“We are passionate about grooming the technocrats and managers to conquer. We at ICL believe that hidden abilities assist a person win by doing the same things differently that help them to excel in the world”

Er. Sanjiv Kumar Prabhakar

Chairman / President - ICL Group of Colleges

All the ICL Institutes have made huge and gigantic strides to get quantum recognition and credibility with the contribution from efficient team of manager and academician, who have abundant vision to translate the latent talent into tailor made crop for the industry. It is a matter of great pleasure and pride for all the members of ICL family to see the buoyancy and radiance of knowledge, competition and cutting edge technology being provided to the students so as to enable them to face the corporate world confidently. ICL Group of Colleges provides tools needed for Success and triumph and offer blueprints to facilitate and build a Successful and rewarding career for each member of the family. Faculties of the college channelise and guide prospective engineers, architects and potential managers by dreaming Success and by unlocking their hidden talent for a life time Success.

I wish you good luck for your future studies

Finally, I invite you to learn more about us by a visit to our campus.

“ ICL is an institute which is providing to its students not only the best infrastructure but also the much required guidance which will help them to be a winner in the corporate world ”

Satish Prabhkar

Vice Chairman / Secretary - ICL Group of Colleges

On behalf of the whole ICL fraternity, I extend my heartiest congratulations and facilitations to the students of the Management for grabbing lucrative jobs during the campus placement drives and the job fests. The ICL brand would stand out for the job placements due to its corporate culture and industry networking. ICL management is conscious and concerned about creating congenial environment for student studies. We also assure all students taking admission in ICL Group of Collages that the management shall be making all efforts to develop them in successful professionals and getting them placed globally. I hope you enjoy going through the Information Brochure and that you will want to take the next step and find out more about ICL Group of Institutions.

“ At ICL we believe that good management is the art of making problems so interesting and their solution so constructive that everyone wants to get to work and deal with them ”

Surinder Kumar Prabhkar

Vice President - ICL Group of Colleges

With corporate background of the promoters, the demands of the industry are easily identified and the grooming of the students is carried out on the mixed blend of corporate and academic model. The industry has been networked to the optimum level and an ideal platform is provided to the industry for the grooming of raw talent, which is being carried out in the temples of learning at ICL Campus.

Here, at ICL, we are dedicated to understanding and helping each child to grow in the best way and develop into thinking and caring, well informed and well-educated human beings. While the academic delivery is the central pillar of the Colleges, we also encourage involvement of students in varied activities, the colleges have to offer.

“The Successful persons are likely to have taken control of their own education and learning including leveraging what institutions have to offer”

Sahil Kumar Prabhkar

Joint Secretary - ICL Group of Colleges

The pedagogy at ICL is engineered to impart comprehensive learning about all areas of Engineering, Architecture, Hotel Management, Diploma and Management and it develops a global outlook on market realities and understands the dynamics of the corporate world. Experiential learning is given a central role in the whole pedagogy. Experts from corporate sector share their insight and experience, thereby adding value to students' learning.

*“Education is a social process.
Education is growth.
Education is not a preparation
for life; Education is life itself.”*

Vishal Kumar Prabhkar

Joint Secretary - ICL Group of Colleges

ICL is a home of professionals and it is run by renowned experts in management. Since the establishment of ICL Group of Colleges, there has been exponential growth in professional institutions which have come up in areas of Engineering, Management, Architecture and Hotel Management. ICL have earned a reputation in the institutional market due to better training & placements. Continuous efforts are made to improve student support services.

We had started ICL, keeping some of the leading institutions as our benchmarks but today we take this pride to be a benchmark for other institutions to follow.

Naveen Sharma

Director General - ICL Group of Colleges

A Well established legacy of ICL Hi-Tech Educational Society, Under the dynamic leadership of its founders and a bubbling enthusiasm to explore the new vistas in the field of education, are the hallmarks to quickly realize the dream and the vision of the society into a reality. I feel the prospectus of an Engineer's or a manager's educational training is as profoundly practical as it is profoundly theoretical that will embrace cultivation of human qualities so as to enable them to understand the nuances of interplay between the man and the material.

Shilpy Bajaj

Head, Administration/HR - ICL Group of Colleges

The Students of ICL Group of Colleges would be launched in to an atmosphere of intellectual simulation and teamwork, integrated approaches to many complex Engineering challenges, industry influence via high level committees and extensive collaboration with corporate and government. At ICL Hi-tech, supreme emphasis is laid on providing the most modern and sophisticated learning environment. The guiding principal of the foundation is "Where modernity blends with tradition".

Training & Placement - Cell

Shilpy Bajaj, besides performing the duties of the Director - HR/Admin is advising the Training and Placement Cell to achieve optimum placement of the students of the all institutes under the ICL banner. She has guided the placement team admirably for excellent placements of the students of all

the institutes. The placements session starts in the month of November and remain active till all the eligible students are placed in the suitable corporate sectors. The placements have been the excellent with good pack

Ms. Anchal Sharma Being Training and Placement Officer she is realizing the dreams of the students of the professional and corporate world into reality.

Mr. Manish Sharma has ideal network with the local and NCR Industries and corporate world which enables him to get good placement for the students.

Deepak Saroha is masters in Business Administration from Kurushetra University with experience in field of academic and research. He is preparing students for the placement incorporate and companies of repute. He is assisting TPO to get the maximum student placed in various companies.

Overview

Discovering and Polishing the latent talent

ICL Hi-Tech Educational Society is a charitable society incorporated under Societies Registration Act 2012 issued by Registrar of Societies, Haryana. The primary objective of ICL Hi-Tech Educational Society is to provide facilities for higher learning & education and in the process setting up Colleges and Institutions to impart & confer Graduate & Post Graduate Degrees for corporate needs.

ICL Group of Colleges is providing quality education in the field of Engineering, Management, Architecture, Hotel Management and Diploma Engineering. The Institutes are approved by All India Council of Technical Education (AICTE) affiliated to Director, Technical Education, Haryana (DTE) and affiliated to Kurukshetra University, Kurukshetra.

Aim

To provide provisions for research advancement and dissemination of knowledge to ensure that the standard of academic distinctions are not lower than those laid down by AICTE, NCTE, UGC and KU

Vision

ICL seeks to develop in students a wisdom that translates academic achievement into responsible citizens and sincere professionals with deep respect for life and beauty in Gods creation.

Objectives

- # To commit itself to excellence in thoughts and actions.
- # To dedicate itself to improve social and economical upliftment and enhance the quality of life for all.
- # To maximize human welfare through education and effective knowledge.
- # To provide individualized engineering and other professional learning experience for each student.
- # To develop the critical thinking, analytical ability and creative skills.
- # To supplement the curricula with leadership, persuasive oral and written skills, social and moral ethics.
- # To establish industry institute interaction for technology, research and development.

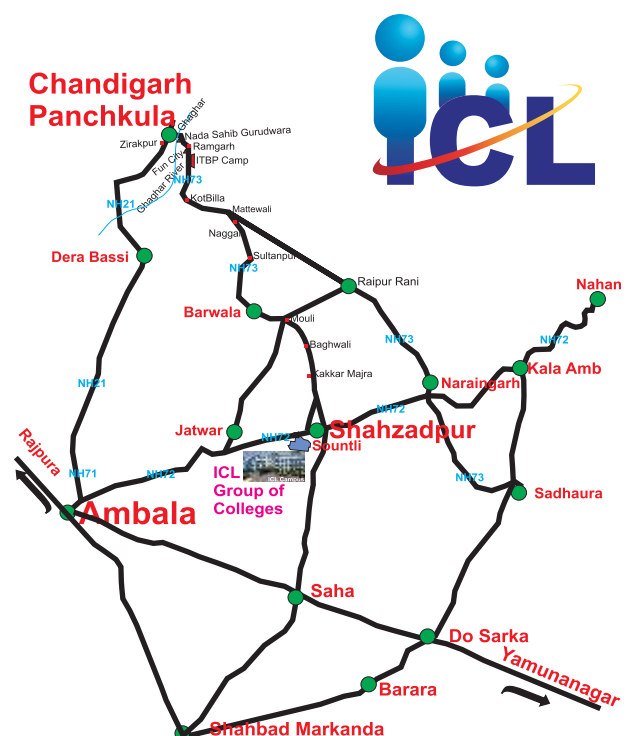

About the Campus

The air conditioned hi-tech campus promises excellent facilities and academic systems to meet the global standards and integrated development of students. All blocks have been built up with ultra modern amenities, architectural design and structural excellence by employing the services of a top notch and highly acclaimed Architect of the country. The college is fully networked and has got state of the art Wi-Fi connectivity, providing unlimited 24x7 internet access with 12 Mbps speed to the students. Teaching faculty comprises of well-qualified, experienced and dedicated persons. The non-teaching staff is also very well qualified and has wide-ranging practical and industrial experience.

Location

ICL Institutions are strategically located in sprawling 25 acres to meet the requirements of the students from all parts of India, iust 18 km from Ambala town, a prominent railway junction and about 40 km from City Beautiful, Chandigarh. The Institutions are on the Ambala-Naraingarh National Highway-72. The Campus is beautifully landscaped at the foothills of Shivalik hills and is surrounded by natural greenery.

*Additional Charges per semester would be levied for University fees, Student Activity & IT training in addition to the above tuition fee charges. The students of B Tech, MBA, HMCT and Architecture would pay Rs 6500/- per semester . The students of BBA and Diploma would pay Rs 2000/- per semester as additional charges.

Hostel Charges of Rs. 27500/- per Semester would be charged from the students availing the facility of Hostel. Rs. 2000/- would be charged as refundable hostel security. Hostel and Transport charges, as applicable, will be payable for the whole academic year. If a student leaves the hostel or bus facility during the session, hostel/transport charges will be forfeited. **Laundry charges of Rs 1800/- per semester would be paid by the students staying in the hostel**

Special Training Centres at Campus

DigiClass Pro

Prepare for Life

ICL Group of Colleges have ventured into collaboration with reputed and hi-tech brands of Smart Digital Class Rooms, Microsoft IT Academy, PTC Advance Training Center, Auto Desk & IETE Chandigarh to enable the students to enhance their professional skills as per the demands of the industry.

SMART DIGITAL CLASS ROOMS CONCEPT AND CONTENT BASED TEACHING

ICL Group of Colleges have entered into collaboration with Pearson Education Services (U.K) for providing Smart Digital Class Room facilities enabling the students to have access to online animated & digital contents of complete syllabi. The students will experience Hi-Tech class room teaching by reputed faculties, which has already become a craze among the students. The course teaching contents comprise of animations, illustrations, questions & quizzes. The course contents comprise of the following:-

- Animations
- Illustrations
- Videos & 3D images
- Questions & quizzes
- Assignments & Notes
- Online examination practice
- Online access of contents to all the students

Microsoft@ IT Academy Program Member

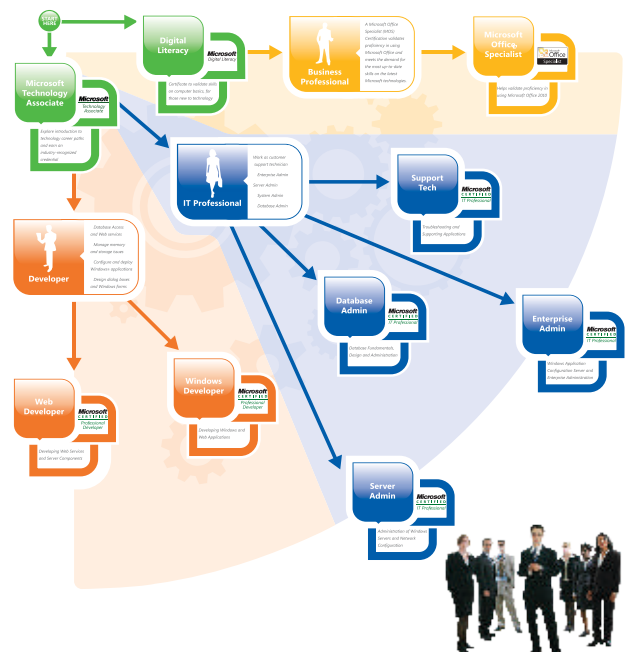

ICL Group of Colleges has entered into collaboration with reputed Microsoft IT Academy to impart training to the students in the field of Information Technology and E-Learning.

The course contents comprise of the following:-

- C ++
- Java, Struts 1.X, Struts 2.X
- Spring
- Hibernat
- ASRNet, SQL
- PHP, My SQL
- Embeded Systems
- PCB, PLC Designing
- Networking
- N+, MCSC, MCITP, CCNA

Microsoft IT Academy Certification Career Roadmap

Get Certified. Reach Your Potential.

Microsoft® IT Academy Program

AICTE - Autodesk® Educational Alliance

ICL Group of Colleges is running State of the Art Autodesk Lab with 125 Licences for its students. The Autodesk Academic Resource Center is an online delivery program made possible by an agreement between AICTE (All India Council for Technical Education) and Autodesk, Inc. to provide cutting edge software technology to educational institutions in India.

Autodesk Academic Resource Centre provides the latest version of products and two versions back. Newer versions are made available when they are commercially available. Students and faculty may visit the Autodesk Education Community to sign up and download more than two dozen Autodesk software titles.

Advance Training Center

ICL Group of Colleges have entered into collaboration with the reputed PTC's Authorized Training Center (ATC) to impart exceptional training to the students in the field of quality materials and infrastructure.

PTC Academy

The course contents comprise of the following:-

- CAD
- VAM
- CREO

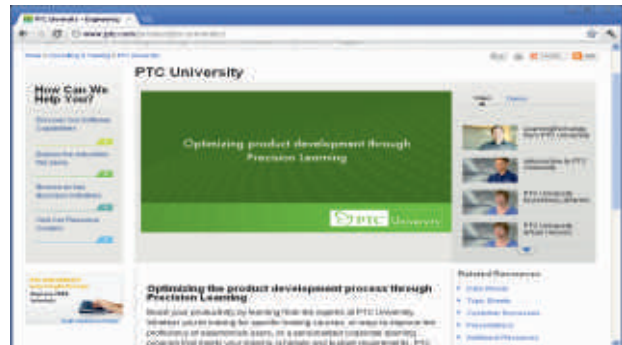

IETE

Inst. of Electronics & Telecommunication Engg.

ICL Group of Colleges have entered into collaboration with the Institute of Electronics & Telecommunication Engg. (IETE). IETE is a leading Professional Society devoted to the advancement of Electronics, Telecommunication and Computer Science, approved by MH RD, Govt. of India. The broad objectives of the Institute are:

- Organising technical programs for members forkeeping pace with technology & its developments coaching classes for degree and diploma in engineering.
- Job oriented computer courses for youth and marginalized sections of society.
- Service to the industry for upgradation of their manpower & provide consultancy.
- Placement of passing out students.
- Branches Covered: Electronics & Telecommunication, Computer Science & Engineering, and Information Technology

NPTEL is an acronym for National Programme on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science.

NPTEL provides E-learning through online web and video courses in Engineering, Science and Humanities streams. The mission of NPTEL is to enhance the quality of engineering education in the country.

Benefits for Students of ICL

Pay for one academy and rest all academies are free. Industrial visits & expert lectures by experts in the field. Participate in R&D activities in Microsoft, Auto Desk & PTC on behalf of college.

Courseware on the pattern of IIT and NIT syllabi. Education content is available in multiple mediums i.e. E- Books, Voice Lectures, How-to-Do Videos, Self Assessments & Industrial Scenarios.

Courses costing over one Lakh in open market being taught by ICL Group of Colleges at meager cost of Rs 2000/- per semester. Examination fee would be paid by students, in addition, for each academy.

ICL Institute of *Engineering & Technology*

"Science is the study of what is, Engineering Builds What Will Be" The scientist merely explores that which exists, while the Engineer creates what has never existed before". ICL Institute of Engineering and Technology was established in 2008 to provide quality education in selected engineering disciplines. Our excellence in professional development, national reputation and taking forward the challenges of future are few to mention. ICL ensures that the role of engineers and technologists in various industries that have an impact on daily lives. It takes on the role of developing, promoting and announcing the progression and transfer of the technology to its Professional Members and, in turn, members of the global community. ICL seeks to bring together individuals and institutions and Govt agencies & industries and education to evolve and develop engineering practices in India. ICL is the most relevant professional organization for all those working in the field of engineering and technology. ICL commitment is to provide updated resources and a highly developed structure that will enable the budding technocrats to meet the complex challenges of the modern world.

Er. Pervinder Singh Sandhu
Officiating Associate Principle

Mr. Parvinder Singh Sandhu is being attached with technical field from 1999 to Govt. polytechnic, Ambala City and having Graduate and post graduate degrees from reputed universities with 11 years of professional experience, pay personal attention, guidance and motivation for students, to take part in all the activities like seminars, Workshops, Paper Presentation and Robotics by believe in exploring the hidden talents of students.

ICL is well equipped with hi-tech laboratories, workshop facilities and enriched Digital classroom with reading room facility, Wi-Fi connectivity and internet facility through dedicated lease line offers broadband connection to stay in touch with world which is available to all students and faculties throughout the campus.

ICL thanks to the expert guidance of our faculty members along with a fusion of industry exposure through internship and training, which enhance the skills of the budding professional of tomorrow to suit the requirements of the industry and paves way for a wealth of employment opportunity after studying at our institute.

Aims & Objectives

Achieve excellence through exploration of ideas, their interpretation, application and dissemination of knowledge and provide a vibrant academic environment to produce knowledge based research oriented professionals and strengthen research activities.

- Foster strong industry-institute interaction to produce world-class professionals who will be known for their innovation, imagination, analytical competence, scientific intellect, business competency and entrepreneurial skills.
- To develop high quality, professionally groomed, technical various fields of and engineering manpower in engineering

Admission Procedure

Admission in the first year of Engg course will be made on the basis of result of the entrance examination. The admission will be made through on-line and off campus counseling by Haryana State Counseling Society, Haryana, Technical Education Deptt. The students who have not taken the entrance test for the Engg course can contact the Institute for direct admission.

ICL Institute of *Management & Technology*

ICL Institute of Management and Technology was established in 2008. For industry ready manpower, the solution lies in producing management graduates who can meet the industry requirements. ICL Institute of Management and Technology has emerged the fore runner in taking the country to a high degree of self-reliance.

Aim and Objectives

To sensitize students about various facts of managing people and practices of human resource management.

To acquaint the students with the broad framework of financial decision making and to develop an understanding of basic management science techniques and their role in managerial decision making.

To familiarize the students with basic management concepts and behaviour processes on the organization and to acquaint the students with emerging global trends in a business management. Imparting knowledge of formulation, implementation and evaluation of strategies in International business.

Mr. Deepak Saroha
Head of Deptt.

Mr Deepak Saroha is HOD in ICL institute of Management and Technology. He is graceful and pleasant personality who always keeps himself current with the latest. Mr. Deepak

Saroha is MBA, M-Com and having total experience of 7 years of teaching at ICL Institute of Management and Technology as Head of the Department (HOD MBA Deptt.) He has and incredible vision to "look over the horizon " to see the future and on inspiration to the student to settle for nothing less than the best. He very well realize that alongwith the student's academic growth, equally important is the enhancement of their total personality,. Thus he mentors then via spiritual guidance and counseling to inculcate in them the strength of character, a spirit philanthropy and the courage of a lion.

ICL Institute of *Management - Specializations*

Marketing

Marketing as specialization broadens the vision of the managers as it is treated as hub of every activity in an organization. Marketing conceptualizes consumer behaviour, international business, sales and retailing so that one can produce hard core marketing professionals. International marketing does give the exposure in advance marketing techniques, which help the budding managers in enhancing business across the globe.

Human Resources

The HR management functions in contemporary organization is to meet a general set of goals such as enhancing productivity and quality of operations also promoting individual, organizational and social development as the effective transactions. It is to sensitize the students to various facts of managing people and understanding various policies and practices of Human Resource Management.

Finance

Specialization in Financial Management gives an in-depth knowledge and exposure towards corporate world. Finance students will be equipped thoroughly on typical business modules to make their careers on top. The focus will be on forex working, capital management and international accounting standards that will give strong orientation for the world economy and develop them for the global commerce.

International Business:

ICL provides an opportunity to study the international business to acquaint the students with International framework of business in the field of foreign exchange, import and export procedures, license procedures and study of foreign affairs.

Information Technology:

The students are prepared for online operations and procedures. Since the modern day calls for the automation of all the operations, it is mandatory for the managers to be computer savvy and hi tech in the operation of information technology tools and practices.

Admission Procedure

Admission in the first year of the course will be made on the basis of result of the entrance examinations (i.e MAT/CAT for MBA) as per decision of Government of Haryana. (Entrance examination for NRI seats is not mandatory). The students who had not appeared in the MAT/CAT examinations may contact the Institutes for the direct admissions. The admission will be made to go through on-line off campus counseling by Haryana State Counseling Society, Haryana, Technical Education Deptt. The management quota seats @25% of the sanctioned Intake for MBA will be filled as per

1. MAT ranking for MBA
2. Merit based on percentage of marks in graduation
3. GD&PI

ICL Institute of *Technical Education*

ICL Institute of Technical Education was established in the year 2010 to provide quality education in selected Diploma Engineering disciplines. It is endeavour of ICL to develop high quality, professionally groomed, technical and engineering manpower in various fields of Diploma Engineering. The fourth batch of the Diploma Engineering would be passing out during June 2016 and large number of students have already obtained the placement letters for lucrative jobs in various disciplines. The placements are the indicators for the quality education, practical and workshop grooming being carried out at the institute. The aim and the vision of the institute is to make the diploma holders capable of getting jobs in industry and corporate world with flying colours. The personality grooming being carried out by the professional staff is an added advantage for the students getting into the professional field.

Admission Procedure

Admission in the first year of diploma course will be made on the basis of result of the entrance examination. The admission will be made through on-line and off campus counseling by Haryana State Counseling Society, Haryana, Technical Education Deptt. The students who have not taken the entrance test for the diploma course can contact the Institute for direct admission.

ICL Institute of *Architecture and Town Planning*

ICL Institute of Architecture and Town Planning was established in 2009. The ICL Institute of Architecture and Town Planning is a leading institute for bright and ambitious young builders of infrastructure. The course is planned to arouse students' curiosity and sharpen their powers of observation.

Aim and Objectives

The programme aims at attaining a high level of excellence in architectural design. The objective of the course is to develop a feel for structural principles as they relate to building design.

Study Curriculum

Course Structure: The college conducts a five-year (10-semester) course leading to the Degree of Bachelor of Architecture (B.Arch.), which is recognized by the Council of Architecture as well as AICTE. **Practical Training:** The students in their tenth semester undergo the practical training in approved architectural offices/ firms. This helps them in gaining practical knowledge in office and on site. It also helps in eliminating the gap between the theoretical and the practical approach to handling a project. **Thesis:** In the tenth semester every student undertakes a thesis project in which he gets an opportunity to prove his ability to independently handle all phases of a building design. **Curriculum:** Curriculum offers a mix of theory and simulated real life exposure. Its graduates are equipped to meet challenges from the day they are absorbed into the corporate sector. **Educational Tours :** Tours and site visits are organised with a view to expose the students to India's rich cultural heritage, besides giving them an opportunity to study examples of significant modern architecture at first hand.

Ar. Ravinder Partap
Director Principal

Ar. Ravindra Partap is B.Arch. from Chandigarh Colleges of Architecture, Chandigarh and besides Masters Degree in Architecture. He has the distinction of having been awarded the Gold medal and Silver medal in both the Bachelors and Masters disciplines. His commitment to the excellence focuses on innovative design with careful attention to function and marketability. This creativity and practicality is supported by his responsiveness to the client need and schedule. Understanding the underlying importance of integrating the services while designing complex projects such as Hotels, Housing, Colonies, Farm Houses, Office cum Residential Apartments, Hospitals, Cinemas & Multiplexes, Mini Townships, Religious Buildings, he lays due emphasis on it. He placed great importance upon completing the projects on time within budgets, whilst drawing on the best from his design time. His thematic concepts outgrow from hospitable interior space designs to effective Architectural facades.

Admission Procedure

Admission in the first year will be made on the basis of result of the entrance examination. The students who had not appeared in the JEE examination may contact the Institute for direct admission. The admission will be made through on-line off campus counseling by Haryana State Counseling Society, Haryana, Technical Education Deptt. The management quota seats (25 % of the sanctioned Intake including 15% seats for children/wards of NRIs) will be filled as per :-
 I JEE merit ranking
 I Merit based on percentage of marks in 12th standard examination.
 I Applicant is required to qualify the Online National Aptitude Test of Architecture (NATA) with minimum 40% marks.

NATA Training Centre

If you are dreaming to be an Architect, you must start preparing for NATA (National Aptitude Test in Architecture) exam. ICL Group of Colleges provides training to score excellent marks in the NATA exam. NATA test has two papers.

1. **Drawing Test** :- 100 Marks. (Two Hours) This test will be conducted offline.
2. **Aesthetic Sensitivity Test** . 100 Marks. (One Hour) This test is carried out online at the same test centers after drawing test is finished.. To crack NATA exam, you have to score 80 Marks out of 200 Total Marks of both papers.

ICL Institute of *Hotel Management & Catering Technology*

ICL Institute of Hotel Management & Catering Technology was established in the year 2009. The Institute offers degree program in Hotel Management and Catering Technology.

The degree course in Hotel Management and Catering Technology (HMCT) at ICL is a full time, regular programme to produce gems and empower potential youth of the future in the present era of industrialization and to acquaint the students with the emerging global trends in hospitality industry.

Aim and Objectives

The aim is to appraise the students about the concepts of Hotel Management control system as well as its role in efficient management of public system organizations. The course is designed to acquaint the students with decision making in: Planning, scheduling and control of Production and Operation functions in both manufacturing and services; Productivity improvement in operations through quality management;

Sarabjeet Singh
Heaf of Deptt.

Mr Sarabjeet Singh is the HOD of the ICL Institute of Hotel Management. The institute has made its historical beginning in June 2009, Slowly and steadily has established itself as premier Hotel Management Institute of the region. We have highly educated & dedicated teaching staff and the best of the infrastructure without which this college would not have attained these milestones.

We , at ICL Institute of Hotel Management & Catering Technology, know exactly the requirements of the Industry and we are here to bridge the gap between the academics and Industry. Hospitality Management is a profession that requires a diverse range of skills. The students are imparted knowledge about various aspect of Hotel Operations like Food & Beverage, Front Office, Housekeeping, French, Purchasing, Marketing, Law etc. specially Personality Development, and Public Speaking in order to prepare them for the hospitality Industry. It is our endeavor to give out trained professionals with the right skill and attitude, to serve the industry and be a pride to the organization.

Course Structure

The objective of this course is to acquaint the students with theory and techniques used in the field of hotel, hospitality and quality food production & service and to enable the progeny to apply knowledge in business decision making for their professional growth. The Hospitality, Human Resource & Leadership Management, Internship seminar with financial accounting & Analysis and the techniques of arranging convention, meetings and special events with personality development will be few major area of concern. The students will be familiarized with basic management concept and behavioural processes in the organization.

Admission Procedure

Admission in the first year of Hotel Management course will be made on the basis of result of the qualifying examination. The admission will be made through offline counseling by Institute. The students who are seeking admission to Hotel Management degree course are advised to contact the Institute for direct admission.

ICL Institute of *Diploma in Pharmacy*

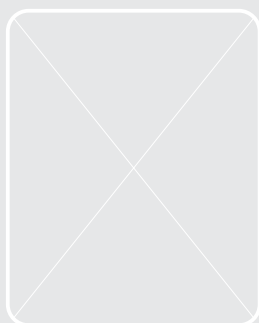

Aim and Objectives

The programme focuses on imparting knowledge about drugs used for different diseases dosage absorption mechanism of action drug action drug interaction adverse reaction. Candidates seeking advance knowledge in the discipline can apply for higher education.

Study Curriculum

Diploma in Pharmacy (D.Pharm) is a two-year academic programme streamlined to endow in-depth knowledge of science and technique behind the formulation of pharmacy practice and medicines management. The programme fundamentally provides an overview of the conjecture principles and practices implicated in the science of pharmacy including core subjects like Pharmaceutical Chemistry Pharmacognosy Pharmacology and Pharmaceutics.

The curriculum and syllabi for the programme are as per the Pharmacy Council of India (PCI) the statutory body governing pharmacy profession in India. In this programme students will gain insights into the chemical and physical properties chemical structure and uses of pharmaceutical formulae. The programme encompasses knowledge about the natural medicines which are obtained from plants animals marine and biological sources.

Himjyoti Sharma
Principal

Professional Activities

Smart Digital Classes

ICL Group of Colleges have entered into collaboration with Pearson Education Services (UK) for providing Smart Digital Class Room facilities, enabling the students to have access to online animated & Digital Contents of complete syllabi. The students will experience Hi-Tech class room teaching by reputed faculties, which is already a craze among the students. ICL Group of Colleges aspire and plan to seamlessly combine its international standards, content and expertise with our local knowledge and reach into our offerings and customize solutions that will propel education into a higher plane. DigiClass is our ICT-based classroom solution that aims at converting traditional classrooms into interactive session by combining state-of-the-art hardware with syllabus-compliant, multimedia content. Its preloaded repository has thousands of animations, self explanatory diagrams, 3D interactivity, worksheets, quizzes, e-books and several hours of experiments. It empowers teachers to customize lesson plans, add/edit existing content and add new subjects and content to the pre-loaded repository.

Soft Skills by Expert Trainers

The soft skill trainers of high reputation give tips on polishing the latent talent. This program also includes an open session of Mr. Saniiv Prabhakar, President, ICL Group Colleges with the students to make them understand the mantra of being a successful entrepreneur.

Career Counseling and Guidance Centre

ICL Group of Colleges inaugurated its Counseling Office at SCO 145-146, Sector 8C, Chandigarh in Jan 2016. The Counseling would be done absolutely free of cost and with the motive of helping students to choose the best careers as per their capabilities and aptitude. Understanding the dearth of quality career counselors in the region, ICL Group of Colleges has opened such an office to help the young talents get a right fit. The students coming for career counseling would be given a psychometric questionnaire specially designed by the top class faculties and educational icons of ICL Group Of Colleges. After analyzing the answers given by these students, faculties will interact with these students and will help them in choosing their career to suite their potential.

Cultural Activities

Freshers' Day

The Star Nite cum Fresher's Day 2015-16 was organised on 20 Nov 2015 by the Institutes of ICL Group of Colleges at the Campus with exotic pump and show. The Star Nite was lit up by famous singers Ninja and Dilpreet Dhillon. The Fresher's Day 2015 was organised to showcase the talent and welcome the fresher to the Institutes. The Fresher's Day 2015 is an activity to welcome newcomers and showcase the cultural skills available with the students. The Talent Hunt events comprised of dance, song, drama, plays and folk dances. The talent amongst the students was in abundance. The Bhangra and the ramp shows were the spirit of the function.

Saraswati Vandana

The students and the staff of the ICL Group of Colleges, offered prayers to Goddess Saraswati at Architecture Institute on 14 February 2017. Saraswati is the Goddess of wisdom and music. Wisdom is considered the best of all the things in this world 14 Feb 2017, being the Valentine Days also, the students of all the institutes of the ICL family preferred to offer Saraswati Pooja rather than celebrating the Valentine Day, speaks volumes of the cultural and enlightening affinity of the students studying in the ICL.

Lohri

The staff members and students lead by Mr Saniiv Kumar Prabhakar, President, and Mr Satish Prabhakar, Secretary, ICL Group of Colleges celebrated Lohri, the festival of fire and celebrations, named after Dula Bhatti at ICL Campus on 13 Jan 2018. The ceremonial fire was lit by Mr Saniiv Prabhakar, President along with Brig NP Sharma, CEO and Dr Savita Sharma, Director (Operations) at ICL Group of Colleges Campus.

Independence Day

Mr Saniiv Kumar Prabhakar, President ICL Group of Colleges hoisted the national flag in the campus of ICL Group of Colleges on 15 August 2018. The sarpanches of neighboring villages were invited especially to give them the sense of camaraderie and amity on the occasion of Independence Day. The staff, students, sarpanches, media and large public of surrounding areas took part in the celebrations.

Sports Day function

The Annual Sports Day of ICL Group of Colleges was celebrated on 11 Mar 2016 at the Campus. The Sports Day was celebrated to inculcate the spirit of team work and demonstrate the sporting talent among the students of the Colleges.

Beti Bachao Beti Pado

The ICL Group of Colleges participated in the Mission Beti Bachao Beti Pado at ICL Campus Shahzadpur town on 05 Feb 2018. The move was promoted by Haryana Govt to provide equal opportunities for the girl child. The ICL has proposed to adopt a village to support the welfare measures adopted by the present administration. The participants had painted their faces and were carrying placards with slogans like "save girls for a safe world", ladka ladki ek samaan", "beta shaan aur beti abhimaan".

Student Speak

It is a pleasure for me to have studied at ICL Group of Colleges which has refined my outlook as professional in the field of Management. The grooming of the students in a scientific manner in the institute is unique and distinctive. The interaction with the industry and experiential learning has placed the institute a class apart. The Digital Smart Class Room teaching is exceptional and has provided a paradigm shift in interactive class room teaching.

Iqra Manzoor, B-tech

It is an honour that ICL Institute of Engineering and Technology which has shaped my concept for the Engineering and made me confident to take on the challenging task in the field of Engineering. The shift from the conventional teaching to the Industry interface experience is rewarding. The Special Training Centers at campus is the pioneering step taken by the Institute in the Northern.

Kajal, B-Tech

ICL is a brand name which has fancied large number of students in the northern part of India. The kind of training we have got in ICL is exceptional and enterprising. The interface with the local industry has impressed me the most and it has made me feel proud to have studied at ICL.

Lalit Sharma, B-Tech

The infrastructure of the Engineering is worth praising. The computer labs with round the clock broadband connectivity is the highlight of the campus. The Wi Fi campus facilities enable the students to have access of the internet in the hostels. The tie up with the reputed companies for the campus training is an added feature.

Yasir Riyaz, M-Tech

The sports facilities and the extracurricular activities in the ICL have been exceptional. It has cricket ground of the international standards. The Student Centre caters for all the facilities and the gymnasium set up in the hostel caters for the daily routine exercises.

Amit Patel, Diploma

The boys' hostel within the campus are added advantage. The hostel is secure with round the clock security with excellent cleanliness. The quality of food is sumptuous and delicious. The round the clock power supply is excellent well supported by the backup generators. The hostel rooms are catered with all the accessories like mattress, linen and coolers. The facility of the gymnasium with state of art equipment is icing on the cake.

Sunil Yadav, Diploma

Student Speak

The application based teaching is highly beneficial and experiential learning adds new outlook for the academics. The Digital Smart Class Room teaching is exceptional and has provided a paradigm shift in interactive class room teaching. The teachings has been highly innovative and creative with the help of additional IT programs introduced by the institute.

Anirudh Verma, B-Tech

It is an honour that ICL Institute of Engineering and Technology has given meaningful start to my career with demonstrative pattern of studies. The Special Training Centers at campus are great exposure to learn what normally the students studies after completion of the normal degree engineering course.

Mehdi Hassan, BHMCT

ICL is a great brand for academics excellence in and around Chandigarh region. The institutes has been in the forefront of introducing the new concepts and the technologies for the students. The interface with the local industry is great and meaningful. The industry exposure has given us adequate confidence and expertise.

Sidhanth Khajuria, MBA

I having come from North eastern part of the country, and am really enjoying academics and discipline in the campus. I really enjoy the security and mental peace, which is issue in some of the institutes for the students from the North East. The computer labs with round the clock broadband connectivity are available to the students. The Wi Fi campus facilitates the students to have access of the internet in girls' hostel in an uninterrupted manner.

Mukesh Sah, B-Tech

The sports facilities and the extracurricular activities in the ICL are worth mentioning. It has cricket ground of the international standards. The tournaments with the local colleges and schools are played with great fan fair The student centre caters for all the facilities and the gymnasium set up in the hostel caters for the daily routine exercises.

Rajesh Kapad, B-Tech

The quality of food in the hostel is good and delicious. Round the clock power supply is excellent and same is well supported by the backup generators. The hostel rooms are equipped with all the accessories like mattresses, linen and coolers. The boys and girls hostels within the campus are great advantage for security and discipline. The boys' hostel is secure with round the clock security with excellent cleanliness.

Aashik Sharma, B-Tech

Placements

ICL Group of Colleges has been in the forefront of placements and getting its student placed in the reputed companies, which are making the placement drive in the campus and students are going for kill by grabbing the lucrative job offers from these companies. The institute has a dedicated Placement Cell staff of high calibre and dedication. The Placement Cell has vast network with the industry and the corporate world, thus facilitating the passing out students to secure good placements.

Placement drive by a large numbers of companies was carried out and the selected candidates were given package between 4 to 12 lakh.

Industry Views

Col S Chakarvarty Second in Command 2 Corps Op Sig Regt. visited ICL Group of Colleges Campus for the Campus placement of the budding Engineering Graduates in the Army. The engineering graduates due to pass out were interviewed by him and five students were selected by him to appear before the Services Selection Board for entry into Indian Military Academy Dehradun under University Entry Scheme(UES)

Col (Dr) SS Khera (Retd), CEO, Zanders Engineers Limited an engineering graduate, doctorate in management and fellow of Institute of Engineers (India), was highly appreciative of the approach followed by ICL Group of Colleges for giving cutting edge technology to the students of the Engineering Institute by getting into collaboration with Microsoft IT academy, IETE and P TC Advance Training Centre. He felt that such programmes by the professional Institutes would enlighten the students with the loads of expertise and experience.

Mr SP Bhandari , CEO , Success Horizon , New Delhi spoke highly about the Management Institute for conducting its curriculum and giving practical experience to the students by providing opportunities to the students to be industry ready. The mock interviews, general awareness and personality grooming of the students speaks volume of the steps initiated by the management of the Institute.

Facilities

Workshops

Workshop training is the foundation of engineering education. The workshops of ICL Institute of Engineering and Technology comprise Machine Shop, Foundry Shop, Fitting Shop, Welding Shop, Carpentry Shop and Smithy Shop. All the shops are spacious and well equipped to put vivid impression on the students.

Laboratories

The latest and ultra modern equipment are installed in various laboratories of ICL Institute of Engineering and Technology. Various laboratories are equipped as per the latest revised curriculum of Kurukshetra University for Engineering disciplines.

IT and Computer Labs

The IT labs are air conditioned with the State of the Art computers having latest configuration and Microsoft Legal Software under Microsoft Campus Agreement for all the necessary software and knowledge base for study, research and development. There are more than 350 PCs connected with Gigabyte Network, Managed Layer 3 & Layer 2 Switches with campus backbone on fiber to connect all the labs with data centre equipped with 3 hi-end servers to ensure security and user management. Round the clock internet facility is available to everyone in the complete campus with high speed lease line connectivity of 12 MBPS.

Wi-Fi Campus

The Wi-Fi facility has transformed the conventional classrooms into Hi Tech Classrooms. The Projection Capable classrooms is a proven, reliable and faculty-friendly system to satisfy the requirements of faculty and the students.

Medical Facilities

Besides separate first aid boxes in hostels and academic blocks, the medical officers have been engaged from time to time for medical treatment of students. A vehicle along with attendant is maintained in the campus round the clock in case of an emergency situation. A general dispensary is fully functional which caters for adequate medical facilities for the students.

Tutorial Rooms

The training sessions in small batches for learning are unique and interesting. The beautifully cushioned tutorial chairs are an additional pedagogical tool available with us to assess the effectiveness of the session.

Sports Facilities

The playgrounds and infrastructure for the outdoor games of basketball, volley ball, cricket and badminton have been made available in the campus. The facilities for indoor games are also available. The cricket ground is laid in the centre of the complex with the golf greens coming up on the outer edges of the ground.

Library

The library plays an important and quite significant role in students' knowledge gaining by imparting better education, both formal and in-formal. A full fledged formal & in-formal library exists in the college. Library operates from 9.00 am to 5.00

Transportation

The College has a large fleet of buses running to all directions to provide college transport facilities from Ambala, Yamunanagar, Kharar, Shahbad, Saha, Barwala, Derabassi, Zirakpur, Mohali, Chandigarh and Panchkula. The bus services are available on no profit no loss basis as per the directions of the University. Pickup points have been designated closest to the students places of stay to make it convenient for them to board the buses. The college is providing help in making the passes for Govt transport buses, free of charge.

Student Centre & Hostel Facilities

Student Centre of ICL Group of Colleges is exquisite and superb building housing college canteen, shops, Girls Common Room, Boys Common Room, Medical Room and Indoor Sports Facility Rooms. The student centre exteriors are landscaped with lush green grass and the dazzling gazebos for students to enjoy the landscape with leisure.

Hostel Facility: At ICL we recognize the need of students to feel comfortable and adaptable to the new surroundings. We ensure that the transition from their home to hostel is smooth enough. There is provision of coolers in all the rooms. The rooms are spacious, well lit and maintained with proper hygiene. The sumptuous menu is served to the hostel students. Wi-Fi facility, gym, library, e-learning and various sports facilities like cricket, volley ball, basket ball are available adjoining the hostel.

The 24 hour power back up prevents any distraction in the learning process for the students. Sight seeing and visits to Chandigarh on holidays are also organized

Hostel Fee: Rs 27500/- is charged per semester. Rs 2000/- are charged as the caution money. The students are not be allowed to leave the hostel mid way during the academic year.

Scholarships

Shilpy Bajaj and Amit Saini are responsible for processing the scholarship forms all the new and existing students. The students are advised to deposit all the requisite documents for the scholarships at the time of admission or before 20 Aug every year. The students should take advise of the admission cell before filling the forms. ICL Group of Colleges has a highly competent and experienced team for processing of scholarships for all the states.

The following documents are required to be submitted by the students by 20 Aug every year: -

- Application Form
- Academics Certs (1 0th, 1 2th, Graduation Marks sheets as applicable)
- Income Cert
- Caste Cert
- Residence Cert
- Aadhar Card
- Bank Account Details
- Photos-2
- Signature of parents and students
- ICL institutes would provide Institute Approval letter, Fee Structure, Hostel Letter

Shilpy Bajaj

Admission Cell

Manish Sharma is responsible for the complete admission process in the ICL group of Colleges. All the students are advised to deposit all the documents well before the last date of the admission process which is normally 15 Aug every year. The students are advised to deposit all the qualifying certificates and migration certificates well in time, failing which the students would be penalized for with late fee and their results are unlikely to be declared in time.

Scholarships by Govt.

Director Marketing

Kr. Suvir Singh Balouria

Suvir Singh Balouria is a graduate from Jammu University and post graduate in Management from Kurukshetra University. Presently he is pursuing PhD in Management. He has also worked as a management consultant and has extra ordinary expertise in reviving of sick units. He takes personal responsibility in response to the student issues. Highly dedicated and proficient in management skills and has the experience and expertise to run companies efficiently.

Marketing Team Members

Directors Admissions

Rajesh Chauhan

He is graduate and post graduate from Kurukshetra University, he has been active for career guidance of the students. Highly dedicated and proficient in management skills and has the experience and expertise in career shaping and guidance. He is soft spoken and down to earth and has fair dealing with each parent and student. His immaculate and sincere approach towards the students of hilly areas has won him lots of hearts.

Marketing Managers

Nityanand Mishra

Nityanand Mishra is expert in the career counseling of the students. He is motivator and counselor for the science background students, who are aspiring become future technocrats.

Rishikesh Pandey

Rishikesh Pandey has great approach and clear vision towards career counseling and motivating students to right career and also guide them towards better future prospects. He is an active member of ICL Family.

Rajkumar

Rajkumar has enormous experience in the field of career guidance and counseling. Being graduate himself he has added advantage to redefine the concept of educating the students to opt for the optimal and suitable career options.

Shiv Shankar Jha

Shivshankar Jha has been rendering quality career guidance to the students of all walks of life. The imparting of education, ethical and moral values is aimed at broadening their vision, outlook and overall personality.

Shashikant Dubey

His dedication and determination and affinity to the students are unparallel and unique. He has added advantage to redefine the concept of educating the students.

Gopal Joshi

Highly dedicated and proficient in management skills and has the experience and expertise in marketing and admission process.

Rajan Choudhary

He is an academican and has the ability to work in a competitive environment. His dedication and determination and affinity to the students are unique.

Career Counsellors

Er. Akhil Mahajan

Er. Akhil Mahajan is an International director marketing with post graduate (M Tech) in Electronics and Communication Engineering from Kurukshetra University. He has been doing career counseling of the students to choose the careers to their potential and liking. He is an excellent teach and guide to the students.

Parveen Rajput

An astute academican with post graduate engineering degree (M Tech). He has been rendering quality careear guidance to the students of all walks of life. The imparting of education, ethical and moral values is aimed at broadening their vision, outlook and overall personality.

Shashi Bhushan

Shashi Bhushan is a graduate with science background. Highly dedicated and proficient in management skills and has the experience and expertise in marketing and admission process. He is highly dedicated and available round the clock for any job.

Harinder Singh Harry

Harry is graduate from Kurukshetra University. He looks after the administration and project of the ICL Campus. He is expert in the field of human management which meets the requirements of students' welfare, discipline and upliftment.

Adesh Panchal

Adesh Panchal has been active for career guides students and highly dedicated and proficient in the management skills and has got the experience and expertise in career shaping and guidance.

Er. Manish Nagpal

Manish Nagpal carries tons of experience in the field of career guidance and counseling. Being Engineering graduate himself, he has added advantage to redefine the concept of educating the students to opt for the optimal and suitable career options. His dedication & determination and affinity to the students are unparallel and unique.

Kulbhushan Sharma

Kulbhushan Sharma is a reputed academican and pioneer in the field of education in Haryana. He is wearing several hats in the field of education and public life. like President All India Private School Association, State President Federation of Private Schools, National President (NISA)- National Independent School Alliance.

Birender Kumar

Birender Kumar is double MA from Kurukshetra University. He is graduate and post graduate. He is expert in the field of academics & management which meets the requirements of students' welfare, discipline and upliftment.

Er. Suhail Lone

Er. Suhail Lone is assistance professor in M Tech Civil with 3 years of teaching experience and career counseling. They are academican with good experience and expertise.

Malkit Singh

Malkit Singh is responsible for the welfare and discipline of the students in the campus. He has varied experience in the defence forces which is quite handy in managing the welfare of the students. He has been associated with the institute from the beginning of the campus in 2008

Career Counsellors

Manish Yadav

Manish Kumar Yadav is an academican with science background has the ability to work in a competitive environment. The candle of teaching and learning is always being lighted with a teacher who always works on students centric approach. Her dedication and determination and affinity to the students are unique.

Ajit Giri

Ajit Giri is responsible for guiding the students to choose careers to suit their talents. he have been working tirelessly in Bihar and Jharkhand area to motivate the students to choose appropriate careers

Salman Ansari

Nikhil Sharma

Nikhil Sharma is true brand ambassador for the student coming from remote and hilly area of Himachal Pradesh, who had least exposure to the environment to compete with the students from the metros.

Academic Counsellors

Skill Development through National Skill Development Program

ICL Group of Colleges recognizes the fact that mere academic degree is not sufficient to get good placement. Therefore, we have launched a noble scheme in collaboration with NSDC (National Skill Development Corporation), a Govt of India agency under the Ministry of Finance, wherein students are given extensive training under varied skills of their choice.

Successful students are given certificates of excellence in the relevant skill by the NSDC, which is a Govt body. This certificate acts as a catalyst in the placement of the students in highly acclaimed organizations, in Public as well as Private sectors. Beauty of the scheme is that rather than the student making any payment for the skill Development Training, adequate monetary reward is paid to the students, along with the Qualification Certificate.

This scheme is highly popular amongst the students and a number of them have already been benefitted through this noble but unique scheme.

Educate Betiyan

Special Scholarship Programme "Educate Betiyan" for Girl Students

Girl Students securing 85 % or more marks in 10+2 Exam for admission to B Tech & Hotel Management and 80 % or more marks in the Graduation Exam for MBA Course are given scholarship amounting to 1 00 % of the tuition fee. The amount of scholarship, in case of admission for B Arch courses will be 50 % for the girl students who have scored 85 % or more marks in 10+2 Exam. Girl Students securing between 75% to 84.9% marks in the above exams are given scholarship amounting to 50% of the tuition fee for B Tech & Hotel Management . Free education (only Tuition Fee is exempted) is provided to the second girl child studying in the ICL institute of Engg and Tech in IT and ECE only.

Honours and Awards

A felicitation function was organized at Govt Welfare Hostel Mahendru, Patna, to commemorate the Jogender Nath Mandal Birth Anniversary and felicitate the best institute providing quality education to Bihar students. Student Support Cell

This cell is headed by Anchal Sharma and Manish Sharma, who are having years of experience and expertise in conflict resolution. This cell was found with great purpose that is to resolve every sort of problems that is being faced by students', whether local or from other States. They are totally impartial while resolving any conflict or any issue. Every student addresses his or her problems to this cell and it is dealt with firm attention. All students related problems are responded immediately and cell ensures that student is completely satisfied with the resolution.

Rules and Regulations

Conduct : All the students admitted to the institutions will be under the complete disciplinary control of the Director-Principal or any other person(s) appointed by him. Strict disciplinary action shall be taken against any student who violates the discipline of the college.

I - Card : On admission, every student shall secure an identity card and shall produce the same on demand. At the time of leaving the institute, it shall be returned to the Institute, otherwise a recovery of Rs. 100/- will be made.

Uniform: All the students are directed to wear laboratory coats during the lab classes. In order to maintain uniformity, students have to wear prescribed uniform as notified by the Director- Principal .

All students shall procure text books, note-books, tools, instruments, calculators, apron/lab coat as prescribed by the Director-Principal / faculty for their use in the Institution. While on campus, students are required to take care of their belongings and Institute is not responsible for any loss or damage.

Leave Record: Any absence from the Institute has to be supported by an application. It is necessary to submit an application for absence (for reasons of ill health, a doctor's certificate is essential) duly endorsed by the parents. Every student shall have to attain the prescribed percentage of attendance, failing which he/she will be debarred to sit in the university examination.

Students are advised not to break or spoil the furniture or laboratory equipment. Anybody found guilty shall

be fined as per the cost of damage to the property. No student is allowed to bring floppies/pen drives in the computer center. Any student violating the rules shall be fined and the same will be confiscated.

All changes of residential address of the parents/guardians office should be intimated at the earliest to the office/Institute.

Collection of funds by students for any use is forbidden without the specific written orders of the Director-Principal.

Students shall abide by the library rules to utilize library facilities.

Students shall bring personal or academic issues to the notice of class counselor in first instance, then to HOD, if unresolved.

Use of mobile phones is strictly prohibited inside the class rooms, college corridors, laboratories, workshops, computer labs and libraries. Institute will have the right to confiscate the mobile phones, in case of any violation.

Drinking and smoking is prohibited in the campus

Ragging: Ragging of any kind is prohibited as per the orders of Hon'ble Supreme Court of India and the Notification of the Kurukshetra University. Any student indulging in ragging shall be punished as per the law and is liable to be rusticated from the Institution.

Jurisdiction: All litigations involving the ICL Hi Tech Educational Society and its Institutes would be dealt under the jurisdiction of Ambala District only.
