## ADMISSION REQUIREMENTS

Candidates willing to apply must have secured minimum of 50% marks in graduation for candidates belonging to General/OBC category and 45% for students belonging to SC/ST category. You can apply either directly for admission or through State Entrance Exam (SEE) organized by AKTU/UPTU or through CMAT score.

## PEDAGOGY & STUDENT SUPPORT SERVICES

You may find that the approach to learning and teaching at DDCM is different from that experienced at school or college. You should make use of the opportunities and support available to help you to make this transition and to gain the best degree you can.

You will experience a variety of classes – lectures, tutorials, seminars, practical instruction, laboratory, etc. Small groups will meet regularly with a tutor to discuss their subject, their work and opinions in depth, which also permits the sharing and 'testing' of each other's knowledge – i.e. checking the relevance of your reading and the basis of your arguments.

Practical instruction, laboratory and fieldwork are normally associated with management subjects, and may provide opportunities for students to take part in industry related projects.

Each module will involve assessment – assignments, essays, practical reports, presentations, projects, exams, etc.

## ACADEMICS

Teaching-learning process is of prime importance in DDCL. The college embraces the importance of agile faculty for an efficient pedagogy. The faculty of Law, therefore, organizes regular and guest lectures of the salutary and esteemed lawyers from the district court, High court and the Supreme court of India. The top management, being a deft and vastly experienced legal professional promote dexterity and excellence in legal education. The students undergo a six months legal training in the district and sessions court under the guidance of vastly experienced advocates who do not take any remuneration for their supervision and lecturing. There are thrust on continuous improvement from top management. Extra coaching is organized by external experts in certain areas if necessary. Visits to local Courts, the Supreme Court, Juvenile jails are organized in every session and students are taken on educational tours to premier institutes of India like Indian Law Institute.

Conferences are organized at National level to expose students to the latest development in the field of law and to make them understand the depth of knowledge and

scope in areas of legal studies.

The concentration is more on practical exposure than classroom learning. The students also take interest in different activities that encourage their skill and talent in legal field. Drafting competitions and moots are organized for students to develop their verbal and non-verbal skills and learn the minutes of arguments in court. One of the major areas of focus for scholars at the Department is the study of legal texts – in commentaries, court decisions, written agreements, or expert opinions – and reflecting on the methods used to interpret and implement them in practice.

### MEDIUM OF INSTRUCTION & EXAMINATION

The medium of Instruction and Medium of Examination is Bilingual (both English & Hindi) and system of Examination is semester system.

### MANY STUDENTS REPORT THAT STUDYING "LAW" HAS BEEN THE HIGHLIGHT OF THEIR CAREER.
