INTRODUCTION

Himachal Pradesh Krishi Vishvavidyalaya (HPKV), Palampur was established by the then visionary Chief Minister of Himachal Pradesh, Hon'ble Shri Shanta Kumar Ji on 1st November, 1978, with Solan as its second campus. It was rechristened as Chaudhary Sarwan Kumar Himachal Pradesh Krishi Vishvavidyalaya (CSKHPKV) on June, 2001. On December 1, 1985 the Solan campus was carved out from the State Agricultural University and renamed as Dr. Yashwant Singh Parmar University of Horticulture and Forestry, Solan. Earlier the agricultural education in Himachal Pradesh was imparted by two Colleges of Agriculture- one at Palampur and the other at Solan which were the part of the then Agricultural Complex functioning under Himachal Pradesh University, Shimla. The College of Agriculture, Palampur was established in 1966 under Punjab Agricultural University, Ludhiana and the College of Agriculture, Solan in 1964 under Panjab University, Chandigarh. With the trifurcation of the state of Punjab in 1970 and establishment of Himachal Pradesh University (HPU), Shimla; teaching, research and extension education in agriculture came under the umbrella of the Agricultural Complex with its headquarter at Palampur under the HPU. The University has been mandated for imparting quality education in Agriculture, Veterinary & Animal Sciences, Community Science, Basic Sciences and allied disciplines of learning, undertaking need-based research for the hill and mountain farmers of the State and further extension of such technologies to the stakeholders with the following objectives:

- i. Imparting education in agriculture and other allied branches of learning and scholarship which University may find necessary to include.
- ii. Furthering the advancement of learning and persuasion of research both basic and applied.
- iii. Undertaking extension of such sciences, especially to the rural people of the State.
- iv. Such other purposes as the University may determine from time to time.

To achieve its mandates and objectives, there are four constituent colleges (Agriculture, Veterinary & Animal Science, Basic Sciences and Community Science), a Directorate of Research and a Directorate of Extension Education, Students' Welfare Organization, Library, ICT Cell etc. These Colleges offer 7 Bachelor, 27 Masters and 16 Doctoral Degree Programmes. The University is marching by leaps and bounds towards excellence which can be judged from the fact that the University has been ranked at 14th position at All India Level in the ICAR's ranking of farm Universities.

Building Partnership

The University maintains intra-institutional linkages with various departments of the constituent Colleges and its Regional Research Stations and Extension Centres. In order to develop quality education and research collaborations, the University has entered into Memorandum of Understanding (MOU) with Regional, National and International Institutions in the priority/thrust areas to expand its strategic partnership. The University has MOUs with various prestigious institutions.

Location

The campus of the University is located at a distance of 3 km from the Palampur bus stand along the Pathankot-Mandi National Highway (NH-154) at an elevation of about 1250 meter above mean sea level. It is also linked with narrow gauge railway and the nearest station is Palampur (Himachal Pradesh), which is about 5 km from the University Campus. The Civil Airport at Dharamshala (Gaggal) is about 50 km from the Campus. The 600 hectare farm of the University including 198 hectare at out campus dotted with imposing beautiful buildings against the backdrop of panoramic majestic snow-clad Dhauladhar range makes it picturesque.

Constituent Colleges

The University has following four colleges:

1. College of Agriculture

The College of Agriculture, Palampur was initially conceived as a Junior College of Agriculture cater to the educational needs of far-flung hilly areas of the then Punjab. It was formally inaugurated by late Dr. P.N. Thapar, ICS (Retd.), the first Vice-Chancellor of Punjab Agricultural University (PAU) on August 1, 1966.

The then Deputy Prime Minister of India, Late Shri Morarji Ranchhodji Desai laid the foundation stone of the college building on May 23, 1968. With the reorganization of the Punjab on November 1, 1966, the college became part of the territorial jurisdiction of Himachal Pradesh. Nevertheless, it remained a part of PAU till July 21, 1970. With the inception of Himachal Pradesh University on July 22, 1970, the college became a part of the Agricultural Complex under the aegis of Himachal Pradesh University which comprised agricultural colleges of Palampur and Solan along with research stations located at different places in Himachal Pradesh.

The college attained the status of a postgraduate institution in 1971 and postgraduate classes in the disciplines of Agronomy, Plant Breeding & Genetics, Soil Science & Agricultural Chemistry were transferred from Solan to Palampur. The doctoral programme in these disciplines was initiated in 1974. Postgraduate classes in Animal Sciences and Agricultural Economics were started in 1976 and 1978, respectively. The degree courses in Basic Science were started in 1971 and continued till date.

It was an historic event when the College of Agriculture, Palampur served as the nucleus for Himachal Pradesh Krishi Vishvavidyalaya which came into existence by an Act of the H.P. Vidhan Sabha; the HPKV Act, 1978 and was inaugurated on November 1, 1978 by the then President of India, Late Shri Neelam Sanjiva Reddy.

At present, the College of Agriculture has 13 departments viz. Agricultural Biotechnology; Agricultural Engineering; Agricultural Economics, Extension Education & Rural Sociology; Agronomy; Genetics & Plant Breeding; Entomology; Horticulture and Agroforestry; Organic Agriculture & Natural Farming; Plant Pathology; Seed Science & Technology; Soil Science; Tea Husbandry & Technology and Vegetable Science & Floriculture. The College is offering B.Sc. (Hons.) Agriculture programme, and Master's programme in 8 disciplines and Doctoral programme in 7 disciplines. At present, 982 UG and PG students are on rolls of the College of Agriculture. The college is pioneer in hill and mountainous agriculture and took lead in creating first independent Department of Organic Agriculture and Natural Farming in the country. The college has adopted 5th Deans' Committee curricula from academic session 2016-17. In order to expose students to generate entrepreneurship and self-employment avenues, the experiential learning modules such as Protected Cultivation, Commercial Vegetable Production, Mushroom Cultivation, Tea Husbandry & Technology, Beekeeping, Nursery Management, Seed Production & Technology and Organic Agriculture and Natural Farming have also been offered.

2. Dr. G.C. Negi College of Veterinary and Animal Sciences

The College of Veterinary and Animal Sciences was established in 1986 to cater the specific needs of the Animal Husbandry sector of the state under the aegis of Himachal Pradesh Krishi Vishvavidyalaya. Earlier, it was felt that very little efforts have been made to promote livestock production and control of diseases, besides research and extension under Sub-Mountain, temperate and sub-temperate conditions of Himachal Pradesh. There was a general consensus that tremendous scope exists for livestock development including education research and extension besides conservation of natural germplasm of typical hill species like Yaks, Gaddi sheep, goats, hill cattle and a variety of wild species of fauna (animals and birds), which otherwise could not be better looked after by the veterinarians trained in other parts of the country. There was also a wide gap in livestock resources available in the State vis-à-vis the qualified human resources to provide efficient veterinary health cover. The HPKV constituted an expert committee in consultation with the Indian Council of Agricultural Research for assessing the establishment of a Veterinary institution. This committee, in its meeting on 19th December, 1985 at HPKV recommended the establishment of a Veterinary College at Palampur as a model Veterinary College for hilly regions of the country. Consequently, the College of Veterinary and Animal Sciences (COVAS) was established by the State Government in 1986 and it was duly accredited by the ICAR and approved by the Board of Management of the University with the six composite departments viz. Animal Production, Anatomy & Histology, Veterinary Physiology & Pharmacology, Veterinary Microbiology, Pathology & Parasitology, Veterinary Surgery & Gynaecology, and Veterinary Medicine. With the progressive development of teaching and research facilities and as per the recommendation of the Veterinary Council of India, minimum standards of veterinary education (MVSE, 2016), the following 18 departments have been created: Veterinary Anatomy; Veterinary Physiology & Biochemistry; Veterinary Pharmacology & Toxicology; Veterinary Parasitology; Veterinary Microbiology; Veterinary Pathology; Veterinary Public Health & Epidemiology; Animal Nutrition; Animal Breeding & Genetics; Livestock Production & Management; Veterinary Gynaecology & Obstetrics; Veterinary Surgery &

Radiology; Veterinary Medicine; Livestock Products Technology; Veterinary & Animal Husbandry Extension Education; Fisheries; Veterinary Clinical Complex and Livestock Farm Complex.

Initially the postgraduate programme was only in the Department of Animal Nutrition and Animal Breeding & Genetics disciplines. In the COVAS, the master's programme in Veterinary disciplines was started in 1992 and now it is being offered in 13 disciplines namely Animal Genetics and Breeding, Animal Nutrition, Animal Reproduction & Gynaecology, Veterinary Microbiology, Veterinary Pathology, Veterinary Surgery & Radiology, Veterinary Anatomy, Veterinary Biochemistry, Veterinary Medicine, Veterinary Parasitology, Veterinary Pharmacology, Veterinary Physiology and Veterinary Public Health. The doctoral programme is offered in seven disciplines viz. Animal Genetics & Breeding, Animal Nutrition, Animal Reproduction Gynaecology & Obstetrics, Veterinary Anatomy, Veterinary Microbiology, Veterinary Surgery & Radiology and Veterinary Medicine. The College is the only referral Veterinary hospital of the state.

3. College of Basic Sciences

Basic Sciences serve as the foundation for all branches of scientific innovation and are the building blocks upon which the entire edifice of scientific progress stands. It holds a pivotal role in agricultural education and research owing to its significance in understanding basic principles and concepts that have laid the foundation of modern technologies in agriculture and allied sciences. The College of Basic Sciences was established in the year 1991 with the mandate to fulfil the need of quality education in basic sciences in the region and for catering to the needs of teaching and research in agricultural and allied sciences. The college offers four year undergraduate programme in two streams i.e. B.Sc. (Hons./Hons.with Research) Physical Sciences (Physics/Chemistry/Mathematics) and B.Sc. (Hons./Hons. with Research) Life Sciences (Botany/Zoology/Chemistry) with multiple entry and exit options. Additionally, the college is also engaged in teaching common courses pertaining to agricultural and allied programmes at UG/PG level to all the constituent Colleges of the University. The College has four departments and one centre viz., Biology and Environmental Sciences, Chemistry and Biochemistry, Microbiology, Physical Sciences and Languages and Centre for Geo-Informatics Research and Training. The College is equipped with state of the art 10 Laboratories [Physics, Chemistry, Botany, Zoology, Computer, Biochemistry, Microbiology (UG & PG), Environmental Sciences and GIS & Remote Sensing]. The College of Basic Sciences is the first in the State of Himachal Pradesh to adopt and implement the guidelines of National Education Policy - 2020 for its undergraduate programmes in basic sciences. Currently M.Sc. and Ph.D. programme is being offered in the discipline of Microbiology. M.Sc. programmes (Biochemistry, Environmental Sciences, Biology and Plant Physiology) and Ph.D. programme (Biochemistry) are currently held in abeyance. The faculty of College of Basic Sciences is striving hard to fulfil the mandate through quality education alongwith research and extension support in the University maintaining high standards and to generate quality human resources to benefit the rural masses of the State.

4. College of Community Science

The College of Community Science, earlier Home Science, was established in May, 1991 with the mission to empower individual, family and community for effective role performance and management of resources to improve the quality of life. It primarily emerged out of the much felt need for a comprehensive training to the students in the context of changes in the socio-economic environment as well as changes in the family system and functions. Community Science was conceptualized basically as an interdisciplinary applied area of study built upon the basic and social scientific knowledge. At present, there are five major areas viz. Food Science, Nutrition & Technology, Family Resource Management & Consumer Sciences, Human Development & Family Studies, Textile & Apparel Designing, Extension Education & Communication Management as they are instrumental in imparting relevant information to the students. Although the philosophy of Community Science was family oriented however it has now broadened its philosophy to extend the nucleus of family to the national and international education and economic policy requirements. The college offers Bachelor's degree programme in B.Sc. (Hons.) Community Science, B. Tech. (Food Technology) and B.Sc. (Hospitality and Hotel Administration). The master's programme is offered in the disciplines of Food & Nutrition, Human Development & Family Studies, Resource Management & Consumer Science and Apparel & Textile Science. The doctoral programme is offered in the discipline of Food and Nutrition. Experiential Learning Units are operational for the undergraduate students to promote their entrepreneurial skills, confidence building and to prepare them for self-employment in the emerging areas. Recently the curriculum has been modified to inculcate entrepreneurial skills for self-

employment and to increase students' competence to work in Government/ Private Sector. The College is committed to excellence, innovation and effectiveness in teaching, research and extension through qualified and competent faculty and well equipped laboratories/ infrastructure.

Advisory system:

The University ensures attention to individual student through its advisory system. The Dean of College concerned assigns each undergraduate student to a teacher of the college who acts as the 'Advisor' to the student in all academic matters and also nominates a teacher of the college to act as 'Tutor' of an undergraduate class who would coordinate with all the Advisors of that class for proper supervision and registration of students of that class. The advisory system has been strengthened and has developed as 1+0 non-credit course. At postgraduate level, an advisory committee consisting of 3-5 teachers with one Major Advisor is appointed for each student. The major advisor also maintains a close contact with parents/guardians of his/her advisees.

Directorate of Research

The Directorate of Research coordinates research in the field of agriculture, veterinary and animal sciences, community science and basic sciences. Priority is given to the location specific, need based and problem oriented research with multidisciplinary approach at the main campus, Palampur and its various satellite stations viz. Hill Agricultural Research and Extension Centre, Bajaura and Dhaulakuan & Highland Agricultural Research and Extension Centre Kukumseri and 10 sub stations i.e. Rice and Wheat Research Centre Malan; Bee Research Station, Nagrota Bagwan; Research Sub Station Kangra, Salooni, Akrot, Berthin, Sundernagar, Sangla, Leo & Lari situated at different locations representing different agro-climatic zones of the State. Research activities in the University are mainly carried out through All India Coordinated Research Projects and various adhoc research projects financed by different outside funding agencies. There are various research projects on different thematic areas of agriculture and allied sectors including AICRPs are in operation. The University has developed and released more than 150 improved varieties of different crops. The University produces around 800 and 1000 quintal breeder and foundation seed respectively of cereals, pulses, oilseeds, vegetables and fodder crops seed. It is supplied to the State Department of Agriculture for further multiplication and making it available to the farming community. To enhance crop and animal productivity, the University has developed >100 farm technologies which have been recommended to the farmers in the areas of crop improvement, animal breeding, disease combating, natural resources management etc. The University is presently focusing its research activities on natural farming and a **Model "Zero Budget Natural Farming"** has been established in the University in an area of 25 acres. The University is pioneer in the country to establish an **Advanced Centre on Protected Agriculture and Natural Farming** with an outlay of Rs. 2266 lakhs from World Bank sponsored National Agricultural Higher Education Project of the ICAR. It initiated research for developing technologies for safe farm produce.

Directorate of Extension Education

The Directorate of Extension Education (DEE) provides extension services to the farming community of the state through various programmes and activities planned, coordinated and implemented at the headquarter as well as through its eight Krishi Vigyan Kendras (KVKs) located at Dhaulakuan (Sirmour), Bajaura (Kullu), Bara (Hamirpur), Una, Sundernagar (Mandi), Kangra, Kukumseri (L&S), Berthin (Bilaspur). Such programmes and activities include Trainings, Front line Demonstrations, Field days, Kisan Melas/ Kisan Goshthi, Crop Seminars, Exhibitions, Radio Talks, TV Telecast, Film Shows, Workshops etc. The directorate has close coordination and liaison with various line departments of government. The Directorate and its KVKs are equipped with experienced team of Scientists/ Extension Specialists with focus on dissemination of promising technologies emerging from various research outcomes in Agriculture, Animal Husbandry and food processing and value addition etc. of the University to the field functionaries and farmers. The Directorate is involved in the capacity building of the extension functionaries of departments of Agriculture, Horticulture and Animal Husbandry through trainings and workshops viz. model training courses, refresher courses and other such activities involving the stakeholders. Various projects are in operation for evaluation and demonstration of newly developed technologies at the directorate and KVK level for the upliftment of farmers. The directorate has entered into MOUs with institutions like ICAR, NABARD, SJVN, ATMA, etc. for technology transfer. The directorate and KVKs are involved in skill development trainings sponsored under Agricultural Skill Council of India to produce agri-entrepreneurs to establish agricultural related business enterprises. The Agricultural Technology Information Centre at the Directorate is involved in providing services to the farmers of the state by providing literature, improved seeds and planting material and other inputs including various R & D products and through

telephonic helpline by addressing various queries related to farming. Each KVK takes care of technology evaluation through on farm testing, demonstration, trainings of field functionaries and farmers under district level micro-situation. The feedback by the KVK scientists regarding the university technologies and other NARS (National Agricultural Research System) institutions help the university research system in designing new projects for further research and development in Agriculture and allied sciences.

International Coordination Cell (ICC)

To facilitate foreign/International students for admissions and their stay at CSKHPKV, Palampur, an International Coordination Cell having an Executive Committee, an Advisory Committee with Registrar as its Liaison Officer has been established.

Students' Welfare Organization

This organization is responsible for overall welfare of the students including hostel accommodation, personality development, counselling & placement, sports and co-curricular activities, NSS and NCC activities besides maintenance of discipline amongst the students. Every undergraduate male and female student is required to undergo compulsory NCC / NSS courses, during the first two years of his/her degree programme. **The university extends opportunity for female students to join NCC.** The office of the organization is housed in the Khel Parisar of the University.

Hostel Facilities: There are 10 students' hostels (housing 1130 students) comprising five for girls including an independent wing for international women students, four for boys and one for international men students. The accommodation for international students has attached washroom and kitchen for self-cooking. Each hostel is looked after by Wardens appointed from amongst the faculty. The hostel messes are run on co-operative basis and are being managed by the hostel residents on rotation, providing an opportunity to work in a team and learn management skills. The hostels are provided with internet facility, CCTV cameras, washing machines, newspapers, etc., besides television and facilities for indoor and outdoor games.
