Vision

The vision of Jigyasa University (Formerly Himgiri Zee University), Dehradun is to become a World Class University imparting quality education through the conventional and digital modes of learning.

Mission

To provide quality education and research opportunities and to engage in extension outreach activities for meeting societal needs without any discrimination with an objective to build responsible citizens.

In addition to the conventional mode of education, JU, through the use of modern technologies, will bring education to the doorsteps of all those who did not have access to higher education earlier.

Message from the Patron

Dr. Subhash Chandra

Based on the motto 'Vasudhaiva Kutumbakam' (The World is my Family). Jigyasa University (Formerly Himgiri Zee University) has been established for the vocationalisation of higher education which is national in character. The University is characterized by its resolve not to discriminate on the grounds of caste, creed, residence, community, gender, and religion.

The University promotes a holistic approach to learning where each individual receives academic insight along with the fundamental values of work ethics and etiquette. Over the years our efforts have been towards creating good infrastructure, providing a newer facility for the students, and upgrading our programs and faculty to strengthen the academic rigor of the University

The University will benefit from the wide range of industry linkages of Essel Group. We will ensure that final-year students will receive ample opportunities for successful placements in reputed companies of Essel Group and other organizations across the country.

We welcome students and parents to be a part of Jigyasa University (Formerly Himgiri Zee University) and join hands in our efforts to groom a new cadre of professionals for India.

Message from the Chancellor

Prof. (Dr.) Md. Irfan Khan

Dear Students,

As you all know, education not only invigorates the mental construct and innovative ideas but also sets up contours of human character and multi-dimensional personality. The twenty first century has witnessed remarkable innovations in the field of science and technology bringing about big changes in human lives and the society. Today, the young brains have unlimited potential and innovative skills to go beyond the existing realities of the world and discover new knowledge.

We, at Jigyasa University (Formerly Himgiri Zee University) , work extensively for the overall growth and development of our students by introducing student-centred approaches to comprehend the new-age knowledge and advanced skills. The blended modes of teaching and learning are our specific feature to keep students abreast of the changing paradigm in the education world. We have implemented National Education Policy-2020 guidelines in our teaching curriculum enabling students to be more skill oriented and develop entrepreneurial abilities. We have faculty from diverse areas of expertise who are our resource pool of academicians, researchers, corporate and industry. With state-of-the-art infrastructure, we build future through academic and professional courses in Agriculture, Education, Mass media, Humanities, Management, Legal Studies, Science & Technology, Pharmacy and so on and so forth.

The University campus is *not just a home away from home but 'another home' where your living is as comfortable as with your family*. I welcome you all to the beautiful campus covered by the greenery of the nature to gain knowledge and skills and make yourself a successful professional.

Message from the Vice-Chancellor

Prof. (Dr.) B.S. Nagendra Parashar

Dear Students and Parents,

It gives me immense pleasure to invite you all to Jigyasa University (Formerly Himgiri Zee University) located in the outskirts of Dehradun amidst Shivalik range of the Himalaya, the university has a mesmerizing ambiance with serene environment which is apt for academic pursuit and strong mental as well as physical health. With a modest beginning in 2003, the Jigyasa University has been established to meet the growing demand for trained human resources in industry, corporate and academic institutions. Our aim is to impart global competencies to our students through classroom teaching, field training and skill development. The future world is full of challenges in almost every profession and therefore, it becomes the responsibility of educational institutions to provide education that prepares the students to face the challenges and bring innovation to the society. To meet these challenges our students are regularly sent for internships in industry to have real-life exposure and enhanced understanding of the professional world. Our ideology is to impart quality education by knowledge enhancement, building core competencies and bridging the gap between academia and industry. To achieve this objective all programs offered in our University has one full semester internship program. Internship program is a unique selling point of our University.

We promote research and dissertation writing even at the graduation and master level with an objective to expose our students to various field problems which needs attention. Further, we offer flexible academic structure which enables students to opt for the courses as per their interest in essence we enable the students to tailor their resume.

At Jigyasa University (Formerly Himgiri Zee University), our vision is the holistic development of our students and to achieve this we leave no stone unturned. Our curriculum is planned in a way to offer courses as per the industry needs as well as to offer courses to impart values needed to become socially skilled professionals course curriculum is designed based on NEP guidelines. Experiential learning is provided at all stages. Soft skills training, career guidance, extra-curricular and co-curricular activities are a regular feature at our campus.

We strongly believe in the philosophy of imparting education beyond classroom. Our students are engaged in Community and Social Welfare activities. We are forwarding towards encouraging entrepreneurship and innovation on the campus.

As you are now beginning the most important part of your academic journey that will decide your career and future, I would like to assure you that Jigyasa University is the right place for you. With these few Words I once again welcome you to Jigyasa University and wish you a great future.

About the University

Jigyasa University (JU), Dehradun formerly Himgiri Zee University, has been established Under The Uttarakhand Private Universities (Amendment) Act, 2024 (Uttarakhand Act No. 05 , 2024), Recognised by UGC Under Section 2(f) of 1956 Act. Government of Uttarakhand with mandate to meet the growing demand of trained human resources in various social, educational scientific technical and professional organisations so as to channelise human energy towards sustainable economic and social development. In order to bring a difference in education and employment, in 1995, Dr. Subhash Chandra, Chairman, Essel Group of Industries brought together a group of committed anthropologists, sociologists, economists and communication professionals to set up TALEEM Research Foundation in Ahmedabad. One of the mandates of TALEEM Research Foundation was to set up a University based on the motto **‘वसुधैव कुटुम्बकम्’** where the world is considered a family and his dream project came to existence in the form of Jigyasa University, (Formerly Himgiri Zee University Dehradun). Situated amidst the serenity of the Shivalik hills, its state-of-the-art campus is spread over 50 acres of land. The entire campus is Wi-Fi enabled. We are a ragging-free campus where students feel safe and at home. The campus is a home away from home. We have hostel facility separately for girls and boys. Our computer labs, language lab, psychology, other resource centers and eminent sports facilities make us stand out among all in the education industry surrounding us.

Jigyasa University (Formerly Himgiri Zee University) has 8 schools with 12 departments that offer Certificate, Diploma undergraduate, post graduate and doctoral programs in various field of study ranging from science, technology, education, journalism, hotel and tourism management, law, pharmacy, agriculture, business studies and humanities. At JU, our vision is to become a world class university imparting education through conventional and digital mode of learning. To achieve our vision, we work strenuously to provide quality education and research opportunities. At the same time, we focus on the extension outreach activities for meeting the societal needs without any discrimination and to build responsible citizens. With the changing needs of the society, we have adopted student-centric pedagogy to develop more aware students who are able to develop core competencies along with value addition to their personality under the able guidance of our highly qualified and experienced faculty. Our students are bringing accolades for the university and we feel proud to quote them to the world media for their remarkable achievements.

We invite you to join us for the new age learning experience where we follow the globally acceptable curriculum and 21st century skill development program that is slated by the World Economic Forum. Knowledge enhancement, skills development, capacity building and building core competencies are the attributes that makes teaching and learning an enjoyable experience at JU.

Our Strengths

- JU is established by India's well renowned - Essel Group.
- Excellent Placement record..
- A Research-driven university
- Eminent faculty with vast academic & industry experience.
- Industry Academia Interface.
- Well equipped Labs & Library.
- 50 Acres of Wi-Fi enabled.

School of Business Studies

The School of Business Studies at Jigyasa University (Formerly Himgiri Zee University) was established in 2012, with the objective of imparting managerial skills, knowledge, training, and competency in the field of business and management. The program and curriculums have been carefully designed to accommodate a rational mix of core and optional modules enabling specialization in Human Resources, Finance, Marketing, Aviation, Logistics & Supply Chain, Tourism, Entrepreneur Development, Labour & Legal, Production & Operations, Data Analytics, Retail, and Media Management. The curriculum ensures the holistic development of students by inculcating competencies such as strong functional skills, critical thinking, problem-solving, attitude, and decision-making abilities. The School of Business Studies provides students with a learner-friendly atmosphere to utilize a higher level of intellectual capacity required to specialize in their respective areas of study. At SBS, we aspire to create industry-ready professionals and future leaders.

Vision

“Empowering Future Leaders” Our School of Business Management envisions a dynamic learning environment that fosters innovation, ethical leadership, and global perspectives. We are committed to cultivating a community of forward-thinking professionals who excel in critical thinking, collaboration, and adaptability.

Mission

- *Fostering Excellence: To provide a world-class education that equips students with the knowledge, skills, and mindset needed to excel in the dynamic field of business management.*
- *Cultivating Innovation: To empower students to embrace change, leverage emerging technologies, and contribute meaningfully to the business world by providing a vibrant and industry-collaborative learning environment.*
- *Building a Community of Leaders: To build a diverse and inclusive community of future leaders who are not only well-versed in business management but also committed to making a positive impact on society.*

Our USPs

- Course curriculum designed as per industrial needs & NEP
- Software-enabled interactive learning Labs. E.g. Tally, Galileo, B-Schools Bulls, etc.
- Industry-Collaborative Programs for a high level of Practical exposure.
- Well-qualified and experienced faculty with Ph.D. degrees
- Young Leaders Program (YLP)
- Mentorship programs for every student.
- Career counselling cell for Placement drives
- Full semester internship program.
- Management students club – VIBGYOR
- Student-centric teaching methodology

Infrastructural Facilities

- Well-equipped modern classrooms
- Business lab facility
- Smart Classes with ICT tools
- Free WiFi campus

Career Opportunities

General Specializations

- HR Analyst
- HR Assistant
- Talent Acquisition Specialist
- Financial Analyst
- Investment banker
- Financial Planner
- Relationship Manager
- Marketing Manager
- Digital Marketing Specialist
- Marketing Analyst

School of Education & Humanities

The School of Education and Humanities (SEH) runs two distinct departments- the Department of Education and the Department of Humanities that offer bachelors, masters, and Ph.D. programs. The SEH focuses on the value-based growth of our students to benefit society at large.

Vision

To produce quality professionals for playing their significant role in the emerging knowledge society for educational and professional upliftment by adhering to the statement "Youth are Nation Builders" through the traditional and digital mode of learning.

Mission

- *To provide quality education to our students*
- *To equip our students with the necessary competencies to become successful professional*
- *To develop professionals with digital media expertise for fast-changing employment scenarios.*

Department of Education

Established in 2006, the Department of Education has been running Bachelor of Education program with marvelous accolades. The program has blazed a distinct trail in teacher education, incorporating unique sense of social sensitivity and academic excellence. Professional expertise par excellence is our motto while teaching our students to prepare them holistically. Our teaching pedagogy at the Department of Education encompasses student-centric approach, practice-oriented teaching and community engagement for social awareness.

Our USPs

- Highly qualified, experienced and dedicated faculty
- Career guidance Cell
- Internship and placement opportunities
- Well-equipped library
- Digital library to access reputed national and international journals
- Curriculum supported by guest lectures, seminars, workshops, projects etc.
- Student-centric teaching methodology
- Co-curricular activities
- Full semester internship program.
- Good placement record.

Infrastructural Facilities

- Language Resource Centre
- Science and Mathematics Resource Centre
- Psychology Lab
- Information and Communication Technology Resource Centre
- Health and Physical Resource Centre
- Social Studies Periodical Section
- SMART Class Room.
- High speed wi-fi enabled classrooms

Career Opportunities

Candidates can look out for job opportunities in both private and government sectors. Studying a degree in education directly prepares them for a range of careers working with children and young people.

- Primary School teacher
- Secondary School teacher
- Senior Secondary teacher
- TGT, PGT
- Education officer
- Education Consultant
- Special Educational needs teacher
- Teaching Assistant
- Career Advisor
- Education Counsellor
- Private Tutor
- School Principal

Approval

The B.Ed. program is duly approved by National Council for Teacher Education (NCTE).

Department of Humanities

The Department of Humanities offers graduation and post-graduation courses in various streams. We believe in holistic development of our students. Humanities as a discipline focus on a strong inter-disciplinary pedagogical approach in arts, social sciences and humanities. Experiential learning through out-reach activities, excursions and field projects makes studying with JU a distinctive learning experience that prepares you not only for various jobs but as a person with strong moral and ethical values.

Our USPs

- Courses offered by the department are designed in accordance with the New Education Policy of the Government of India, offering a multidisciplinary course for the holistic development of our students
- Highly qualified faculty with UGC-Net and Ph.D. degrees engaged in research projects
- Project-based learning
- Regular seminars and workshops
- Guidance for UPSC and other government competitive examinations
- Career Guidance and Placement assistance
- Full semester internship program.
- Good placement record.

Infrastructural Facilities

- Wi-fi connected Smart Classrooms
- “Adiyogi” Yogshala available for Yogic learning and Meditation

School of Science & Technology

School of Science & Technology aims at the overall excellence of our students. We work with the ideals of practical training and personalized relationships to create a model School Par Excellence that will carve a niche for itself, both nationally and internationally and be acclaimed for the futuristic science and technological development to be taught in our classrooms. The School of Science and Technology at JU came to existence in 2008 with the inception of different Computer Science Programs.

Vision

To become a Centre of Excellence offering Technical Education and Research in the field of Science and Technology to meet global challenges.

Mission

- *To provide quality education, foster research and development, inculcate innovation in Science and Technology.*
- *To develop holistic education through interdisciplinary approach, emerging trends, soft skills, extension & outreach activities and knowledge of Indian value system.*
- *To coordinate with industry, government and other organisation for the collaborative research, projects and innovation.*

Our USPs

- Highly qualified, experienced and dedicated faculty with research orientation
- Faculty members are engaged in cutting edge research and publish their findings in Peer Reviewed Journals.
- CBCS Course Structure as per National Education Policy (NEP) complemented by Soft Skills Training.
- Career Guidance and Placement Opportunities for all students.
- Curriculum supported by Guest Lectures, Internships, Projects and Industrial Visits.
- Good Number of Library Books, Digital Library, Journals and E-Resources.
- Value Added Courses to bridge gap between Academia and Industry.
- Short Term Courses/ Certifications/ Seminars/ Conferences/ Workshops / TechFests / Hackathons and MOOCs courses.
- Prepare students for campus recruitment by arranging training in Aptitude tests, group discussions, Technical and HR interviews.
- Promote career counselling by organizing guest lectures by senior corporate personnel and most importantly by the immediately placed senior students and Alumni.
- Full semester internship program.
- Good placement record.

Infrastructural Facilities

- Well-equipped ventilated lecture halls with latest teaching aids
- Smart Classes for Webinars
- Smart ICT Classrooms, Advanced Computer Labs with State-of-Art infrastructure.
- Conference Hall and Seminar Hall
- Laboratories with updated hardware and software
- Each lab is on LAN with student terminal ratio of 1:1
- All Labs have high speed internet facility

Career Opportunities

Employment Opportunities in Multi-National Companies, Defense Organization, R&D sector, NGOs and Government Bodies in following positions:

- Software Engineer
- Big Data Engineer
- Cloud Engineer
- Network Security Engineer
- Network Administrator
- Data Scientist
- Data Analyst
- Machine Learning Engineer
- Database Designer
- Database Administrator
- Technical Content Engineer
- Blogger
- Security Analyst
- Ethical Hacker
- Project Manager
- Full Stack Developer
- Development Operations Engineer
- Systems Analyst
- Analytics Manager

- Patient safety in terms of drug reaction
- Drug delivery and discovery system
- Pharmacological and photochemistry screening
- Drug synthesis

Legal Studies

- Criminal justice system
- Environmental Law
- IPR
- Corporate Law
- Administrative Law
- Constitutional Law
- Human Rights
- International Law
- Cyber Law
- Women rights
- Juvenile Justice
- Social justice
- Taxation

About Dissertation Program

At Jigyasa University (Formerly Himgiri Zee University), we offer a research-driven dissertation project for final semester students, aimed at enhancing academic and research skills, including planning, execution, analysis, and reporting. This initiative is tailored to develop a scientific mindset among JU students, engaging them deeply in topics of interest to foster creativity and critical thinking. Furthermore, it presents an opportunity for students to gain fresh insights and contributes to their potential to publish in their respective fields.

Jigyasa Centre for Employability & Soft Skills Training

(Ji-CEST Centre)

Successful business leaders, entrepreneurs, professionals and scientists have strong foundation in technical knowledge along with real-life experience. But what make them acknowledged in the business world and society are their social skills, behaviour and attitude. Developing and demonstrating these skills early in one's career can contribute to faster professional advancement. Keeping in view of the future employability skills, Jigyasa Excellence and Soft Skills Training Centre (Ji-CEST Centre) came into existence with an objective to impart training to our students to develop 21st century skill set needed for the future professional world. The Ji-CEST Centre imparts customised training modules for upcoming professionals to develop and inculcate these skills as personality traits. These modules are designed to provide real-life exposure to students so that they become aware about the basic behavioural needs to face the future challenges and adapt to the changing work culture of the professional world.

Salient features of the training programs at Ji-CEST Centre:

- Our training program is a blend of lectures by expert and specialised faculty, guest lectures from industry, corporate and academia, workshops and activities.
- Our focus is on the holistic personality development.
- We work strenuously to enhance confidence and self-esteem, positive attitude, team-building and decision-making.
- Activities such as presentations, role-plays, group-discussions, debates, mock-interviews, group-activities, business games are part of our methodology.
- We work strenuously to enhance confidence and self-esteem, positive attitude, team-building and decision-making.
- Activities such as presentations, role-plays, group-discussions, debates, mock-interviews, group-activities, business games are part of our methodology.
- Our courses provide training for the reasoning and aptitude.
- Our team of experts provide guidance to prepare students for the competitive examinations.

Centre of Excellence for the Science of Happiness

Jigyasa University (Formerly Himgiri Zee University) has taken the initiative to establish the *Centre of Excellence for the Science of Happiness* in its campus. We proudly announce that this is the **FIRST HAPPINESS CENTRE IN THE STATE OF UTTARAKHAND** established to work for the cause of Positive Psychology and Mental Health that is directly responsible for the general happiness of human beings. Jigyasa University (Formerly Himgiri Zee University) has signed an MOU with the Rekhi Foundation to work hand in hand to promote research, training, education and the practice of well being for all. The Centre is dedicated to launch courses and promote research in the science of happiness to work towards enhancing the quality of life around us. It will basically work on improving the individual life of people as well as the community and family life. Happiness is the trait that contributes to everybody's success and satisfaction. Therefore, fostering and promoting the idea of happiness and well being for all and working towards it, is the need of the hour. People around us suffer due to anxiety, stress and tension due to several reasons. The Centre's approach is towards understanding the causes of such anxiety and stress and work to understand positive emotions that bring happiness.

Currently, these Happiness Centres and Laboratories are operative in many institutions, such as IIT Kharagpur, DTU Delhi, IGDUTW, Delhi, Amity University, Noida, NSUT, Delhi and IIM Lucknow. This is our proud privilege that the vibrant campus of Jigyasa University (Formerly Himgiri Zee University) is one among the premier institutions of national importance to establish the Centre of Excellence for the Science of Happiness.

Training & Placement Cell

Jigyasa University (Formerly Himgiri Zee University) believes in offering the best possible opportunities for all its students to kickstart their careers. It has a dedicated Training and Placement Cell run by experienced professionals from industry and academia. At Jigyasa University (Formerly Himgiri Zee University), we understand and value the importance of placement assistance in shaping the career of our students. We organize various placement activities to help the students showcase their talents to the industry during the placement processes. Companies are encouraged to visit the Jigyasa University (Formerly Himgiri Zee University) campus for the placement process, which includes pre-placement talks and interviews. Interviews are arranged with several companies in online and offline mode for the placement of students. A large number of our students get placed with the reputed firms as a result of placement drives conducted in the University every year. We take several measures to increase the employability of the students. A few of them are mentioned:

- **Guest Lectures by Industry Experts:**

We arrange Guest lectures and Expert talk with Industry personnel to give the students a true picture of the corporate world which they will be joining after their studies. The industry experts appraise the students of the various skill requirements and expectations which the industry so that the students can change his paradigms as per the world outside.

- **Soft Skills and other Training:**

We have a Team of experienced professionals who train the students on various essential skills to get their first job. The students are trained in Resume writing, Mock GDs, JAM sessions, mock technical interviews, mock HR interviews Soft Skills and Aptitude Test. The students are made to face all the possible situations which they may encounter during the recruitment process making them job ready.

- **Career Counselling Cell:**

The students normally come to their mentors and teachers with a lot of questions and doubts. We have a dedicated team of academic and industry experts who help the students in personal career counselling as well as guest lectures are conducted to give the students a taste of the current industry trends.

- **Multiple Placement Opportunities:**

All the eligible and interested students are given multiple opportunities to attempt job interviews and secure a job in hand before passing out of the University. In the interest of the student's, we also have a concept of a Dream Job where the students can bag more than one offer. We conduct all kinds of interviews in online as well as offline mode to facilitate the placement processes.

Facilities

The Library

The Library has state of the art information systems and provides access to an extensive range of database, together with traditional printed material. The library is stocked with more than 30,000 books including e-books, 4000 titles and a number of journals and reports that cover all subjects. Although the primary mission of the library is to support the curricular and research needs of the students, the library also provides material and reference assistance for the faculty.

Useful links- Delnet, NAD, NDL

Hostel and Mess Facility

The University has made the provision of separate AC/Non AC hostels for boys and girls. The students are provided with basic amenities like a cot, table, chairs and a cupboard in their respective rooms

Tuck Shop facility is available in hostels on additional payment.

Sports Facilities

We believe in training the students not only in their chosen academic discipline but beyond that as well. Sports at University campus provide for the perfect setting to hone one's team skills and to maintain physical fitness. Apart from indoor games, there is a whole gamut of outdoor sports like Football, Volleyball, Lawn Tennis, Cricket, Badminton etc.

Hostel Fee Structure

BOARDING & LODGING

| Category | Type of Accommodation | Annual fee for Indian Student (INR) |
|----------|--|-------------------------------------|
| A | 3 sharing Non AC Room | 70,000 |
| B | 3 sharing Non AC Room with attached toilet | 80,000 |
| C | 3 sharing AC room | 90,000 |
| D | 2 sharing with A/C & attached Toilet | 1,00,000 |
| E | Single room with A/C & attached toilet | 1,10,000 |

Transport Facility

Transport facility for the students is available. We run a fleet of buses to help students and staff members commute to and from areas in the city. The bus service is available over 20 km radius around the city. In view of safety issues on the highways, parents are urged to convince their wards to avail the services of University buses only.

Canteen

The JU cafeteria is designed to create a comfortable environment where you can discuss ideas while you enjoy a good meal. The larger mess hall is equipped to serve lunch and dinner for all students. We focus on providing variety of cuisines that are healthy and balanced at affordable prices.

Other Facilities

There is 24*7 hrs. Security with Guards on the campus and hostel. ATM facility also available in the university campus.

Medical Facility

Doctor and Ambulance services are available on call round the clock. University provides medical insurance to all students and staff. Full time nurse is available in the campus during the working hours. A staff nurse is available 24 hours to provide medical facility.

50 Acres of Wi-Fi enabled campus.

Ragging Free Campus

Ragging of students, physically or mentally, is a cognisable offence. All the students are advised not to commit such an inhuman act of cruelty and eradicate this evil from the society completely. Any student is found involved in committing or indulging in such offences, then matters will be handled with much gravity as per law.

A group of about 20 individuals, mostly men, are posed for a photograph in a spacious room with a white ceiling and tiled floor. They are arranged in two rows, with some standing on a red carpeted area. The group includes people of various ages and ethnicities. In the background, a blue banner with white text is visible, which appears to say "HUMAN RIGHTS DEFENDERS". The overall atmosphere seems formal yet organized.
