- 48+ Years of Excellence in Education (Established in the Year 1975) and about 22 years of producing Quality Engineers.
- Located in the Industrial hub and one of the Medical Centres of India, Easy access to Coimbatore Airport & Railway Station and very near to Walayar.
- Affiliated to Anna University and Approved by AICTE, New Delhi,
- Producing Consistent University Rank holders every year.
- Technological Research Incubation Centre (TRIC) to promote research activities.
- Entrepreneurship Development Cell (EDC) to establish a successful enterprise.
- Dhaanish Learning Centre (DLC) to develop abilities and skillset.
- 100% Placement Support for Eligible students with Top Recruiters.
- State-of-the art equipments with Well Established Laboratories.
- Free Internet facilities for Career and Skillset Development.
- Qualified, Committed & Dedicated Faculty members.
- High Quality Education at affordable fees.
- Vibrant Students life and great diversity.
- Special Branch like Artificial Intelligence, Bio Medical, Food Tech & Robotics are available.
- Delicious Food- Hostel Mess, Canteen, Food Court & Cafeteria.
- MOU with leading industries & Hospitals in various parts of the Country.
- Value Added Courses in Collaboration with Industries.
- Advisory Bureau for Higher Studies (ABHS)- GATE / GRE / TOEFL / IELTS, Overseas Education and Foreign Language Coaching Assistance.
- Every Year about 1.5 crore rupees worth of Scholarship is Extended by the Management for deserving meritorious Students.
- Outstanding Students support programs and Young Ramanujan Award for budding minds.

COURSES OFFERED

B.E - Biomedical Engineering

B.E - Computer Science & Engineering

B.E - Robotics & Automation Engineering

B.Tech - Artificial Intelligence & Data Science

B.Tech - Food Technology

B.Tech - Information Technology

B.Tech - Petroleum Engineering*

PROFESSIONAL TIE-UPS

STUDENT COUNSELLOR

We strongly adapt holistic approach to assist and mentor the students by trained Counsellors on Professional basis to resolve personal, social and psychological problems and difficulties.

ABOUT DAIT...

Dhaanish Ahmed Institute of Technology (DAIT) is under the aegis of the Ayanavaram Educational Trust (AET), which was established in the year 1975 by the founder and esteemed **Chairman Alhaj.K.Moosa**, with a noble aim of promoting 'Technical Higher Education'.

The founder **Chairman Alhaj.K.Moosa**, he himself is an Educationalist and Philanthropist with very rich experience in the field of education, whose focus is to provide quality technical education to the socially and economically backward segment. Presently, AET is managing schools and Engineering colleges, educating around 5000+ aspirants every year.

ALHAJ K. MOOSA FOUNDER & CHAIRMAN

In the current global scenario, our institution has committed itself to the task of creating highly competent technocrats, who can build the enterprises and meet corporate challenges in the changing environments. This is an opportunity to prove our reputation in international market. This is being our primary objective; we impart high quality education by providing required infrastructural facilities in an impeccable, conducive and student-friendly campus.

MR. K.A. AKBAR BASHA DIRECTOR

The college aims at creating technically excellent and morally committed citizens to serve our great country. We build a "Better" nation through quality technical education. Innovative thinking skills and foundation of values, leadership with a clear purpose and vision, gladly forayed into the field of Quality education, which made DAIT steered to One among the Top 3 Colleges in Coimbatore region and the title of No.1 Muslim Minority Institution in Tamilnadu.

MR. A. THAMEEZ AHAMED CHIEF EXECUTIVE OFFICER

The budding engineers should go with the international standards to sustain technological progress. It is directly proportional towards the demand in future. Initiatives have been taken to cater our aspirants according to their career needs. This is being delivered by well qualified faculty team with devotion & dedication.

DR. K.G. PARTHIBAN PRINCIPAL

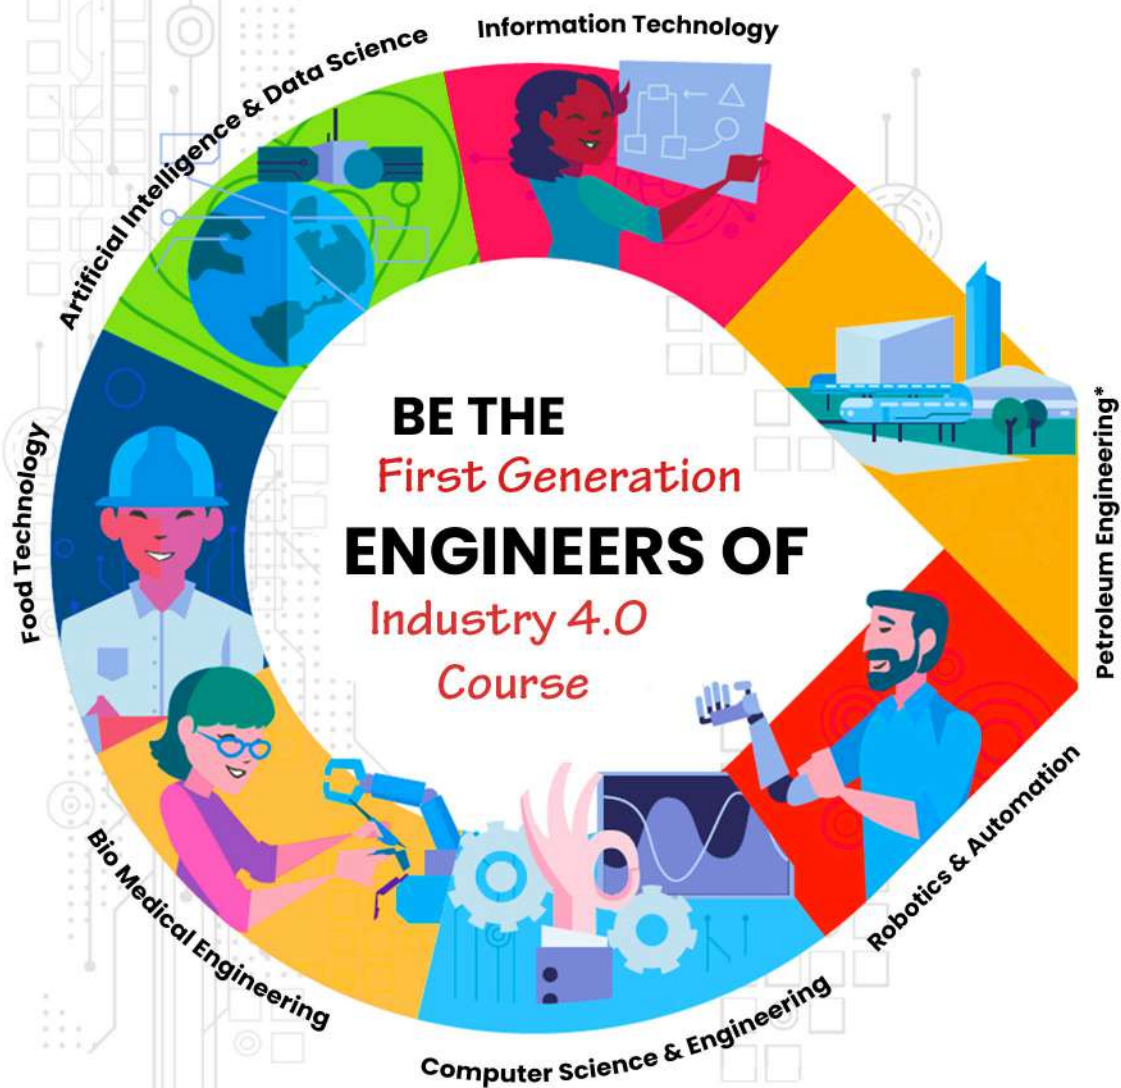

The confidence level is being enhanced through positive attitude and the aspirant's career interests are well focused here. Various activities such as symposia, workshops, conferences, Invited Lectures are made part of the curriculum. Industrial Visits, Internships, MOU's with reputed organizations added with Employability skills, training activities with professionals help the students to become successful Engineers.

CENTRE OF EXCELLENCE

We, as an institution lay enormous emphasis on Industry Institute Inter-action activities. We put in every effort that is required to provide the industry with highly qualified and skilled fresh engineers. A separate Technological Research Incubation Centre (TRIC) has been established and lead by senior faculty members with industry experience.

The activities of the TRIC include frequent visit and meeting with the industry personnels, signing of MoUs with companies, establishing and maintaining Centres of Excellence, promoting research activities, accelerating projects into proto-types and products.

SMART INDIA
HACKATHON
2022

STUDENTS OF DAIT PARTICIPATED IN SMART INDIA HACKATHON 2022 AT GALGOTIAS UNIVERSITY, NOIDA ORGANISED BY GOVERNMENT OF INDIA

OUR STUDENTS OUR PRIDE !!!

- Darwaz Musharaf Ali & Team from final year Participated in Smart India Hackathon (SIH), Galgotia University at Greater Noida organized by Govt of India.
- Harish Kumar.N.M (I AI & DS) & E.Anto Stegin (I R&A) won the cash award for paper presentation in Cyber nautz 2023 Symposium on 09.03.2023, conducted by Nehru Institute of Engineering and Technology, Coimbatore
- Nissar Hussain, Shameel, Surya from II Food Technology Department participated and won First Place "Craft Cooking" in the National Conference conducted by Karpagam Institute of Technology, Coimbatore.
- Naeem Abdul Salam of Second year BME was awarded first prize for his project "Third Eye", which uses Ultrasonic Navigation System for Blind people at Muthayammal Engineering College, Salem.
- Surya, Nissar Hussain, Shameel from II Food Technology Department presented Research paper in the National Conference conducted by Karpagam Institute of Technology, Coimbatore
- Bazil Hussain & Team from III ECE Participated in Ideathon 22 at KANGEYAM group of Institutions
- Syed Ishaq.S of II CSE participated in Hackathon conducted by Karpagam Institute of Technology
- Sudhakar B of II CSE participated in Paper Presentation and secured third place at Dr NGP institute of technology
- Abitha Begam A and Samna S and Aysha Febin S, Moncasri G, Punitha V participated in Matlab workshop at karpagam college of engineering
- Seethal III BME & Team participated in National level Biobrainstorm 22 at Dhanalakshmi srinivasan College of Engineering Secured 1st prize
- Rithick M & Iokesh B of III R&A participated in project expo and secured 3rd place with cash award at Dr. N. G. P Institute of Technology.
- Mohamed Fahim of II R&A Participated in Quiz Competition - Mind Spork and won First Place conducted by Dr N G P Institute of Technology.
- Nathash Nazar Abdullah of second year CSE secured third prize on "Artificial Intelligence" held at an Intercollegiate Meet organized at DAIT, Coimbatore.
- Muhydeen Abdul Kather.S and Mohammed Rifay of second year CSE have won second prize on topic "Internet of Things" held at DAIT, Coimbatore.
- Sugaina & Team from IV BME Participated in Medinnova 22 at Prashan Medical technology.
- Rithick M and Mohamed Rizvan S of III R&A participated in MEDICNIK project expo conducted by Karpagam Academy of Higher education and secured First place

VALUE ADDED COURSES

Value-Added Courses are part of our curriculum designed to provide necessary skills to increase the employability quotient and equipping the students with essential skills. We focus the essential VAC such as Hands on training in Industrial robot, Industrial automation, PLC, CISCO - networking and security training, full stack python training, WEB technology, industrial programming in C, etc. Through these extra courses, they are bridging the skill gaps for the industry readiness

APTITUDE & SOFTSKILL TRAINING

The Aptitude & Softskill trainers strive in building the best tradition of academic and personal life. The aptitude & softskill are of paramount importance in all the National and International forums. The department transacts teaching and learning in a variety of interactive ways to enable the highly competitive and globalized challenges.

COLLEGE LIFE BEYOND ENGINEERING

Fests & Events promote lateral thinking, unity in diversity, it brings students into dialogue, it increases creativity, it offers opportunities for civic pride & it improves our general psychological well-being. We love the crowds at fest because they're so chilled out

Colourful and Memorable College Events are organized at Dhaanish Ahmed Institute of Technology every year. It is a humane extravaganza, providing a platform for young and creative minds, to bring out their hidden talents in a spirit of healthy competition.
