## IIMB: A paradigm shift

Established in 1973, Indian Institute of Management Bangalore (IIMB) is widely acknowledged as one of the premier management institutes in India, with an international reputation for the quality of its post graduate and doctoral programmes.

IIMB is renowned for the excellence of its faculty who have studied and taught at some of the best management schools in India and abroad. Their research regularly appears in leading global publications and academic journals. They bring rich industry, consulting and academic experience to the classroom, creating a stimulating learning environment.

The IIMB campus, spread over close to 100 acres in south Bangalore has striking all-stone architecture, landscaped gardens and world-class infrastructure. Its location in India's high technology capital puts it in close proximity to some of the leading corporations in the country, giving students the opportunity to integrate classroom knowledge with extensive industry interaction.

IIMB's distinctive feature is its strong focus on leadership and entrepreneurial skills that are necessary to succeed in today's dynamic business environment.

### VISION

**Why Bangalore is ideal for living and learning** - Bangalore, one of Asia's fastest growing cosmopolitan cities, is among India's best places to live in. It has become synonymous with disruptive innovation and entrepreneurship. As the start-up hub of India, it is also a happy talent hunting ground for companies including Airbus, Amazon, Flipkart and InMobi. It is a new-age city that has retained some of its old world charm and enjoys a fabulous climate.
