WE MAKE YOU FUTURE READY

25+ YEARS
OF LEGACY IN EDUCATION

Tribute

Lingaya's Society (Formerly Lingaya's Jankalyan Shikshan Sanstha) was established in the memory of the freedom fighter Late Shri Lingaya Gadde, who sacrificed his life to free his motherland, from the shackles of conventionalism, illiteracy and poverty.

Our society is inspired by the strength of such freedom fighters. Shri Lingaya Gadde, an agriculturist by profession, took part in the 1923 Civil Disobedience and Quit India Movement and went to jail several times. He wrote several books on socio-communist issues.

He was the editor of "Navyuga", organizer of communist party and also the founder of "Adarsa Grandha Mandali", Elamaru, Andra Pradesh. The Society laid its foundation on its belief in social development built on the pillars of devotion, sacrifice, sanctity of feeling and candid thoughts. Its objective was to fructify the dreams of the brave freedom fighters.

(1910-1962)

(Late) Sri Lingaya Gadde

" The best way to predict future is to create it "
....When a collection of brilliant minds,
*hearts and talents come together....*
Expect a masterpiece "

Prof. G.V.K. Sinha, a unique educationist with remarkable insight into technical education and great expertise in managing the human resources, was a self-made icon in the field of technical and management education. He began his career as a lecturer and climbed up the ladder to phenomenal heights. He worked as Head of the Department, Asst. Director and then the Principal in various reputed technical institutions in New Delhi. Later he became full time Consultant of AICTE, New Delhi. Everywhere Prof. Sinha dedicated himself to the noble cause of education. With grace and humanitarian values Prof. Sinha finally reached the peak of his career as the Chairman of Lingaya's Group, set up by him in memory of his father, the great freedom fighter Shri Lingaya Gadde. His expertise in technical education, skills in managing human resources, exposure and insight into curriculum review and efficiency in training and placement enabled him to make Lingaya's Institute of Management and Technology (LIMAT) the most preferred educational institution for aspiring professionals in Delhi NCR. LIMAT was the dream of Prof. Sinha's noble goal and vision in the field of higher Education. In recognition of excellent achievements in the field of Technical Education, LIMAT was upgraded to Lingaya's Vidyapeeth with approval from the MHRD, Govt of India, under Section 3 of UGC Act, 1956.

Prof. Sinha left us for his heavenly abode on 6 June, 2011. Nonetheless, his vision inspires all of us even today and has made him immortal. May the departed soul rest in peace, Let us pay tribute to Prof. Sinha with a pledge to uphold and keep up his spirit and vision on Education.

(1932-2011)

(Late) Prof. G.V.K. Sinha
Founder Chairman, Lingaya's Group

"Par Excellence with Human Touch"

CHANCELLOR'S MESSAGE

I am immensely ecstatic in welcoming you to Lingaya's Vidyapeeth (a deemed to be University u/s 3 of U.G.C. Act 1956), Faridabad. With a rich history of its inception and a legacy of 25 years in academics & research, I feel great sense of pride in mentioning that Lingaya's Vidyapeeth has always been a paradigm of academic & research excellence with special focus on holistic development of students so that they become future-ready.

Though the pandemic has its detrimental impact on both the physical and the mental health of people and organizations; nonetheless, Education is one of the major fields where it has opened avenues for thoughtful discussions and informed decisions and that is why Lingaya's Vidyapeeth is committed to making all possible efforts in being the harbinger of a new era in the domain of higher education. We at Lingaya's Vidyapeeth believe in nurturing the talent of young minds. However, we also believe that the efforts of our students need to be in the right direction in order to be successful and that is why we provide the best of curriculum, innovative teaching methodology, state-of-the-art infrastructure, the latest in technology, hand-picked international collaborations & tie-ups and the expertise of academic stalwarts and industry doyens. A sprawling salubrious campus situated in the serene green pastures and pollution-free sylvan surroundings provide the best learning environment.

I would be delighted to have you onboard a personally exciting and professionally enriching journey at the Lingaya's Vidyapeeth that will bring many invaluable learning opportunities in the near future. I look forward to welcoming you in the coming months to join us in this journey. You will be experiencing many new insights and will take back several impressions as you make enduring friendships and long-lasting associations during your time with us and even beyond that as an alumnus.

Diversity and inclusivity are two major strengths and we foster a community that is free of intolerance and discrimination.

Let me thank you all once again for your extended support in making Lingaya's a brand and a chosen institution by many students, parents & researchers. I invite you once again to join the Lingaya's community - Choose to know....Choose to grow!

VICE CHANCELLOR'S MESSAGE

It is a pleasure to share that we are celebrating the completion of twenty five years of the Lingaya's Group. Lingaya's Vidyapeeth has come a long way and is marching ahead setting new milestones in its journey. The Vidyapeeth is home to students from all over the globe. I welcome and appreciate them for choosing Lingaya's Vidyapeeth and reposing their trust in the different programs that we run. Apart from academic excellence the Vidyapeeth encourages its students to take part in extracurricular activities enabling them to shape their overall personality. Our students participate in National and International competitions in various institutions throughout the year. Many of our students have made the Vidyapeeth proud by winning prizes at prestigious events. The Vidyapeeth aims to fulfil the aspirations and goals of its students. Knowledge and intelligence are the driving force behind development in any sphere. The Vidyapeeth keeps itself abreast of the latest developments in the field of education. Together as a team we are committed to provide the best to our students. Once again I congratulate everyone for being a part of this wonderful family. May Lingaya's Vidyapeeth grow from strength to strength in the years to come.

"Vision without mission is a daydream"

Traditionally believing that God is the source of all truth[1], goodness[2] and beauty[3], Lingaya's University seeks to develop in students a wisdom that translates academic achievements into responsible citizenship, sincere professional service, and a deep respect for life and beauty in God's Creation and Recreation[4].

(Concepts: Truth[1]: Knowledge; Goodness[2]: Felt and perceived in mind and practised/ experienced in life; Beauty[3]: Perceived in thoughts and vision; God's Creation and Recreation[4]: Creation in Nature and individual efforts)development.

☞ To commit to excellence in thought and action;

☞ To impart knowledge and skills and to mould the attitude required for careers in Technical and Management fields by careful guidance and instruction for self learning in both formal and informal modes;

☞ To dedicate oneself to improve the social and economic status and enhance the quality of life for all;

☞ To strive to maximize human welfare through education and produce effective knowledgeable staff, practitioners and educators who will be guided by vision, compassion, knowledge, disciplined discovery and deep respect for human values;

☞ To provide professional learning to each student;

☞ To develop critical thinking, analytical ability and creative skills;

☞ To supplement the curricula with teamwork, leadership, persuasive oral and writing skills, project management, financial aspects, social concerns and ethics;

☞ To establish Industry-University interaction for technology, research and development.

" Mission without vision is a nightmare."

About **LINGAYA'S VIDYAPEETH**

*L*ingaya's Vidyapeeth is guided by the noble patriotic thoughts of the great freedom fighter (Late) Shri Lingaya Gadde and also by the academic vision of Late Prof. G.V.K. Sinha, the founder of various Institutions of the Lingaya's Group. Lingaya's Institute of Management and Technology (LIMAT), an Engineering Institute, was established in 1998 with approval from All India Council for Technical Education(AICTE), a Statutory Body of the Ministry of Human Resource Development (MHRD), Govt. of India. The Institute received the prestigious Accreditation Status from National Board of Accreditation (NBA), a unit of All India Council for Technical Education (AICTE). Such Accreditation is awarded only to select Institutions based on Academic Audit of quality. In recognition of its excellent performance, LIMAT was upgraded to Lingaya's Vidyapeeth with the approval of MHRD, Govt of India, under Section 3 of UGC Act 1956. Lingaya's Vidyapeeth has been accredited by NAAC. Its singular objective and mission is to facilitate and promote studies and research with a focus on Professional Higher Education in Engineering, Technology, Architecture, Management, Law, Pharmacy, Computer Applications, Sciences, Humanities and Social Sciences, Medical, Paramedical Sciences, Education, Mass Communication, Agriculture and other emerging areas to achieve excellence and also to meet the emerging Global and Industrial needs of Society and the Nation.

Lingaya's Vidyapeeth is located within the National Capital Region (NCR) Delhi. It has a sprawling campus situated in the green pastures and pollution free sylvan surroundings. The Vidyapeeth is equipped with Academic blocks, Air-conditioned Library, Workshops, Laboratories, Auditorium, Student Activity Centre, Play Grounds, Gymnasium, Hostels and other amenities along with ATM, canteen and 24*7 medical facility. The campus has a total built up area of over 1.2 million square feet.

With an ideal student faculty ratio, the Vidyapeeth strives for academic excellence through personalized attention. A unique mechanism is established to support and monitor the progress of students and assure success and satisfaction. The Vidyapeeth moulds its students in such a way that their endeavors and interests transcend limited boundaries. We ensure that they do not seek to maintain status quo nor settle for observing change; they rather become powerful instruments of change using their dynamic verve to contribute to the world around

The Vidyapeeth has academic collaboration with National & International organisations/university of reput like University of Gloucestershire, L&T & inurture etc.

INTERNATIONAL ACADEMIC COLLABORATIONS & AWARDS

Lingaya's Vidyapeeth has signed several International and National institutes that focus on student/faculty exchange and better experiential learning.
Just to name a few:-
Memorandum of Understanding (MOU) signed with City of Glasgow College wherein there would be exchange of credits of new programmes & courses.
There is a collaboration between Kensley College & Lingaya's Vidyapeeth to start new programmes & courses including visits by faculty, students and researchers to each other's organization, for initiating and implementing joint projects on mutually agreed terms.

Lingaya's Vidyapeeth has also signed a Memorandum of Understanding with EduSkills that offers digital content and courses of eight global academic programs to our students. It is also committed to offering talent connect programs and internship programs for students.
The following activities, in particular would been couraged to promote International academic cooperation:
Exchange of materials in education and research, publications, and academic information.
Student exchange.
Joint research and meetings for education and research.
Creation/marketing of electronic instruction media, including credit and non-credit courses.
Technical assistance.

Lingaya's Vidyapeeth in collaboration with various International Universities Twinning Programs gives its students the benefit of obtaining an International degree with enhanced confidence and quality. The programs offered under the "Twinning Program" scheme, enables the students to complete half of the residency program at Lingaya's Vidyapeeth (India) and the remaining half in other partner universities. (Abroad)

In it's endeavor to provide global exposure to its students, Lingaya's Vidyapeeth has signed Memorandum of Understanding with the Webster University (Bangkok), Graduate Institute of Science and Management (Srilanka), Veronezh State Technical University (Russia) and Escuela Superior DC (Spain).

Lingaya's Vidyapeeth & L&T EduTech Tie up for Placement Preparatory and Value Added Courses

"All of us do not have equal talent. Yet all of us have an equal opportunity to develop our talents"- By Ratan Tata

Introduction of the Programme :-

A degree from a prestigious university is no longer sufficient to land a job in today's competitive market. Companies anticipate graduates to have learnt extra information and skills in addition to their academic credentials. Lingaya's Vidyapeeth has partnered with L&T EduTech industry specialists to offer placement-preparatory and value-added courses in an effort to close this gap as mentioned by National Education Policy 2020 i.e 40% of learning should be delivered by Industry Experts.

Overview of the Programme :-

Students will have access to placement-preparatory and value-added courses through the academic partnership, which will improve their academic credentials and increase their employability.

"Good companies will meet needs; great companies will create markets"
by Phillip Kotler

Why industry oriented course is important?

The industry-academic partnership for value-added and placement-preparatory courses will be advantageous for both the institution and the students for :-

- Enhancing Employability
- Making informed career choices
- Broadening Knowledge
- Developing new skills and Networking
- Placement Opportunities

Key Program Highlights

The placement preparatory and value-added courses offered through the academic tie-up will cover a variety of subjects. Some of the courses offered include:

A) Industry-Specific Knowledge – 45 hours (8500/-)

- Finance for professionals
- Project Management

B) Soft Skill Programme – 15 hours (4500/-)

- Business Communication: Communication Skills, Business writing, Presentation Skills
- Personality Development : Teamwork, Leadership, Time Management, and Emotional Intelligence.
- Placement Preparatory: Critical Thinking, Interview Skills

Mode of Delivery:-

- Hybrid delivery method

Students will have access to self-paced interactive video lectures, industry case studies, expert sessions, industry-specific project assignments, and assessments

Lingaya's Vidyapeeth follows a pragmatic and focussed approach regarding Research, Development and Innovation.

The world is currently in the midst of knowledge economy. Today, knowledge is of primary importance in contrast to natural resources, physical capital and labour force in creating tangible and intangible value to the society.

Knowledge workers require unique problem solving approaches with a combination of convergent, divergent and creative thinking. Knowledge workers with their education and background earn their living by thinking and exploring new ideas.

In a knowledge economy, Research, Development and Innovation (RD&I) are very important components in creating intellectual wealth that will ensure high growth. This is more so in the present day environment where new and innovative products and solutions are introduced in the market every day replacing the earlier products quickly. One striking example being the use of the mobile phones. In order to succeed, the major requirement is of knowledge - workers with innovative skills and a conductive environment when they can work for better productivity. It is our role and responsibility to appropriately impart skills with high knowledge component and innovative skills to meet and overcome challenges of knowledge economy.

R&D Cell

To provide adequate attention to R&D and Innovation, the R&D and Innovation Cell has been established by the Lingaya's Vidyapeeth. The Cell is involved in identifying various components regarding implementation of plans including:

1) faculty and student Ph.D enrolments 2) taking up R&D and innovation projects with problem solving approach for both local and global problems and issues and guiding the faculty in preparation of the project proposal 3)participation of both graduate and post - graduate students in the R&D activities, 4) orienting the course curricula with the R&D experience 5) collaboration with industry 6) Collaboration with other universities and institutions, 7) multi disciplinary research, 8) publications and patents/copyrights, 9) entrepreneurship development and incubation, 10) organizing and participating in workshops & conferences, 11) organizing expert lectures etc. The Vidyapeeth has constituted the following bodies:

1. Board of Research, Innovation, Consultancy and Entrepreneurship (RICE).

   The functions of the Board are as follows:

   - To promote the RICE activities involving students, faculties and industries;

   - To bring the culture of research and innovation in students right from undergraduates to Ph.D scholars including faculty;

   - To identify and recommend thrust areas of research and innovation;

   - To develop policies and procedures for Research, Innovation, Consultancy and Entrepreneurship such as:

     ° Development of Research proposals
     ° Development of Innovation Hubs/Clubs
     ° Recommendation for Consultancy activities
     ° Development/Recommendation for Entrepreneurship policy and activities, and
     ° IPR /Patents-promotions; and

   - To develop and recommend awards/ rewards mechanism for various achievements in Research, Innovation, Consultancy and Entrepreneurship.

2. Lingaya's Innovation, Incubation Entrepreneurship & Start-ups (LIESC) :

   The functions of LIESC are as follows:

   - To enhance the culture of Creativity, Innovation & Entrepreneurship amongst Lingaya's fraternity;

   - To provide necessary support by way of infrastructure, resources, capital in the form of soft loan/equity, capital and necessary access to knowledge usage;

   - To be in consonance with the concept of "Make in India" by creating commercially viable value added products, processes and services; and

   - To provide needed support to cover the complete spectrum of activities from creative ideas for development of products, services or processes and enabling / supportive creation of successful enterprises.

3. Companies or Firms, whose shareholders/ partners or proprietor(s) are from the following categories of persons, are eligible for admission to LCIE:

   - Students and Alumni of Lingaya's Group of Institutions (LGIs);

- The faculty members of LGI including ex faculty members (as per rules of LGIs);
- Individuals partnering with faculty members/ students or alumni of LGIs;
- R&D partners of LGIs (Sponsors of R&D and consultancy projects); and
- Government Agencies associated with research & innovations of LGIs.

4. Each school / department has its Research Advisory Committee that has members from other premier institutions & the function of RAC would be to brainstorm and identify areas and projects for research in the Schools / Departments of the Vidyapeeth.

5. It is strengthened with the participation of external experts from both academic & industry and from premier institutions like NIT, IITM Central Universities etc. The function of Research Policy and Advisory Committee would be:
   - to advise, review and strengthen the work of Ph.D scholars, and
   - to enhance the relevance and quality of Ph.D work taken up by Ph.D students of the Vidyapeeth.

In addition, the Vidyapeeth has carried out the following:

1. Consultancy policy has been reviewed and enhanced to facilitate the faculty to take up industrial and other consultancy activities.

2. The Vidyapeeth faculty and students have undertaken consultancy projects in areas including Computational Fluid Dynamics, Image Processing & Pattern Recognition etc.

3. Ph.D regulations have been reviewed and revised in accordance with the UGC norms and guidelines.

4. Activities on student innovation have been enhanced with minor and major projects from third Semester onwards. Workshops and competitions on innovations have been formulated for identification of the procedures for execution and monitoring of the projects.

Research Areas

The R & D and Innovation cell helps faculty and students to pursue their interest in basic and applied research in Engineering and Technology, Management, Architecture, Humanities & Social Sciences etc. Some of the areas of Research & Development and Innovation of the Vidyapeeth are:

- Art & Design
- Artificial Intelligence
- Automobile Emission Control
- Big Data Analysis and Data Mining
- Climate Resilient Infrastructure
- Cloud Computing
- Complex Functions and Applications
- Computational Fluid Dynamics
- Condensed Matter Physics
- Digital Signal Processing
- Embedded Systems
- Energy Research
- English Language and Literature
- English Literature and Social Growth
- Behaviours studies & Human Psychology

- Enhancement of English Learning in Rural Schools
- E-Security / Cyber Security
- Human – Computer Interface
- ICT in Agriculture
- Image Processing
- Industrial Waste Treatment
- Integrated Villages in Urban Setting
- Internet of Things
- Material Research
- Micro Strip Antennas
- Organic Polymers and Composite Polymers
- Retailing and Digital Management
- Risk Analysis and Portfolio Management
- Seismic Analysis of Structures
- Structural Engineering
- Sustainable Housing
- Traffic Management
- VLSI
- Water Purification

Ph.D Program

In the Doctoral program of the Vidyapeeth enrolment is done on regular and full time basis. The Vidyapeeth has so far awarded 72 Ph.Ds and 196 students have been enrolled for Ph.D in various disciplines like Business Administration, Computer Sc. Engg, Computer Application, Electronic comm. Engg., Civil Engg., Architecture, English, Information Technology, Education, Mathematics, Electrical and Electronics Engg., Physics, Mechanical Engg. and Clinical Research.

The Vidyapeeth encourages its entire non-Ph.D faculty to register for Ph.D as soon as they join as faculty at the Vidyapeeth and currently about 25 faculty members have registered for Ph.D. in their respective fields.

Interdisciplinary Research

Lingaya's Vidyapeeth has a number of Schools and various engineering and other programs that are currently being run with good opportunities for interdisciplinary research which is essential in this era of convergence of technologies and evolution of new areas for developing professional and practical R&D outputs. R&D Cell is striving to provide a platform for interdisciplinary research activities, in order to promote innovation, creativity and knowledge expansion.

Students Innovations

The innovative projects motivate the students to understand, apply and appreciate the same. They also impart new confidence and professionalism in students. Every department is building up innovation labs with suitable facilities where students in teams can work and develop innovative ideas, technologies and products.

Students Innovation Achievements

- The Team titled "Ballistic" from Lingaya's Vidyapeeth won first position in the Robo War in the "Robo War and Robo Space" competition held in Chandigarh in October 2015

- In SAE, Baja event team reached to the finals for three consecutive years in tough competitions where over 350 reputed institutions participated. In 2012 the team won the first prize of maneuverability event and in the year 2014 it bagged third prize. In this category we used innovation of 4-wheel steer in All-terrain Vehicle to reduce turning radius. Also, catalytic convertor was developed to reduce emissions remarkably, at low cost as "Go green project" of SAE-Baja.

- The Under graduate students have participated very actively and enthusiastically in the special event titled "Innovation Contribution of Youth Towards Globalization" in April 2015 organized by the Vidyapeeth. The students developed many innovative ideas in the area of "Future of landslide Early Detection System", "wiTricity: an emerging Revolution" for producing wireless electricity, "Energy Efficiencyan Urgent Inevitability" etc.

Industry & Academic Collaboration

Lingaya's Vidyapeeth is committed to bridge the gap between academia and industry. The Vidyapeeth constituted a University Industry Interaction Cell (UICC) which helps the students and faculty members in getting acquainted with the industrial working environment.

The cell provides time bound solution to the problems / improvements / up-gradation / methodology / optimization solution to the industry.

The present Industry association includes
- Campus connect partner of Infosys
- TCS Accreditation
- IBM Centre of Excellence
- Wipro MISSION 10x
- Campus Agreement with Microsoft

Patents & Copyrights

It is the policy of Lingaya's Vidyapeeth to continuously encourage its employees in getting their research work recognized through publications, copyrights and patents. Several Patents have been filed in the area of Electronics, Computer Science, Urban Development, Robotics, Chemistry, Automobiles etc. Some of the patents are:

- Design of Low Cost EEG Based Brain Computer Interface.
- Saksham Catalytic Converter
- Architecture and Design of a Novel Tool for Effective Knowledge representation.

More patents are in pipeline in the areas of Antenna Design, Bio-informatics, Medical Imaging, Medical Instrumentation, Virtual Instrumentation etc.

Start-Ups

Start-Ups in India are the easiest growing engine. Lingaya's Vidyapeeth has already initiated the involvement of it's students here.

Lingaya's Vidyapeeth has come out with an encouraging policy on start-ups for its faculty & staffs, on roll students, Alumni, outsiders and industry persons. Lingaya's Vidyapeeth has started an exclusive cell to facilitate such start-ups. Lingaya's Vidyapeeth shall be providing the necessary infrastructure and Technical Support, including financial support in the form ot shareholding.

"Start small, dream big, and never give up! "Becoming your own boss can be a challenging but rewarding experience. By taking these steps and developing a solid plan, you can start your own business and take control of your career. Innovation and entrepreneurship are critical drivers of economic growth and prosperity. As a result, universities have a critical role to play in fostering a culture of innovation and entrepreneurship. This policy outlines the framework and supports mechanisms that will be provided to students and staff at the university to encourage and support entrepreneurship and innovation.

Policy Statement:

The Vidyapeeth is committed to providing a supportive and inclusive environment that encourages and facilitates innovation and entrepreneurship among its students and staff. The policy aims to:

Foster a culture of innovation and entrepreneurship among students and staff by providing a supportive environment that encourages creativity, risk-taking, and collaboration.

Encourage students and staff to develop innovative and entrepreneurial ideas and turn these ideas into successful ventures.

Provide a range of resources and support mechanisms to help students and staff start and grow their businesses.

Create opportunities for students and staff to network and collaborate with each other, as well as with external partners, including investors, mentors, and other entrepreneurs.

Develop and implement programs that promote innovation and entrepreneurship across all faculties and disciplines.

Support Mechanisms:

To achieve the above policy objectives, the Vidyapeeth will provide the following support mechanisms to its students and staff:

Access to Business Incubators: The Vidyapeeth will provide access to business incubators that will support students and staff in developing their entrepreneurial ventures. The incubators will provide space, equipment, and resources, as well as mentorship and coaching to help entrepreneurs turn their ideas into successful businesses.

Access to Seed Funding: The Vidyapeeth will provide seed funding to students and staff who have innovative and entrepreneurial ideas. This funding will be available to cover the initial costs of starting a business, such as prototyping, product development, and market research.

Entrepreneurship Training and Workshops: The Vidyapeeth will provide training and workshops on entrepreneurship, innovation, and business management. These programs will be designed to help students and staff develop the skills and knowledge needed to start and run a successful business.

Networking and Collaboration Opportunities: The Vidyapeeth will facilitate networking and collaboration opportunities for students and staff with entrepreneurs, investors, and other key stakeholders in the innovation and entrepreneurship ecosystem. These opportunities will be provided through events, workshops, and online platforms.

Intellectual Property Support: The Vidyapeeth will provide support to students and staff in protecting their intellectual property. This support will include advice on patenting and trademarking, as well as assistance with licensing agreements and other legal issues.

Marketing and Communications Support: The Vidyapeeth will provide support to students and staff in marketing and communications. This support will include assistance with branding, public relations, and social media.

Infra support:

Implementation:

The implementation of this policy will be the responsibility of the Vidyapeeth's Innovation and Entrepreneurship Office, which will work closely with faculties, departments, and other key stakeholders to ensure that the policy objectives are met. The office will also monitor and evaluate the effectiveness of the support mechanisms and programs provided to students and staff and make recommendations for improvements where necessary.

Conclusion:

The Vidyapeeth's commitment to fostering a culture of innovation and entrepreneurship among its students and staff is an important step toward promoting economic growth and prosperity. By providing a supportive and inclusive environment and a range of support mechanisms, the Vidyapeeth aims to encourage and facilitate the development of innovative and entrepreneurial ideas into successful ventures.

COMPUTING FACILITY

CENTRAL LIBRARY

Lingaya's Vidyapeeth has the finest computer lab facility, which provides a work-oriented open environment that meets industry standards. The entire campus area is connected with an excellent Wi-Fi and internet connection with 24x7 access and IT support.

It has advanced IT facilities with adequate systems loaded with licensed Operating Systems(including Windows-10 & Windows 7), Open source OS (Ubuntu and other Linux distros) and Software Packages. The network infrastructure comprises of HP/Dell Servers, CISCO / Linksys / D-link / TP-link switches and routers. The power infrastructure is supported with heavy duty UPS for all systems to avoid data loss. Lingaya's Vidyapeeth is equipped with the latest multimedia facilities, like interactive smart boards, multimedia LCD projectors, overhead projectors, scanners, laser printers, digital cameras etc. The computer labs are equipped with i7/i5/i3/iMac computers with the latest softwares.

For better integration within the institute, we have implemented cloud-based ERP software that covers various functionality of the Institute like LMS module, OBE/COE module, Students Module, Inventory Module, Library Module, HR Module & Payroll Systems etc.

Lingaya's Vidyapeeth has academic alliance agreement with IT companies like Eduskills for certifications in emerging technologies, to access all the latest operating systems and application softwares like Windows and Microsoft Office upgrades; Microsoft Team for online and blended mode of teaching and learning, Core CAL Suite that includes Windows Server. Microsoft Share Point Server Standard CAL, Office Pro Plus, Visual Studio, Microsoft Essential (Antivirus). Lingaya's Vidyapeeth has Autodesk Education access to licensed Autodesk Products. Additional latest softwares include Orell Language Lab, Mathworks MATLAB, & CorelDraw and other licensed and open source softwares. A Google workspace account is issued to every student and staff for email and cloud storage solutions with high speed internet connectivity through 1GBPS RF link. This facility is backed by 100 KVA online UPS systems.

The Central Library at Lingaya's Vidyapeeth is the nerve center of the entire campus catering to the needs of the staff and students in adequate measure. The library contributes to the Vidyapeeth's mission of becoming world class university. It has a rich collection of around 94, 654 books on various disciplines. The Library subscribes to over 55 print journals and magazines (National and International).

The Library also subscribes to online journals/databases like. IEEE, DELNET, British Council, National Digital Library etc. providing access to over 17 lac documents to all the schools of Engineering the Library also has membership of NISCAIR which allows access to resource sharing facilities through on line as well as hardcopy of the same. The Library has been provided with OPAC (On-Line public access catalogue) facility which provides information about the library reading material. The library with equipped with adequate computer systems to facilitate the use of E-learning materials by sudents.

Constant addition of titles and volumes in all the fields of Engineering, Architecture, Pharmacy, Law, Management, Applied Science, Agriculture and Humanities is a regular feature. The Multi-media section is equipped with state-of-the-art computer system, DVD, Wifi , Students Project Report , Thesis and over 1800 educational and information CDs. The Library has reprographic facilities and attracts an average of over 500 students per day to use the facility. The entire library is automated to make searching, issuing and retuning of books, easier. The Library is kept open from 9.00 Am to 4.30. Besides the central Library, Each school has its

ACADEMIC PROGRAMS & ELIGIBILITY

SCHOOL OF COMPUTER ENGINEERING & APPLICATIONS

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Computer Science Engg. (CSE)	180	4 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam from a recognised board including Physics, Mathematics and either Chemistry or Computer science subjects (PCM) combined
Computer Science Engg. (CSE) Lateral	12	3 Yrs.	10 + 3 Diploma with atleast 50% marks from a recognised board in the respective fields of Computer Engineering. BCA/B.Sc (CS) is eligible for B.Tech (CSE). B.Sc with Mathematics as one of the subjects is required for admission.
Bachelor of Computer Application (BCA)	180	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam including compulsory English with Mathematics / Statistics / Computer Science as one of the subjects from a recognised board.
Master of Computer Application MCA	60	2 Yrs.	Candidates should have passed with a minimum of 55% marks or equivalent in B.C.A./ B.Sc. /B.Com. /B.A. Degree including Compulsory English with Mathematics / Statistics / Computer Science as one of the subjects from a recognised University

SCHOOL OF ENGINEERING AND TECHNOLOGY

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Technology Electronics & Comm. Engg. (ECE) Mechanical Engineering (ME) Mechanical & Automobile Engg. (MAE) Civil Engineering (CE)	360	4 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam from a recognised board including Physics, Mathematics and either Chemistry or Computer science subjects (PCM) combined
Bachelor of Technology LEET (ECE, ME, MAE, CE)	48	3 Yrs.	10 + 3 Diploma with atleast 50% marks from a recognised board in the respective fields of Engineering & Technology. B.Sc with Mathematics as one of the subjects is required for admission in any stream.

SCHOOL OF PHARMACEUTICAL SCIENCES

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Diploma in Pharmacy (D.Pharma)	60	2 Yrs.	Candidates should have passed 10+2 Exam with a minimum of 55% marks or equivalent from a recognised board including Physics, Chemistry and English with Mathematics or Biology as a subject from a recognised board.
Bachelor of Pharmacy (B.Pharma)	100	4 Yrs.	Candidates should have passed 10+2 Exam with a minimum of 50% marks or equivalent including Physics, Chemistry, and English with Mathematics or Biology as a subject from a recognised board.
Bachelor-Lateral in Pharmacy	10	3 Yrs.	Candidates should have passed Diploma in Pharmacy with a minimum of 50% marks or equivalent from a recognised board.
Master of Pharmacy	15	2 Yrs.	Candidates should have passed Bachelor in Pharmacy with a minimum of 50% marks or equivalent from a recognised board.

SCHOOL OF AGRICULTURE

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Science Agriculture (Hons.)	60	4 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent in PCM/PCB/Agriculture from a recognised board.

SCHOOL OF ARCHITECTURE & PLANNING

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Architecture (B.Arch.)	20	5 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam with PCM. Candidates should have passed with a minimum of 50% marks in Polytechnic Diploma (Architecture Assistantship) and NATA or JEE paper 2 Exam.

SCHOOL OF LAW

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Legislative Law (LL.B)	120	3 Yrs.	Candidates should have passed with a minimum of 50% marks or Bachelor's degree from board needs to be confirmed from Law Department.
BA LL.B	60	5 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
BBA LL.B	60	5 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
LL.M (20 Seats Per Specialization-Criminal Law/ Corporate Law / Constitutional Law)	60	1 Yr.	Candidates should have passed with a minimum of 50% marks or equivalent in LLB.

SCHOOL OF BASIC & APPLIED SCIENCE

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Science (B.Sc) (Physics, Chemistry & Mathematics Hons.)	60, 60, 60	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent with Mathematics and relevant subjects from a recognised board.
Master of Science (M.Sc) (Physics,Chemistry & Mathematics)	26, 26, 26	2 Yrs.	Candidates should have passed B.Sc. with a minimum of 55% marks in relevant subjects from a recognised board.

SCHOOL OF COMMERCE & MANAGEMENT

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Business Administration (BBA)	120	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Bachelor of Commerce (Hons.)	120	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
BBA-MBA (BMI)	60	4.5 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Business Administration (MBA)	120	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree from a recognised board.
MBA (Executive)		1 Yr.	Candidates should have passed with a minimum of 55% marks or equivalent in Under Graduate degree from a recognised board.
MBA (Foreign Students)	20	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree with English as one of the subjects at 10+2 or higher level from a recognised board.
Certificate Course in Digital Marketing	30	6 Months	Candidates should have passed with a minimum of 50% marks or equivalent atleast in 10th from a recognised board.

SCHOOL OF HUMANITIES & SOCIAL SCIENCES

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Arts (B.A. English Hons.)	60	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Arts (M.A. English)	20	2 Yrs.	Candidates should have passed with a minimum of 55% marks or equivalent in Under Graduate degree in English as one of the subjects.
Bachelor of Arts (B.A. Psychology Hons.)	60	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
BA Pass Programme	60	3 Yrs.	Candidates should have passed 10+2 or equivalent exam with a minimum 55% marks from a recognised board or a Diploma of Polytechnic in any branch. Interview= 50% 10+2=50%
Bachelor of Journalism & Mass Comm. (BJMC)	60	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Journalism and Mass Comm. (MJMC)	18	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in BJMC or equivalent in Under Graduate degree.
PG Diploma in Guidance Counselling	60	1 Yr.	Candidates should have passed with a minimum of 50% marks or equivalent in undergraduate degree from a recognised board (Basic knowledge of Psychology will be an added advantage). Candidates not having 50% marks in undergraduate level but having any 1 year diploma after graduation with a minimum of 50% marks or postgraduate degree will also be applicable.
Child Development & Counselling	40	6 months	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.

SCHOOL OF EDUCATION

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Education (B.Ed)	100	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree from a recognised board.
Master of Education (M.Ed)	50	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in B.Ed or any other degree as per NCTE Norms.

PG COURSES IN ENGG. AND Ph.D. ALL FIELDS)

NAME OF THE PROGRAM	Duration	Eligibility
M.Tech (CSE, ECE, ME & CE)	2 Yrs.	Candidates should have passed graduation with minimum of 50% marks or equivalent in the related/allied field.
Ph.D. (CSE, ECE, ME & CE)	3 Yrs.	Candidates should have passed with minimum of 55% marks and equivalent in M.E/M.TECH with 50% marks in Lingaya's Entrance Test (LET) OR GATE score will be prefered
Ph.D. in Pharmacy	3 Yrs.	Candidates should have passed with a minimum of 55% marks or equivalent in PG. Candidates should have passed with a minimum 50% in Lingaya's Entrance Test (LET). NET/ JRF score will be prefered or the candidate should have passed M.Phil in the related fields.
Ph.D. in Management	3 Yrs.	
Ph.D. in English	3 Yrs.	
Ph.D. in Psychology	3 Yrs.	
Ph.D. in Commerce	3 Yrs.	
Ph.D. in Physics	3 Yrs.	
Ph.D. in Chemistry	3 Yrs.	
Ph.D. in Mathematics	3 Yrs.

CENTRE FOR CAREER COUNSELLING, PLACEMENT & GUIDANCE

Counseling, career guidance and placement activities are not only the USP but also the crowning glory of Lingaya's Vidyapeeth. Recognizing the complexity of the career-planning process and the myriad of options available to students, the centre conducts professional development programs to enable them to pursue their desired career path to achieve their goals.

Awareness is generated about the industry and career among the students by organizing industrial visits, informal and formal discussions, workshop, guest lectures, summer / winter training and 6 month internships.

Professional Development Programs help in:

i) Developing verbal and non-verbal communication;

ii) Enhancing public speaking skills;

iii) Imparting personality development through in-house and external expert faculty;

iv) Providing career guidance;

v) Holistic development of students

vi) Administering aptitude and psychometric tests;

vii) Conducting group discussions and mock interview practice sessions;

viii) Organizing entrepreneurship promotion programs;

ix) Arranging for GRE, GAT, CAT & GATE in a simulated environment; and

x) Bridgeing the gap between academia and industry through various technical bridge courses that are organised frequently.

Six Months Internship / On The Job Training

The Vidyapeeth has a unique feature of Six months Industry Internship for final year B.Tech students in the last semester. The Centre identifies the relevant industries for the internship, places the students and chalks out a comprehensive plan to monitor and continuously evaluate the progress of each student. The student work with both the faculty members and the industry personnel with whom they are attached. This arrangement helps a large number of students to secure final placement during internship itself.

Corporate Tie-ups

Lingaya's Vidyapeeth has a well-defined paradigm for placements that guides the career - dreams of its students into well-deserved career slots in the industry.

We strive to provide 100% placement assistance to all our students. The placement committee coordinates and liaisons between the employers and the students, to collaborate with each other's requirements from day one. For this, a separate team under IIDC (Industry Interaction Development Centre) is working to achieve student's professional goals.

Incubation Centre for Entrepreneurs

Lingaya's Vidyapeeth has set up a Virtual Incubation Centre in association with the Institute for Industrial Development for all those students who are looking for career opportunities as an entrepreneur. This Industry- academic partnership will help students in enrolling themselves for Entrepreneurship Development Program offered by the IID in collaboration with the Ministry of MSME, Govt. of India.

Some of our Major Recruiters are:

• AON Hewitt	• Maruti
• Collabera	• Olympus
• DLF	• Religare
• Eicher Engines	• Syntel
• ETA	• TCS
• Genpact	• UT Pumps
• Global Logic	• AKS IT
• Hughes	• Nirvana
• HUWAEI	• OPTIMOUS
• IDBI	• VENTINO
• Indian Oil	• Cognizant
• Indian Army	• Elimer International
• Indian Navy	• Elite Engineers
• YAMAHA	• Franchise India Holdings Ltd.
• JBM	• CSC
• JCB	• ICICI Bank (NIIT)
• Kotak Bank	• MS Matrix PVT. LTD.
• Maharani Paints	• Saarthak Vanijya

LINGAYA'S
SOCIAL INITATIVES

LINGAYA'S is just not a name to reckon in the field of delivering technical education or educating masses, but it has been always actively helping and aiding the people in creating awareness, about the government policies and to the society at large. Lingaya's firmly believe in developing a strong ethical society and is committed to add economic & social value, with the help of technically sound youth, as its contribution towards nation.

"WE PROSPER BY HELPING SOCIETY TO PROSPER"

Few of the activities which can be enumerated are as under :

PLANTATION DRIVE

LEGAL AID CAMP

As a part of our social initiatives, Lingaya's keeps educating its students and masses, that it should be our collective & individual approach to preserve, safeguard the environment in which we all live. The major problems being faced by us all, is the difference between the way nature exists and the way people think & perceive it.

LEGAL AWARNESS CAMP

DISTRIBUTING CORONA MEDICAL KITS

CAMPUS LIFE

Hostels

The Vidyapeeth has excellent air-conditioned / non air-conditioned on campus hostel facility for boys and girls with comfortable boarding and lodging. The hostel is well equipped with facilities for the students such as Plasma TV (with Dish Connection), guest rooms, common rooms, sick bay and washrooms with running hot water, 24 hrs power backup, gymnasium, library and Internet facility through Wi-Fi etc. Each room is equipped with furniture set for every student. A small and beautiful swimming pool is in place at the boys hostel.

Cafeteria

Air-cooled cafeterias cater to the needs of the students, staff and visitors, which endeavor to provide a variety of hygienic and nourishing food. Besides the cafeterias, there are fast food vegetarian / non-vegetarian joints, Juice corners and a Nestle Counter.

ATM Facility

For the convenience of staff and students, on Campus, ATM facility is available.

Transport

The Vidyapeeth provides regular air conditioned transport facility to its students, faculty and staff. This facility is available from the major locations in NCR including Faridabad.

Medical Care

A fully qualified Medical Officer is available in the Campus assisted by nursing attendants (male and female) to take care of sick students. The staff and students can avail free consultation and medicine. The Vidyapeeth has a well equipped ambulance for any emergency.

Shopping Centre

There is a shopping centre to cater to the day to day needs of the hostellers as well as day scholars.

Auditorium

The Vidyapeeth has a centrally Air-conditioned auditorium with a large seating capacity. The Auditorium is equipped with the latest sound and light system.

Sports and Co-curricular Activities

The Vidyapeeth believes that mere satisfactory completion of the prescribed curriculum is not sufficient to face the modern world of work for which

a student has to be properly equipped with communication and entrepreneurial skills. The Vidyapeeth provides ample facilities for outdoor and indoor games. Sports meet is held every year. Lingaya's Vidyapeeth is known for its Cultural Festival 'Zest'. The students eagerly look forward to participate in this two to three days Mega Cultural Festival which is normally held in the third week of October every year. This cultural festival is organized by the students under the supervision of faculty members. The Vidyapeeth also has Robotics, Electronics, Theater, Music and Photography Clubs, where students can pursue their favorite hobbies, during their free time. These Clubs elicit the unlimited hidden talents of the students.

Seminar Halls

The Vidyapeeth has Air-Conditioned Seminar Halls, equipped with latest LCD projection and sound systems, for conducting guest lectures, paper presentation, seminars etc.

National Service Scheme (NSS)

The Vidyapeeth NSS Unit organizes blood donation camp every year. Special camps are also organized in neighboring villages, where the volunteers educate the villagers on health care, hygiene, education and many other social problems.

Alumni Association

Alumni Association has completed more than eight years of active functioning. Every year, the Alumni Meet is organized, where the students interact with the alumni and come to know about the requirements and developments of the professional world.

STUDENT'S LIFE

Lingaya's Lalita Devi Institute of Management and Sci., Delhi

Recognised by Govt. of NCT of Delhi and affiliated to Guru Gobind Singh Indraprastha University. Affiliated to SCERT and recognised by NCTE, Jaipur.

Accredited by NAAC with 'A' Grade

Lingaya's Lalita Devi Institute of Management and Sciences established in 2005 is located at Mandi Hills in a very clean and green environment in the lap of Aravali Hills. This makes the institute free from the hustle bustle of the city and also provides a pollution free environment for studies. The aim of the Institute is to match its performance standards with the premier professional Institutes in the country. The best facilities and environment are provided to the students for their overall development.

Courses offered:

- Bachelor of Business Administration (BBA)
- Bachelor of Journalism and Mass Comm. (BJMC)
- Bachelor of Commerce (Hons.)
- Bachelor of Education (B.Ed.)
- Early Childhood Care Education (ECCE)
