# MISSION

At LIBRA College of Law, our mission is to become a leading institution in the legal education landscape, offering state-of-the-art facilities and providing world-class education, training, and outreach services. We are committed to providing our students with an exceptional learning environment that fosters academic excellence, critical thinking, and a comprehensive understanding of the legal system. Our vision is to be recognized nationally and internationally as an institution of repute in the field of law, and to serve as a model for legal education excellence. We strive to achieve this goal by providing our students with the tools they need to succeed in their chosen career paths, and by continually innovating and improving our academic programs to meet the needs of a rapidly changing legal landscape. We are dedicated to providing our students with a comprehensive legal education that will prepare them to be leaders in their respective fields and to make meaningful contributions to society.

## Message From Principal

**"Education is the most powerful weapon which you can use to change the world."**

I am greatly rejoiced and proudly place on record the fact that Libra college of law, the visionary dream of its founder Chairman –Mr.Joginder Singh Arora a humble servant of education whose little mission a decade ago to transform a small college into a big one, has unfolded into an institution of glorious past and great future.

In order to accomplish our vision and mission, we are prepared to take as much effort as possible for the betterment of academic scenario in India. We believe that education is an effective medium of social transformation. We get encouragement, looking at bright and successful careers of our thousands of students, which subsequently benefit the society. We feel proud that we are part of such an excellent institute, which is shaping modern India.

**Dr. Shiv Prakash Singh,**  
Principal, Libra College of Law,  
Dehradun.

**LIBRA**<sup>TM</sup>  
**COLLEGE OF LAW**  
**DEHRADUN**

# VISION

- 1) To create superlative human resources for society.
- 2) To create and provide up-to-date education and training.
- 3) To be leader in its category.
- 4) To support consultancy and development activities in academics.

# Courses

**At LIBRA College of Law, we offer a range of programs designed to prepare aspiring law graduates and post graduates for successful careers in the legal profession.**

Our institution offers three distinct programs tailored to meet the diverse needs and goals of our students. Whether you are seeking to become a lawyer, legal researcher, or pursue a career in academia, we have a program that can help you achieve your professional ambitions. Our programs are designed to provide students with a comprehensive understanding of the legal system, as well as the critical thinking, analytical, and research skills necessary to succeed in this challenging and rewarding field. We take great pride in our commitment to academic excellence and providing our students with the tools they need to succeed in their chosen career paths.

- **B.A LL.B (5 YEARS)**
- **LL.B (3 YEARS)**
- **LL.M (1 YEARS)**

Legal studies are the one's which makes our society understand about the laws prevailing in the country. Legal studies offer following capabilities and expertise in the law sector such as -

Show expertise of the structure of the legal systems, and the jobs of law-making institutions which includes parliaments and higher courts, and examine the ones roles throughout common law, civil law and hybrid systems;

Display introductory information of the position of the legal profession;

Broaden and display introductory knowledge of the doctrine of precedent and the concepts of statutory interpretation, and then observe that expertise to case law and rules within the context of legal issues to demonstrate introductory level legal evaluation skills;

Broaden and demonstrate introductory level legal research abilities to find applicable primary and secondary legal sources;

Engage with the studying management system to increase and reveal legal study competencies and time management capabilities.

## Faculty

Our college is committed to providing its faculty with dynamic and robust support in order to facilitate their teaching activities. By fostering an environment that values and supports professional development and academic excellence, we aim to provide our students with the best possible educational experience. We believe that investing in the growth and development of our faculty ultimately translates into better outcomes for our students, who benefit from a high-quality academic curriculum and a teaching staff that is constantly striving to improve their teaching practices.

# B.A. LL.B.

The Bachelor of Arts - Bachelor of Legislative Law (BA LLB) course is an integrated law degree that the law aspirants can pursue right after qualifying for their Class 12th examinations. The law degree is an integration of Arts and Law subjects and is of a five-year duration. Therefore, as part of the BA LLB course, the candidates study subjects including Economics, History, Political Science, Sociology along with law subjects like Civil Law, Criminal Law, Labor Law, Tax Law, Administrative Law, Corporate Law, Patent Law, etc. The course-curriculum of BA LLB degree is such that law, as well as, the arts subjects, are included in each semester. Moreover, candidates are taught about law case studies, moot courts, law internships, seminars, and interactions with retired judges from High courts and the Supreme Court of India.

## **DURATION : 5 YEARS ELIGIBILITY : 10+2**

Candidates seeking admission to BA LLB course need to meet the eligibility criteria as mentioned by the law schools and universities in India including, academic qualification, minimum qualifying marks and age limit. If they have completed their 10+2 from a recognized board. Apart from this, most popular law colleges also fix a minimum marks requirement in order to be eligible to apply for the BA LLB course offered by them. By means of this criteria, candidates belonging to General/ OBC/ Specially abled person categories need to secure at least 45% marks at their 10+2 level in order to pursue a BA LLB course and the percentage fixed for General – 50%, SC/ST – 45%

The BCI (Bar Council of India) states no minimum or maximum age limit criteria is required for admissions to BA LLB course or five-year integrated law courses.

## Scope of B.A. LL.B.

BA LLB degree opens up a wide range of opportunities for the students. Most of the students who pursue this course wish to become a judge or an advocate. To become a judge or an advocate, student needs to clear the exam named AIBE (ALL INDIA BAR EXAMINATION). After clearing this exam, student will be granted with "CERTIFICATE OF PRACTICE". Now, the student can practice as an advocate in any part of India or can further give examination to become a judge.

This program is designed to provide students with a comprehensive understanding of the legal system, as well as critical thinking, analytical, and research skills that are essential for success in the legal profession. Students who have completed their BA LLB degree can prepare for entrance exams for the Indian Civil Service, State Legal Services, and Public Service Commission, among other career paths. Our institution is committed to providing our students with the resources and guidance necessary to help them succeed in their chosen career paths. We believe that our graduates will be well-equipped to make a meaningful contribution to society, both professionally and personally.

Students after graduation can prepare for the Indian Civil Service, State Legal Services and Public Service Commission Entrance exams.

## LL.B.

Bachelor of Law or LLB is an undergraduate degree program in law which allows students to become lawyer or to get into the depth of the law discipline. Libra College of Law is offering three-year Bachelor of Law or LLB program, divided into six semesters.

LLB stands for Legum Baccalaureus taken from Latin word which means "Bachelor of Laws". LLB is one of the foundation degrees to enter into practice of law. Through LLB, students are taught legal subjects such as constitutional, family, company laws and other constitutional rights. In this three-year undergraduate law degree program the entire curriculum revolves around legal subjects. After completion of LLB, students could choose to be a part of law firms, corporate firms, or banks as legal advisor, advocate, legal analyst or legal researcher and also go for the further higher education.

The objective of Bachelor of Laws is to make students understand the whole law education in India.

### **DURATION : 3 YEAR**

### **ELIGIBILITY : GRADUATION**

(The students need to be graduate or post graduate in any stream from any recognized university with at least 45% marks for General 50% and 45% for SC/ST candidates.)

## SCOPE OF LL.B.

There are numerous job profiles for LLB candidates. Some of the job profiles or mentioned below-

- **Civil Judge:** The foremost job one can attain is that a judge LL.B. prepares students and helps them in understanding the concept of "Justice" which in the long run motivates them to prepare for one of the toughest exams of India.
- **Prosecution Officer:** In criminal law it is the foremost duty of the state to prevent crimes and if any crime taken place the state has to prosecute the accused. Thus, by doing las one can prepare for the exam of persecution officer.
- **Corporate Firm:** After completing law one can join legal law firms and contribute greatly to the Indian economy. Moreover, great packages are given to beginners depending on their knowledge and skills.
- **Advocates:** After completing of LL.B. every law student has to get his/her self-registration under the State Bar Council. Then after clearing the AIB Exam they are entitled to practice law and they are called Advocates as per the Advocates Act, 1961.

# LL.M.

LLM also termed as Master of law is a one year postgraduate program within the subject of law. LLM is generally pursued after completion of LLB degree to become an expert in any LLM specializations together with international law, corporate law, business law, criminal law. LLM or Master of Laws is a globally recognized postgraduate degree, undertaken by students from unique academic backgrounds, however students with LLB heritage are given a choice. LLM degree is however best for candidates who are looking to develop their legal know-how in a specific component of law.

**DURATION : 1 YEAR**

**ELIGIBILITY : GRADUATION**

- Minimum qualification required is LLB (5 year integrated/ 3-year degree) from any recognized university.
- Minimum percentage required is 50% for GEN/OBC and 45% for SC/ST.

## Scope Of LL.M.

LLM candidates have vast job opportunities in their profession. They also can prepare for competitive exams like PCS-J. Some of the job profiles for LLM candidates are -

- Academician: After completion of LL.M. students have to qualify the UGC-NET exam before they can be appointed as Assistant Professor of Law in colleges and universities.
- Ph.D. (LAW): If a student is important in academics and higher studies then he/she can pursue Ph.D.in Law after LL.M.
- Researcher: After LL.M. the students can join various Government Organizations, NGO's, Law Firms, and other independent agencies as Legal Researchers which in a way enhances their skills and further contributes to the aforementioned bodies.

## MOOT COURT

At LIBRA College of Law, we have developed a "Moot Court" that provides our students with the opportunity to analyse legal topics and conduct in-depth research. Through this, our students learn to work in teams and collaborate with their peers to develop their advocacy skills. Participating in the Moot Court is an excellent way for our students to improve their confidence and speaking skills, as they are given the chance to demonstrate their abilities in a simulated legal setting. This is a valuable part of our curriculum, as it allows our students to apply the theoretical knowledge they acquire in the classroom to practical, real-world scenarios.

## IMPORTANCE OF MOOTING FOR LAW STUDENT

Mooting is a simulated court providing where student teams are presented with a legal problem that they are required to argue before "judge or panel of judges".

Mooting is about developing your capacity to argue persuasively, convincing listener to accept your particular position or point of view.

## Library

Our service combines the information provision skills of library staff with the technical expertise of staff. The result is that Libra College of Law, is one of the leading Institution, supporting teaching and learning, with access to electronic and other information resources to every course at the Institution. The end-user computing, network and security, and storage, back-up and servers, has enhanced the learning and working environment for everyone at Libra College of Law.

### Information Resources

Our multi- library provides long-opening hours and a mix of learning environments to meet different student needs, be it a quiet, study space or study room. We provide the flexibility to work online alongside traditional print resources and our wireless network gives students the option of using these services. The library is well stocked with books but our range of online resources extends the library in the campus, allowing students to access journals and eBooks. Our support mechanisms reflect the blurring boundaries between IT and the electronic library, with an integrated enquiry desk offering students friendly help and advice. Students can get formal or informal information skills training at various points during their studies help them develop their capacity to access and evaluate the information they need to develop their subject expertise and the Libra College of Law, Attributes.

From the moment students arrive at Libra College of Law, they get quite a number of help services designed to assist them in settling down in the new world of education. The scholar guide services offer ongoing assistance to all college students.

Students make the most of their academic stay at Libra college via utilizing a number of facilities present on campus, and via participating and often creating a unique set of activities day in and out.

Take a glimpse of the most calm campus, no longer simply because of the modern-day and vibrant structure taking you far from the traditional sense of boxy concrete blocks, but because of all college students who truly make you feel like home.

Because of the extensive range of topics and courses, Libra law college is home to a huge number of college students. This has helped promote a vibrant and engaging campus life. A law student has loads to learn from an engineer or say a architect. There's a sports ground which encourages participation in most sports together with football, cricket, and volleyball. The labs for Law courses are also extraordinary and quite staggering. The best part of the infrastructure and campus is the hostel. The hostel centers are pretty best whilst as compared to other residential institutes within the country. You needn't worry about dwelling facilities here at Libra law college.

- Wi- Fi campus
- In-Campus cafeteria
- Play ground
- Library facility
- 24X7 infirmary & first aid services
- Security services
- CCTV

## Campus Life...

Our institution recognizes the importance of providing comprehensive healthcare services to our students. As such, we have appointed a doctor to be available on-campus for medical consultations and treatment. In addition, we have established tie-ups with the best hospitals in Dehradun to ensure that our students have access to emergency medical care around the clock, 24X7, throughout the year. For students who require transportation to a hospital, we also provide ambulance services. We believe that providing such facilities is crucial in ensuring the well-being of our students and enabling them to focus on their academic pursuits.

## SPORTS

At LIBRA College of Law we aim to sporting opportunities for all students. We are supporting and developing sport across levels of participation in order to enhance the student experience.

### What sporting facilities do we have...

The Institute has an Indoor stadium with Badminton court , Basketball court , Table tennis, Boxing Ring and Out door Volleyball court, Kabaddi court and plethora of others to enjoy. In addition to the facilities at the Institute, Dehradun also has some excellent sports facilities such as football clubs, along with cricket, swimming and hockey clubs. Students can gain discounted access to many of the facilities across Dehradun with the help of our clubs.

### What do we offer...

A range of exercise classes are being provided for students include yoga and aerobics. Another way to get involved in sport here at LIBRA College of Law is through our sports club. There are many clubs run by the Sports Department which range from traditional team sports such as Athletic, Kabaddi etc through to individual sports such as badminton, chess, etc. These sports club are members of Universities and Colleges Sport. In regards to high performance sport, the Institute is helping talented athletes achieve their full potential. The purpose is to enable students to perform at the highest level possible by providing them with the competition whilst undertaking their academic program. Athletes can get access to a range of support services such as sport science, strength and conditioning, nutrition and psychology, along with moral support. It is hoped that through the various sports programs outlined above we can continue to develop class athletes alongside introducing as many students as possible to the benefits of the participation in sport and adopting a healthy lifestyle .

### The Fitness Hub

The Fitness Hub provides the ultimate health and fitness solution. The Institute gym is situated in the campus and has a cardiovascular machines together with free weights and resistance machines. There is also a lifting platform for those who want to undertake lifts. The free weights are suitable for all gym users from beginners to expert lifters. Qualified gym instructors are always on hand to provide expert fitness advice and free program consultations for new members.

### Health

LIBRA College of Law Health is an on-campus First Aid health service, for further providing comprehensive health care to all students and staff in a friendly and comfortable environment, the LIBRA College of Law has tie ups with the best Hospitals of Dehradun for consultations, treatment & emergencies 24X7X365 days. Ambulance service are also available in case of any emergency.

## HOSTEL

Our institution takes pride in its diverse student community, comprising individuals from various regions of the nation and beyond. Our campus offers a unique opportunity for students to interact with peers from different cultures, ethnicities, and backgrounds.

At our institution, hostel life is considered an integral aspect of the college experience. It provides students with an opportunity to develop self-reliance, independence, and a sense of responsibility. Moreover, it allows them to interact with fellow students, develop lasting friendships, and engage in various social activities.

The rich cultural diversity of our campus not only broadens students' horizons but also enhances their understanding of different perspectives. By interacting with students from different states and nations, they acquire a global perspective and learn to appreciate the values and beliefs of others. This not only helps them to become well-rounded individuals but also fosters a positive attitude towards life.

Our institution is equipped with separate hostels for boys and girls, which can accommodate over 1200 students. We understand the importance of providing safe and comfortable living spaces for students, and our hostel facilities are designed to meet those needs.

In addition, our institution provides house mess services, catering to the diverse taste preferences of our student community. Our menu comprises North Indian, South Indian, and Chinese cuisines, both vegetarian and non-vegetarian, ensuring that every student has access to a variety of healthy and nutritious meals.

We take great care to ensure the quality and hygiene of our food. Our mess services are managed by experienced chefs and staff who follow stringent hygiene protocols to maintain the highest standards of cleanliness and food safety. We believe that a healthy diet is crucial for our students' physical and mental well-being, and we strive to provide them with the best possible nutrition through our house mess services.

In conclusion, our institution is committed to providing safe and comfortable hostel facilities and nutritious food services for our students. We understand the importance of maintaining high standards of quality and hygiene, and we continuously strive to improve our services to meet the evolving needs of our student community.

House Residential Accommodation Charges : Enrollment Fee : INR 5000/- (To be paid once )

A) Accommodation charges are assessed on a yearly basis and are inclusive of both vegetarian and non - vegetarian meal options.

### Presentations to schools and colleges

The Institute's Student Recruitment teams give presentations to many schools and colleges on a number of topics related to higher education. Our staff can provide presentations on general topics such as choosing and applying to institute, or a specific presentation on Libra College of Law. If you would like us to arrange a presentation for your school or college, please contact the Student Recruitment Office to discuss your requirements if any date available.

The Student Recruitment team also attend a large number of higher education fairs and careers conventions across India, and World. Staffs attending such events are able to provide advice and guidance on our range of courses, facilities, and can assist you in making your choice of what to study with us.
