

SARDAR PATEL UNIVERSITY OF POLICE,
SECURITY AND CRIMINAL JUSTICE
JODHPUR

SPUP

Knowledge Is Power

Sardar Patel University of Police, Security and Criminal Justice has been established by an Act passed by the State Legislature, Government of Rajasthan. The Act mandates the University to focus on teaching and research in the field of Police, Social Sciences, Criminal Justice, Public Safety and Security and other related areas.

Vision

To provide an interdisciplinary academic environment for learning and research through programs that include perspectives for Social Sciences, Humanities, Science & Technology and professional studies whereby students and professionals equip themselves with intellectual, professional and moral competencies for combating the emerging challenges to security, justice and public safety in a free, democratic and diverse society.

Mission

To create an academic centre for excellence dedicated to the study, research and extension activities in the realm of Policing, Security and Criminal Justice where professionals, academicians and young citizens work together to achieve understanding, knowledge and skills required to attain the highest ideals of public service and democratic citizenship.

About the University

Sardar Patel University of Police, Security and Criminal Justice is a pioneering institute because it offers courses and disciplines that are either new or being run by just a few other institutes. Within a short span of two years and a half since it was founded it has carved a unique niche for itself in the arena of academics. A fast changing world is constantly in a state of flux and volatility and needs to focus on crucial issues related to security, criminal justice, cyber crime and cyber terrorism, road safety, gender sensitization issues and other related fields. SPUP is doing ground breaking work in some of the above mentioned fields and is working like a bridge by bringing policy makers, academicians, researchers, social scientists, lawyers and police personnel together to focus on the above mentioned pivotal issues.

A dynamic and intellectually vibrant environment of the University stresses on innovative and creative solutions to the problems related to the aforementioned fields. It aims to use expertise from erudite scholars and researchers across a wide spectrum to make learning more comprehensive and inclusive. The University aims to fulfill the vision of Jawaharlal Nehru as a University that stands for humanism, tolerance, reason, progress, adventure of ideas and the search for truth.

The University provides an excellent infrastructure with AC class rooms, AC dining hall, computer and language labs, Wi-Fi campus, besides playgrounds for sports and physical activities. There are separate hostels for boys and girls providing all amenities required for a comfortable stay in a residential university.

An overview of SPUP Campus

The University offers the best in terms of curriculum, teaching methodology, skills development, field work, extension activities, project work, practical training and most importantly imbuing its students with an empathy & sensitivity towards the marginalized and the under privileged. It also inculcates an unbiased and non-judgmental attitude in its students, so that they are able to contribute to the egalitarian ideals of our nation's founding fathers. With the collective efforts of its committed authorities, dedicated and qualified faculty and administrative staff, zealous and inquisitive students, SPUP aims to become an institute par excellence. The learning process is interactive, participative, multi-dimensional and dynamic – constantly opening up diverse avenues and perspectives with a broad ended vision. Class room studies are complemented by field visits to places of cultural, historical and archeological importance.

The University offers its students knowledge and insight relevant to their professional goals, opportunities, an open environment and a safe, secure and secular, bias-free campus where freedom of expression and mutual exchange of ideas is encouraged.
