Message from the Vice-Chancellor

Welcome to the Delhi Skill and Entrepreneurship University

The Delhi Skill and Entrepreneurship University focuses on students' holistic development. The aim is to equip our students with 21st-century skills, which are in complete synchrony with the industry requirements. At DSEU, we understand the importance of higher-order thinking skills. For this reason, each program at DSEU has dedicated industry partners who participate in the design and delivery of the course and facilitate OJT + internships to ensure job-ready students.

DSEU is spread across 21 active campuses in Delhi, and it is currently offering over 40+ diploma and degree programs, which have been launched with the overall objective of preparing a qualified skilled workforce to fulfil the needs of the industry.

Endowed with the dual objective of transforming the skilling landscape and supporting entrepreneurship, the courses are designed in alignment with the industry needs and will help the youth overhaul the problem of skill gaps after entering the industry.

We aim to provide a state-of-art infrastructure with industry-relevant labs, equipment and other facilities with the help of partner support and technological knowledge. Industry leaders have already joined us as part of this journey and have extensively supported us in the last few months with course design and facilitation of industry visits for our team at DSEU. Key industry intervention areas have been the co-creation of content & curriculum, faculty development, joint research, co-innovation, scholarships, internships & placements.

I personally acknowledge the support and encouragement we have received from the Members of the Board, and from all our colleagues, and extend our appreciation to the students for their exemplary behaviour and contributions towards enriching the campus life.

We look forward to working together with our stakeholders to meet the University's goals of excellence in teaching, research and societal impact.

Dr. Amita Dev
Vice-Chancellor

About Delhi Skill and Entrepreneurship University

The Delhi Skill and Entrepreneurship University (DSEU) has been established through an act of the Legislative Assembly of the National Capital Territory of Delhi, namely the "Delhi Skill and Entrepreneurship University Act, 2019" (Delhi Act 04 of 2020) to provide quality education in applied sciences and skill education. The University aims to equip students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mindset and entrepreneurship. DSEU creates a win-win for the youth and industry by filling the existing gaps in skill training.

Building on the education philosophy of thinkers, such as Mahatma Gandhi and Vinoba Bhave, DSEU aims to integrate the use of the hand, head and heart for balanced living and engagement in lifelong learning. The focus is on teaching both self-reliance for lifelong independence and the wisdom toward nurturing and valuing interdependence.

The University wishes to change the existing paradigm of skilling, making skill acquisition aspirational and providing opportunities to all for skilling, up-skilling and reskilling. Besides, DSEU will support and nurture entrepreneurs and provide quality mentorship to steer the entrepreneurial journeys of those interested, by providing incubation and hand-holding.

The University started with its inaugural Academic Year in 2021 and launched 15 Diploma programs, 18 Undergraduate programs (11 Flagship programs, BCA and 6 B.Tech. programs) and 2 Postgraduate programs across 13 campuses in Delhi. In the second academic cycle (2022-23), admissions for 15 Full-time Diploma programs, 2 Part-time Diploma programs, 15 UG programs, and 4 B.Tech. programs, 4 M.Tech. Programs, MCA and 4 Ph. D programs were conducted. In the third academic year i.e. 2023, the University is launching admission across 21 Campuses in Delhi in 17 Full-time Diploma programs, 12 Lateral Entry to Diploma Programs, Advanced Diploma in Automotive Mechatronics, 20 UG programs, 4 B.Tech. programs, 4 Lateral Entry to B. Tech programs, 4 M.Tech. programs, MCA, M.Sc. (Medical Laboratory Sciences), 4 Ph.D and various other Short Term Certificate programs.

The University's focus is on offering programs in close collaboration with industry partners, which gives our students an edge in a better understanding of the skills required by the industry. Students undertake live projects, regularly interact with domain-specific experts, and take up on-the-job training in organisations during their program work, simultaneously integrating the theory learned in the classroom with actual work experience. It is this model of "learning by doing" which becomes a win-win situation for all stakeholders involved. Further, we have a dedicated team for External Relations and Placements & Partnerships which have created a transparent and robust ecosystem helping recruiters and students make informed decisions.

Vision, Mission and Key Principles

Vision

- To set the standards for skilling and entrepreneurship education.
- To lead the students at DSEU to experience personal transformation, who in turn become agents of bringing changes in the community.
- To become a leading partner in the sustainable growth of the industry and the country.

Mission

- To accord dignity to all skills by emphasizing its teaching and learning.
- To inculcate an entrepreneurial mindset for sustainable growth of the planet, the country, the society, the industry and the individual.
- To work in partnership with the industry to nurture talent which is honed to be ready-to-work on the day of graduation.

Key Principles

Delhi Skill and Entrepreneurship University has defined some key principles which are embedded in all its programs to help in the holistic development of all students:

- Develop market-linked programs by customizing them to specific job roles.
- Multiple entry/exit options and offer integrated career pathways.
- Design inclusive programs.
- Ensure holistic development by deeply integrating employability/life skills in the curriculum.
- Leverage technology.
- Equip students with an entrepreneurial mindset.

Outreach and Extension

DSEU has a dedicated **Centre for External Relations and Partnerships (CERP), for** developing and facilitating effective **long term mutually beneficial partnerships** with national/international organisations, academic bodies, experts and communities; providing industry interface activities to students and conducting on-campus internship and placement drives; planning and organising year-round **pre-placement support** in terms of personality development and grooming through one-on- one counselling, workshops on resume building and mock interviews etc.; Providing **internship and apprenticeship** to every student and **connecting alumni and industry professionals** with the university at large.

Relevant industry partners like Infosys, ISS, Metropolis, HDFC, James Douglas, Hafele India, Oneline Wellness, Enrich, UNICEF(Yuwaah), FinCart, CodeChef, GTT, SIDBI, BlueStar, and many other companies have collaborated with DSEU to customise each of our programs and devoted their time to the **Curriculum Advisory Groups (CAG)**, ensuring that all of our students have an experience that is both practical and applicable to the workplace. State-of-the-art laboratories and equipment are also being made available by several of our partners.

Sector Skill Councils (SSCs) SSCs like **Retailers Association's Skill Council of India Telecom Sector Skill Council, Logistics Skill Council, and Electronics Sector Skill Council of India (ESSCI),** are strategic partners of DSEU. These SSCs not only assist in identifying in-demand courses but also support with curriculum designing, engaging relevant employers, and assisting with internships, mentorship, and student placement.

DSEU work closely with local communities like **MasterG & Daughters, iDreamCareer, Global Alliance for Mass Entrepreneurship (G.A.M.E), Space 2 Grow, Women & Child Development, GNCT, Sun Foundation, Mahindra Classrooms, Naandi Foundation, Toilet Board Coalition, Buddy4Study, NavGurukul and Lighthouse Communities Foundation** to involve them in practical projects for students, take collective decisions, and empower communities through skill development. DSEU partners with professionals as well as civil society organisations to effectively engage as well as help build stronger and more resilient local communities.

Placements

DSEU campuses have organised **more than 100 campus placement drives where companies like Maruti, Bajaj Motors, LG, Sony, Infosys, Wipro, Deloitte and many others** have participated and more than 2500 offers were made for placement. DSEU also organised Job Utsav where more than 26 companies, 1600 students participated and 1490 offers were rolled, below mentioned are a few highlights of the placements.

- **2553 offers rolled** through different placement activities
- **1063 students have got placement** through various campus drives
- 1490 offers were rolled out in the 3-day Job Utsav
- Companies like Maruti, New Allenberry and Bajaj has taken more than 200 students from different campuses
- 94% interested students from B. Tech program got campus placements.
- Placement for all the interested student is the ultimate objective of the university

Today to name a few, we have a strong alumni network in organisations like Oracle-USA, Accenture, Nike-USA, Maruti, Amazon, SAP, Cognizant, Samsung, Infosys, TCS, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Hitachi, Yamaha, ISRO, Indiamart, Godrej, HSBC, Wipro, NTT Data Services, Knorr Bremse, Reliance, NTT Data Services, Defence Services, Research Organizations, etc. The highest package offered is to the tune of INR 25 LPA.

Innovation and Incubation

DSEU equips students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mindset. DSEU aims to create a win-win for the youth and the industry by filling the existing gaps in skill training and support the entrepreneurial aspirations of its students and other external budding entrepreneurs. DSEU has set up an incubator, DSEU Innovation and Incubation Centre for Entrepreneurship (DIICE), to provide a platform for encouraging and supporting the entrepreneurial endeavours, DIICE has been set up as a Section 8 Company with its own independent Board of Directors.

The objective of the incubator to be a *catalyst in shaping the entrepreneurial ecosystem* through niche and tailored incubation programs offered not only at the grass root level but also to innovative start-ups across industries. The enterprises nurtured will aim to generate value for their various stakeholders and society by being scalable, sustainable, and socially responsible. The incubator intends to support start-ups set up by any entrepreneur anywhere, including those set up by DSEU students, alumni and faculty. Many DSEU programs (e.g., Interior design, Fashion design, Aesthetics & Beauty) are designed to promote freelancing/creation of traditional businesses, as evidenced by a rich pool of alumni entrepreneurs. In addition, DSEU offers various Diploma and Degree programs across various engineering streams where one would see the emergence of typical product/process innovation startups.

DIICE will be helping start-ups in all phases of growth - **Pre-incubation, Incubation, Acceleration and Post-incubation.** In addition, DIICE will be offering services such as access to technical experts, training, legal guidance, business connects, co-working spaces and investment support. The following programs are offered by DIICE:

- **Business Launchpad Program** - for incubating the ventures set up by the students, alumni, faculty and staff of DSEU.
- **Growth & Innovation Program** – oriented towards supporting the entrepreneurial aspirations of external entrepreneurs with innovative ideas.
- **Business Blasters Program** - for supporting a Delhi govt program – the 'Business Blasters', whereby top 100-150 teams of grade XI & XII student entrepreneurs will be incubated.
- **Women Entrepreneurship Program** – for fostering & supporting the entrepreneurial aspirations of women through the Anganwadi Hub Centres (AHCs) as part of the Department of Women & Child Development's 'Saheli Samanvay Kendra (SSK)' scheme ('Samriddhi').

3. About the Programs

3.1. Full-time Diploma Programs

3.1.1.   Applied Art

According to Aristotle, *Fine Art i4s an artistic expression that may or may not address any specific aim*. However, Applied Arts is the application of artistic and design principles in a practical setting which expresses technical abilities via creativity. In this program, you will learn how to create useful things which require aesthetic and ergonomic considerations. The purposeful creative interpretation of unlimited concepts is termed as Applied Arts. In Applied Arts, the processes involved cater not only to beautification but consumer needs and problem-solving through the product created.

After the completion of this program, viable options for the future are academics, advertising agencies, and media houses. In the publishing or textile industries, you will be able to work in the creative divisions on print and online media, graphics, icons etc.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	Meerabai DSEU Maharani Bagh Campus**	60	75	3 years
2	DSEU Mayur Vihar Campus	60	75	
	Total Seats		150	

3.1.2.   Architecture

This program is a complete package with the integration of the basics of architecture, civil engineering and designing. Apart from design, you will also learn about the various aspects of constructing buildings, from site exploration and examination to the maintenance of the building, once it is completed.

With the knowledge and skills gained, you will be able to work with clients and have multiple interactions with them. From government projects to working at a private organization, opportunities for you will be plenty. You will be well-equipped to do architectural projects with architectural offices.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	Aryabhatt DSEU Ashok Vihar Campus	60	75	3 years
2	Meerabai DSEU Maharani Bagh Campus**	60	75

3.1.3.   Artificial Intelligence and Machine Learning

Artificial Intelligence and Machine Learning (AI-ML) is a significant technological advancement, in the way computer systems learn, adapt and evolve. It is at present being widely used in practically every industry and is regarded as a revolutionary leap forward in the domain of computer science. Through this 3 years Full Time Diploma program the students will have a solid grounding in AI and ML. This program covers the topics of mathematics such as statistics, linear algebra etc; the core machine learning concepts such as supervised and unsupervised learning, data visualization tools and techniques etc.

This course will provide an opportunity to gain expertise in one of the most fascinating and fast-growing areas of computer science. This program will enable the students to advance their career in the era of booming applications of AI-ML.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	DSEU Dwarka Campus	60	75	3 years
2	DSEU Rajokri Campus	60	75

3.1.4.   Automobile Engineering

A Diploma in Automobile Engineering is designed to prepare you for a variety of jobs in the automotive industry, including designing, creating, inspecting, producing, and evaluating automobiles and their components. You will be trained to work with cutting-edge technology in a variety of applications and will learn how to design, create, produce and test automobiles from concept to production.

You can choose from a wide range of career paths and job opportunities, including Automobile Engineer, Design Engineer, Production Engineer, Material Specialist, Automobile Engineering Technicians, Safety Engineer, Emissions Researcher, NVH (Noise, Vibration, and Harshness) Engineers and Performance Engineer, etc.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	G.B. Pant DSEU Okhla III Campus	60	75	3 years
2	DSEU Pusa Campus-I	60	75	
Total Seats			**150**	

3.1.5. Chemical Engineering

Diploma in Chemical Engineering will help you learn how to convert raw materials into useful products like energy, clothes, etc. You will learn how to create products and improvise the existing ones. This program will help you develop skills like managing resources. You can choose from a variety of career options after the program, such as Technical Service Representative, Associate Scientist, Chemical Engineer, Process Engineer.

The specialization of Polymer Engineering is offered to students in the second and third year.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	Guru Nanak Dev DSEU Rohini Campus	120	150	3 years
Total Seats			**150**	

3.1.6. Civil Engineering

We are all fascinated by various tall and unique structures around us, the huge ship docks, tall buildings, and many more. While an architect may only create an aesthetical design of a building, it is the job of a Civil Engineer and their team of assistants to bring that design to life. As you will start by being an assistant, you would be required to conceive the designs, undertake feasibility studies, examine the site and suggest changes in the design. The road to an idea being transformed into reality will be monitored by you. Once the design is ready, you would also be required in managing the project, ensuring that it goes as planned.

While it may seem that you are only required in the development phase of a project, it is not true. You would also be required to research extensively about new innovative ways and also be involved in the maintenance of projects, once completed. As India and the world look to boost infrastructure to provide the best possible lifestyle to everyone, jobs in this sector are rising and will remain in demand.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	Aryabhatt DSEU Ashok Vihar Campus	120	150	3 years
2	G B Pant DSEU Okhla III Campus	120	150	
3	DSEU Pusa Campus I	180	225	
4	Kasturba DSEU Pitampura Campus**	60	75	
Total Seats			**600**	

3.1.7. Computer Science

The computer business is one of India's fastest expanding divisions and will remain so for a long time. A diploma in Computer Science will help you build a solid foundation in hardware, software, operating systems, computer architecture, electrical engineering and a variety of sub-disciplines and understand its utilisation in different fields. A Diploma in Computer Science program covers basic topics like computer programming, operating system, networking, database, etc. After completing the program, you can work as a programmer, system analyst, or cloud architect and maintain computers.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration

6	Meerabai DSEU Maharani Bagh Campus**	60	75	
7	DSEU Ranhola Campus	60	75	
Total Seats			**975**	

3.1.8. Cosmetology & Health

If you are interested in making others appear good and radiate great positive energy through their fitness and health, then this is the sector you're looking for. People are very conscious of how they may look and so they seek professional advice to help in their journey. Through a diploma in Cosmetology & Health, you will be able to answer their questions with accuracy and help them reach their goals. There are no limitations in future prospects in this particular field, as you could be a salon stylist, a makeup artist, a health advisor and more. Moreover, you will be self-sufficient to start your own clinic or salon.

S. No	Name of Campus	Intake	Total Seats (including EWS and supernumerary seats except KM)	Duration
1	Meerabai DSEU Maharani Bagh Campus**	60	75	3 years
	Total Seats		75	

3.1.9. Electrical Engineering

Electricity at present is not just used for lighting up one's house. Electricity is now being used in appliances, machinery, and running transport facilities, to name a few. The scope of this program is wide and developing. While through the program you will learn about conventional engineering methodologies, there will also be emphasis laid on modern technologies to help you receive the best experience possible. With extensive research for the application of electricity in various fields and, also, to find alternatives, more environment-friendly ways to generate electricity are being carried out, having a Diploma in Electrical Engineering will ensure the availability of prospects in multiple fields and in various positions. These positions range from research to project management to implementation.

3.1.10.   Electronics Engineering

In today's digital world, electronic gadgets are all-pervasive and impact nearly every aspect of human life. This has resulted in a sharp growth in this sector and rising demand for electronic professionals. The Diploma program in Electronic Engineering with specialisation has been designed to meet the challenges of continuous technological changes and sound knowledge of the latest developments. This program capacitates students in designing, maintaining, testing and servicing electronic devices. This program not only helps acquire in-depth knowledge in Electronic Engineering, but it also offers the opportunity to specialize in one of the four sub-fields viz., **Electronics & Communication Engineering, Medical Electronics, Digital Electronics and Instrumentation Engineering**. After successful completion of this program, the Diploma graduates can expect to land an entry-level job as a Technical Support Engineer, Service Engineer, Junior Engineer or even a successful entrepreneur.

3.1.11.   Fashion Designing & Garment Technology

Fashion Designing and Garment Technology is targeting on developing the skills in fashion designing and garment construction. It proposes the basic concept on the science behind textiles and fashion business. The programme provides a variety of skills catering to different job roles such as pattern making, sewing, ornamenting and designing manually and with the aid of computer etc. The programme is structured in such a way that apart from offering a conceptual understanding of the professional knowledge involved in the vocation, it offers complete practical skills in the field from designing to finishing garments. The attraction of the programme is that it offers the core skills, such as communication skills & interpersonal skills to manage their personal as well as professional life in addition to the professional knowledge and skills. Training on core skills enhances the self-esteem and confidence among the participants to pursue their studies and successful career. The

students successfully completing the programme can either opt for jobs in the apparel industry or can turn to self-employment.

3.1.13. Mechanical Engineering

Engineering, though a science, also requires a high degree of imagination. This program is one of the oldest and broadest of all engineering branches. Through this program, you will learn the basics of how cars, electric motors, helicopters and other heavy vehicles are built. You will get opportunities to work on a wide range of projects, such as personal computers, batteries and medical devices. Materials Mechanics, Computer Architecture, Machine Theory & Vibrational, Thermodynamics & Applications, Manufacturing, and other subjects are covered in the Mechanical Engineering Diploma programme. Students can also take specialized courses in tool engineering, and production engineering while studying Mechanical Engineering.

3.1.15. Printing Technology

This program will help you learn about the printing press operations, how it is designed, and the process of development through engineering. A Diploma in Printing Technology will help you develop good analytical skills, precision, accuracy and a sharp mindset. Because of the advancement of technology, the Diploma in Printing Technology program has a lot of potential. Assistants and technicians in printing are in high demand in a variety of settings, including news media firms, advertising agencies, printing press, newspapers and magazines, packaging industries, digital printing companies and more.

3.1.16.   Robotic and Process Automation

The growth of robotics has been tremendously high in the recent years and the next few years are to witness great advancement in robotic technology. In Consequent, to the technology paradigm shift in the robotics field makes industrial revolution. Diploma courses in Robotics & Process Automation has become one of the top most career choices among the aspirants. Robotics and Automation programme focus on the construction and operation, design automation of robotic devices, computer systems for necessary control action, feedback sensor and information processing. Through project-based learning, design thinking, and inquiry learning, students will explore the technical skills needed to design and fabricate physical devices. Robotics and Process Automation is an interdisciplinary branch of Engineering that include Mechanical, Electrical, Electronics, Computer Science, Sensors and Instrumentation, Industrial Automation, Artificial Intelligence and Machine learning, Nanotechnology, Bio Engineering and Machine Vision.

3.1.17.   Tool & Die Making

Tool & Die Making is a unique combination. Such kind of specialisation is valued in the design and manufacturing of products using machines. The profession constitutes mass production of solid objects utilizing the art of designing and manufacturing dyes and moulds. A Diploma in Tool & Die Making will not only help you learn the skill set required on an industry level but also instil in your leadership qualities through group projects. Solid objects are a part of our day-to-day lifestyle and, hence, the demand in industries for highly-skilled employees in the Tool & Die Making industries, who can communicate with customers, is high.

5. Common Entrance Test (CET)

All the candidates seeking admission in Diploma Programs (Full-time Diploma and Lateral Entry to Full-time Diploma) will be required to appear for a Computer Based Common Entrance Test.

The date of the CET will be declared and published on DSEU website. The candidates are advised to check the website regularly for schedule and other updates.

It will be the sole responsibility of the candidates themselves to make sure that they are eligible and fulfil all other conditions prescribed for admission before applying for admission.

If at any stage, it is found that the candidate has furnished any false or incorrect information in the application form or does not possess desired minimum qualification for the allotted/ admitted course, his/her candidature for the course will be cancelled.

The Common Entrance Test will be a Computer Based Test which will be held in the allotted Examination Centres and this will be conducted ONLY ONCE as announced on the www.dseu.ac.in and DSEU admissions portal.

After the Common Entrance Test, Merit List will be declared on the basis of the marks obtained in the Common Entrance Test (CET).

5.1. Important Instructions for Common Entrance Test (CET)

1. Each test will have three sections (Section A, B & C).

2. Each section consists 20 Multiple Choice Questions (MCQ)

3. The maximum marks for each exam are 120, i.e. 2 marks for each correct answer.

4. Time limit for each test will be 90 minutes

5. There will be No negative marking.

Note: Balance fee (if any) is to be paid as per the counselling schedule.

13.3. Cancellation of allotted seat (if fail to pay Seat confirmation Fee)

If the candidate is allotted a seat in a particular round and he/she does not pay/ fails to pay the required admission fee as per the counselling schedule, **his/her allotted seat shall be cancelled and he/she will not be considered for any seat allotment in subsequent rounds up to Spot Round (if any).**

Note: Candidates are required to pay the admission fee strictly as per the counselling schedule and keep one copy of the fee receipt printout for their record. It is highly recommended that the **candidates must use only their own account for payment**

14. Document Verification

14.1. Verification of documents

After the candidate submits his/her seat confirmation fees, the documents already provided by the candidates will be thoroughly verified by the Verification officers of DSEU.

14.2. Failure of document verification for reserved category

1. In case the document verification fails for any of the documents uploaded by the candidate at the time of registration, his/her currently allotted seat will stand cancelled.

2. In case of the wrong/false information or documents provided by the candidate, the candidate will not be able to do the counselling in the next rounds.

3. In case the document verification fails for either the wrong/invalid category certificate, the candidate will be converted to the General category and will be considered a General category candidate in the subsequent round of counselling. In such a case, no communication will be entertained from the candidate.

14.3. Important points for Candidate seeking reservation.

1. It is the sole responsibility of the candidate to prove his/her eligibility for claiming a reservation under any of the reserved categories. The candidates under SC/ST/OBC/EWS categories and PwD/DP/KM subcategories will be required to produce the certificate(s) of the respective reserved category/sub-category issued by the competent authority at the time of document verification.

2. If the certificate for the reserved category candidate is not found to be in order, no benefit of the reservation will be given and the candidate shall be considered for allotment in the GENERAL category in subsequent rounds, as per the eligibility of the candidate and availability of seats. If such a candidate is able to produce his/her category certificates in further rounds, he/she will be considered for that category and will be allotted a fresh seat as per his/her merit and the vacancies available in the subsequent rounds only.

3. Candidates belonging to OBC Category must upload the Latest Non-Creamy Layer Certificate which should be valid as on 01-08-2023 issued from the competent authority. In case the candidate has applied for the certificate and only has details of application, but no caste certificate. Such Candidates will strictly be considered as General Category Candidates.

4. If the OBC-NCL certificate is not valid as on 01-08-2023, then it should be accompanied with valid family income certificate valid as on 01-08-2023 issued from the competent authority mentioned at 7.8(a).

5. In case the candidate belongs to OBC NCL and has passed the qualifying exam from Delhi Region, then the OBC NCL Certificate must be issued by the Competent Authority in Delhi only and the Caste Mentioned in the Certificate must be the one from the list of Castes as per the DELHI OBC list.

6. The OBC candidates belonging to the Outside Delhi region must produce the OBC NCL Certificate valid as on 01-08-2023 issued by the Competent Authority from anywhere in India.

7. In case the candidate is an SC category candidate from the Delhi region, the SC Certificate must be issued by the competent authority in Delhi and the Caste mentioned in the Certificate must be the one from the list of Castes as per the **DELHI SC list (Annexure XI).**

8. In case of EWS Candidates, Only FAMILY INCOME AND ASSET CERTIFICATE which is valid as on 01-08-2023 will be considered.

9. All the candidates seeking admission under the Person with Disabilities (PWD) quota are required to bring a certificate from Vocational Rehabilitation Centre (VRC) for Handicapped, 9-11 Vikas Marg, Karkardooma, Delhi-92, and for Dyslexia a certificate from Institute of Human Behaviour and Allied Sciences (IHBAS), Tahirpur Road, Dilshad Garden, Delhi-110095, only as to whether he/she is fit for undergoing the program applied for. No other certificate in this regard shall be entertained. Non-submission of certificate or admission on the basis of the wrong choice filling other than as mentioned in their PWD certificate will lead to cancellation of admission".

14.4.   Possibility of upgrade

After successful document verification, candidates can still take part in the next round of counselling for admission as per their choice of higher preference filled in their submitted choices. It may be noted that only the higher preference choices will be processed in the next round of counselling. In case the allotted choice is the First preference, then the same seat will be retained.

Note:

-   Admission of a candidate is purely provisional and is subject to verification of original documents, after the physical reporting of the candidate at the respective Campus of DSEU, and payment of Balance Fees (remaining fee of Semester) which will be asked after the completion of the admission process. The seat of the candidate, who fails to pay the balance fees, will be considered as CANCELLED and the seat will be considered VACANT for SPOT Round of counselling (if any).
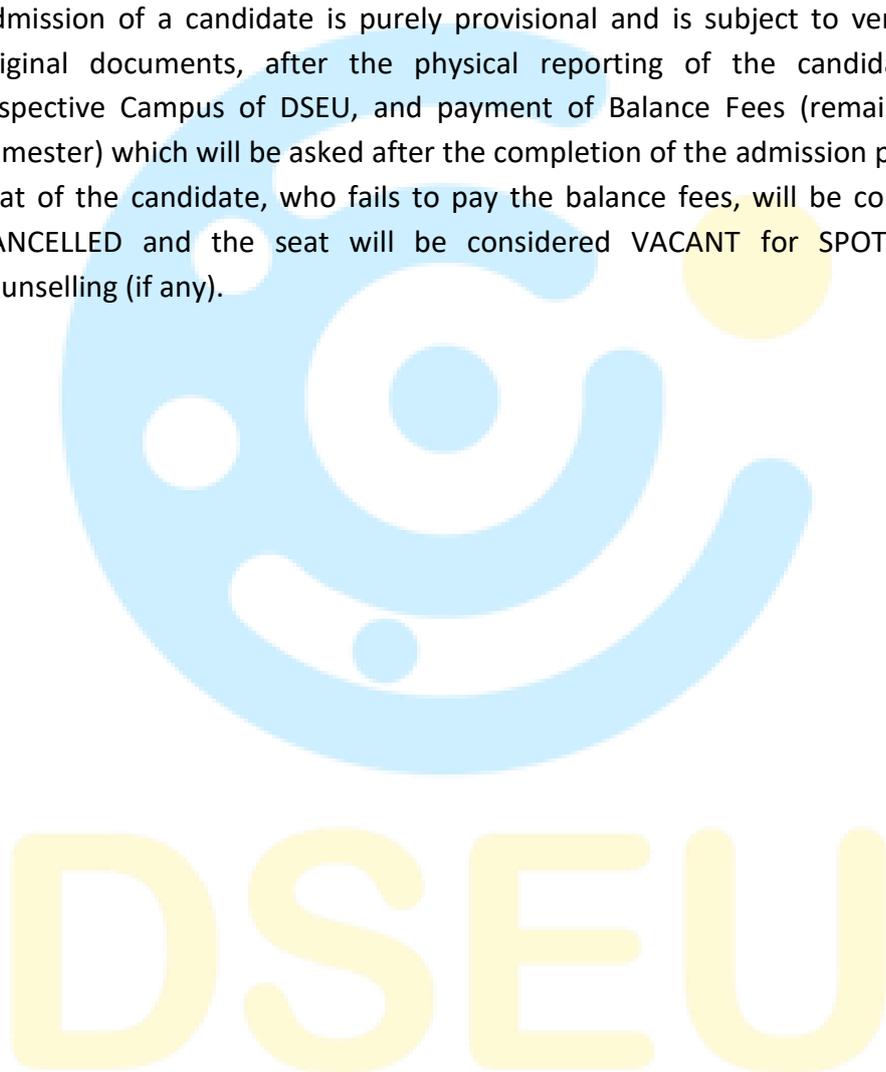

15. Freezing / upgradation of Allotted Seat

15.1. Freezing of allotted seat

After every round of counselling, if the candidate is satisfied with the seat allotted to him/her and does not want to participate in subsequent rounds of counselling for further upgradation, he/she can freeze his/her allotted seat by clicking the freeze option available in his/her login within the specified time period as per the counselling schedule.

If the candidate does not freeze the allotted seat, the next higher preference may be allotted to him/her automatically in the next round subject to availability of seats and the candidate will not be allowed to retain the earlier allotment under any circumstances.

FROZEN SEAT CAN NOT BE REVERTED (UNFREEZE) AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FROZEN THEIR ALLOTTED SEATS WILL BE CONSIDERED FOR UP-GRADATION DURING SUBSEQUENT ROUNDS OF COUNSELLING.

15.2. Upgradation of allotted seat

If the currently allotted seat is not the first choice of a candidate, such candidate may be allotted a seat from the more preferred choices of the candidate during the allotment process of subsequent rounds provided the candidate has opted for upgradation depending upon the availability of vacant seats, as per his/her rank.

15.3. Keeping record of upgraded seat

A candidate, who has already been admitted and gets upgraded in the next round of counselling, should take a printout of the new provisional seat allotment letter for their record.

Note:

- Candidates are advised to visit the DSEU website regularly for details and updates.

16. Submission of Balance Fees and Reporting at the Allotted Campus

All the provisionally-admitted candidates are required to submit balance fees (if any) to confirm their admission. All the admitted candidates will be required to report to the allotted campus along with all the necessary documents failing which the admission will stand cancelled.

The seat of the candidates, who fail to pay their balance fees by the date mentioned, will stand cancelled and he/she will not have any claim to the seat.

The documents required at the time of reporting at the admitted campus are:

a. Copy of Class X Marksheet & Certificate along with Original for verification.

b. Copy of Class XII Marksheet & Certificate along with Original for verification (if applicable).

c. Copy of ITI Marksheets and Certificate along with Original for verification (if applicable).

d. Copy of Diploma Mark sheets and Certificate along with Original for verification (if applicable).

f. Medical Certificate in Original (in prescribed format- Annexure V).

g. Undertaking/Affidavit for Anti Ragging in Original (in prescribed format- Annexure VI).

h. Two passport-sized photographs.

i. Copy of Aadhar Card.

17.   Spot Round (subject to availability of seats)

Spot Round of counselling may be conducted for the vacant seats, if any, available in DSEU after the upgradation of admitted candidates. The detailed instructions for conduct of Spot Round, rules for participation etc. will be made available on the DSEU Website after completion of main/regular rounds of counselling.

18. Refund of Fee

18.1. Refund of fee if seat not allocated

If the Candidate fails to get any seat in any round of counselling, the Refund amount (Seat Confirmation Fee and/or balance submitted by the candidate) will directly be transferred in the bank account (submitted by the candidate at the time of filling of application form) through electronic mode (ECS/RTGS/NEFT), after the completion of admission process. **Therefore, candidate must ensure to provide correct bank details.**

If a candidate gets a seat but fails to get his/her documents verified due to discrepancy in the documents till the last round, he/she will be considered to be not allotted any seat, and the payment made by the candidate will be automatically refunded after the completion of the admission process.

18.2. Refund in case of withdrawal

If a Candidate cancels or withdraws the seat before the last date of withdrawal (as per schedule), the Refund amount (Seat Confirmation Fees and/or balance submitted by the candidate) will directly be transferred in the bank account (submitted by the candidate at the time of filling of application form) through electronic mode (ECS/RTGS/NEFT), after the completion of admission process. **Therefore, candidate must ensure to provide correct bank details.**

University will not be liable for any wrong transfer of amount on account of incorrect bank information/ details provided or filled by the candidate.

> **University will not be liable for any wrong transfer of amount on account of incorrect bank information/ details provided or filled by the candidate.**
>
> **The uploaded scanned copy of Cheque/bank pass book may not be referred to while processing the refunds.**
>
> **Therefore, it is advised to kindly fill the bank details very carefully.**

18.3. Withdrawal after last date

NO FEES WILL BE REFUNDED if the cancellation/withdrawal request is given after the last day of withdrawal. No Claims in this regard will be entertained after the given date.

18.4.   Reporting at the Final Allotted Campus

All provisionally-admitted candidates are required to visit the allotted Campus for physical verification of original documents /commencement of classes. Admitted candidates need to pay the balance fee as will be announced on the DSEU Admissions portal as per the FEE PAYMENT SCHEDULE available on the DSEU Admissions website, failing which, the admission of the candidate automatically stands cancelled.

Note:

- **The admission of the candidate is provisional till successful verification of the documents at the campus.**

- **If any of the documents are not found to be valid at any stage even during the course of study or the eligibility conditions are not fulfilled, the admission will be cancelled and the fee will be completely forfeited.**
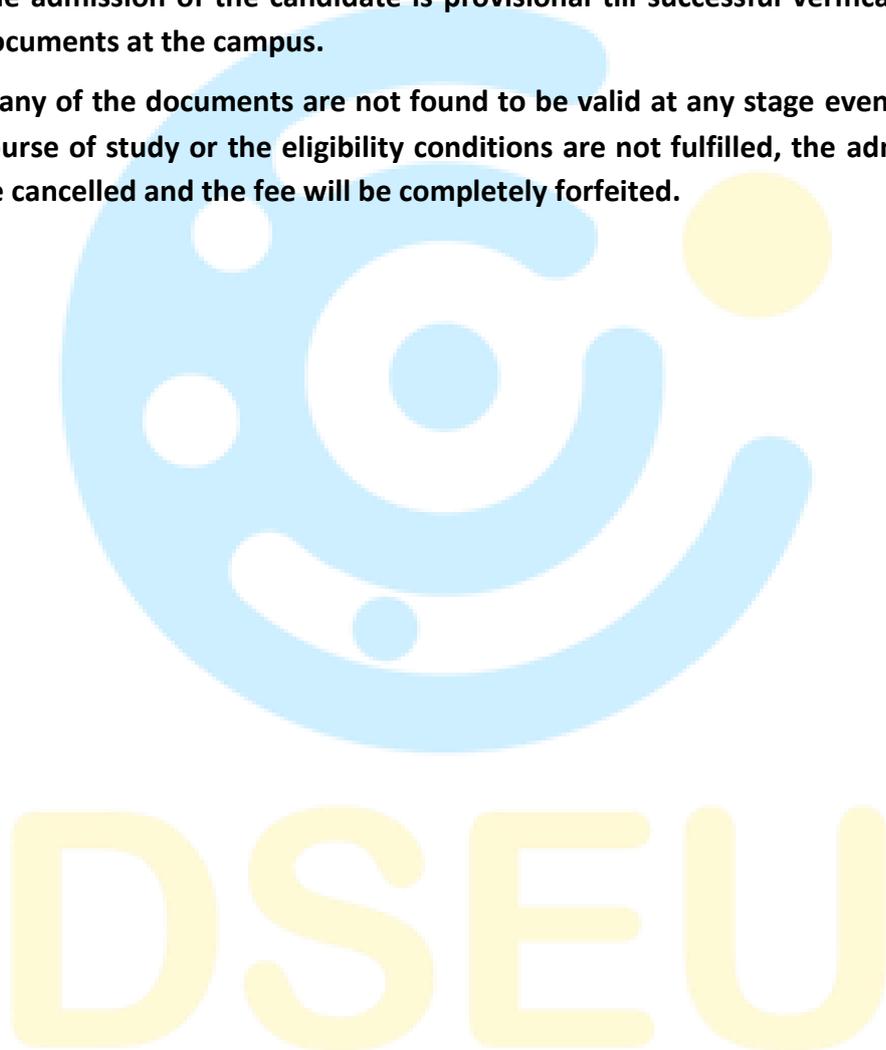

19.   Seat Conversion Rules

19.1.   Rule 1

After exhausting the complete list of registered candidates in PwD and DP sub-categories, the remaining vacant seats in these sub-categories will be transferred to their respective main categories (GEN/SC/ST/OBC/EWS).

19.2.   Rule 2
