## From Vice Chancellor's Desk

**Saurashtra University** has striven for all-round quality in all aspects of higher education in the last five decades. I can see that the university has been leaving no stone unturned to ensure consistent growth in the quality of teaching and research by putting in place commendable measures for quality sustenance and enhancement. I wish that university achieves greater heights and receive national and international reputation in near future.

The entire nation is dedicated to the slogan given by **Hon'ble Prime Minister Shri Narendrabhai Modiji** "Today the goal of the Country is **Viksit Bharat, Sashakt Bharat! We cannot stop until this dream of a developed India is fulfilled**" in a complete manner so as Saurashtra University too. **Saurashtra University** has been tirelessly working with a single objective of improving the quality of higher education at any cost and it will continue to do so in the time to come.

Today, majority of the population of India is Youth. The youth play a pivotal role in the development and progress of the nation, and their involvement is crucial in achieving the vision of a **Vikshit Bharat**. The energy, enthusiasm, and innovative thinking of the youth can bring about positive change and contribute significantly to the development of **Vikshit Bharat**.

**Saurashtra University** is a public University, it continuously provides the necessary support, opportunities, and platforms for the youth to realize their potential and actively participate in the nation's development.

We, at the **Saurashtra University**, are committed to creating incremental value addition to society by providing futuristic education and contributing to nation building effectively to become "**Viksit Bharat, Sashakt Bharat**".

## IQAC INTERNAL QUALITY ASSURANCE CELL

The Saurashtra University IQAC is one of the most happening assurance cell in the region. The most amazing feature of this quality unit is that it has a fully-fledged set-up of tangible and intangible infrastructure on permanent basis. Besides UGC support from time to time, the IQAC has a self-reliant financial system which supports its various initiatives and activities to promote quality culture across the university departments, affiliated colleges, and in associated institutions. The quality unit is vigilant enough to take initiatives for quality enhancement and improvement in the field of higher education on its own. The IQAC organizes workshops, seminars, conference, etc. for academicians and administrators of higher education Institutions in the region on a regular basis including events under National Quality Renaissance Initiatives (NQRI) and National Education Policy (NEP-2020). The IQAC plays a vital role as a link between the University and external entities for better performance, compliance, quality improvements and policy implementation. The IQAC of Saurashtra University is committed to ensure all possible measures for the enhancement and assurance of quality in higher education.
