The focus on building skills, value-system and character is an integral part of Jharkhand Rai University academic structure. The University focuses on holistic education ecosystem, where the goal is not to make students just work-ready but also good human beings.

We are a vibrant community with a focus on nurturing talent so that every student becomes a leader, pioneer and a trailblazer. Our endeavour is to provide the best possible environment for our students. Hence, we are committed to the cause of making higher education accessible to all irrespective of caste, colour and creed.

Be a part of the BEST. Be a JRUIan.

Message from the Chancellor

Since its founding in 2012, Jharkhand Rai University has grown to become a flagship, student-centric University, known for the excellence of its teaching, research and service to local communities.

Today, thousands of our students are making us proud by carrying the torch of leadership in every field and industry. As we look to the future one thing is certain – a youth empowered with knowledge and skills will be a key resource and will be highly sought-after across all industries. Hence, our goal over the years has been to make quality education accessible to all.

We enable our students with skills that will benefit society and train them to work in fields where they will be valued both for their specialised knowledge, and for their ability to research, communicate and solve problems.

To meet these challenges, we have built strong alliances and partnerships with business, government, community and other research institutions. This helps us to ensure the on-going relevance of our academic programmes.

It is time for you to become a part of JRU's history, teaching and research strengths. A vibrant campus awaits you. We look forward to welcoming you to Jharkhand Rai University.

Today we need more than ever global leadership to solve some of the most pressing problems at scale. Only with collective effort, global vision and youth leadership we can address these issues such as poverty eradication, zero hunger, climate change and gender inequality. We need each one of us, each one of you to be an advocate and role model for change.

Together we can.

Dr. Harbeen Arora Rai
Chancellor

Message from the Vice Chancellor

Welcome to Jharkhand Rai University where a strong team of educators constantly work to graduate the leaders of tomorrow. Here on JRU Ranchi campus, we encourage students to ask questions, create new ideas, search for answers and research on new things.

We believe that young minds are dynamic, and that right kind of education is a powerful tool for growth.

Advancing quality education, teaching and learning are priorities for Jharkhand Rai University. Along with this, forging ahead our research mandate is strong part of our vision too. Underlining all these is our commitment to create opportunities for students and ensure a socially responsible approach. We're a strong, well-managed and responsible University with so much to offer our students, employees, the community and beyond.

As always, we continue our journey with all the important activities and our new initiatives never cease. Led by our many excellent faculty members, staff and students, our motto remains that "Learning should never stop".

Together with our students, communities and international partners, we facilitate solutions that shape and advance our future. In our role as a world-class University, we believe that excellence in teaching provides a means of engendering transformation in the lives of students.

Come and be part of our transformative education.

Prof. (Dr.) Savita Sengar
Vice Chancellor

Clubs & Events

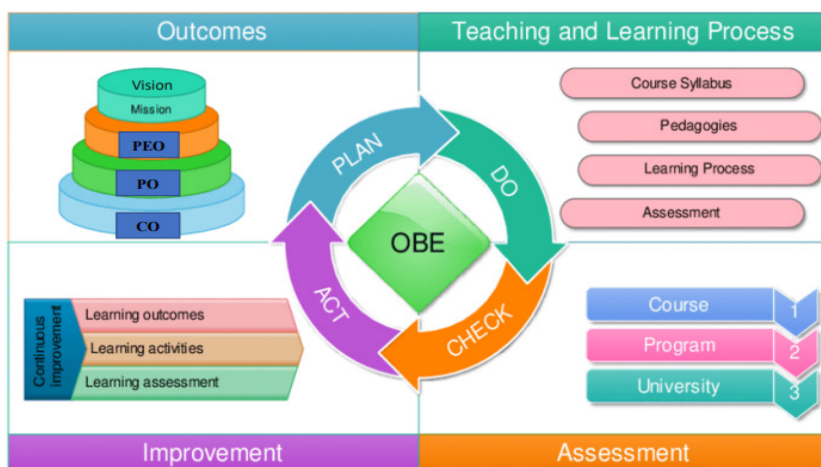

Cultural events play a very important role in shaping the personalities of young students. They add zest, zeal and energy to a student's life. We at Jharkhand Rai University, organize various events and activities that help our students to broaden their view and also improve upon their talent. Through these events our students not only learn to overcome their fears but also try to sharpen their mind and skills. Tarang (The Annual Cultural Fest), Abhivadan (The Fresher's Party), Goonj (Dandiya Eve) and Spardha (The Annual Sports Meet) are to be named amongst a few.

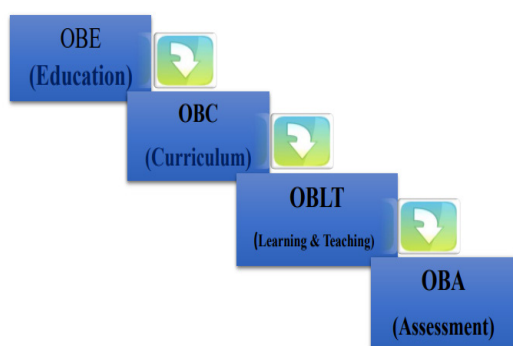

Teaching Pedagogy

The spirit of innovation, modernization and student centric teaching – learning approach blended with strong Mentorship Program is the cornerstone of academics at Jharkhand Rai University. The focus on building skills, value system and character are integral part of academic system. The University focuses on holistic education ecosystem, where the goal is not to make students just work-ready but also good human beings.

Students in today's dynamic environment should have the ability to collaborate across disciplines and to apply knowledge in parallel areas of expertise. The University emphasizes on transforming from traditional teaching to Outcome Based Education (OBE). The educational framework is based on desired outcomes and defined goals to be achieved by the students. Learning activities are customized so that they challenge more able students and also, support those who need extra guidance.

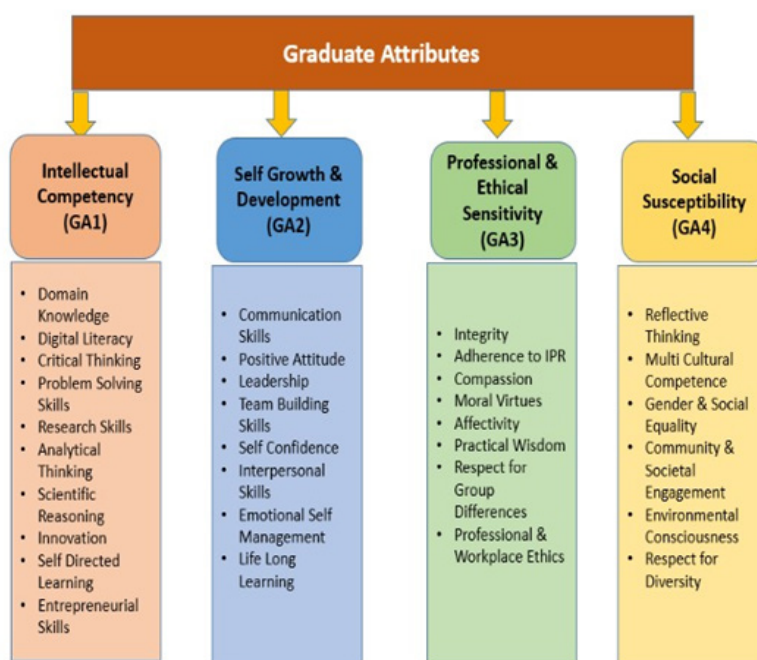

The Learning Outcome of each course is stated using Bloom's Taxonomy which clearly defines the knowledge and skill to be acquired by the student on the completion of the course. The assessment of students (Continuous Internal Assessment & End Semester Examination) are based on the learning outcomes defined for each course & also ensures the consideration of each level of Bloom's Taxonomy.

Every graduate of the University will be developed to possess the following attributes:

1. Intellectual Competency
2. Self-Growth & Development
3. Professional & Ethical Sensitivity
4. Social Susceptibility

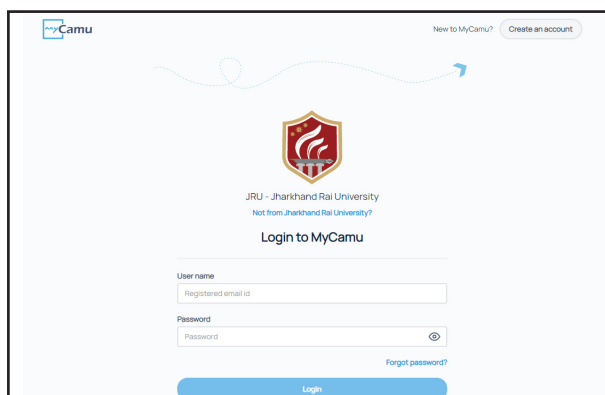

Digital Initiative

CAMU - LMS

JRU Ranchi has implemented the blended teaching learning pedagogy through its own dedicated online learning platform and campus management solution (CAMU - LMS).

All the academic activities (Lesson Plan / Attendance / study resources / Virtual Classroom / Continuous Internal Assessments / Online Exams) are performed through CAMU - Learning Management System.

**CAMU Web and Mobile Application
Campus Management Solution (ERP)**

Digital Initiatives by JRU

In tune with the Digital India program, a flagship program of the Government of India, JRU Ranchi has started many plans to make University digitalized.

So far, we have adopted and have taken many digital initiatives, which majorly include MOOCs' Swayam, INFLIBNET, Online Admission Process, Online Learning Platform & Campus Management Solution. Jharkhand Rai University has adopted credit transfer through MOOCs courses from SWAYAM (Study Webs of Active learning for Young Aspiring Minds) Platform involving Credit Transfer Mobility as per UGC Credit Framework Regulations 2016. Students can earn upto 40% of their credits through MOOCs courses from SWAYAM.

Library is fully automated - Integrated Library Management System (ILMS)

Jharkhand Rai University Library is automated with open-source integrated library software KOHA (Version -19.05).

It's accessible by both internal network and external network as well as through mobile network. Library user can access the library bibliographic data, issue/re-issue book, check due date book, check their fine, suggest new book, can hold book through OPAC etc online. All subscribed and open access e-resources are accessible through our University website or via library portal.

NAD - DigiLocker (Digital Document Wallet)

Jharkhand Rai University has joined the National Academic Depository - DigiLocker System. NAD- DigiLocker is Govt. of India's platform for issuance & verification of documents & certificates. It's a secure platform for storage, sharing and issuance of documents and certificates, making service delivery to the students convenient. Students and their prospective employers can access the records anytime and from anywhere. The University regularly upload the mark sheets of the students and its degree/certificates on the DigiLocker platform.

Jharkhand Rai University has also joined the Academic Bank of Credits (ABC) initiative to facilitate the academic mobility of students with the freedom to study across the Higher Education Institutions in the country, under Multiple entry and exit scheme.

Learning Beyond Classroom

Jharkhand Rai University offers learning opportunities that extend beyond classrooms. Under this framework, the students encounter authentic problems, construct novel hypotheses, test for real solutions, and interact with others to make sense of the world around them. Well-planned, supervised and assessed experiential learning programs have been developed to stimulate academic inquiry by promoting interdisciplinary learning, civic engagement, cultural awareness, leadership, and other professional and intellectual skills.

The University provides cutting-edge holistic learning to develop promising youngsters into leaders of tomorrow with globally relevant, future-ready and actionable intelligence. An effective learning environment is provided to students which meets the needs of all kinds of learners. The objective is to make each student proficient in synthesizing/analyzing information and be ethical and socially responsible while making decisions.

Methods adopted for extending Learning Beyond Classroom:

We at Jharkhand Rai University emphasize on all round development of students. Keeping this in mind we provide students with opportunities that help them in getting familiar with know-how of the industrial world. Such a kind of practical knowledge not only enhances their academic information but also improves their professional skills.

Industry Visits:

We ensure that our students become industry-ready professionals and therefore we organize regular industry tours and visits. The purpose of conducting these tours is to give students a practical insight into the functionality of an organization. These industrial visits and tours expose the students to the real world thus enriching their knowledge and experience to a great extent.

Expert Talks :

We organize expert talks and Seminars for our students on a regular basis. Industry veterans and reputed academicians are invited to deliver lectures on various topics. They interact and share their insights and experiences with the students. Through these lectures and interfaces students get a chance to learn innovative methods and approaches for overcoming professional problems and challenges.

Learning Beyond Classroom

Conference :

Students of JRU Ranchi get ample opportunities to present their ideas through papers at various conferences. Speaking at a conference builds their confidence, develops their communication skills and shows a student's initiative. This prepares them for corporate boardrooms & industry. Conferences are a great way to get feedback on ideas and learn from others.

Educational Tour of B.Sc.(Hons.) Agriculture Students to Solan, Himachal Pradesh

Educational Tour:

Education tours are organised for students to develop their mindset, outlook, personality traits, managerial and entrepreneurial skills. Such tours provide an opportunity for students to see & experience what they have learned in the classroom. Students get first hand experience when they are on field trips. They also develop team building skills while traveling as a group. It builds their sense of community.

Workshop:

Frequent workshops are a regular part of the curriculum across all programs. In these intensive educational workshops, students get opportunities to advance their knowledge on new developments in their fields of study. Workshops are a great way to learn practical skills, techniques and ideas in a short time.
