JIND EDUCATION TRUST

■ JIND INSTITUTE OF ENGINEERING & TECHNOLOGY

■ JIND POLYTECHNIC COLLEGE

■ JIET CONVENT SCHOOL

JIET since its inception in 1998, has been known to bring innovation in the field of education. In the current education environment, JIET has gone out of its way to bring the best practices in the field of education. As a progressive promoter, JIET group has been at the forefront of innovating its course content and pedagogy. With its 'Good to Great' philosophy, JIET programs have helped students' career start from where others want to be.

'Good to Great' philosophy is the cornerstone of our thinking from academics to extra curricular activities and every other aspect important in the growth of each and every student. JIET have been at the forefront of industry institute engagement. Apart from regular lectures, we are the only one, hosting Campus Industrial and Placement Park, where companies are running their offices from within

the campus and hiring our students in cutting edge work. It is not just a degree but complete learning experience with strong mentoring network of top executives from the country.

Jind Institute of Engineering and Technology (JIET), functions under the patronage of Jind Education Trust. It is a self financing institute established in 1998. The institute is committed to the development of professional engineers and managers to face the challenges of the rapidly changing world. The institute is approved by Ministry of HRD, AICTE New Delhi and Govt. of Haryana and affiliated to Kurukshetra University, Kurukshetra. Apart from providing high quality education trust also takes interest in social service and socio-economic development of the region. The campus of JIET is delightfully planned and adorned with impressive buildings, lawns and shaded avenues.

Live Your

DREAM

JJET offers you a wide choice of well-structured and ambitious programmes. At every stage, you are supported by inspirational teaching and supervision, first-class library and IT facilities and a diverse schedule of seminars, workshops and events.

This is my heartily
welcome you in

Chairman

JIET Group of Institutions

JIET

**“ The vision of 1998
has been soaring
excellence and
dedication since then”**

In 1998, perseverance and high goals of founder Shri Anil Kumar Bansal establishes JIND Education Trust Under his dynamic leadership, in a span of over 2 decades, JIET Group of Institutions has become one of the nation's most trusted educational group. These institutions have broadened the horizons of youth and enriched them with their culture of excellence, social service and inclusiveness.

It was in the early 1990s that I was deeply concerned about the regional imbalance in the facilities available for Technical Education. No doubt there were quite a few Engineering Colleges in our state and our students were deprived of the fruits of Technical Education. Jind Education Trust laid the foundation of Jind Institute of Engineering & Technology (JIET) in 1998, Jind Polytechnic College in 2007 (JPC) and JIET

Convent School in 2018.

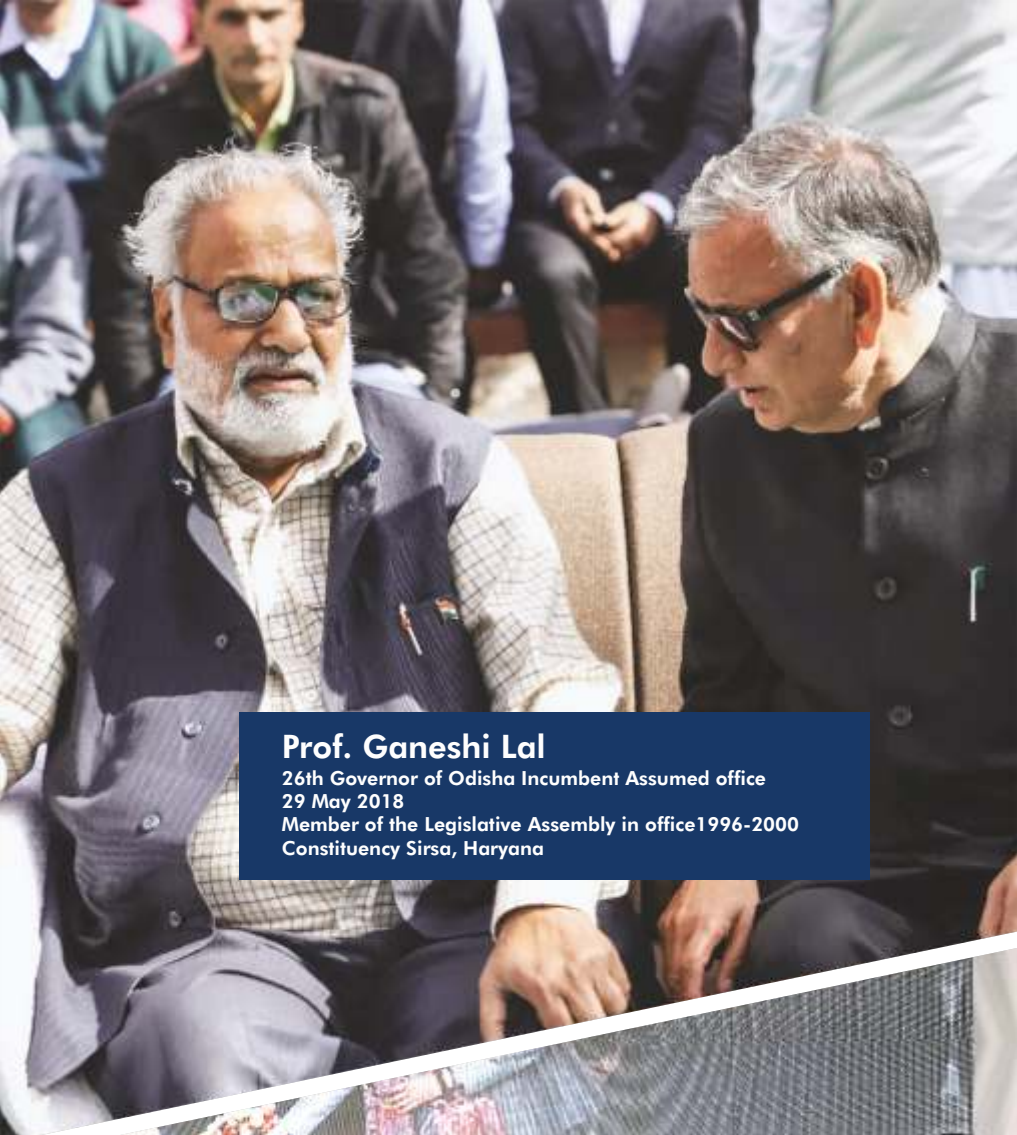

Our Promise is to provide our students the best institute which not only makes them financially independent, but also a dignified and honourable Indian citizen. To provide suitable placement to students college has established a Training & Placement cell, so that, we can fulfil our aim of 100% placement in the corporate world. In this regard, Institute has also signed some MOU's with reputed Corporate Houses. “I am endowing this institution to help young men and-women to prepare themselves for a life of usefulness in this competitive world and to help them to build a foundation of a strong character and responsible citizen & quot; I wish our students the best in their endeavours in every walk of their life.

**THE WORLD
BELONGS HERE**

VISION

To establish our selves as edifice of education where knowledge illuminates the inner soul of every individual & nurtures talents in heralds of wisdom and innovation. To also prepare students with an integrated and technology oriented education for better career opportunity.

We seek to establish ourselves as educators that expands the realms of intelligence and abilities.

MISSION

Is to concur technical education in most advanced and practical purpose and use rebust academic programs and curriculum which brings the best in house placements. Provide future oriented education to every individual by constantly honing technical skills.

Develop infrastructure to deliver learning of global standards, we aspire to provide cutting edge training that creates achievers out of every learner.

GOALS

Jiet has added yet another milestone to achieve by setting all its focus in just creating IMPACT in Students life. We innovate, transform, indeed take outcomes which transcends the educational journey of a student, Jietian. Impact defines the driving force towards excellent educational environment with edge of corporate experience and well defined industrial exposure.

QUALITY POLICY

We have set our goal to be
Happiest Institute
100% Conducive Learning

Productive
Environment

Committed to create trained and highly professional technical graduates, those are also posses positive attitude in building a better nation, rather better world.

DR. S. K. SINGH

Principal

Jind Institute of Engineering & Technology

Dear Students,

Decent education is a passport to a good, comfortable and secured life. It enables youngsters to become contributing members of society through knowledge, skills and character development. To achieve this, the management has provided all Infrastructure facilities required for quality education. The institution has spacious classrooms, fully equipped laboratories, workshops, computer centres and drawing halls. The institute has a placement cell which interacts with leading industries, arranges campus interviews and offers ample job opportunities to the students of all disciplines. 'Besides bestowing engineering knowledge, great emphasis is laid on character building and discipline among the students. Jind Institute of Engineering & Technology is working efficiently to achieve proficiency in technical education.

ASHISH KUMAR
Principal
Jind Polytechnic College

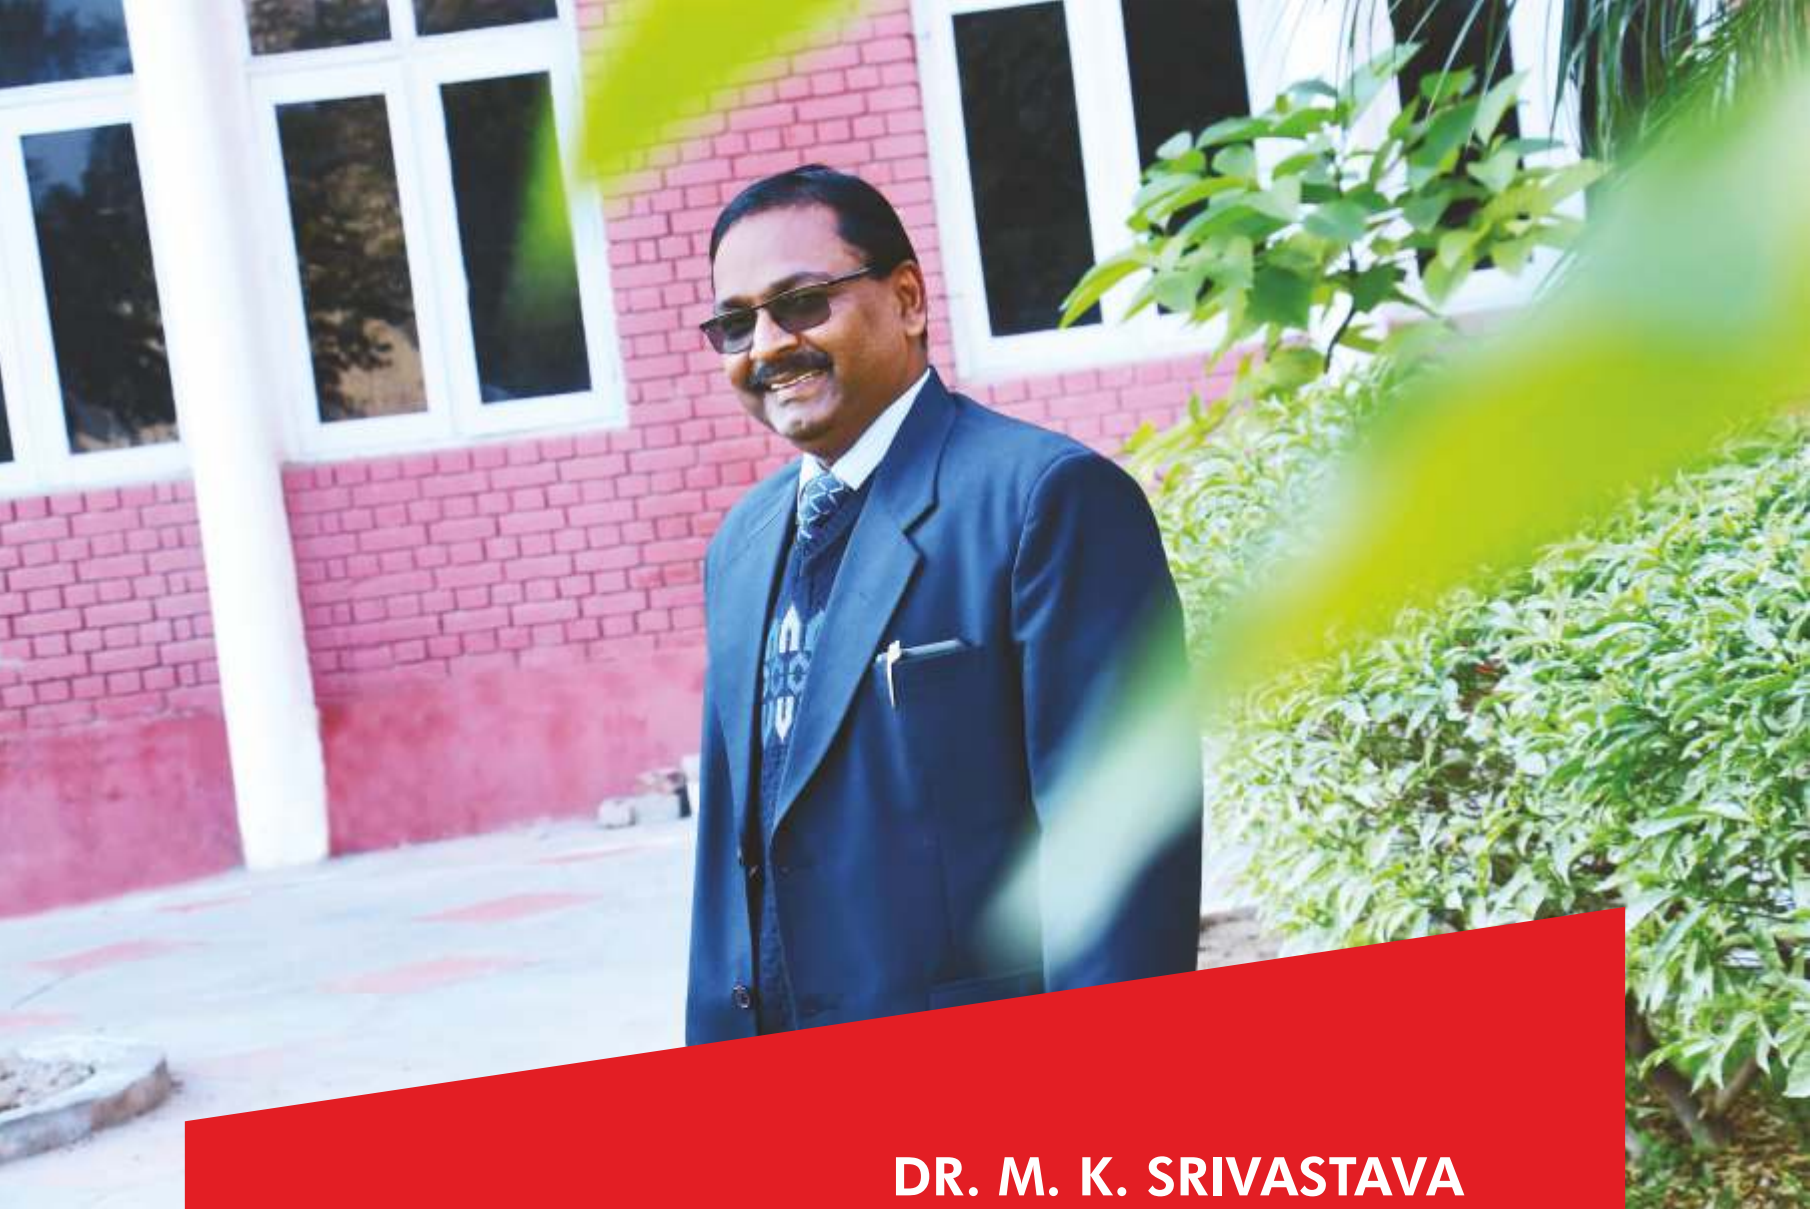

The institute encourages students to organize different activities independently or with the support and guidance of faculty such as - management conventions, business plan competitions, talks by leading professionals, cultural events, sports activities for their holistic development that adds the much needed value by inculcating in them skills - organization, team building, decision making and technical innovations. The institute has close collaboration with the corporate world for mutual benefits such as summer placements to students, introduction of need based new courses and inputs in the curricula, guest speakers, technical workshops and management development programmes to meet manpower development needs of the corporate sector as also intellectual inputs by way of consulting for solving their live problems by young minds and experienced faculty. It has been especially nurturing relationships with the corporate world to extend best of placement opportunities to its graduates.

HARIDARSAN SHARMA
Admission Director

It is very difficult to decide today which course Institution to choose from amongst many options which are available. When you choose a new course and Institute for seeking admission, you are pulling your future prospects of the entire life career in its hand. I welcome you to this Institutions and assure you that you are making a right choice to seek admission here. The infrastructure is spread over an area of 15 acres offering lush green surroundings and conducive academic environment. JIET is truly a research and innovation driven Institution with several research paper published. The campus life is much more intruding and challenging in terms of building your career and here in JIET we ensure you that you will be able to pursue your passion and hobbies in fullest.

Welcome to JIET. Come and conquer the world.

DR. M. K. SRIVASTAVA
Academic Director

We are a values-driven organisation with quality, integrity, innovation, and collaboration at our core. We work with leading edge universities together and our Delivery Partners to provide the best route to college for all JIET students. Together, we create university pathway programmes that are of high quality and prepare our students to succeed in their chosen field of study. JIET has a dedicated pool of intellectual capital by way of its faculty members who have rich and diversified experience of teaching, research and the corporate world. They make learning experience in classroom and outside the classroom enjoyable and memorable. Faculty members are deeply involved in organising seminars, workshops, conferences and management development programs for up-gradation of knowledge and skills of working professionals. It has rich resource base by way of a library having e-resources as also hard copies of a large number of books and journals, management education software, case depository, technology inputs for imparting education and incubation opportunities.

ABHISHEK BANSAL
Director
JIET Group of Institutions

Dear Aspirant,

This is my heartily welcome you in joining India's fastest growing Institution and trusting the vision we have been striving since two decades. we are dedicated in achieving students placement and academic growth with no compromise on overall development of students. Accomplishing social and morally dedicated students transforming young minds of India and abroad in much more stable citizens. Our vision is to transform young buds into glorious flowers by inculcating the seeds of academic and technical proficiency.

We disseminate advanced studying techniques and foster in industrial training in so much perseverance that the career of students are always progressing.

New Initiative by JIET Group of Institutions.

- 1. CSE with cloud computing, Ethical hacking and data analysis
- 2. EE with IOT
- 3. Mechanical with machine design
- 4. Civil with Autocad training

WHY JOIN JIET

JIET offers you a wide choice of well-structured and ambitious programmes. At every stage, you are supported by inspirational teaching and supervision, first-class library and IT facilities and a diverse schedule of seminars, workshops and events.

First Placement Park to achieve highest placements in the campus

Zee News 'Awarded best Institute in North India'

JIET campus presents a spectacular harmony in architecture and natural beauty, incorporating unique topological features , several developmental buildings and administrative block. The lush grin campus provide the perfect ambience and atmosphere for learning.

Reputed professional disciplined work culture for quality education.

Content beyond syllabus for learning latest technological trends.

Effective Teaching- Learning Process.

Digital Library with dedicated server having VODs from NPTEL and a client amount of e-study material.

Continuous Assessment of Students, Regular Teacher- Guardian Interaction and Carrier Counselling.

The JIET Approach

FOCUS ON RESEARCH & DEVELOPMENT

JIET have laid a lot of emphasis on the establishment of their centres for research and development. Students are encouraged to undertake research work under the guidance of eminent faculty members at different centres. The findings are then incorporated in the regular studies.

EXHAUSTIVE PROJECT WORK

For a smooth transformation of theoretical knowledge to practical situations, the students are encouraged to undertake project devising and its execution with different organisations under the supervision of their guides.

TEACHING METHODOLOGY

The best faculty and technology assisted indubitable teaching makes the best concoction for students. In extension to the traditional classroom teaching, a number of other methods like web based learning, live simulation exercises and project works are encouraged so as to make delivery of knowledge more effective and enjoyable.

COSMOPOLITAN ENVIRONMENT

Cross cultural and cosmopolitan environment where students from all over the globe rub their shoulders to develop competencies which help them in realising their dreams of successful career.

RICH REPERTOIRE OF KNOWLEDGE

In today's ever changing work environment, fresh and up-to-date course content is the need of the hour. To address this need, special review teams are set to revise the course content and add newer and wider dimensions to the existing content.

GEOGRAPHICAL PLACING

Being placed in the most happening places in the state of Haryana and Delhi NCR with over 2 hour drive from the Delhi-Gurgaon.

VAST EDUCATIONAL EXPERIENCE

JIET Group has a vast experience in the arena of education spanning over a period of 20 years.

QUALITY CERTIFICATION

The Group has been ISO 9001:2000 certified for its quality standards (2003).

NBA ACCREDITATION

JIET had got NBA Accreditation (MBA) in 2009 for three

years in following B.Tech. branches (CSE, ECE, ME).

BOOK BANK

The Group offers Book Bank facility for the students enrolled in various courses.

HOLISTIC and Intellectual DEVELOPMENT

The Group lays comprehensive focus on holistic development through Yoga, Meditation, Taekwondo and Art of Living workshops.

PERSONALITY DEVELOPMENT

Special programmes is to improve students' Personality and help them develop higher confidence level. Several training sessions on soft skills, etiquettes, presentation skills and interpersonal skills are organised.

DEDICATED 24X7 CENTRAL PLACEMENT CELL

Central Placement Cell helps student in career skills assessment, resume writing, interview technique and other soft skills development. JIET has developed faster communication between students and placement by introducing 'Reach out to us Anytime : Helpline Number Professional DRESS CODE The students are given custom made suits as Uniform.

Interactive PEDAGOGY

Interactive learning enhances analytical and problem solving skills of students enabling them to apply in different management settings essential to the leadership of business / industry around the world.

INSTITUTE PARENTS RELATIONSHIP

We invite students and their parents to visit JIET before getting the admission. It will certainly help them in making the correct decision and affirm the faith in our institute.

CLUBS AND SOCIETIES

Individual departments run societies to cultivate students interest in co curriculum activities and also help engage students with declamation contests, quizzes, Paper presentation and other technical events. Mock interviews Group discussion & written tests are also organised at regular intervals.

Survival in this globalised & competitive era is only possible with overall development of the students. Extra curricular activities like cultural, sports and technical help to inculcate overall personality attributes like interpersonal skills, communicational skills, managerial skills, leadership and problem solving skills etc.

INFRASTRUCTURE at JIET

INTERNET CONNECTIVITY

Equipped with sophisticated computer labs with about 1000 high quality machines. Facilities like printers and scanners are provided. High speed Internet facility is available with dedicated 1:1 bandwidth from different ISPs.

CENTRAL LIBRARY

The central library of the Campus is Air Cooled and fully computerised with a seating capacity of 250 readers. The collection comprises Books, CD's, Videos, Thesis, Standards and Back Volumes in all Campus Libraries. An extensive collection of more than 30000 books, including regular periodicals, journals are available. Digital library section is the heart of central library. Book bank facility is also available for the students.

CONFERENCE ROOMS

Provides state-of-the-art CONFERENCE ROOMS AND AUDITORIUM JIET provides state-of-the-art conference hall department and auditorium that acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events conference hall that acts as a common ground for students, faculty and corporate personalities for regular interfaces, conferences and other events.

AMPHITHEATRE

JIET has a covered, spacious & magnificent open auditorium with a seating capacity of 2000 persons at a time.

HEALTHCARE FACILITIES

In order to ensure students well-being, JIET has tie-ups with renowned hospitals to take care of any kind of first aid and minor medical services in emergency. The JIET has a well-equipped dispensary for the first aid and minor medical services.

STUDIO STYLED CLASSROOM

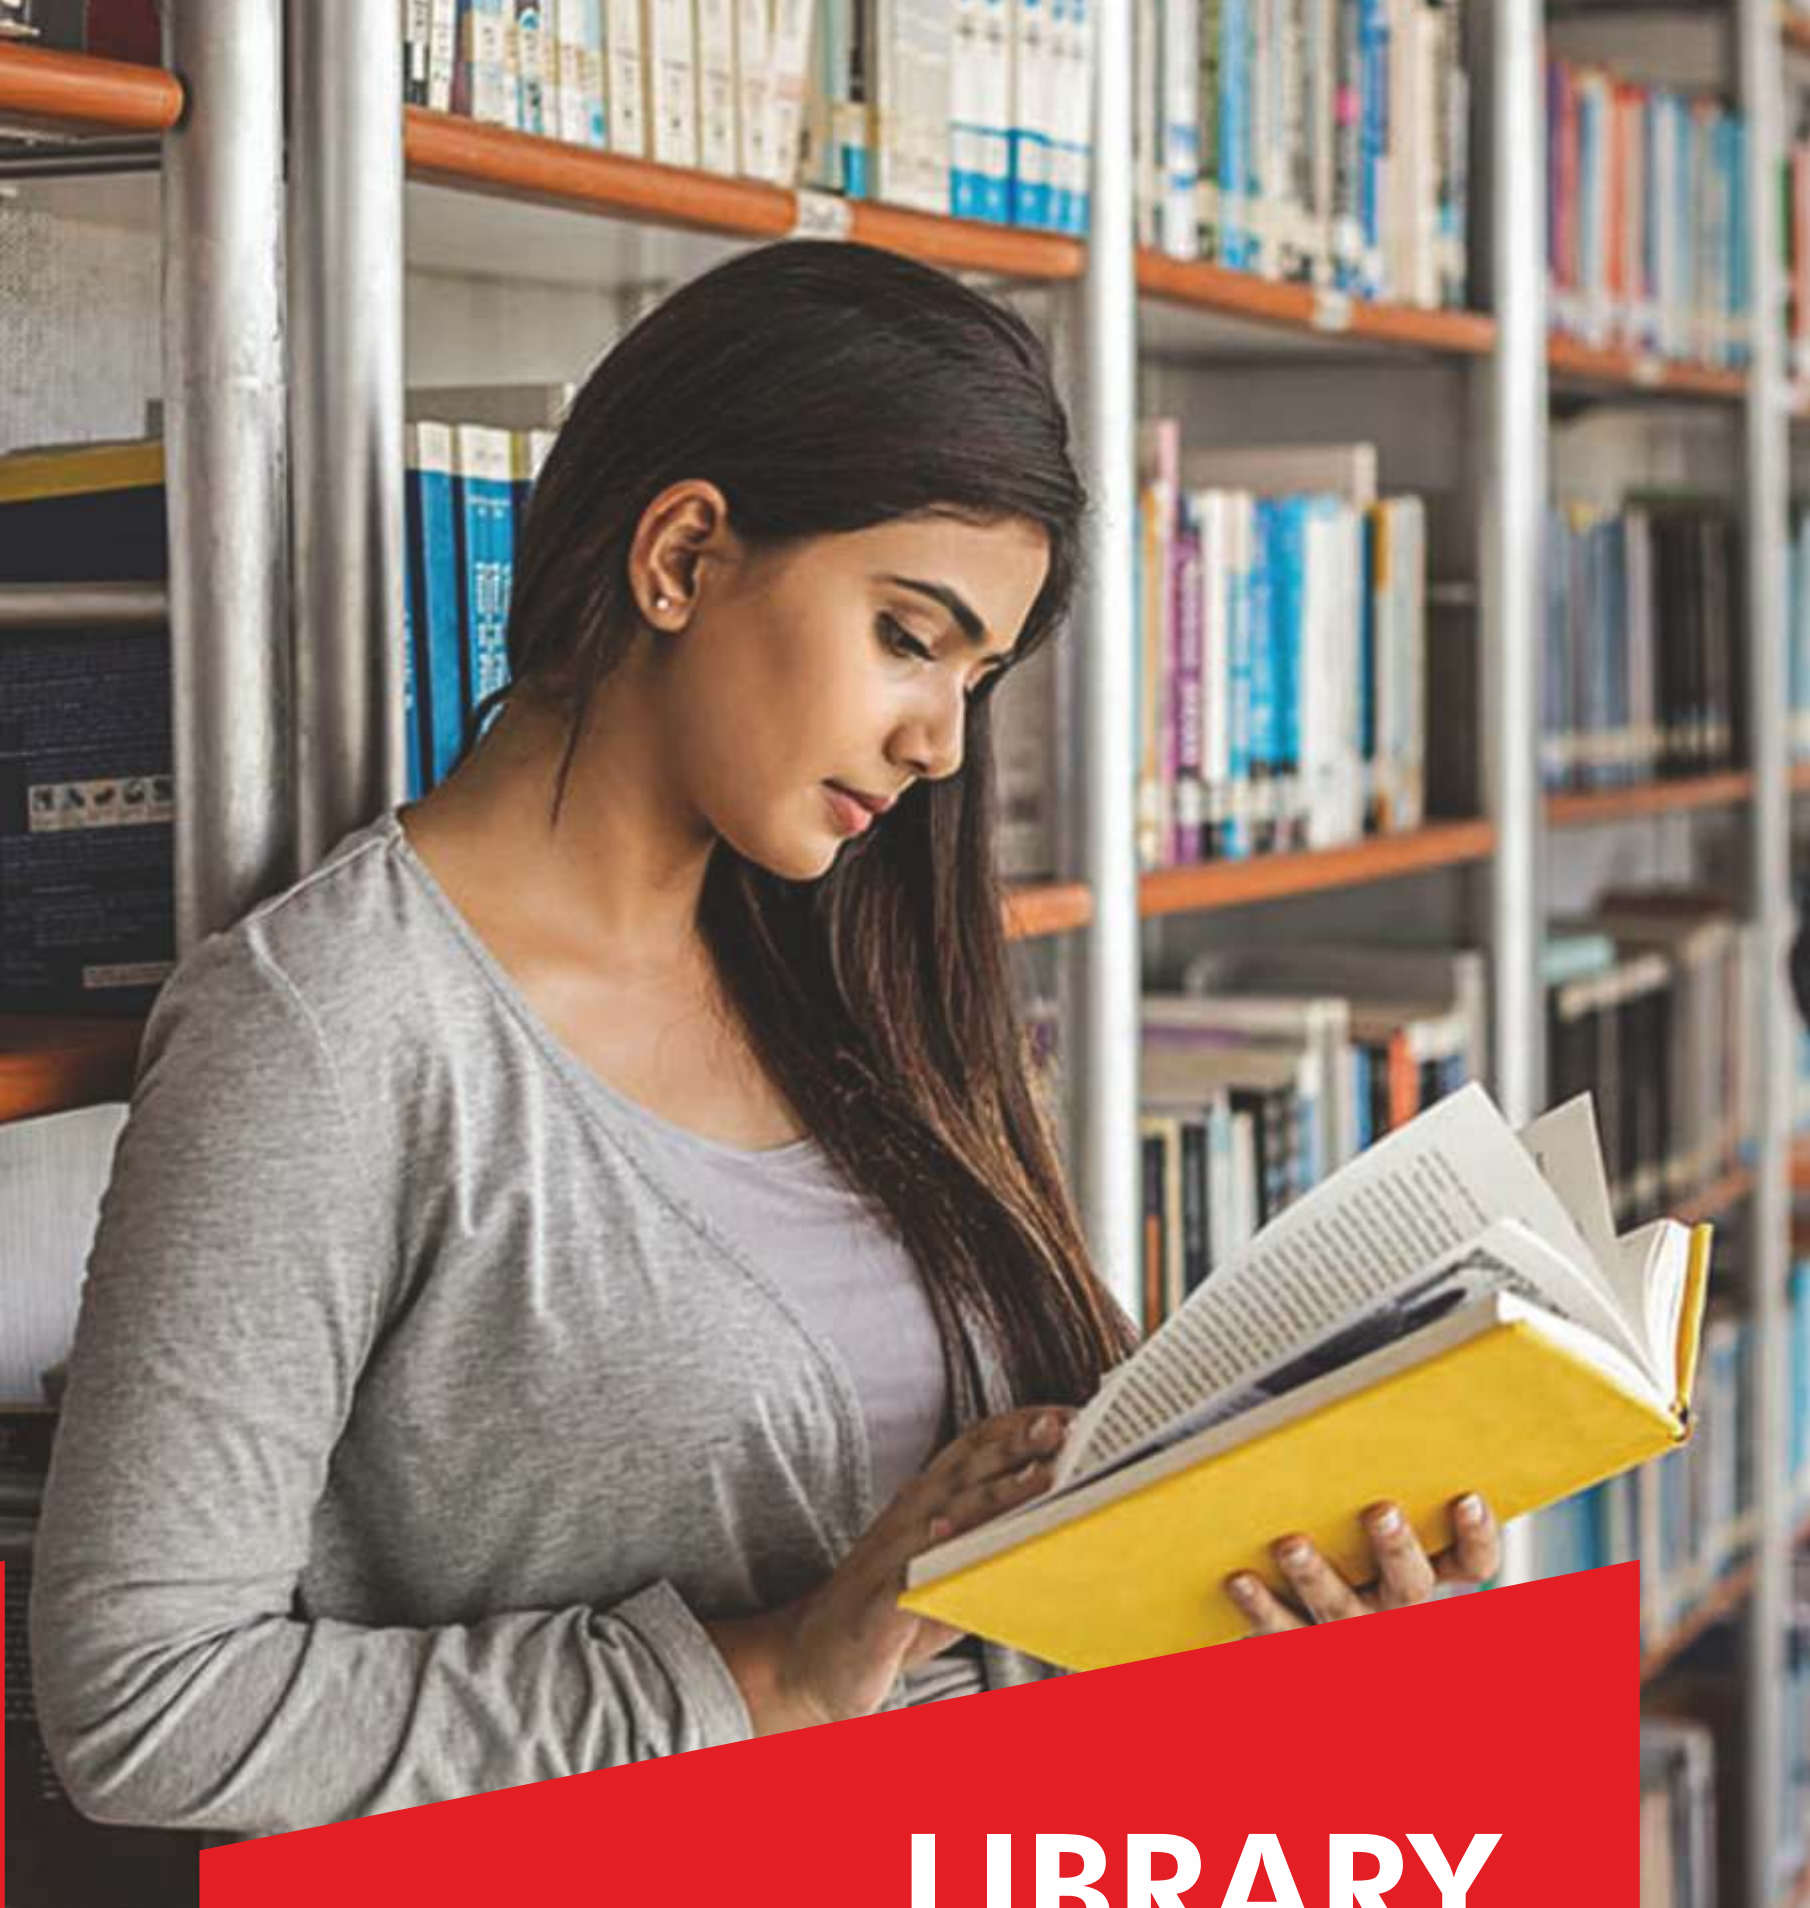

The spacious, amphitheatre-style classrooms provide the most conducive atmosphere for focused discussions and are augmented with integrated audio visual teaching aids for lectures, presentations etc.

Teaching Pedagogy

Our students get benefit from a rich and stimulating, intellectually challenging community where student work alongside staff.

LIBRARY

FIND YOUR INSPIRATION

Books bring, students and scholars together under conditions, which encourage reading for pleasure, self-discovery, personal growth and sharpening of intellectual curiosity.

CAREER SUPPORT & CENTRAL PLACEMENT CELL

Make your entry at corporate world

Today, JIET has a division Unified Placement Cell (UPC) which works in close coordination with different constituent institutes & group campuses. The CPC operates in a hub-spoke model. UPC is currently engaged in:

Campus Placements

Industry internship

Expert Lectures from industry

Soft skills training

Student Profiling for career planning

Skill Development Workshop

Training Tie-ups with Corporate Sector

CAREER DEVELOPMENT PROGRAMS

Skill Training Programs

INDUSTRY Enhancement Programs like SAP, Six Sigma Green belt etc.

Employability Assessment Programs like Co-Cubes, AMCAT etc.

SKILL DEVELOPMENT PROGRAM

Interpersonal workshops are held

JIETIAN
You could be next...

Inspiring story of Indian Engineering those who accomplished milestones in entrepreneurial journey. These stories are empowering youth to emphasise on better innovation and how we can use technology for developing the world more sustainable.

And inspired by the ecosystem of entrepreneur and linkage between engineering and entrepreneur, there is an establishment of entrepreneurial cell, run by our Director Abhishek Bansal, who not only inspires student but also gives them opportunity to work on individual ideas and help them to prototype concepts and if the idea is suited to the current market demand then try to launch the individual ideas.

Training on Ethical Hacking

Seminar on Intellectual Development

Award of Recognition

Impact by

INNOVATION

JIET INDUSTRIAL INITIATIVE

JIET INDUSTRIAL AND PLACEMENT PARK

is a unique initiative first of its kind in the country with most innovative ideas to improve employability of students. It offers an opportunity to our students to rub shoulders with the experienced professionals at the campus. More than ten companies have chosen this Campus Business Park as a way to grow in today's environment. It helps them to reduce operational risk and find the best talent Code development centre incubation centre is a miniature corporate identity to provide business services amongst its students, faculty and alumni. The BIC focuses on honing the entrepreneur skills.

Nodal Centre

MACHINE DESIGNING AND IDEATION LAB

The lab is created to emphasise the learning of machine design and give an environment of innovation and creativity to students so that when a student enter the lab, the conducive environment gives him ample space to think and apply knowledge to foster new creation.

ENGLISH LANGUAGE LAB

English lab is designed for specific need of student in relevance to language enhancement. JIET academic is not just keeping focus in teaching curriculum but our prime focus is also to help students improve language for better understanding of the content of the subject.

IOT LAB

This lab consists of various platform to create and model projects which are of Internet of things. In associating with Code development centre, we have designed the lab where students for learning how to develop new projects which connect our daily need with Internet.

ONLINE TUTORIAL LAB

This is for students to interact with academic professionals through online learning. This lab includes Interactive led panel with high internet speed to connect students with live classes.

EXPERIENTIAL CENTRE

We have developed our administration centre and student reception area in such a way that its unique, Inspiring and brings the aesthetic of journey of JIET institutions Inspired by Science to Technology - depicting stories Unique Laboratories with Infographics - We have also changed how our laboratories are designed.

ETHICAL HACKING LAB

Today, there is a huge demand for ethical hackers in the market, who can not only safeguard the enterprises from organised cybercrime groups but also assist them to assess their cyber security preparedness.

According to Data Security Council of India, the cyber security market is expected to grow to USD 35 billion by 2025. A report by NASSCOM states that the country needs at least one million skilled people by 2020. These figures are clear indication that the country has a huge scarcity of qualified cyber security professionals and the need is going to become severe with cyber criminals increasingly targeting enterprises and government establishments.

In the scheme 'Impact' JIET has collaborated with Intellectual Development : Motivation Speaker and career coach. This is another achievement of JIET to launch in-house 'Intellectual development' workshops as to achieve the target to be happiest institute in Haryana. Intellectual development of a students is important as academic performance because mental health is a major role in getting a good job.

Intellectual development workshop will help students highly motivated and this will also teach techniques to be focused in studies. Today, India has maximum students those are in high anxiety due to high competition but JIET is the only institute to offer such programs to make Code Development Centre Programming Data Analysis IOT projects Ethical Hacking.

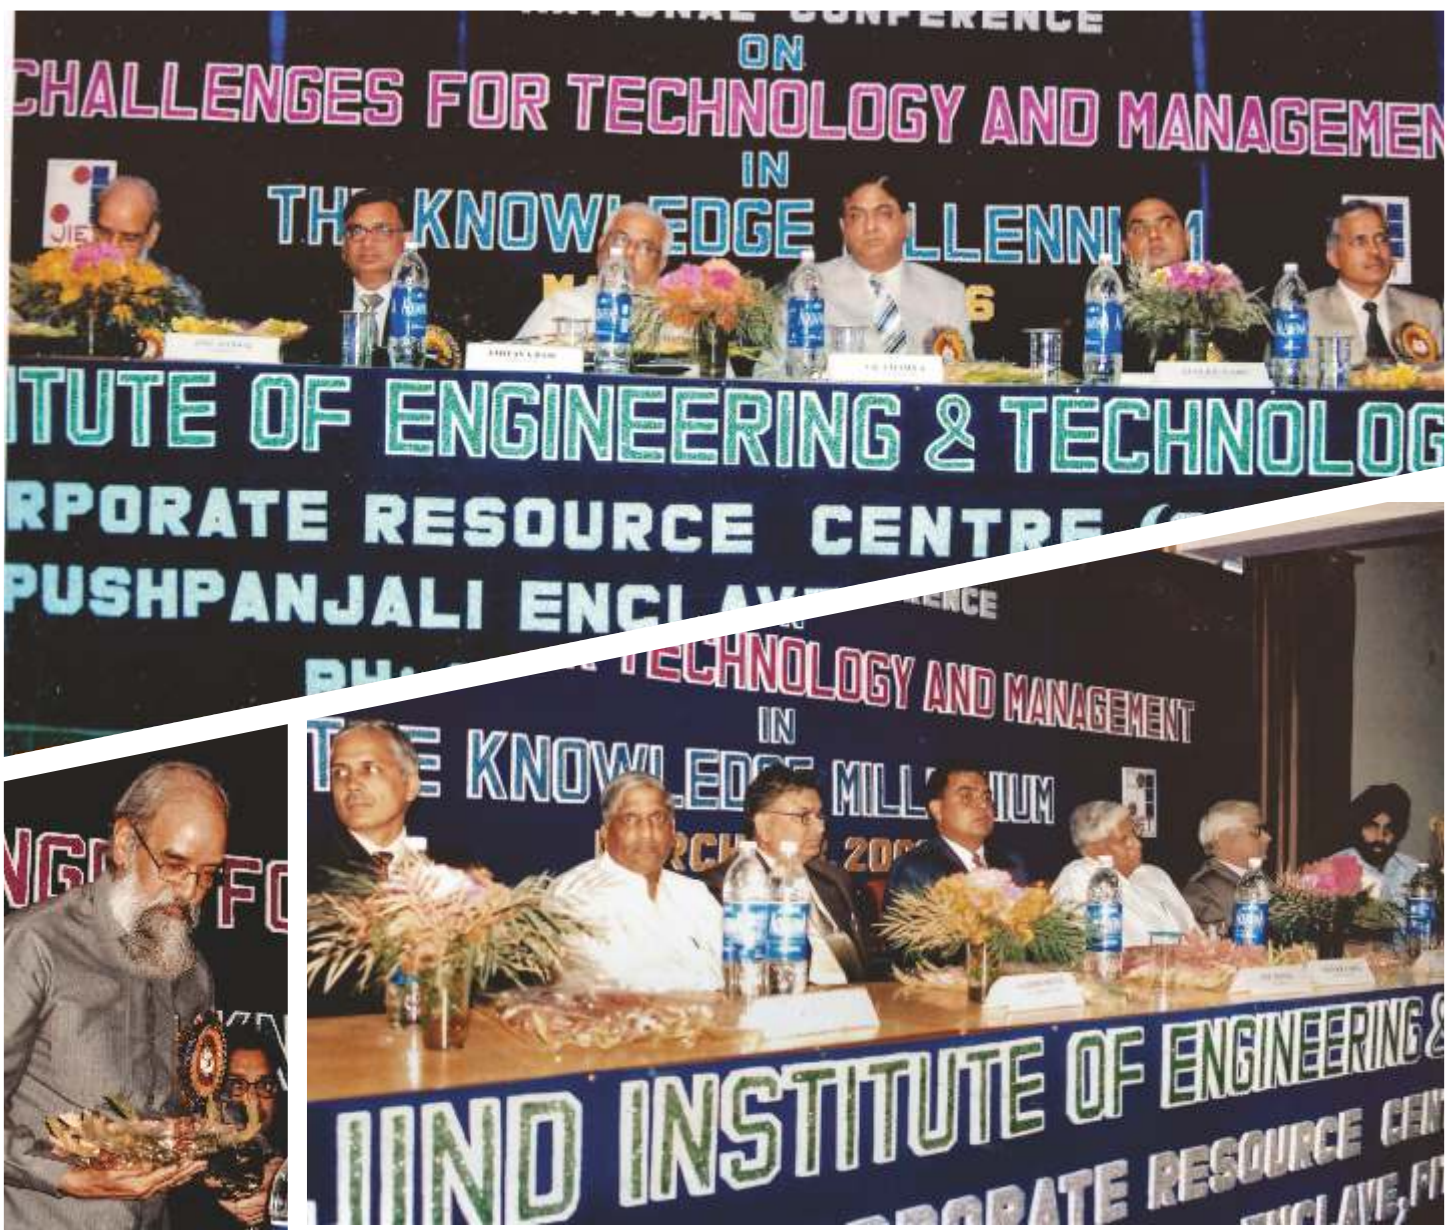

ASSOCIATION & COLLABORATION

CAMPUS ACHIEVEMENTS

- One of the first technical campus in Haryana.
- Organised State level SCIENCE Mela.
- In 2002, achieved 17 university toppers.
- In the early establishment, JIET got its ISO certification for quality education.
- Achieved 21 university toppers in 2005.
- State Level Technical Fest organised in 2005.
- Hosted Inter Zonal Quiz Contest for Kurukshetra.
- 19 Students Toppers in 2008.
- Social Outreach - Organised first ever Marathon in Jind.
- Infrastructure development - North region biggest Amphitheatre and activity centre.
- With maximum Alumni turning up for Convocation function in 2010.

Our 1st year Diploma student Kawal Won Silver Medal in 1st National Federation Cup in Kabaddi Championship

Learn to Serve the Nation

Engineers are the very big force for our defence system therefore many students do technical education to apply for defence services. Jiet initiates in house training for students to learn while they are completing technical education

ENGINEERING

B.Tech

Computer Science & Engineering
with option for specialization in :

- I. Software Development Program
- II. Cloud Technology & Information Science
- III. Data Science

Electrical Engineering

With option for Specialization in :

- I. Internet of Things

Mechanical Engineering

With option for Specialization in :

- I. Automobile Engineering

Civill Engineering

ELIGIBILITY CRITERIA

The Candidate should have passed 10+2 examination with Physics, Mathematics and Chemistry as compulsory subjects along with one of the English/ Biotechnology/ Biology/ Technical Vocational subject.

Obtained at least 50% marks (42.75% in case of candidates belonging to reserved category) in the above subjects taken together.

OR

Passed Diploma examination with at least 50% marks (40% in case of candidates belonging to reserved category), subject to vacancies in the First Year, in case the vacancies at lateral entry are exhausted.

B.Tech (Lateral Entry to 2nd Year)

Electrical Engineering

Mechanical Engineering

Computer Science & Engineering

Civil Engineering

ELIGIBILITY CRITERIA

- a. Passed Diploma examination with at least 50% marks (42.75% in case of candidates belonging to reserved category) in appropriate branch of Engineering and Technology.
- b. Passed B.Sc. Degree from a recognised University as defined by UGC, with at least 45% marks (40% in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as a subject.
- c. Provided that the students belonging to B.Sc. Stream, shall clear the subjects Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the First Year Engineering Programme along with the Second year subjects.
- d. Provided that the students belonging to B.Sc. Stream shall be considered only after filling the supernumerary seats in this category with students belonging to the Diploma stream.

M.Tech

Computer Science & Engineering
Electrical Engineering

ELIGIBILITY CRITERIA

Passed Bachelor's Degree in Engineering & Technology or equivalent in the relevant field.

Obtained at least 50% marks (42.75% in case of candidates belonging to reserved category) in the qualifying Examination.

DIPLOMA IN ENGINEERING

Computer Engineering
Electrical Engineering
Mechanical Engineering
Civil Engineering

DIPLOMA IN ENGINEERING (Lateral Entry to 2nd Year)

ELIGIBILITY CRITERIA

The Candidate should have passed 10th examination

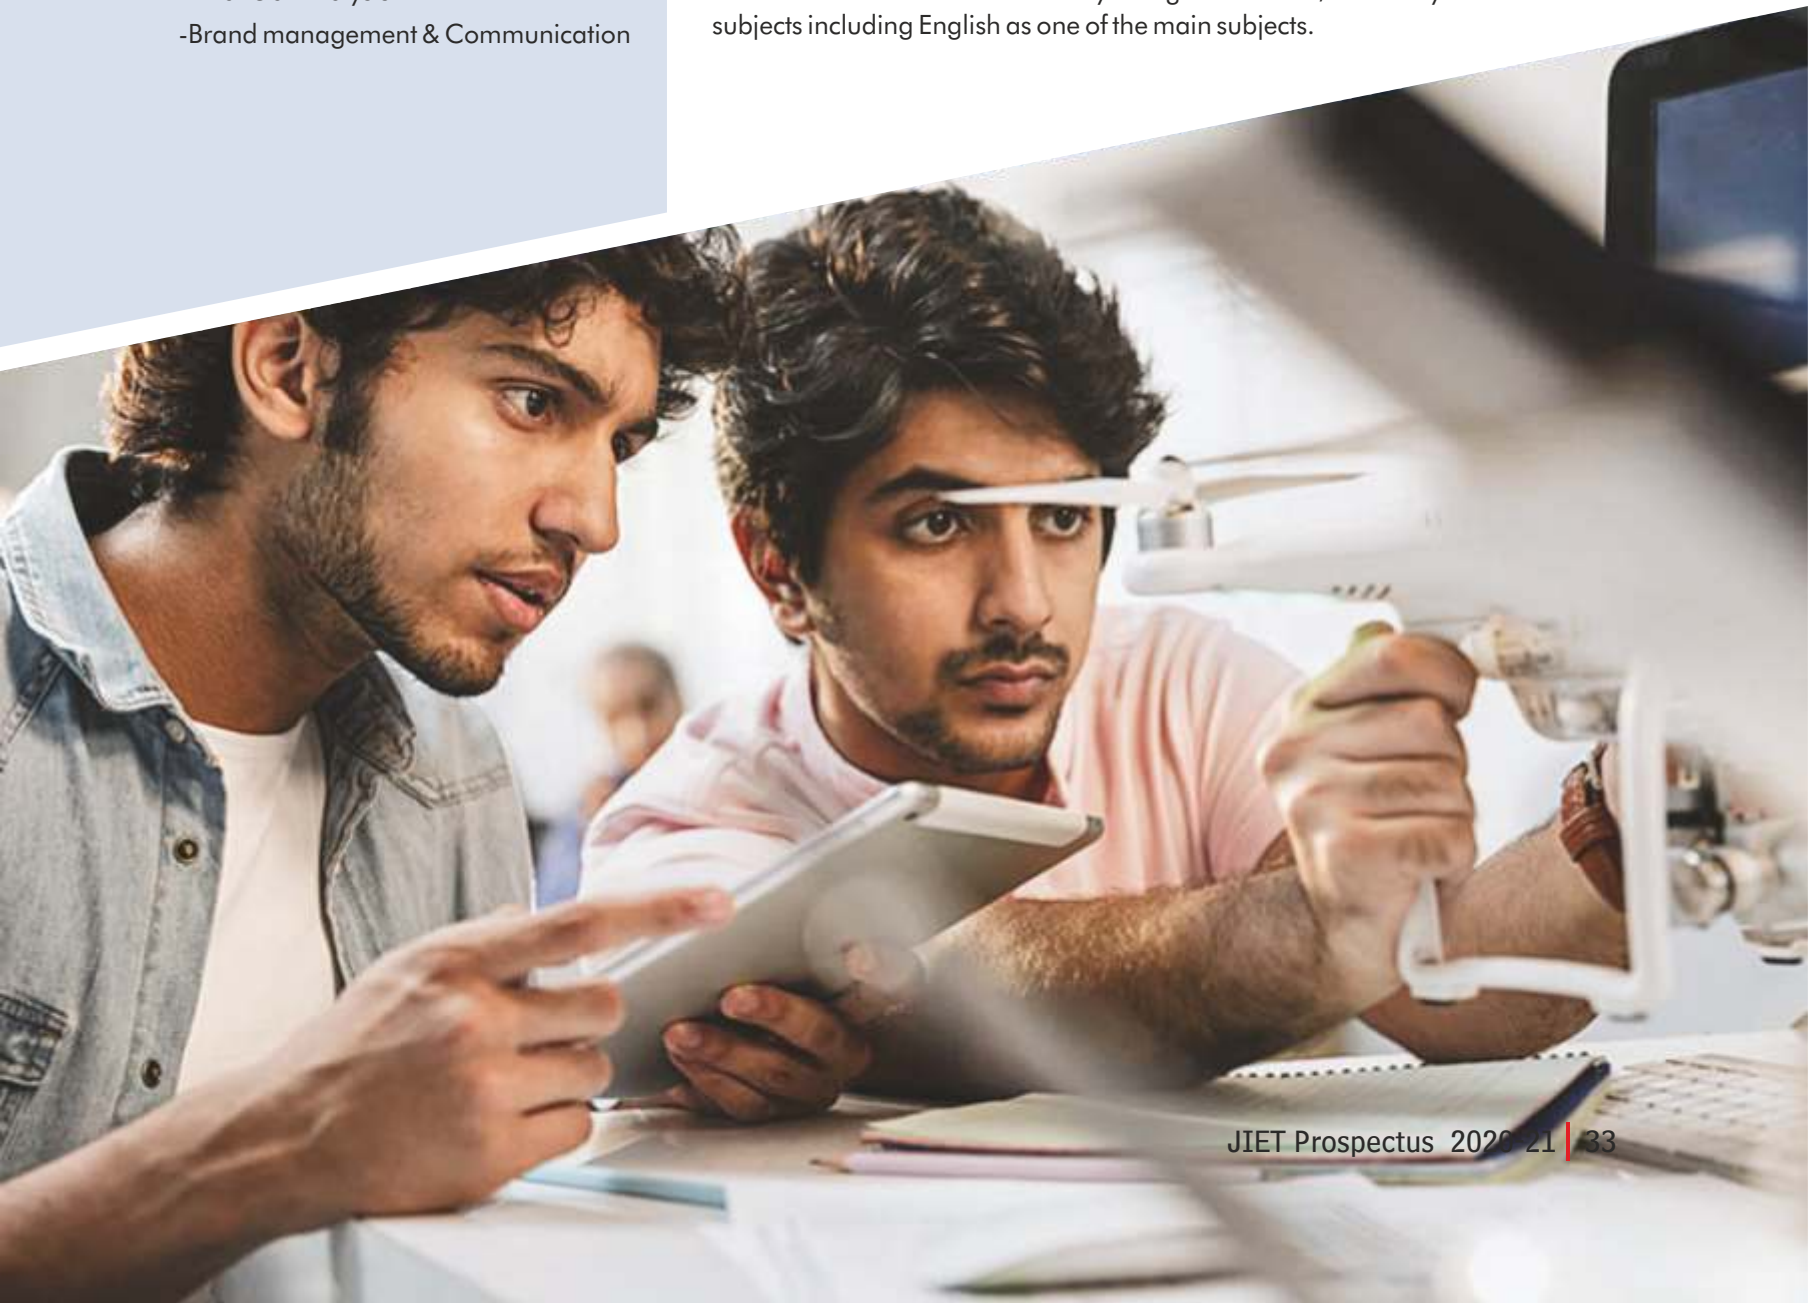

The Candidate should have passed ITI of atleast (2 Years) duration, 10+2 (vocational) or 10+2 with Physics, Chemistry & Math

BACHELOR OF BUSINESS ADMINISTRATION

Specialisation in
-Financial Analysis
-Brand management & Communication

ELIGIBILITY CRITERIA

The candidates should have passed Senior Secondary (10+2) Examination with atleast 50% Examination from any recognized Board/University with at least five subjects including English as one of the main subjects.

ANNOUNCES

Scholarship and Award Schemes

सबसे पहले मैं आप सभी बिहारवासी छात्र एवं अभिभावकों को नव वर्ष की ढेरों शुभकामनाएं देना चाहता हूँ। बिहार के गरीब, मेधावी और खास कर बच्चियों के लिए कुछ करने की सोच ने मुझे हमेशा प्रेरित किया है। इसका कारण मेरा बिहार से प्रेम होना है। जिस प्रदेश ने मुझे इतना प्यार-सम्मान दिया उस प्रदेश के बच्चे (चाहे वे अमीर हों या गरीब) के सुन्दर भविष्य की चिंता करना मेरा फर्ज है। इसी कड़ी के समाधान में एक Higher Education संस्थान के कॉलेज के कार्यक्रम में आया जिसका नाम JIET Group of Institutions, Jind है। यहाँ के चेयरमैन श्री अनिल बंसल जी से जब मैंने यह चर्चा की कि कैसे हम अपने प्रदेश के बच्चों के भविष्य को उज्ज्वल भविष्य की ओर ले जाएं तो उन्होंने मुझे हर संभव मदद करने का आश्वासन दिया और साथ ही साथ ये वादा भी किया कि शिक्षा के साथ-साथ हर एक छात्र को रोजगार देने के लिए प्रतिबद्ध हैं। मुझे उनके इस शिक्षाभाव को महसूस कर सुकून मिला कि जिस चिंता से मैं ग्रसित था, उसका समाधान मुझे रपमज लतवनच वऽदेजपजनपवदे के सही सिद्धांत और शिक्षा सेवा के भाव से मिल गयो देश का पहला Higher Education संस्थान को बिहार के बच्चों को शिक्षा के साथ रोजगार का भी आश्वासन देता है। मैं इसके लिए संस्थान और खासकर चेयरमैन श्री अनिल बंसल जी को धन्यवाद देता हूँ। उनसे चर्चा की जो मुख्य बातें थी मुझे सबसे अधिक आश्वासन कि बिहार के हर छात्र व अभिभावक को एक संदेश दे रहा हूँ कि -

रोजगार/पैसा नहीं बनेगा बाधा, हर बच्चे से है हमारा वादा।

धन्यवाद।

मनोज तिवारी

ALUMNI AROUND THE WORLD

JIET is a leading institute of technical as well as professional studies with elite class faculty and placement opportunities for all, event oriented good exposure in competing with optimism beautiful campus and lovely environment provided by fellow student!

SWATI PANDEY
Software Engineer

Beautiful eco friendly and ragging free campus!! LOTS of events keep going on continuously. You will surely make lots of friend here and have nice memories.

SUSHMA
Assistant Manager

It gives an awesome feel being a part of JIET. The overall activates executed here at JIET actually nurtures one's talent and skills. JIET provides the platform to become a versatile personality.

MAYANK BANSAL
Senior Sales Manager

I am glad to be part of JIET . Its a pleasure for me being a part of JIET family. Such a supportive environment and a bunch of talented faculty. Its always wonderful remembering moments spent there.

ROHIT MALIK
Advisor System Architect

It's really been a great learning experience at JIET... I just loved the way i was thought at JIET and I am very thankful to all the faculty members for their continuous support and valuable guidance.

NAVEEN MAAN
Senior Software Engineer

JIET has a very nice environment and away from politics, I am happy that i have taken admission in CS branch in such a well disciplined. Student and Staff are very cooperative.

MOHIT GARG
Assistant Manager

Such a supportive, talented and experienced faculty that helps in grooming the personality of the students. Very good infrastructure with an excellent Lab setup.

NITISH SHARMA
Software Engineer

Quality education is the most important factor in a students life and i have realized that jiet is the one who masters in the same. There is no compromise in that.

PULKEET GUPTA
Senior System Analyst

JIET has a superb environment with a interactive and supportive faculty members are in real the career builders.

NEERAJ SANDUJA
Senior System Analyst

The college has great modern facilities which promotes great learning environment and flexible schedule that suit to meet the need of a student like me.

NEETU GOYAL
Senior System Analyst

Success story of Bihar

Patna is an ancient city that sprawls along the south bank of the Ganges River in Bihar, northeast India. The state capital, it's home to Bihar Museum, a contemporary landmark exhibiting bronze sculptures and old coins from the region. Nearby, Indo-Saracenic-style Patna Museum displays a casket believed to contain the Buddha's ashes. Close to the river, the Golghar is a domed colonial granary overlooking the city.

Haryana is a North Indian state surrounding New Delhi on 3 sides. The Yamuna River runs along its eastern border with Uttar Pradesh. Shared with Punjab, the state capital Chandigarh is known for its modernist buildings and gridlike street plan designed by Swiss architect, Le Corbusier. The Zakir Hussain Rose Garden features 1,600 species, while its Rock Garden showcases sculptures made with recycled materials.

Welcome
to HARYANA

West Bengal is a state in eastern India, between the Himalayas and the Bay of Bengal. Its capital, Kolkata (formerly Calcutta), retains architectural and cultural remnants of its past as an East India Company trading post and capital of the British Raj. The city's colonial landmarks include the government buildings around B.B.D. Bagh Square, and the iconic Victoria Memorial, dedicated to Britain's queen.

Delhi, India's capital territory, is a massive metropolitan area in the country's north. In Old Delhi, a neighborhood dating to the 1600s, stands the imposing Mughal-era Red Fort, a symbol of India, and the sprawling Jama Masjid mosque, whose courtyard accommodates 25,000 people. Nearby is Chandni Chowk, a vibrant bazaar filled with food carts, sweets shops and spice stalls.

Scope of Jobs in Government Sector after Engineering

Public Sector Units

Mechanical Engineers have great opportunities to Join Maharatna and Navratna PSU like NTPC, BHEL, GAIL, IOCL, NHPC etc. Presently, there are 7 Maharatna, 16 Navratna and 71 Miniratna. Public Sector Unit offers the best salary package (7 ~ 11 Lacs per annum) in industry. In order to get into PSU, you need to crack GATE.

Government Organisations

Mechanical Engineers have great opportunities to Join Government organisations like Ordnance factories, Indian Railways, Irrigation Departments, ISRO, BARC, BIS etc. For A Grade officer in Railways you need to crack IES while ISRO, BARC, BIS take their separate exams.

- 1. PSU JOBS:** Electrical engineers are always in high demand in public-sector undertakings, such as Hindustan Aeronautics Limited (HAL) and NPCIL (Nuclear Power Corporation of India Limited). To apply for a PSU job, you need to take the GATE. PSU jobs offer lots of perks and a monthly starting salary in the range of Rs. 24,900 to Rs. 50,500.
- 2. CENTRAL GOVERNMENT JOBS:** Ever since the 6th and 7th Pay Commission revisions have rolled in, engineering salaries with the government sector pay better than ever. Through the GATE, you can apply for an electrical engineering job at government bodies, such as the Railways and the Indian Space Research Organization (ISRO). Starting salaries for assistant engineers range from Rs 20,00 to Rs 50,000, depending on your GATE score.
- 3. JOBS WITH THE ARMED FORCES:** Whether it be the Navy or the Air Force, the Indian Armed Forces need electrical engineers to create and maintain complex electrical systems and equipment. After your BTech, you can take the NDA or CDS recruitment exams to join the defence forces. Apart from numerous perks, the monthly salary ranges for the lieutenant rank at which most engineers join the army is upwards of Rs 50,000 (basic pay).
