Ph.D. Programme after 1st year subject to satisfying eligibility criteria.

2. ELIGIBILITY REQUIREMENTS FOR ADMISSION TO M.Tech. / M.Arch. / M.U.R.P. DEGREE PROGRAMMES

Candidates who possess the minimum educational qualifications as given in **Table-1** are eligible to seek admission to these Postgraduate programmes. In addition, candidates of General, Gen-EWS and OBC category must have secured at least 60% marks or CGPA of 6.00 on a 10 point scale at the qualifying degree level; but for SC/ST/PD category candidates, this percentage is 55% or 5.50 CGPA on a 10 point scale. The marks awarded for the qualifying degree will be considered for eligibility.

In case of CGPA awarded on different point scale, **Table-2** as approved by the Senate of the Institute will be considered for deciding eligibility.

These essential eligibility requirements are applicable to all the categories of candidates, viz: regular, full-time sponsored and part-time sponsored candidates. Other conditions for these three categories are as follows:

2.1. Regular Candidates including GATE qualified Foreign candidates

- (a) Admission to Postgraduate programmes leading to M.Tech. / M.Arch. / M.U.R.P. degree as given in **Table-1**, will be open to the candidates qualified in GATE on the basis of valid Normalized GATE marks in the disciplines. **The normalized GATE marks of different papers will be used to prepare the merit list for programmes of a department. These Normalized GATE marks will be calculated by IIT Roorkee as follows:**

$$\text{Normalized GATE Marks = } \frac{\text{Normalized Marks Out of 100 OR Marks (if Normalized marks not applicable)}}{\text{Maximum Marks Awarded in that Paper in that year}} \times 100$$

Example: Assume marks scored by the candidate is 64 out of 100 in EE Paper, where maximum marks in EE paper of that year is, say, 92. Then normalized GATE marks of the candidate in EE paper will be as follows:-

$$\text{Normalized GATE Marks in = } \frac{64}{92} \times 100 = 69.57$$

EE Paper of the candidate 92

- (b) **Final year students who will be completing all the requirements of their qualifying examination including backpaper(s) / supplementary(ies) before the date of registration may also apply.** Such candidates may be admitted provisionally but they will be required to produce the proof of having passed the qualifying degree with the required percentage of marks or CGPA **within the stipulated period to be decided by the institute, failing which their admission shall be cancelled.**

A candidate appearing in any part of the qualifying examination including supplementary examination etc. after the date of registration shall not be considered to have qualified for admission in the year 2022-23 and if such a candidate is registered provisionally his/her admission shall be terminated.

- (c) Direct admission without GATE will be offered to IIT graduates with a minimum CGPA of 8.00 on a 10 point scale.
- (d) Candidates having AMIE/ AMIS/ AMIChE/ AMIIM/ Grad IETE, who possess B.Sc. or Diploma in engineering and have at least three years research, teaching or other professional experience at the submission of last date of application acquired in relevant field, are also eligible to apply for admission to M.Tech. courses.
