SRI RAMACHANDRA
INSTITUTE OF HIGHER EDUCATION AND RESEARCH
(Deemed to be University)
Porur, Chennai - 600116

Sri Ramachandra Medical College and Research Institute was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private non-profit self-financing institution dedicated to serve the society as a Centre of Excellence with emphasis on medical education, research and healthcare. In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College & Research Institute as a "Deemed to be University" in September, 1994 under Section 3 of the University Grants Commission Act, 1956. The Trust achieved the task of establishing this Institution as a "Centre of Excellence" under the leadership of Late Shri. N.P.V. Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the First Chancellor of the Deemed University. Shri. V.R. Venkataachalam is currently the Chancellor of the Deemed University and also the Managing Trustee of the Trust. Shri. R.V. Sengutuvan is the Pro-Chancellor of the Deemed University.

The objective of the institution is to have the facility raised and developed to a level comparable to any major medical establishment in advanced countries. With this goal in mind, the Trust, in close co-operation of, and able guidance from professional experts in administration and teaching, has developed this sprawling 150 acres of green campus to a level of a prestigious Deemed University today. Further milestones were reached as on April 1, 1997 when an inter-institutional alliance between Harvard Medical International, USA and Sri Ramachandra Medical College and Research Institute was signed, which had further led the institution towards enhanced quality in the areas of medical education, health care and research and enhanced its visibility and recognition at the international level.

Harvard Medical International, in its annual report 2007, stated that "Sri Ramachandra is the model of a learning institution in both its medical school and hospital. They have pursued faculty development with great rigor, and in the hospital are striving to be a quality leader in India. The Institution stands out because of its commitment to taking care of all".

Sri Ramachandra Medical College and Research Institute is among the very few Medical Institutes in India which have been sanctioned 250 seats in MBBS Degree course by the Medical Council of India from the academic year 2011-12.

As notified by the Central Government, the name of the Deemed University has been changed as "Sri Ramachandra Institute of Higher Education and Research" from August, 2018.

An important milestone has been achieved when Sri Ramachandra Institute of Higher Education and Research was graded as Category - I University by the UGC in the year 2018.

SRI RAMACHANDRA FACULTY OF MANAGEMENT SCIENCES:

Sri Ramachandra Faculty of Management Sciences (SRFMS) is a unit of Sri Ramachandra Institute of Higher Education and Research (SRIHER), a Deemed to be University (formerly known as Sri Ramachandra University), had its origin as Sri Ramachandra Medical College and Research Institute which was established by Sri Ramachandra Educational and Health Trust under its Founder & Chancellor Shri. N.P.V. Ramasamy Udayar, in the year 1985, as a private not for-profit self-financing institution and dedicated to serve the society as a centre of excellence in medical education, research and health care. SRIHER has been accredited (cycle-3) by National Assessment and Accreditation Council (NAAC) with A++ Grade and placed in category-I Universities in India by the UGC and ranked 57 among Universities in NIRF-2023.

SRFMS is introducing a graduate program in commerce with a motto to develop the workforce of the 21st century who will meet the dynamic requirements of businesses in India and abroad. The B.Com (Hons) Program aims to develop depth knowledge, skills, and attributes in students to meet the challenging needs of the accounting, auditing, and taxation fields. The program focuses equally on theoretical and practical aspects of the above-mentioned domains and prepares them to become accounting professionals competent to pursue professional programmes like CA/ACS/CMA by the side. The program is spread over eight semesters with exit option in the sixth semester granting a regular B.Com degree and culminates with a research project in the last semester.

In addition to these programmes, B.Com (Hons) Twinning-Bentley offers a greater opportunity to the students to pursue their final year of B.Com (Hons) in Bentley University. Bentley being a topper in career and placement management in the USA, lucrative jobs with attractive package are guaranteed to the graduates.

BACHELOR OF COMMERCE (B.Com)

The Bachelor of Commerce (B.Com) program at SRFMS is a dynamic and comprehensive four-year undergraduate initiative designed to meet the evolving demands of the global knowledge economy. In collaboration with Bentley University, USA, renowned for its specialization in Business, Accountancy, and Finance, the program introduces a ground breaking twinning option. This allows students to choose between two Honours programs: one where they complete the entire four years at SRFMS and another where they undertake their fourth year at Bentley University. Exit option is embedded at each of these options, in which case B.Com degree would be given. The curriculum is meticulously crafted, balancing theoretical foundations with practical applications, and aligning with industry requirements to produce graduates ready for the challenges of the 21st century.

A unique feature of the B.Com program is its practitioner-teacher model, ensuring that students benefit from real-world industry experience. Blending traditional and online learning methods through the use of Learning Management Systems (LMS) enhances the educational experience, making it adaptable to the digital landscape.

Moreover, the program places a strong emphasis on preparing students for professional certifications like CA, ACS, CMA, CS and ACCA. Graduates can explore diverse career paths, including roles as Taxation Associates, Banking and Insurance Professionals, Financial Analysts, and Financial Planning Consultants.

The two options in the Honours program allow students the flexibility to choose between completing the entire program at SRFMS or traveling to Bentley University for their fourth year. Both options are underlined by unique selling points such as a curriculum aligned with industry requirements, an intense focus on practicum, and support from the Institute of Cost and Management Accountants of India (ICMAI). Bentley Advantage further adds significant value with guaranteed placements in the USA, admission benefits, on-campus housing, and the opportunity for a 1-year Master's in Finance or Financial Analytics at Bentley. In essence, the B.Com program at SRFMS is not just an academic journey; it is a strategic investment in developing a globally competitive workforce, poised to shape the future of the business landscape.

HOSTELS:

There are separate hostel facilities for both men and women students with 3500 single rooms inside the campus to accommodate undergraduate and postgraduate students. The campus has continuous running soft water supply and power supply. The greenery of the campus give a resort-like-ambience which is highly conducive to pleasant learning and peaceful living within the campus. Hostels are also equipped with internet facility for the benefit of the residents.

SRI RAMACHANDRA HOSPITAL:

Sri Ramachandra Hospital is a major tertiary care and referral centre located within the campus. The Hospital caters to the needs of the students for their learning and training in various specialties. Placed in a suburban locality and amidst major highways, the hospital serves a cross section of the community belonging to every economic segment of the society. On an average 5,000 patients visit the out-patient facility everyday.

The hospital is equipped with advanced diagnostic capability equivalent to University Hospital in developed country. The sophisticated clinical laboratory, and a wide range of imaging facilities including C.T. Scan, MRI, Multi Detector Slice Spiral CT, Cardiac Angiography, Cerebral Angiography and Gamma Camera add to the diagnostic armamentarium of the Hospital.

The Neurology Laboratory, Pulmonology Laboratory, Non-invasive and invasive Cardiac Laboratories have all been developed to the current state-of-the-art level. The most modern operation theatres, ICU and Critical Care beds add to this unique facility. The students have ample opportunities to learn in this modern hospital. Similarly, specialties have grown in the last 38 years in every facet of medical advancement. The Cardio Vascular & Thoracic Surgery programs have already reached a significant level of perfection as also the other major divisions like Vascular Surgery, Neuro Surgery Interventional Neuro Radiology, Critical Care Medicine, Reproductive Medicine and transplantation hepatology, hand surgery, radiation oncology, cardiac anaesthesiology, rheumatology, medical and surgical oncology services.

Clinical Skills Labs in several departments like Orthopaedics, General Surgery, Obstetrics and Gynaecology, ENT provide opportunities for Postgraduate students to acquire the much sought after practical skills in complex surgical procedures. Basic Skills Lab for Undergraduate education has also been setup centrally for Medicine, Surgery, OBG and allied skills.

TELEMEDICINE:

The Deemed University has national level visibility as a centre of excellence in exploiting Information Technology to the hilt, by establishing state-of-the-art Telemedicine facility through Satellite, ISDN lines and Internet connectivity. Both students and the faculty benefit from Tele-Medicine Centre which is well connected with various National and International Institutions.

CENTRAL RESEARCH FACILITY:

The Central Research Facility (CRF) which was established in 2007, as the "A to Z gateway" for research, takes care of all logistics of research planning, research projects administration, research documentation, providing centralized sophisticated equipment facility and University-Industry Liaison Centre with IPR/Patents Cell, etc., on a 'ready to use platform' of the entire Deemed University.

The CRF is housed in a 25,000 sq. ft. exclusive facility with a sophisticated instrumentation laboratory containing the latest Equipment's. CRF also has established Sri Ramachandra Innovation Incubation Centre for incubates and startups. It has received financial assistance to the tune of Rs. 4.50 crores from BDT-BIRAC-BIONEST, Govt. of India. There is also FDA audited and DCGI registered Clinical Trial Division and other 14 Centers of Research excellence recognized by National and International agencies.

Further, the Centre for Toxicology and Developmental Research (CEFTE) is also functioning in 15,000 sq.ft. area with state-of-the-art facilities and it has been approved by the Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA) as a GLP compliant animal facility. CEFTE undertakes a number of preclinical toxicology studies for researchers and industries.
