# WELCOME NOTE

## CHAIRMAN

Dear Students,

Welcome to NIU, it is the start of a new and crucial step in your life and career ahead. I wish you all the best and through your years with Noida International University, we hope that you put your best foot forward from this moment on. "Live life to the fullest, take in every moment, and grow from every fault & fear you may encounter. Don't worry about the battles; victory lies with those who win the war!"

*Devesh K Singh*

**Dr. Devesh Kumar Singh**

Chairman,  
Noida International University

# WELCOME NOTE

## CHANCELLOR

Dear Students, Parents and Guardians, Welcome to Noida International University, Delhi/NCR's largest private university in terms of campus area. Over the years, Noida International University has established a distinct name for itself in the education landscape. Here, we customize the syllabus, pedagogy and overall academics for your personal intellectual and overall evolution as a person, who is not just market ready but a true valuable asset of the nation.

*V. Singh*

**Dr. Vikram Singh**

Chancellor,  
Noida International University

# WELCOME NOTE

## VICE CHANCELLOR

With our country's fast-paced advancement in the education sector, the need for such institutions has increased that can not only provide students with education relevant to the current industry norms but also produce skilled leaders capable of shaping society. Keeping in mind the ever-changing requirement of the education sector, Noida International University was established a decade ago. The vision behind setting up this grandeur institution was to bridge the gap between academia and industry requirements. The emphasis of the University is on personality development, innovation and creativity, and focus on eradicating long-standing issues related to gender, race, culture, etc. University is the knowledge server focuses on dissemination of knowledge, academics, research, innovation for the creation of intellectual ability, Continuing Medical Education and management development programmes. To establish itself as one of the top Universities on a global scale, NIU has opened its door to international students and also launched various student exchange programmes to help students visit international institutes of repute and gain the desired knowledge. NIU is focusing on National Education Policy on five pillars affordability, accessibility, quality, equity and accountability to ensure continual learning. I welcome you all to be a part of NIU for a bright future to emerge as a good human being along with a skilled professional.

*Uma Bhardwaj*

**Prof (Dr.) Uma Bhardwaj**

Vice Chancellor,  
Noida International University

# OVERVIEW

Established in 2010 with a motive to transform the educational landscape of India and focus on eradicating long-standing issues related to gender, race, culture, etc., Noida International University or popularly known as NIU Greater Noida has got its name inscribed in the exclusive list of universities offering world-class education not only to the Indian nationals, but students from over 30 different countries striving to avail quality education. The University was found under the aegis of Maruti Educational Trust.

At NIU, we believe in creating leaders by imparting the requisite knowledge and expertise to shape the 21st century. To do that, we invest in state-of-the-art tools necessary for successful and useful innovations in the most conducive environment. For example, we create an atmosphere of entrepreneurship and risk management that allows our students to be globally competitive.

# WE BELIEVE

# VISION

Our vision is, "To be recognised as a global educational institution disseminating latest trends of knowledge through cutting-edge technologies and dologies, thereby producing excellent human resource and intellectually stimulating environment for young scholars and academicians".

- To empower the nation by providing quality education.
- To increase our international enrolment and partnership outreach.
- To imbibe the latest technologies and innovative teaching methodologies.

# HOSPITAL & MEDICAL COLLEGE

“WHERE  
HEALING, TEACHING,  
AND DISCOVERY  
WORKS TOGETHER”

## ABOUT NOIDA INTERNATIONAL INSTITUTE OF MEDICAL SCIENCES

NIU has been a strong advocate of uplifting the medical infrastructure in the country and to prove its commitment towards providing affordable healthcare facilities to the masses, Noida International Institute of Medical Sciences was set up as a part of NIU. The University also offers a variety of Allied Health courses to produce skilled medical professionals who can help elevate the quality of healthcare services provided globally.

## PROGRAMME OFFERED

### Medical (MBBS)

Work hard to make it happen. What you learn today will save someone's life tomorrow.

Bachelor of Medicine and Bachelor of Surgery (MBBS), is a professional medical degree for those who dream of becoming a certified medical practitioner. MBBS syllabus includes study of a range of specialties that include anatomy, pathology, physical health & rehabilitation, paediatrics, surgery and much more. An MBBS degree holder can choose a specialty for practising medicine by further studying a specific subject in majors. Career specialties of MBBS students can include Cardiology, Gynecology, Organ Transplant, general surgery, etc.

Doctors can work at various employment areas that include polyclinics, hospitals, health centres and nursing homes. MBBS degree holders can also work at medical colleges, research institutes, non-profit organisations, pharmaceutical and biotechnology companies, and can also proceed towards starting private practice.

\*Letter of permission granted by National Medical Commission (NMC) to NIIMS for 150 MBBS seats for academic session 2020-21 and First Renewal for academic session 2021-2022.

### Nursing and Allied Health Sciences

The School of Allied Health Sciences associated with in-campus **350+ bedded NIIMS multispeciality hospital** has been set up to improve the health and wellbeing of masses through exemplary and culturally sensitive teaching, and innovative research. It envisages to produce a diverse, interprofessional skilled workforce of health care practitioners, educators, researchers and health care leaders.

### Public Health and Human Development

The School of Public Health and Human Development brings together dedicated experts from various disciplines to educate new generation of global health leaders and produce powerful ideas that improve the lives and health of people globally.
