What makes CVV stand apart from the crowd?

CVV aims to create an academic platform that bridges the Indian Knowledge Systems (IKS) and Contemporary Knowledge Systems (CKS) with their current-day applications in every sphere of society. Started in 2017, a Deemed-to-be-University in the 'De Novo' category, CVV is on a quest to provide international standard education to all.

We are built on the four guiding principles:

- Purity
- Spirituality
- Practicality
- Innovation

Through this, we intend to mould the youth of today into well-rounded, responsible, and value-grounded adults that contribute to the nation and the world at large.
