Dear Aspiring Professionals,

It is with great pleasure that I welcome you to Amrapali University (AU) in Haldwani. For a quarter of a century, AU has been a beacon of quality in professional and technical education. Since our inception in 1999, over 18,000 students have graduated, each equipped with the knowledge and skills to thrive in their respective fields. Here at AU, our mission is clear to prepare students for success in today's ever-evolving workplace. We provide not only technical and professional expertise but also instill flexibility, adaptability, and a deep understanding of the corporate landscape.

Our environment fosters a synergy between learning and practical application, ensuring our graduates are ready to excel from day one. The cultivation of skills and expansion of knowledge among our students are outcomes of a holistic approach that integrates extracurricular and co-curricular activities into our curriculum. Through these activities, students refine their abilities and broaden their horizons. AU offers students the invaluable opportunity to engage with the corporate world through industrial training and interactions with esteemed individuals at national and international conferences. These experiences enrich their understanding and prepare them for the challenges ahead. At AU, we hold ourselves to the highest standards, and we encourage our students to do the same. We urge them to set ambitious goals, work diligently, and remain attuned to the needs of others. If you aspire to make a meaningful impact by embodying wisdom, values, and passion, then AU is the place for you to script your success story. We have full faith in your ability to make a difference. As a prospective student, you are invited to explore the myriad academic programs we offer. May your journey with us be the first step toward a fulfilling and prosperous career.

Wishing you every success on your path ahead.

Warm regards,
Shri C. L. Dhingra
President
Amrapali University

Dear Students,

It is with great enthusiasm and honour that I pen this message as the First Vice Chancellor of Amrapali University. As we embark on this journey together, I am filled with optimism for the future and look forward to working with the boundless potential that lies within each one of you.

Since its inception, Amrapali Institute has forged a sterling reputation through its exceptional placements, noteworthy achievements, and exemplary track records.

Renowned for nurturing talent and fostering excellence, the institution has constantly produced graduates who excel in their chosen fields. As it celebrated its silver jubilee, the institutions elevation to University status is a testament to this very enduring legacy and commitment to shaping the future leaders of tomorrow. With its unwavering commitment to academic excellence and holistic development, Amrapali University will definitely reach the zenith. However, this pursuit of academic excellence will be possible only because of our greatest asset that is our – people – students – who inspire us with their curiosity and passion, faculty who dedicate themselves to the pursuit of knowledge , and our staff who work tirelessly behind the scenes to ensure the smooth functioning of our University.

Together, we will continue to push the boundaries of knowledge, challenge the status quo and make a positive impact on society. Let us embrace the opportunities that lie ahead with courage and determination, knowing that together, we can and we will achieve great goals.

I look forward to working alongside each and every one of you as we write the next chapter in the history of our University.

PROF. (DR.) NARENDRA SINGH BISHT
Vice Chancellor

University Overview:

Established in 1999 under the auspices of the Modern Academy Educational Society, Amrapali University (AU) stands as a distinguished institution of higher learning in the vibrant city of Haldwani. Our university comprises several esteemed Faculties, each dedicated to excellence in education:

- **Faculty of Technology & Computer Applications**
- **Faculty of Commerce & Business Management**
- **Faculty of Hospitality & Tourism Management**
- **Faculty of Pharmaceutical Sciences**
- **Faculty of Education**
- **Faculty of Applied Science**

Previous year's programmes were affiliated with esteemed institutions such as Uttarakhand Technical University, Kumaun University, Uttarakhand Open University, and Uttarakhand Board of Technical Education. Our programs are duly approved by prestigious regulatory bodies including the All India Council for Technical Education, the Pharmacy Council of India, and National Council for Teacher Education. Commencing from the year 2024, all programs will be conducted under the umbrella of Amrapali University. Over the span of 25 years, Amrapali University has become the pride of Nainital district, attracting students from diverse backgrounds. Presently, approximately 3500 students are enrolled across various disciplines, including Engineering & Technology, Computer Applications, Commerce & Management, Education, Hospitality & Tourism Management and Pharmacy Science. Amrapali University has established itself as the leading private university in the Kumaun region of Uttarakhand.

***Proposed faculties for the upcoming academic session.**

Courses Offered

- ▶ **B.Tech Computer Science & Engineering**
- ▶ **B.Tech CSE (Artificial Intelligence & Machine Learning)**
- ▶ **B.Tech CSE (Internet of Things & Data Science)**
- ▶ **B.Tech Mechanical Engineering**
- ▶ **B.Tech Electronics and Communication Engineering**
- ▶ **BCA**
- ▶ **BCA (Artificial Intelligence & Machine Learning)**
- ▶ **BCA (Data Science & Cyber Security)**
- ▶ **M.Tech (Artificial Intelligence & Machine Learning)**
- ▶ **M.Tech (Internet of Things & Data Science)**
- ▶ **M.Tech (Robotics & Automation)**
- ▶ **MCA**
- ▶ **MCA with specialization in Data Science**
- ▶ **BBA with Specializations**
- ▶ **B.Com (H)**
- ▶ **MBA with dual major Specializations**
- ▶ **M.Com with Specializations**
- ▶ **BHMCT**
- ▶ **BHM**
- ▶ **BTTM**
- ▶ **Diploma in Hospitality Operations (DHO)**
- ▶ **MHMCT**
- ▶ **B.Pharm**
- ▶ **D.Pharm**
- ▶ **B.Ed.**
- ▶ **B.Sc (H) - PCM, PCB, ZBC**
- ▶ **B.Sc (H) - Bio Technology**
- ▶ ***Ph.D. (Available in every faculty)**

*Proposed courses to start from session 2024 onwards

THE NEXT GENERATION OF SUCCESSFUL PROFESSIONALS

AMRAPALI GRADUATE, APEKSHA HAD ALWAYS BEEN PASSIONATE ABOUT INNOVATIVE IDEA'S and she has grown up to the level of Cluster L & D Manager, Taj Hotels.

She's just one of many AMRAPALI successful graduates. At AMRAPALI we're passionate about managerial skills, Technical Skills, entrepreneurship and innovation. Because of such success stories AMRAPALI is "widely considered to be regions best institution for career courses."

**"AT AMRAPALI,
WE ARE DRIVEN BY PASSION.
WE WANT TO SEE OUR
GRADUATES EXCELLING AND
WRITING SUCCESS STORIES"**

AMRAPALI GRADUATE, RANJANA FIRMLY BELIEVED THAT SHE CAN MAKE A DIFFERENCE BY PRACTICING HER TECHNICAL SKILLS and she has grown up to the level of Performance Engineer at Erricson.

She's just one of many successful computer graduates. She is a proud alumna of AMRAPALI and credits her success to the technical and managerial skills taught to her during her journey in AMRAPALI. She is one of success stories AMRAPALI is proud of.

“What we **learn** with
pleasure we never **forget**”

-Alfred Mercier

"OUR PASSION IS OUR STRENGTH"

CAREER FIRST

PERSONALITY DEVELOPMENT

For inculcating the much-needed spirit of teamwork and leadership, series of lectures, discussions, workshops and group practice sessions are organised for students. Personality Development Programmes facilitate development of essential skills like effective communication, team building and problem solving.

WIDE RANGE INTERACTION

At AU we allow freedom of thought, cultivate vision and encourage growth. We inculcate human values and concerns through open house sessions. Interactions with senior academicians, business leaders and entrepreneurs are organised throughout the academic year, through expert sessions and workshops thus giving students a professional perspective.

STAY COMMITTED

MENTORSHIP PROGRAMME

At AU each faculty is committed for overall development of students. The structure mentorship activities are evenly spread in the course duration and as an objective to collect individual with knowledge and experience. The monthly Mentor-Mentee meetings support the early alert system thus reaching out and supporting weak students.

HAVE FUN

ADD ON CERTIFICATIONS

At AU we have tie-ups with various industry partners/ associates, to provide opportunities to students for gaining value-added certifications along with their regular course. The students are also exposed to various online certifications Few of the add-on certifications are: Mixology, Culinary, Tally, E-Commerce, Digital Marketing, Cybersecurity, CAD & CAM, Mobile App Development etc.

COMPETENT GURUS

Our greatest strength is the presence of over 200 competent faculty members. Together, they provide a judicious mix of experience, industry exposure and academic acumen. We focus on continuous faculty development, to bring the best of learning to students. Over the span of their career they have adapted to technological development in allied areas to be effective.

EARLY ALERT SYSTEM

At AU we go beyond the boundaries of syllabi in various innovative ways. For the same the Group has a web based ERP that aim to check student's success at different stages to ensure proper progression. The academic early alert system along with advising and tutoring ensures academic growth.

STAY FOCUSED

PLACEMENT ORIENTATION

The Placement Cell facilitates students at the Diploma, Graduate and Post Graduate Level in procuring jobs. Students are assisted in preparing for interviews, aptitude tests and group discussions. The orientation process builds up the confidence and technical acquaintance within the students thus enhancing the employability skills. Recruitment drives by numerous companies are organised within the Institute.

PARTICIPATE & LEARN

Vision:
"To be a Leading
University enabling students
to reach the zenith of success"

Mission:

"Creating a learning
environment where students
can truly reach their full potential"

CORE VALUES:

- **Focus:** The University identifies and aligns individual goals and strengthens focus in all its endeavours and approaches to academic discourse. The University respects the individuality of each learner.
- **Commitment:** While focus is crucial, commitment holds even greater significance. At AU, we recognize that things may not always proceed as planned. However, our unwavering commitment ensures that we stay focused, paving the way for successful careers.
- **Excellence:** The University maintains a high standard of integrity and performance leading to the achievement of academic and professional goals and the success of the students.
- **Ethical:** Transparency, ethics, and fairness form the cornerstone of all processes at Amrapali University.
- **Creative Expression:** We believe in harnessing a culture of inquiry and evidence-based decision-making to engage the creative mindset of students and other stakeholders.
- **Collaboration:** Collaboration is a driving force at Amrapali University. We strive to move ahead towards attaining excellence.

Student Support

Student Welfare Initiatives:

- At Amrapali University, we are dedicated to fostering the well-being and success of our students. We offer a range of comprehensive welfare schemes designed to support our student community, including:
- **Financial Assistance:** Tailored financial aid programs are available to assist students in need.
- **Health Services & Medical Insurance:** We prioritize students' physical well-being by providing access to healthcare facilities and offering medical insurance coverage for emergencies.
- **Career Guidance:** Our career counselling services empower students to make informed decisions about their future paths.
- **Accommodation Support:** The University has twin bedded separate boys and girls hostels within campus. We also assist students in finding suitable accommodation options near the campus.

Student Grievance Redressal Cell:

At Amrapali University, we understand that students may encounter various challenges during their academic journey. To ensure that every student's concerns are addressed promptly and fairly, we have established a dedicated Student Grievance Redressal Cell. This cell serves as a platform for students to voice their grievances, whether related to academics, infrastructure, faculty, or any other aspect of university life.

Orientation Programs:

The transition to university life can be both exciting and challenging for new students. To ease this transition and help students acclimate to their new academic and social environment, Amrapali University organizes comprehensive Orientation Programs. Our Orientation Programs are designed to familiarize students with university policies, academic requirements, campus facilities, and support services available to them. Through interactive sessions, workshops, and campus tours, students gain valuable insights into university life and develop essential skills for success.

Student Personality Development Cell:

Operated under the umbrella of the Central Training and Placement Department (CTPD), the Student Personality Development Cell at AU is dedicated to nurturing the holistic growth of our students. From the second semester onwards, the cell initiates tailored engagement plans for each student, recognizing the importance of shaping personality and fostering confidence.

To facilitate this growth, our curriculum integrates various training modules, including:

- Soft-Skill Training
- Behavioural Training
- Corporate-Culture Training
- Aptitude Training (Quantitative/Reasoning)

Through these comprehensive training initiatives, we aim to empower our students to excel not only academically but also professionally and personally.

Mentoring & Tutoring:

At AU, we've established a robust mentoring system designed to guide new entrants on their journey towards a successful professional career. Mentoring serves as a form of peer support, addressing both personal and academic concerns of individuals. Our mentors are dedicated to helping you unlock your potential and navigate important decisions about your future.

Additionally, peer tutors and faculty tutors are readily accessible for students who may require assistance in specific subjects. These tutors offer invaluable support by clarifying concepts and aiding in the application of course content, ensuring that every student has the opportunity to excel academically.

Library Support

The Central Library and departmental libraries support teaching, learning and research needs of faculty members and students. Access to extensive information resources is not only limited to text material in books, periodicals and journals but is also enhanced by the availability of online resources accessible through subscribed journals over Internet.

Resources:

- 11051 titles and 106067 volumes
- 146 print-journals and magazines
- CDs' (Books/Journals/Magazines/Project Report)
- 'UBKS Series- Lecture DVDs on Management
- Access to NPTEL Study Material
- News Papers (National and Regional)
- Indian and foreign text and reference books
- E-Library with electronic databases
- Access to Developing Library Network (DELNET)
- Access to OPAC facility
- Multimedia Sections for Users
- Encyclopaedias and Map Sets
- Documentation & Newspaper-clippings sections
- Reprographic facility and Reading hall
- Access to Online Full Text e-Journals

IT Infrastructure

Given the burgeoning importance of computers in the modern world, the campus has rich IT infrastructure along with various computer laboratories in each Institute.

Course specific computer laboratories comprises of a state-of-the-art computing facility with over 900 high performance workstations to fulfil the needs of the changing environment. Lab are supported with IBM-AIX and IBM SR530 multiprocessor servers and comprehensive networking enabling students to access a wide range of services across the entire campus.

The infrastructure includes:

- Advanced desktops with multimedia facility
- Totally managed network environment for effective learning.
- Computing facility based on multiprocessor servers.
- Well-equipped laboratory With 300 Mbps leased line.
- Certification courses of:
 - IBM
 - Sun
 - HCL
 - Oracle
 - CISCO
 - Red Hat and other reputed organisations
- High speed, campus-wide Wi-Fi network.
- Availability of online study framework and online student facilitation framework on the Wi-Fi based campus internet.
- For active engagement of students through online learning the institute has upgraded version of learning management system.

LIFE @ AMRAPALI

At Amrapali you will be welcomed to a great community from day one. Those who come to AU campus quickly realise the wonderful and special environment it has. Being VIBRANT is referred to as the "Spirit of AU". The desire, the personal attention and care, the modesty and humbleness, the friendliness and genuine concern, the bright smiles and cheerful greetings, are some of the elements that make this campus supporting and special. Everything at AU is designed to maintain this special spirit.

With in the campus students are provided with countless opportunities to get involved by being an active member of AU community. A student can be part of numerous activities aligned to their hobbies or can explore new interests and hone skills that last for lifetime.

The objective of campus wide activities is to focus at three different levels:

- Individual level
- Institutional level
- Community level

The Various activities provide a setting to become involved and interact with others thus increasing learning and enhancing overall development. These activities are:

- Beyond Classroom Fun Activities
- Beyond Curriculum Engagement
- Connecting with Society
- Sharpening Mind Skills
- Feeling of being a Family
- Holistic Development

Campus Facilities

The sprawling 19 acre, lush green campus of AU is a point of attraction for not only students but for visitors too. The campus has well lit and ventilated classrooms and laboratories with audio-visual systems and interactive boards. Beside this the campus has:

- Campus-wide Wi-Fi network.
- Separate boys and girls hostels with hygienic dining facility.

The hostels at AU take care of both safety and comfort. Campus has Round-the-clock security, 24 hours power and water availability and comfortable twin box bedded rooms makes life easy and comfortable.

Other Facilities:

The campus has ATM, Stationery & Photocopy Facility, Cafeteria, Coffee point and Bake stuff kiosk. The boys & girls hostel houses a Gymnasium for students. The gym is open to all hostel residents after classes. Besides it the hostels have recreational and outdoor activities.

The hostels have laundry facilities and dedicated 24 hour vehicle for medical emergencies.

Transportation:

AU has a fleet of comfortable vehicles for pick and drop of our students and staff from across the city and nearby cities. Our transport fleet includes University buses and official commercial vehicles.

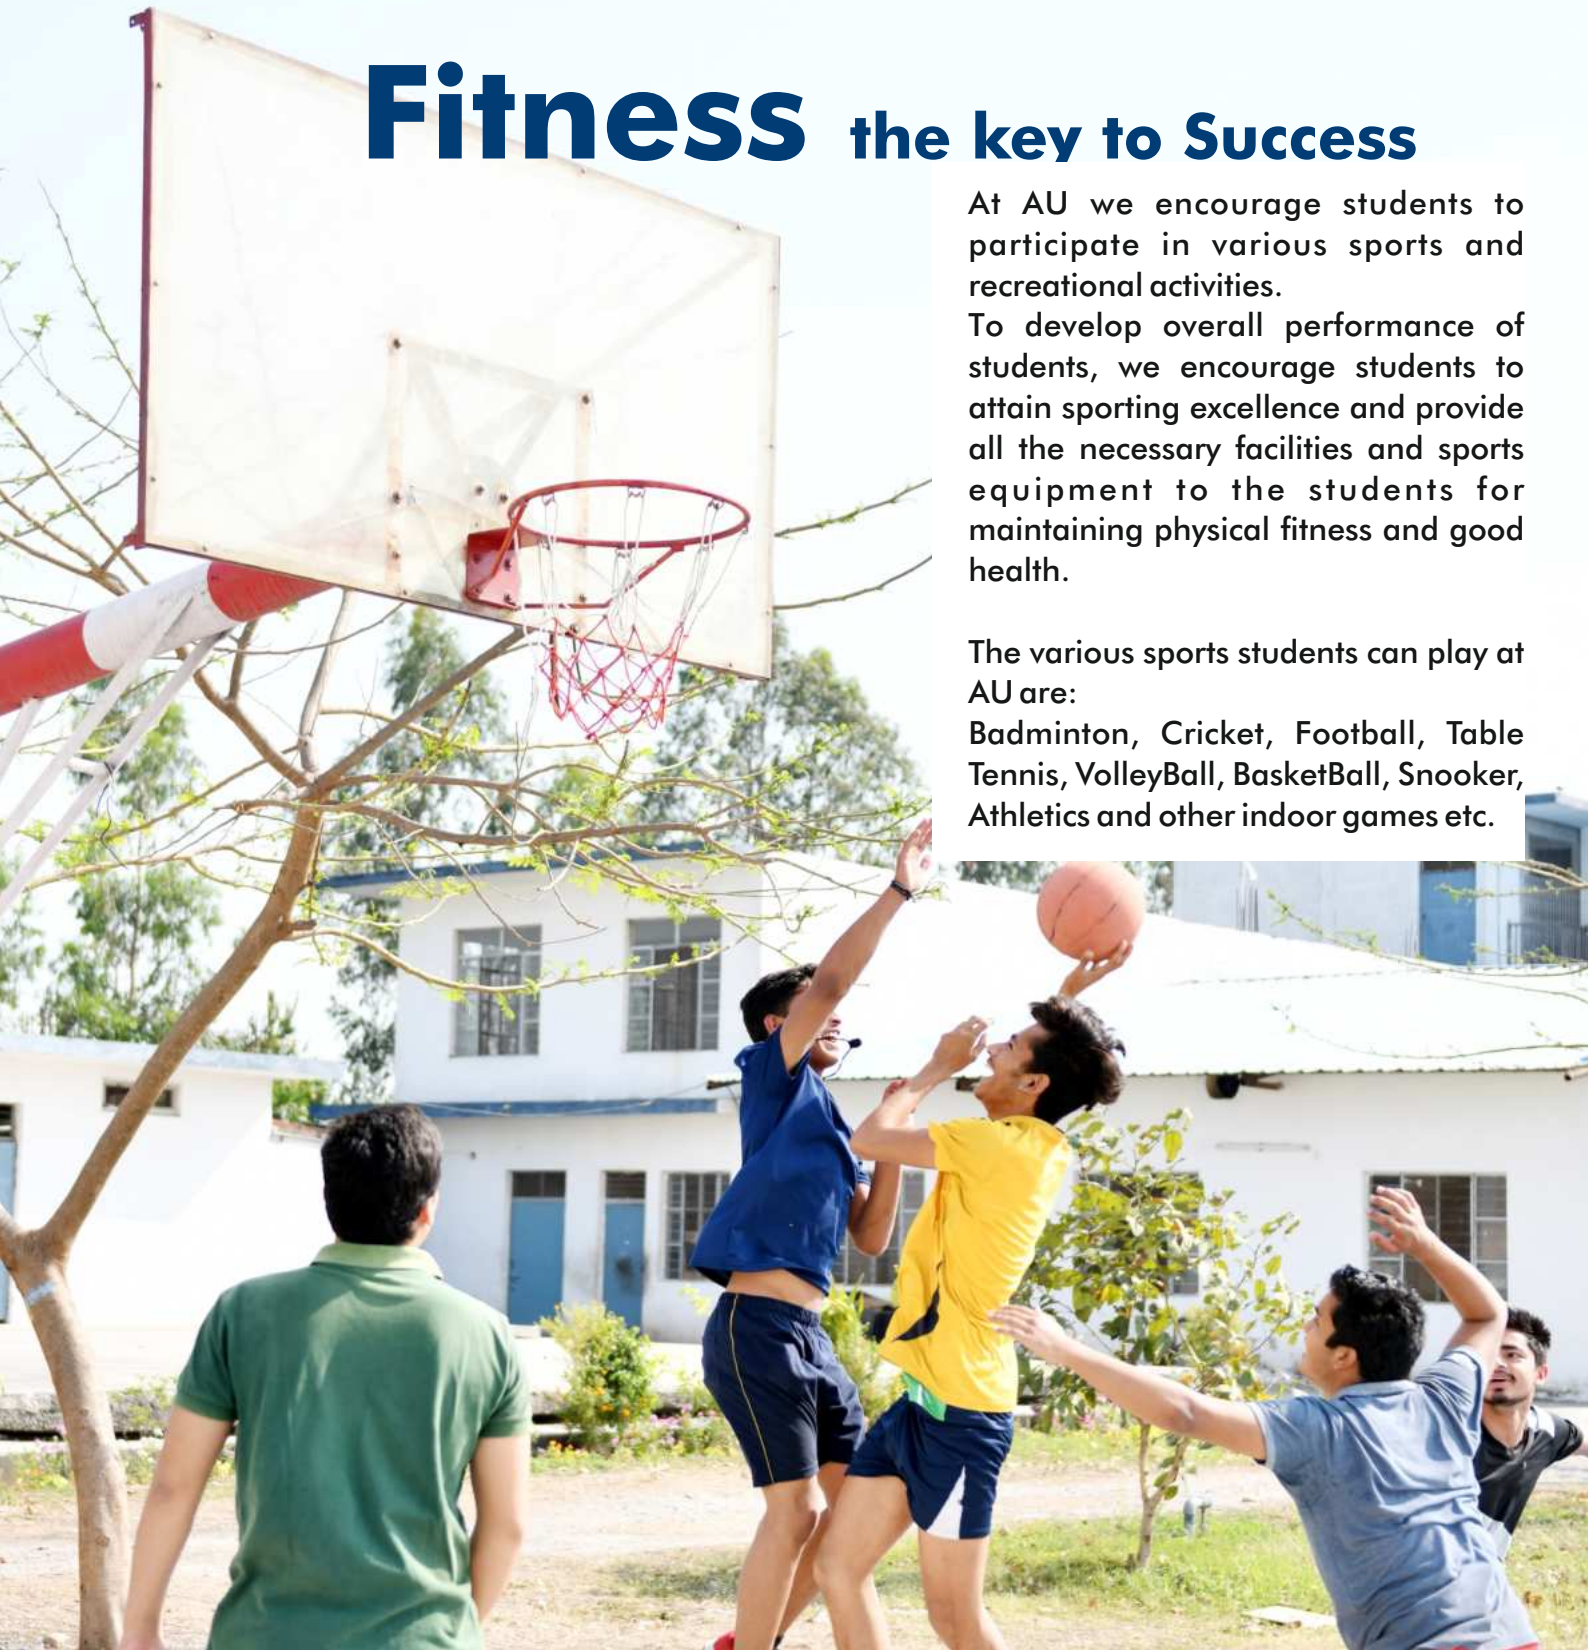

Fitness the key to Success

At AU we encourage students to participate in various sports and recreational activities.

To develop overall performance of students, we encourage students to attain sporting excellence and provide all the necessary facilities and sports equipment to the students for maintaining physical fitness and good health.

The various sports students can play at AU are:

Badminton, Cricket, Football, Table Tennis, VolleyBall, BasketBall, Snooker, Athletics and other indoor games etc.

SKILL Enhancement

Students get together to celebrate numerous festivals, thereby fostering a sense of home and family. Umpteen clubs like Cultural, Literary, Photography, Health & Wellness, Social Initiative etc. as well as associations such as SPICMACAY provide critical sparks of creativity and initiative. The various programmes enhance individual potential of our students by providing opportunities to take on broad range of personal and technical job oriented skill thus empowering them to make positive changes in themselves.

Inbound Training

Our inbound training programmes are uniquely designed to give students the required additional input that a regular curriculum may lack. The various training programmes are focused at:

- Technical Certification
- Add On Certification
- Industry Orientation

EXTRA Curricular

For the overall growth, students have opportunities to participate and compete in various extra and co-curricular activities, which help in holistic development of students. The various clubs at AU are managed by students coordinators and supported by faculty in-charges.

Technical

- Robotics Club
- Codex Club
- ALMA Students Chapter
- Marketing Club
- Finance Club
- HR Club
- Gourmet – The Culinary Club
- Futuristic - The F & B Club
- Hospitality -The Front Office Club
- Entrepreneurship Cell

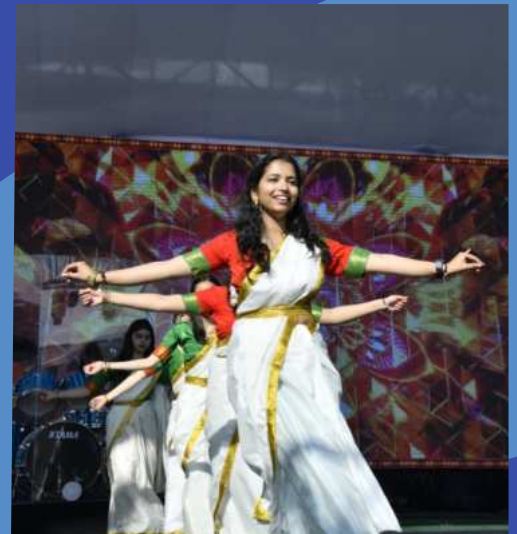

General

- Arogya - Health and Welless Club
- Malhar - Cultural Club
- Pulp Fiction -Literary Club
- Prayas -The Social Initiative Club
- Chhavi - Photographic Club
- NSS
- SPICMACAY
- Alumni Association
(AlmaConnect online portal)

SPANDAN

The two days annual fest provides opportunities to showcase talent and transcend to next level. Carnival gives a day full of fun and joy besides demonstrating managerial and marketing skills. The annual fest also provides a platform to practice and nurture managerial acumen.

KDMM

The Late Smt. Kamla Dhingra Memorial Meet (KDMM) is an inter-collegiate and inter-school competitive event in which students from different institutes and schools participate and compete to win the prestigious KDMM trophy.

BUILDING CAPACITIES

Conferences, Workshops and Seminars

For dissemination and application of knowledge various National and International Seminars, Workshops and Conferences are organised which provide students a platform to learn from experts, some of these events are AVAHAN, MANTHAN, IMPULSE, SANDHAAN Technical Workshops etc.

The purpose of conducting such events are:

- Sharpening Academic skills
- Interacting with experts face to face
- Learn a new space
- Networking
- Moving out of comfort zone
- Developing focussed approach
- Exploring new domains of knowledge
- Practising Technical Skills for the Career

SAY NO TO RAGGING

"Ragging is a Criminal Offence and is Banned within the Campus and Hostels"

Zero Tolerance to RAGGING

In light of the seriousness of ragging as a crime, Amrapali University takes all possible measures to control ragging. Accordingly, an Anti Ragging Committee plays an active role in curbing ragging. This committee is headed by Chief Proctor and includes senior faculty members from different departments. Students with any grievance pertaining to ragging can contact the committee members and following which immediate action is taken.

Ragging includes:

- Act of physical and sexual abuse, homosexual assault, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health.
- Act of abuse by spoken words, e-mails, snail-mails, public insults, perverted pleasures, deriving vicarious or sadistic pleasure from actively or passively participating in discomfort to others.
- Exploitation of junior students by seniors for completing academic or any personal task.
- Any act by a senior student that adversely affects the mental health and self-confidence of junior students.
- Act of financial extortion or forceful expenditure.
- Any other act as recommended by legal authorities.

An undertaking regarding refraining from ragging with information of the consequences of indulging in ragging is taken from students and their guardians, prior to admission.

Anti-Ragging Cell:

A student can lodge an immediate complaint about act of ragging at any of the following key numbers of anti-ragging cell:

Dean FHTM: 9927041565

Dean FTCA: 8745833981

FACULTY OF HOSPITALITY & TOURISM MANAGEMENT

The Hospitality Industry Continues to Grow

As per the World Travel Organization, travel & tourism sector will soon be becoming one of the largest industries in the world. This growth will continue in same way and industry will become largest employment provider by 2030.

Our curriculum combines theory with authentic hands-on learning experience and students have numerous opportunities to interact with industry professionals. Students also get access to hands-on real-life training programme incorporated in their day to day activities to make them industry fit.

The skills learned at Faculty of Hospitality & Tourism Management at AU are applicable not just in Hospitality Industry, but to the entire Service Sector and Tourism-related businesses. A career in the Hospitality Industry includes opportunities in many different areas apart from hotels, Such as:

- Event Management (sporting, cultural, concerts, exhibitions, conferences etc.)
- Banqueting
- Theme parks and attractions
- Restaurants
- Out Door Caterings
- Resorts (golf, ski, jungle, hill, beach, spa, etc.)
- Airlines
- Railways Catering
- Cruise lines
- PRO in MNC
- Hospitals
- QSR
- Government Jobs such as Estate Management Officers
- Armed Forces and many more service-related industries.

"I am very proud to have been a part of Amrapali family & also proudly representing it to the world. We had lots of fun and memorable moments out there.

What I am today is because of my hard-work, passion & dedication but not to forget that this can never be possible if you did not have a strong support & education line which I have got from Amrapali.

I have learnt professionalism and world skills through the various practical and training sessions conducted by my teachers and industry experts. My best wishes to everyone out there."

**Sana Salim
Asst. Front Office Manager
Park Hyatt,
Dubai**

The various courses at FHTM provides students exposure to basic practical skills that are expected of any Chef, F&B Service Expert, Room Division Manager or any other hospitality professional along with the skill orientation through various training sessions by industry experts to have latest skills. The learning environment encourages students not only to invest their minds in Classrooms and Practical Labs but also showcase their talent in extra-curricular and co-curricular activities along with wide range exposure through participation in National Level competitions

EXPLORING OPPORTUNITIES

The University believes in changing with time and to upgrade itself, emphasis is given on tie-ups with leading organisations. The University has signed MOUs with various National and International organisations of repute to provide the students better learning opportunities.

The exposure harnesses students' Problem Solving, Technical, Management, Business Simulation, Communication, Presentation, IT Business Solutions, Team Skills etc.

We are academically rich and students of FHTM have been awarded Gold Medals for being University Toppers and have been awarded by the Chief Minister of Uttarakhand in India Skill Competition.

Focus is on Skill enhancement and for the same Tie-Ups with training partners are done in the academic sessions.

Amrapali Students amongst the winners of Skill India State Level Competition with the Chief Minister of Uttarakhand

ABHYUDAYA

Exploring Hospitality Potential

ABHYUDAYA, the National Hospitality Talent Hunt is being organised for the last 17 years with an objective to provide a platform to budding hospitality professionals from various Hospitality Institutions across the nation, wherein they can learn & exchange different skills, explore and unveil the talent within .

Alumni Speak

Do you know what it feels being where I am today Great, Simply gorgeous and great! Every little thing counts and FHTM has given me big richness of life through the undefeatable trait backed by knowledge. I owe every bit of my success to the great mentors of Amrapali who have helped to shape and design my career, My Life!

A big thanks to all my teachers. The footsteps I follow were the hard work of my great teachers.

Anshul Sanwal
General Manager,
ITC Hotels

My University has played an important role in shaping my career. The learning I got made me ready for the outside real world. The faculty was very supportive and inspiring. The quality education made me stand tall apart from others.

I feel proud to graduate out from one of the finest college of hotel management and would like to thank the helpful faculty members for imbibing in me the requisite skill and confidence.

Mr. Amitesh Dayal
Associate Director Sales,
Roseate Hotels

Throughout my 4 years of journey with University I learned analytical, critical thinking, communication and leadership skills. The faculty laid emphasis on perfection which was ensured through rich practical sessions and industry exposure. The skills learned were cut above the rest and once I stepped into the industry as a professional I learned that students of FHTM were treated above others because of their values and skills.

I am thankful to my institute for carving within me a passion to succeed.

Mr. Keshav Kalia
Owner,
Zayka Cuisine an Indian
Restaurant, USA

HR Speak

It is only good thing which I have to say for AIHM " I would like to congratulate the faculty and management of Amrapali for making the University stands out among other hotel management Institutes/University our association with the University has been good and we have already selected students in the past as they stand out due to their knowledge, grooming, confidence and over all personality which I believe is due to hard work and discipline of the faculty members. I would like to see Amrapali become a premier University in Hotel Management as I believe it has potential to reach there."

Col Mahesh Rathore
Head - Human Resource
The Oberoi, New Delhi

AIHM students have the right kind of attitude required to excel and be successful in the Hospitality Industry. I have been associated with the Institute for almost 5 years and in these five year, I have consistently hired 20% - 30% of their students passing out from the University and undergoing internship with us. The University produces the right balance of students having good technical knowledge and hands on experience required to run the hotel operations smoothly. All the credit goes to the University in refining them, molding them in the best standards possible to be readily absorbed by the Hospitality Industry.

Akash Kapoor
Learning Service Manager
Hyatt Regency, Abu Dhabi

My association has been with the Amrapali University for many years now and in multiple profiles. The University is one of the finest and each passing years we have seen remarkable change in students. As a hiring professional we have kept the University as our 1st priority because as a college they focus so much in quality building and focusing on changing trends. Competent authorities has been very instrumental in keeping the connect and making sure that they keep our industry feedback on top priority for academic development. We wish the University all success in coming time and are very sure that they would keep their quality flag always high

Raveesh Chhetri
Human Resources Director,
The Leela Ambience

FACULTY OF COMMERCE & BUSINESS MANAGEMENT

BE THE LEADER

“

**GOOD BUSINESS LEADERS CREATE
A VISION, ARTICULATE THE
VISION, PASSIONATELY OWN THE
VISION, AND RELENTLESSLY DRIVE
IT TO COMPLITION.**

Our programmes are aimed at making you strong enough to break all boundaries and spread your wings and soar high to accomplish your vision & lead.

Programmes at Faculty of Commerce & Business Management help you develop the knowledge, hands-on experience and network to find your own path and shape your future. We provide a strong foundation in business principles and the inspiration & encouragement one needs to launch his own legacy.

With students from diverse backgrounds and faculty members reflecting strong industry and academic experiences, the programmes including B.COM (HONORS), BBA, BBA (IB & FINANCE), BJMC,BA (ECO) Hons, MBA, M.Com stand out for their focus and character. INTENSIVE LEARNING EXPERIENCE

The programmes at both undergraduate and post graduate levels are designed and delivered in a robust way to immerse participants into an intensive learning experience.

LIVE PROJECTS

Our students regularly work with organisations across diverse industries through live projects. Students get to research, develop and pitch proposals & presentations.

ACCESS TO THE BEST EXPERTS

At the heart of our programmes lies access to the best of the experts from industry and academia both. Industry and academic experts regularly visit our campus to interact and guide students for their professional endeavours ahead.

INNOVATIVE TEACHING METHODOLOGY

At Faculty of Commerce & Business Management, students engage directly with real business opportunities and challenges made possible through innovative teaching methodology. Case studies, story-telling, simulations, business games, e-learning, blended learning and several others are common features of the programmes.

TRANSFORM YOUR FUTURE

We offer a transformational experience. You will push yourself, become self aware, turn thought into action, gain real-world experience, and learn how to be comfortable outside your comfort zone.

If you are seeking programmes that will transform you both professionally and personally. We invite you to be part of this exceptionally transforming journey.

When you arrive and become part of Faculty of Commerce & Business Management, you are connected for a life time. With our dedicated team we assist students to build relationships, realise their potentials, sell talents and transform futures. We start working with you as soon as you step in the campus and are by your side as you look into internships, trainings and job offers.

We develop and nurture skills for lifetime:

- Leadership
- Multitasking
- Decision Making
- Analytical Thinking
- Networking
- Negotiation

Career Oriented Add-on Certifications in:

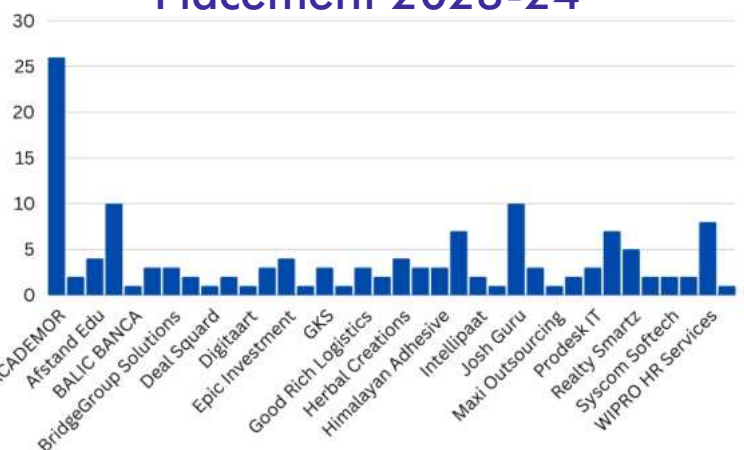

- Retail Management
- E-commerce & Digital Marketing
- Banking, Financial Services & Insurance
- Tally
- Supply Chain Management

Co-curricular Opportunities:

Our co-curricular events and activities foster the spirit of collaboration and competitiveness. The co-curricular activities including the management fest and various clubs hone managerial skills of the students. The activities assist in gaining hand-on-experiences in managing and leading people. These events help the students in their holistic personality development and induce confidence. Regular group discussion, case study analysis and in-depth analysis of budgets are some of the activities that help the students to become industry ready.

Placement 2023-24

Management Development Programme

FCBM,AU has constantly strived to establish and promote an industry- academia interface in different ways. Being fully aware of its role in the two way learning process, the institute has been making conscious efforts to share and implement knowledge and latest developments in management sciences with selected industrial organisations in the region. Our Management Development Programme (MDP) is aimed at building and further nurturing this all important partnership. With a fresh focus on management consulting and education it is taking strides in the right direction.

The MDPs held recently include "Stress Management" and "Conflict Management" training sessions for JBM's Pantnagar facilities. "Team Building and Conflict Management" for Uno Minda Ltd. and Imperial Auto employees at Pantnagar.

"Retail Sales for Frontline Executives" for the employees of Shoppers Street, Rudrapur, "Conflict Management" for the staff of Rudra Automobiles, Pantnagar.

Sessions on "Tourism Policing" were conducted for training the police inspectors and constables in Nainital.

PRABANDHAN

Quest for Budding Professionals

Prabandhan is a flagship inter collegiate management-fest focussed on identifying and acknowledging skills of potential business professionals. The event includes Bulls and Bears, Corporate Roadies, Business Quiz, Nukkad Natak, Just-a-Minute etc.

The Event witnesses huge response from different B-Schools of northern India. It provides exposure to the participants and an opportunity to interact with each other and various business leaders.

Alumni Speak

I would describe Amrapali as exciting and dynamic. The best thing about pursuing MBA program is the number of additional opportunities that are available. I was initially attracted by the University reputation and my career goals.

To any new student coming to Amrapali, I would say this: Throw yourself at every opportunity that comes your way. Opportunities make all the difference between getting what you want.

Himanshu Bhatt
Regional Credit Manager-North India
Carestream Health India Pvt Ltd
Delhi

It was a great time we spent in Amrapali University while pursuing MBA. The University has very wonderful faculty and they are very cooperative and campus environment is very positive. The department has made the sincere efforts to bring the best out of us. The days spent at Amrapali are the moments for the life time.

Ramneet Sandhu
Manager- Learning and Development
Future Generali India
Mumbai

Nothing can be as satisfying as writing a testimony for your own alma mater. Faculty of Commerce & Business Management at Amrapali is one of the best and is known for its excellence. It has the best facilities under one roof - state of infrastructure, erudite faculty, professional teachers, well stocked libraries, good computer labs, sports area, and hostels with all amenities. I am proud to be an alumnus of Amrapali.

Shilpa Chaudhary
Category Manager

Gurgaon

HR Speak

We take extreme pleasure in getting as associated with Amrapali for recruiting students for Capital Via, Indore. We are associated with Amrapali for the past three years now and have found that all students are very informative with a great level of understanding of the subject matter. We truly appreciate the combined efforts to set up an exclusive placement division to benefit both your students and the companies. We anticipate your extended service for fulfilling our man power requirements in a long run.

Savio George
Team, HCM
Capital Via, Indore

SLMG Beverages Pvt. Ltd has conducted an on-campus drive at Amrapali University and we have seen experienced set of very professional and well-groomed candidates for our recruitment. The University has a good talent pool of fresh minds that have been trained to become industry ready in state of the art infrastructure with a very high focus on technical capability as well as soft skills of students.

Ajay Singh
Manager,
CD & HE Bareilly Division
Coca Cola-SLMG Beverages Pvt. Ltd

Visiting Amrapali University has always been a matter of great privilege. I have earlier hired BBA and MBA students during my stint with Easy Policy. This time I represented CarDekho.com, Gurgaon and just like ever before it was fascinating to find and recruited students with high calibre of education, discipline and skills. We are happy to continue this association in future as well.

Ruchi Pershad
Manager, HR
Cardekho.com

FACULTY OF TECHNOLOGY & COMPUTER APPLICATIONS

NEXT GENERATION PROFESSIONALS

**CHALLENGE IDEAS,
THINK OF NEW SOLUTIONS,
COLLABORATE, INNOVATE,
AND LEARN TO CREATE.**

**YOU MIGHT
JUST CHANGE THE WORLD.**

Faculty of Technology & Computer Applications has excelled in the field of Computer Application and Engineering Education attracting innovative minds. A strong foundation built on innovation, research and entrepreneurial intent, we produce industry ready students that are sought after by renowned companies.

You will be empowered from the very start of your education at Amrapali. All budding technocrats in computer science & applications, electrical and mechanical uplifting their skills at FTCA.

A Career in this domain leads to various opportunities in fields such as:

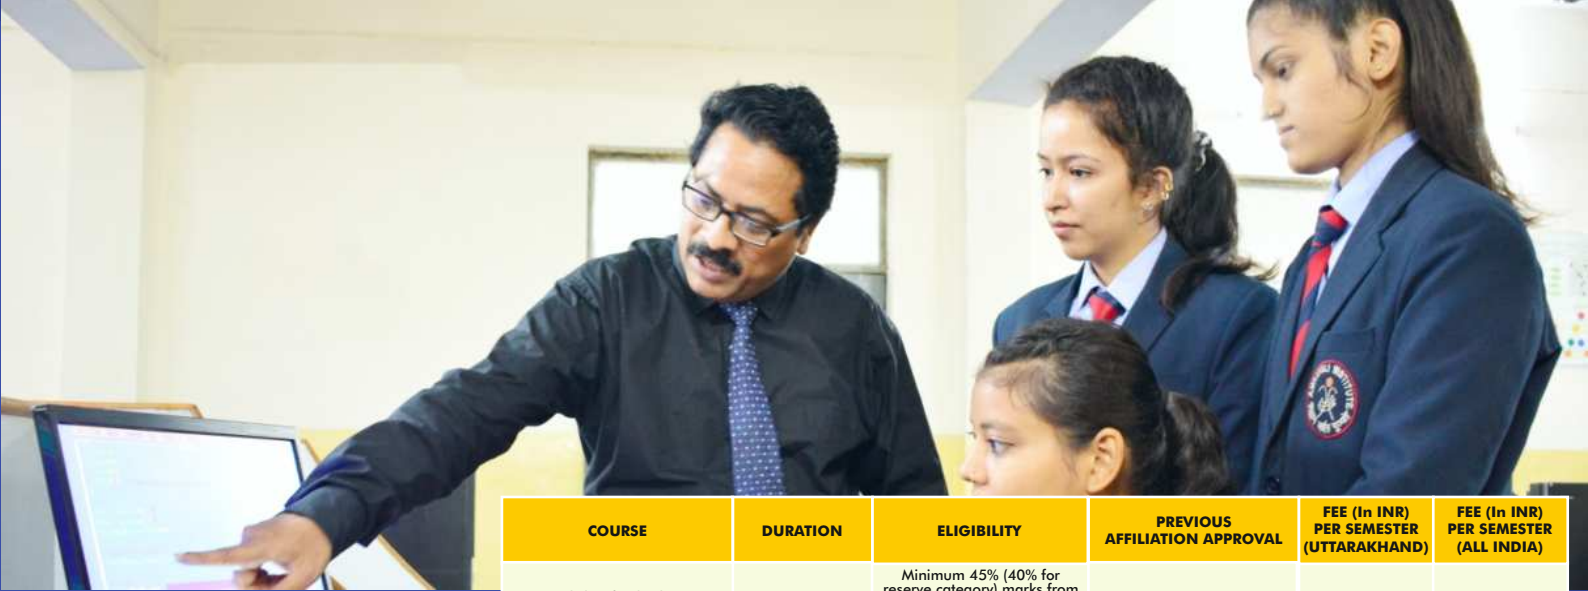

- Data Analytics
- Machine Learning & AI
- Robotics Engineering & AI
- Data Science & AI
- Cyber Security
- Internet of Things
- Deep Learning
- Automobile
- Software Engineering & Development
- Computer Programming
- Web Development
- Mobile App Development
- Production & Project Management
- Quality Testing
- Network & Communication
- Machine Design
- VLSI
- Control Systems
- Computer Architecture
- Embedded Circuit Design
- Digital Communication System
- Energy Distribution
- Design Engineering
- Graduate Engineer Trainers in PSUs
- Defence
- & many more....

Amrapali University has not only given the graduate degree to me, rather it has made me think about my career and options open to me. It gave me opportunities to explore my hidden talents.

The learning experiences, training opportunities and continuous efforts of my mentors has helped me to upscale my potential and get geared for being successful in my career.

**Udyot Verma
Systems Engineer
Intellect Design Arena Pte Ltd.
Tokyo, Japan**

Shape The Future

- Develop your skills first-hand in state-of-the-art facilities using real-world processes and technology.
- Learn and get trained from the best mentors in the region.

Faculty of Technology & Computer Applications combines best engineering & computer application programmes with hands-on learning that takes students beyond the classroom.

Career Development & Workforce Readiness

The training and placement department at Amrapali provides resources, workshops, career coaching and many more opportunities to help students to identify career paths, obtain internships, and secure full-time employment even before their programs are completed.

Certifications in:

- Machine Learning
- IOT
- Data Analytics
- Advanced Office Automation
- Responsive Web Application Development
- Mobile Application Development (Android & IOS)
- Graphics & Animation
- CATIA
- ANSYS

COURSE	DURATION	ELIGIBILITY	PREVIOUS AFFILIATION APPROVAL	FEE (In INR) PER SEMESTER (UTTARAKHAND)	FEE (In INR) PER SEMESTER (ALL INDIA)
Bachelor of Technology (B.Tech) [CSE, IT & DS, AI & ML]	4 Years	Minimum 45% (40% for reserve category) marks from any recognized board with Physics, Maths & other courses as mentioned by AICTE in 10+2	Uttarakhand Technical University and approved by AICTE	47,250	63,000
Bachelor of Technology (B.Tech) [ECE]	4 Years	Minimum 45% (40% for reserve category) marks from any recognized board with Physics, Maths & other courses as mentioned by AICTE in 10+2	Uttarakhand Technical University and approved by AICTE	42,000	56,000

Learning By Doing

Students have the opportunity to apply theoretical knowledge to solve real-world problems. You will work on live projects, with state-of-the-art technology in hands-on lab environments to master practical engineering & technical skills and the theoretical principles needed to succeed in any industry from your very first day on the job.

Accomplished Faculty

You will learn from faculty members who are dedicated to teaching and have active engagement in cutting edge applied research, scholarly activity and professional practice.

Industry Partners & Certifications

The various programmes of the faculty are clubbed with equally effective and affordable certifications from industry partners. The students have opportunities to participate with faculty and industry partners on student projects, internships, research and incubation projects. The routine workshops and seminars add-on with academic and technical skills.

PERSONALITY ENRICHMENT AND COGNIZANCE CELL (PECC)

PECC offers variety of personality development programmes on confidence building, communication skill and aptitude enhancement which help students to enrich their personality and get ready to face the corporate world with utmost confidence.

BRIDGE COURSE

The bridge course for the students admitted to MCA and B.Tech. through lateral entry fills the gap and provides them knowledge on the topics that are covered in 1st year of these courses thus making students comfortable in course progression from 2nd year onwards.

BELIEVE US YOU WILL DO MORE THAN THE STUDY

**Build Your Ideas
Design & Deliver
Solve Real-World Problems
Collaborate and learn
Grab Opportunities**

Faculty of Technology & Computer Applications has a vibrant community of students who love to work hard and play harder.

Our Computer Science Engineering students apply computer engineering knowledge and skills across industries. The programs aim at making students by shaping their innovative minds and creativity, an expert in computer hardware and software domains so as they can create systems that meet real-world performance needs.

AI & ML course is designed to enable students to build intelligent machines, software or applications with a cutting-edge combination of machine learning, analytics and visualization technologies. The main goal of machine learning is to program computers to automate real life problem solving with the help of experience.

AI & DS programme prepare student with the skill to perform intelligent data analysis which is a key component in numerous real world applications. This course aims at providing not only the core technologies such as artificial intelligence, data mining and data modeling but also gives intensive inputs in the areas of machine learning and big data analytics.

In the Electrical Engineering, students specialise and gain experience in a range of fields, including power generation and transmission, industrial automation, hybrid vehicles, tracking systems, telecommunications devices and circuits, and green energy. Being trained by best of the mentors and getting hands-on experience in state-of-the-art labs we prepare engineers, ready to jump into a challenging career.

In the Mechanical Engineering, students get hands-on experience right away, dissecting and building technologies that improve society. They develop multi-disciplinary set of skills using in-depth knowledge of core mechanical engineering concepts and become industry-fit for career possibilities that are endless.

In the Computer Application the students are exposed to various problem solving, program development, computer application, artificial intelligence, data mining, software and app development along with core skills of the domain thus making them ready for challenges for corporate world. After completion of programmes they are picked for various programmes like TCS Ignite, Wipro Wase etc. which offer industrial exposure along with higher education degrees from renowned institutions. Dedicated sessions for certifications from Microsoft, Red Hat, CISCO, ORACLE, IBM etc. adds value to students profile.

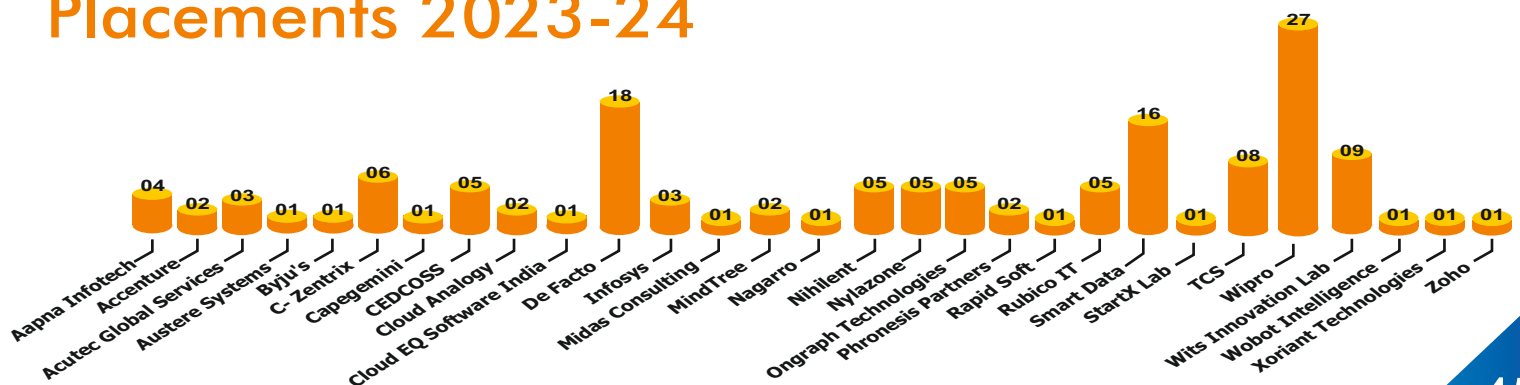

THE DIFFERENCE

- 25 years of excellence
- Experienced Faculty and Trainers
- Strong Alumni Community
- Summer and Winter Internship to acquire practical experience
- Diverse employment across country and abroad
- Rich Software library with Advanced Labs
- Learning Management System
- Special Training on new age Technologies
- Personality Development Classes for grooming the student and making them ready for employment
- Specialised project works in upcoming technology providing students exposure to industry oriented challenges
- Hands-on experience through industrial training in reputed organisations
- Expert sessions by renowned academicians and professional trainers
- Exposure to various workshop, in house training sessions, webinars, seminars, video conferencing sessions with experts
- Exposure to various inter institute competitions, skill India competitions, MSME projects
- Exposure to Rich NPTEL Repository
- Focus on SWAYAM and MOOCs platform
- Environmental Friendly infrastructure

Placements 2023-24

SANDHAAN

The Tech-Fest

Sandhaan is an inter collegiate tech-fest aimed at harnessing technological talent and new age skills of engineering and computer application students through various competitive events.

HR Speak

We conducted an on-campus placement drive with the students of Amrapali for filling technical requirements in our company, Computronics at Indore. We are always on a lookout for dynamic and passionate engineers and have found the students at the University competent and enthusiastic about their careers. We would be pleased to have a long term association with the University for the hiring of various technical profiles. I wish the University and their students a great future ahead.

Sachin Saboo
Chief Executive Officer
Computronics, Indore

We wish to congratulate all the selected students with Vincular. Our sincere gratitude to faculty and management for their focus on imparting quality education which led to selection of good students during the campus recruitment process conducted for the current batch pass outs. Students are trained to be apt for any corporate role. Their intense interest, persistent attitude and intellectual curiosity drive them to get deeply involved in their work and excel in it.

Balbir Bora
General Manager
Vincular Testing Labs, Bangalore

It was a great experience to conduct drive at Amrapali, got good number of shortlisted candidates and coordination and arrangement by Training & Placement Team were awesome. Looking forward to have a long term recruitment and Campus to Corporate Association with University.

Sonu Tyagi
Assistant Manager-Human Resources
Collabera, Noida

HR Speak

Students of Amrapali have become an essential part of SmartData. For past many years we have been hiring MCA & B.Tech. students on various technical profiles and selections have always proved right for our company. SmartData would like to acknowledge all the students of Faculty of Technology & Sciences for a great recruiting season. We saw high calibre of intellect and discipline in the team that represented the University and we are happy to continue this association in future.

Deepti Gaddamwar
Senior Associate HR
Smartdata

It was incredible opportunity to conduct the recruitment with students of Amrapali. Tata AutoComp Systems Ltd., is a company promoted by TATA Group and provides products and services to the Indian and the Global Automotive OEMs. We are pleased and privileged to join hands with an equally prestigious University of higher education.

Sanjeev Tomar
General Manager HR
Tata AutoComp Systems Ltd.

We are pleased to recruit MCA, BCA and B.Tech - Computer Science Engineering students from Amrapali. We collaborated with the University for the first time to fulfill our hiring requirements in the core technical domains, and we are highly impressed with the professional conduct of the students. We hired a good number of candidates and are thankful to the support provided by the institute in our recruitment initiatives. The students' performance during the recruitment process and virtual training has motivated us already to hire more from the institute in future.

Neha Prajapati,
HR,
Rubico IT

Alumni Speak

The time spent in Amrapali has been one of the most cherished days of my life. Not only were the faculty members cooperative but also gave us opportunities to excel in various fields. The learnings in Amrapali helped me to communicate, innovate and collaborate in ways that enabled me to build a successful career and stand-out in my career path. I wish all the Amrapalians good luck for all their future endeavors.

Niyati Shah
Associate Lead,
Nagarro Inc.

I was accepted in Amrapali Institute of Technology and Sciences back in 2010. I was there to pursue my B.Tech in Computer Science & Engineering. However, when I had to leave the eminent University in 2014, I was not just taking back a degree with me, but some wonderful experiences and plethora of learning. The faculty of AITS was cutting-edge and so was every other professor across the wide Amrapali spectrum. A special mention to the management & placement teams, who have been instrumental in shaping the life and success of an "Amrapalian".

Shivam Dutt Sharma
Sr. Consultant,
EXL Services

I am Yashaswi from the 2014 batch, B.Tech (Electricals and Electronics). Having changed so many organisations I feel that all of us has a unique place in the world and I feel my college helped me a lot in recognising it. The faculty members were very supportive and motivating with years of experience and tenderness towards students. I often recall the big campus and life there. I highly recommend this college for studies and holistic development.

Yashaswi Budhani
Energy Analyst,
Sterling and Wilson

Alumni Speak

"Amrapali" gave me the platform to mould my future towards my desirable dream. It helped me in every possible way in taking out my possibilities for countering the practical professional world. The faculty members were very helpful throughout my MCA academic journey.

I am thankful to faculty members for providing the base and initial step in entering the professional world through placement support, which helped me in taking further growing steps in my life.

Ankit Joshi
Team Lead,
Valtech

I feel the kind of exposure we got from our University was exceptional. The exposure was not only limited to the boundaries of our University but was global too which helped us realize and practice new technologies and processes. The expert sessions and training schedules gave us very good insight. All I can say is that the University gave me new perspective towards my career. As I take new strides in my career, I always remember my University with gratitude. It gave me a strong foundation of concepts that come very handy in my corporate life.

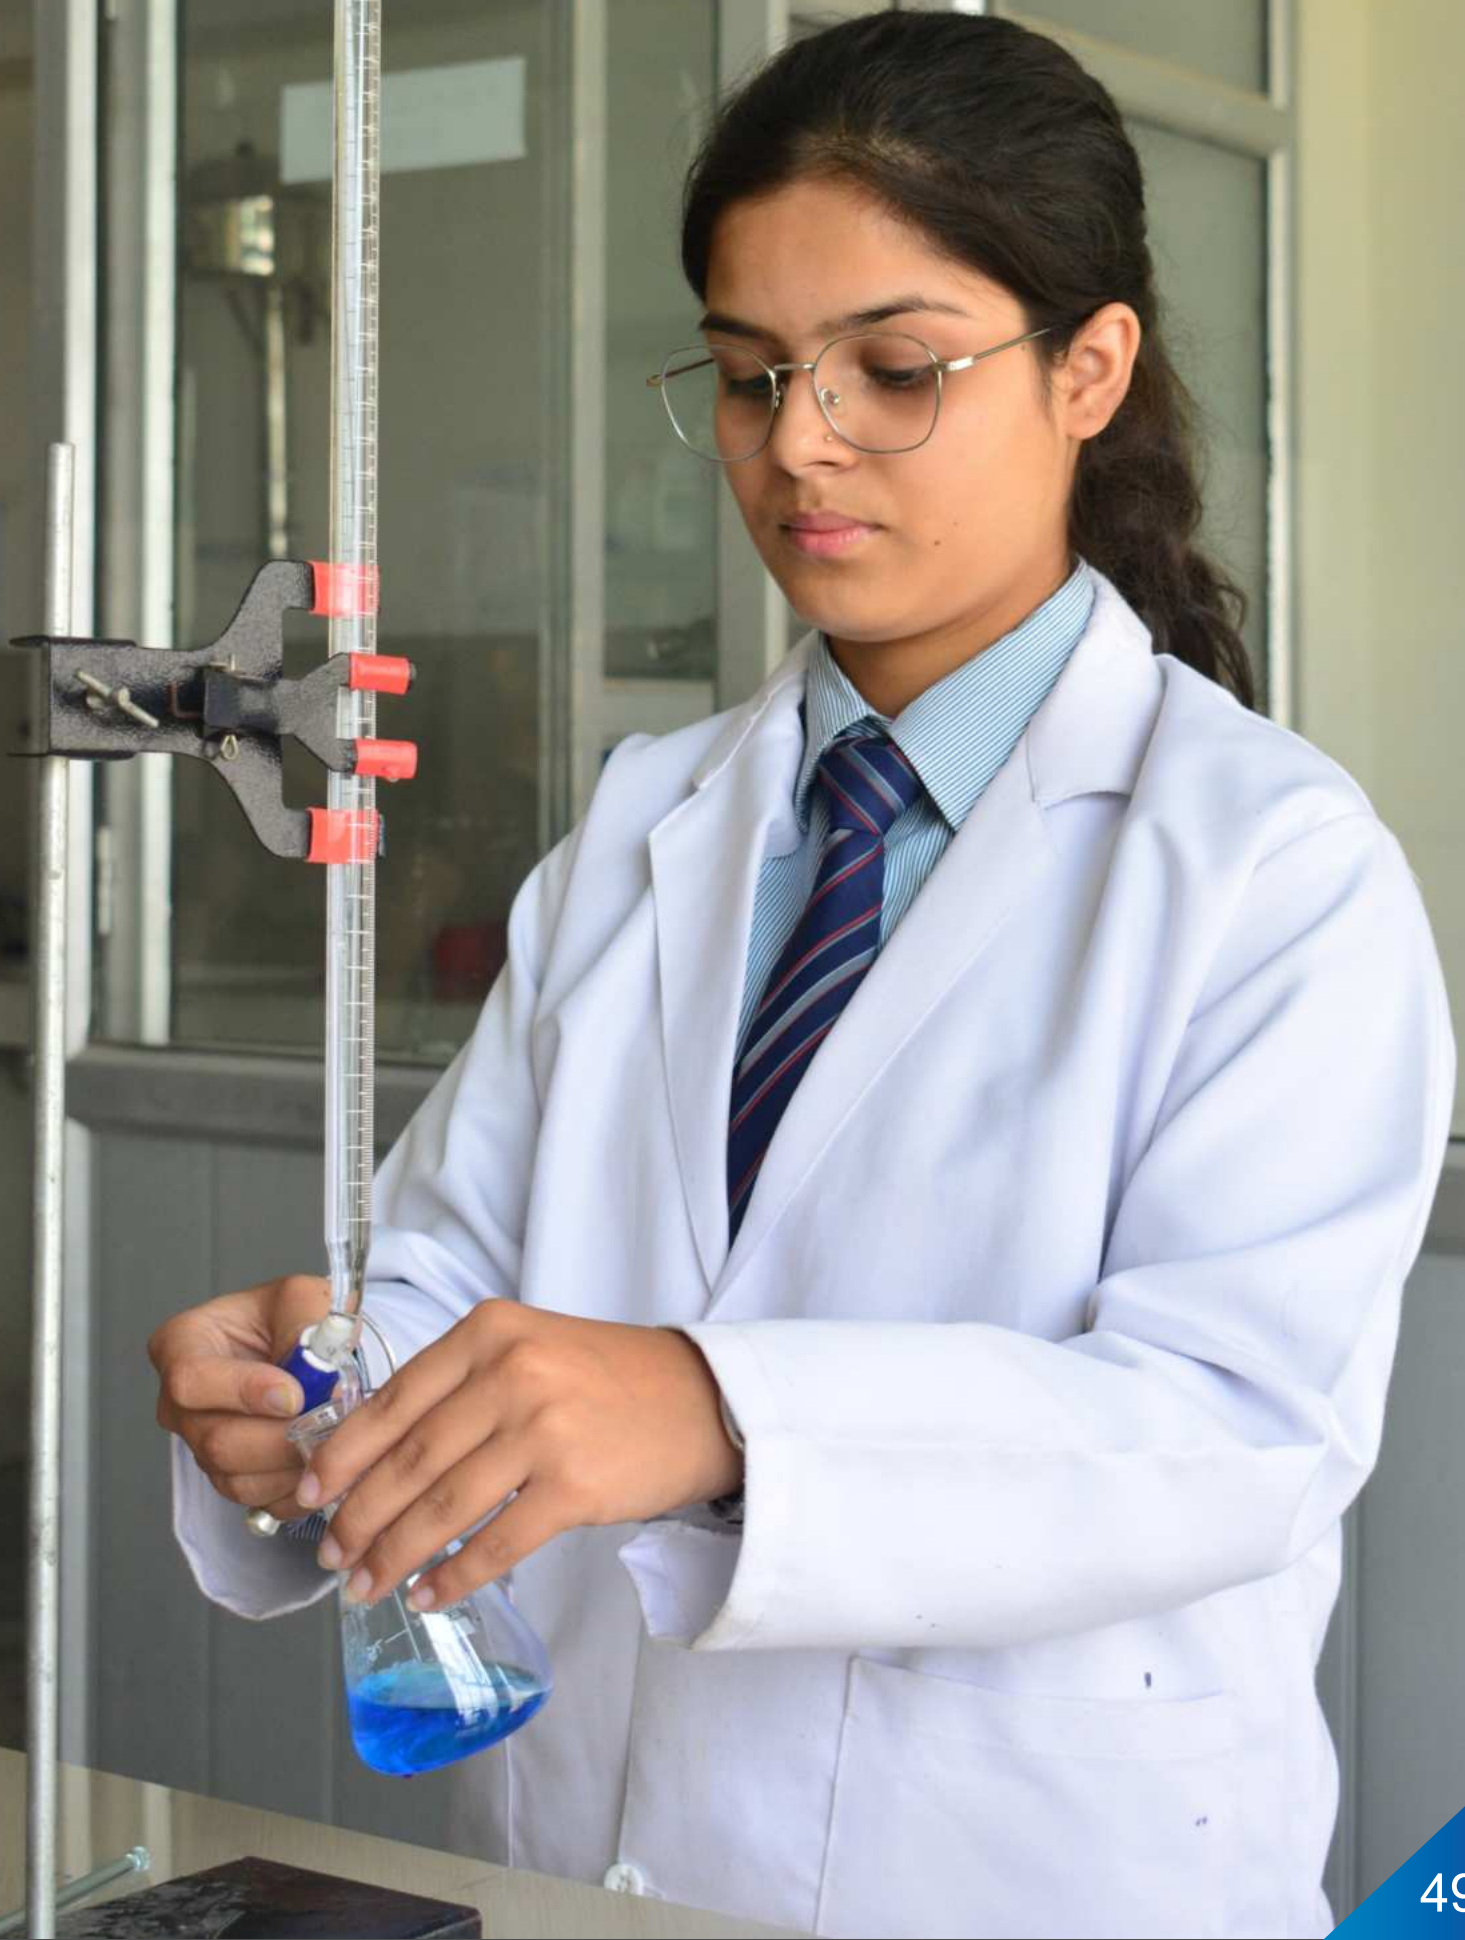

Pooja Karki
TSE, Wipro, Hyderabad

I was indeed blessed to study at Amrapali. The ambience was very conducive for learning. The campus is very big & beautiful. The staff, teachers are very nice & supportive. The Technical support I got from my Professors helped me to compete with the actual scenario of the software industry. The guest lectures by visiting faculty members helped me to expand my knowledge horizon.

Aspadan
Senior Specialist,
Cyber Security & Risk Analysis
WIPRO Tech.

FACULTY OF PHARMACEUTICAL SCIENCES

“Pharmacy is the branch of health sciences that deals with the preparation and dispensing of drugs. Its aim is to ensure the safe and effective use of pharmaceutical drugs.”

Pharmacists are the health professionals who have in depth knowledge of medicines. They are important link between not only doctor and patients but are also responsible for development of safe and effective new drugs and drug delivery system. India is the largest provider of generic drugs globally. Indian pharmaceutical sector industry supplies over 50 per cent of global demand for various vaccines, 40 per cent of generic demand in the US and 25 per cent of all medicine in UK. Medicine spending in India is projected to grow 9-12 per cent over the next five years, leading India to become one of the top 10 countries in terms of medicine spending. This in addition to numerous Government initiative in the Healthcare sector like establishment of Jan Aushadhi Kendra , Ayushman Bharat etc have increased the demand of qualified Pharmacist across India . Thus with a aim to fulfill that demand **Faculty of Pharmaceutical Sciences approved By PCI** and was established in 2019 with Diploma in Pharmacy and B. Pharm Course under the aegis of Amrapali University. It has well equipped laboratories, providing state of the art infrastructure and amenities to develop the quality pharmacy professionals.

COURSE	DURATION	ELIGIBILITY	PREVIOUS AFFILIATION APPROVAL	FEE (In INR) PER SEMESTER (UTTARAKHAND)	FEE (In INR) PER SEMESTER (ALL INDIA)

DON'T WAIT FOR OPPORTUNITY. CREATE IT.

D.Pharm and B.Pharm courses at FPS focus on developing the practical and analytical skills required for pharmaceutical industry and health care, as well as oral and written communication, critical thinking, inquiry, information literacy and leadership.

It will prepare not just qualified professionals, but also to be next-generation pharmacists, with the highly advanced leadership and research based knowledge that will lead professional change.

Pharmacy courses focuses on following fundamental themes

1. Basic anatomy and function of human body: How a complex biological system works including studies of human anatomy and physiology, biochemistry relevant to the discipline.

2. Chemical structure, disposition and mechanism of action of drugs: how and what makes drug work includes study of chemistry of natural products, medicinal chemistry, pharmacology, and pharmacokinetics /pharmacodynamics relevant to the discipline.

3. Role of Pharmacist in Healthcare System It includes social and health practice issues, community and Primary Healthcare system. Management of diseases and disorders, understanding the relationship between pathophysiology and dosages regimen for the treatment of various health conditions.

4. Professional hands-on experience - Conduct work based training programs and internships at hospitals and Pharmaceutical Industry.

5. Communication and Innovative Skills - To provide innovative approaches to medication management, including recommended therapies, and the identification and resolution of problems with the aid of state-of-the-art technology.

Why Join FPS?

- ✓ Intensive Academic Environment
- ✓ Qualified and Experienced Faculty
- ✓ Hands-on-Training/Expert Lectures
- ✓ Personality and Communication Skill enhancement
- ✓ Placement Opportunity in Pharmaceutical, Nutraceutical and Healthcare Industries

Laboratories @ FPS

Pharmaceutical Chemistry Laboratories allows students conduct limit tests as specified in Indian Pharmacopeia, salt analysis and some inorganic preparations and also to master fundamental organic chemistry laboratory techniques, to perform synthetic reactions, work-ups, and purifications. As well as to operate instruments and analyze data, to write original lab reports in a professional manner.

Pharmacognosy Laboratories have facilities to identify and differentiate between various herbal drug sources employing morphological and microscopic techniques as well as chemical tests. Also extraction and standardization of active principles from plants can be done.

Pharmaceutics Laboratory provides setup for formulation of various Pharmaceutical dosage forms like syrups suspensions emulsions as well as ointments, creams, effervacent granules, powders, capsules, tablets etc.

Machine Room has various equipments like Tablet punching machine, Sieve shaker, Bottle Filling Machine, Double cone blender, Bottle washing machine etc to provide hands on experience and training for handling the industrial set up.

Anatomy and Physiology Laboratory enables student to determine and observe various physiological /biological parameters like haemoglobin content, Blood pressure, Blood Glucose Levels Clotting Time, blood group etc.

Pharmacy Practice Laboratory provides training to fill a prescription, provide patient counseling tips, and answer questions pertaining to the disease state, the underlying biochemical problem, and the prescribed medication.

Medicinal Garden is also developed to study and provide traditional herbs for research and standardization. Also to encourage students to explore our traditional medicinal system scientifically.

Central Instrument Laboratory (CIL) with sophisticated instruments fulfill the departmental needs based on the academic and research programs of B.Pharm. The Central Instrumentation facilities are constantly upgraded as per the latest advancements in research, developments and technologies. Central Instrumentation Laboratory is equipped with modern instruments like fluorimeter, Ultrasonic sonicator, UV spectrophotometer, Digital viscometer, High sensitivity digital balance etc.

Pharmacology Laboratory consists of equipments, such as Rota Rod, Electro-convulsimeter, Analgesiometer, Histamine chamber and Actophotometer. These instruments are used in research evaluating different biological activities of the active pharmaceutical ingredients. Ex-pharm software is available for computer simulated pharmacological experiments.

FACULTY OF EDUCATION

**“A lamp can never
light another lamp unless
it continues to burn
its own flame.”**

-Rabindranath Tagore

Faculty of Education has the distinction of providing an entirely evolved and learner centered innovative teacher education program which provides academic platform for student teachers to participate in and interact with other fields functionally.

The Faculty of Education provides excellent job-oriented teacher training confirming the norms of NCTE with the intention of inculcating the art and enhancing their skills and competencies to prepare them to meet the rigorous demands of global trends in teaching.

ENLIGHTENED to EMPOWER is the special motto of our University for Teacher Education. During teacher training main emphasis is laid on providing student teachers self identity as a teacher through school based learning experiences and reflective practices that continually evaluate the impact of their actions.

Innumerable events as sports, recreational, and cultural activities enhance potential of student teachers. Faculty of Education has provided the grandeur of life to student teachers and transformed them into effective teachers, teacher educators and researchers over the past years.

Dr. Suresh Mehta
Head,
Department of Education

Dr. Suresh Mehta holds Ph.D & M.Phil. on Education from DBHPS Post Graduate & Research Institute, Institution of National Importance, Chennai., M.Ed. from SRM University, Chennai and Master degree in History, Sociology and Political Science (KU) from Uttarakhand open University. He is also qualified Uttarakhand state Eligibility test on Education. He has three book and fifteen research papers published in reputed journals. He is Associate editor of 'International Journal of Multidisciplinary Research and Development'. Has experience of item writing and item analysis in survey Division of NCERT, New Delhi. He also has the experience of working as an external examiner in teaching practical examinations and content development. His academic interests range from Educational Philosophy, Social study, Educational Psychology and Inclusive Education.

COURSE	DURATION	ELIGIBILITY	PREVIOUS AFFILIATION APPROVAL	FEE (IN INR) PER SEMESTER (UTTARAKHAND)	FEE (IN INR) PER SEMESTER (ALL INDIA)

OUR GRADUATES SUCCEED

"AMRAPALI PRODUCES WHAT BUSINESS HAS ALWAYS SAID IT WANTS - SMART, MOTIVATED & RELEVANT GRADUATES".

The Training & Placement Cell provides one-on-one guidance on your quest for the perfect career. We help you attain the knowledge, skills, practical experience and network you need to land a great job. We work to smooth the transition from campus life to the professional world by:

- Researching the best career options.
- Identifying and communicating the skills required to be successful.
- Designing and conducting workshops on goal setting, resume writing, techno-commercial awareness, group discussions, personal interviews and many more.
- Helping students gain practical experience through industrial visits, internships, industry interactions etc.
- Assisting students in developing valuable professional contacts.
