The university began offering the MBA program in 2008 and has since expanded its offerings to include 154 programs across various disciplines. It is a multi disciplinary HEI in Delhi NCR which offers learner centric programmes with its state-of-the-art infrastructure, well-equipped laboratories, library and dedicated faculty is a boon in itself. The University is opening admissions for the upcoming academic session 2024-25, offering 154 programs including 15 new programs and 139 existing ones. The university aims to bridge the gap between industry and academia, offering degree, diploma, and certificate courses in emerging areas such as Information Communication Technology, Engineering, Applied Sciences, Biotechnology, Management, Humanities & Social Sciences, Buddhist Studies and Law, Justice & Governance.

The Artificial Intelligence (AI) Centre at Gautam Buddha University is poised to harness the power of AI to address societal challenges, drive economic growth, and empower the next generation of innovators and leaders. The establishment of the AI Centre at Gautam Buddha University aligns with the broader vision of fostering innovation-driven growth and positioning Uttar Pradesh as a front runner in the global AI landscape. The centre will serve as a interlinkage for interdisciplinary collaboration, bringing together experts from academia, industry, and government to tackle complex problems and unlock new opportunities across various domains.

The University aims to enhance employability through various student development programs and integrate the national ethos in learning & sharing. The University is committed to putting the Nation at the forefront of advanced nations through quality education. The GBU family assures students that they will help them pursue their goals in a diverse social, cultural, and economic environment, making the University proud of their achievements.

I wish and assure you, on behalf of the GBU fraternity, that we will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University fraternity proud of your accomplishments in academics and extra curricular activities so to elevate yourself to enable to contribute in society at large.

PROF. RAVINDRA KUMAR SINHA
Vice Chancellor

Gautam Buddha University was established under the Uttar Pradesh Gautam Buddha University Act, 2002 (U.P. Act No. (9) of 2002), and came into existence in the year 2008. The University is recognized by UGC under section 2(f) and 12-B of UGC Act, 1956 and is accredited by NAAC. The University envisions to integrate our National Ethos, Rich Heritage and the Ancient Wisdom with the education and research to invoke high standards of quality and innovativeness to be at par with international benchmarks. The University is a world class center for excellence in the field to Research and Academics.

Gautam Buddha University has 455 acres of lush green campus with the built up area of 8,000,000 sq.ft at Greater Noida. The fully residential campus is modelled in line with the best institutions of higher learning across the globe. The design of the Gautam Buddha University is an integration of buildings, landscape, art, sculpture, and environment. The features of infrastructure such as natural lighting, ventilation, traditional elements like lattices, sunshades and domes, allows to establish a strong link with the natural environment. All these features complement each other and give a unique identity to the campus.

The University has a world class infrastructure in terms of its buildings of Eight Schools of studies with Auditorium and Conference facilities, Administrative Block, Central Library, University Auditorium with 3000 seating capacity, Sports Complexes, Health Care Centre, Hostels, International Convention Centre and a well equipped Guest House. Excellent internal roads, gardens, illuminated campus, state-of-the-art IT enabled class-rooms, laboratories and other amenities, well maintained hostel buildings make the University an incredible place for study.

A rich library facility with well stacked books, journals, magazines, separate reading and reference sections and modern e-resources with free-access to a large number of E-journals and E-books makes it a very significant source of learning. Mahamaya Shanti Sarovar, a beautiful water body spread over 1 lac sq. ft. area is in the midst of the Schools of the University. Entire campus is equipped with Wi-Fi facility of 1GBPS Internet Speed with 24 hours power backup.

VISION

“A globally acclaimed integrated academic and research institution that creates a vibrant community of intellectuals and entrepreneurs endowed with Character, Creativity, Competence and Commitment, who can inspire meaningful transformations to ensure holistic growth and development of the society.”

MISSION

- To generate a community of scholars who can manage continuity and change.
- To seek and incorporate the best practices in teaching and learning from around the world.
- To inculcate in the learners due appreciation for ethical, ecological and economic issues of knowledge.
- To provide knowledge based scientific solutions to satisfy the need of society and industry.
- To ensure an academic environment that guarantees avenues for all historically excluded sections of the society.

The GBU Campus, situated in the Delhi NCR, is a thriving residential home to a community of creative and accomplished students from not only India but also from across the world. The campus is designed to provide an immersive learning experience to its students, both inside and outside the classroom. A fully residential campus is an ideal place for learning and self-discovery which is ultimately helpful in nurturing the young minds in right directions. Here at the campus, students are encouraged to engage in intellectual debates, develop talents through various cultural club activities and entrepreneurial projects.

2.1 HOSTELS

There are 11 boys' and 7 girls' hostels. All Boys and most of the girls hostels are single seater, some double occupancy rooms are available only for girl students. All hostel are allotted on a "First come first serve" basis. In case of non availability of room student may have to make self arrangements till such time vacancies are made in the hostels.

Hostels are equipped with facilities like internet, common rooms, separate T.V. room and visitor's rooms, table tennis, reading rooms, first aid facility, indoor games facility, gymnasium, badminton court, volleyball court, basketball court etc. The University also provides accommodation to full time Ph.D. Scholars in Married-Research Scholars Hostel. Married-Research Scholars Hostel (MRSH) has two-room apartments. For foreign national students, accommodations are available separately. All the hostels are supported by water heating systems which ensure supply of hot water during winters.

2.2 CENTRAL COMPUTER CENTER (CCC)

The Central Computer Center is a central facility that caters to the computing needs of faculty, staff and students. This facility operates 24x7 throughout the year, serving as the hub for computer related services on the campus. It is well-equipped with advanced computers, necessary peripherals, and essential software. Additionally, the Central Computer Centre is equipped with power backup through two high-end 80KVA UPS units and a generator set. Air Conditioning is provided by a precision AC & VRV AC plants.

- Linux/Windows desktops are accessible in all classrooms across various school labs to facilitate e-learning and interactive lab sessions during classes. The CCC network backbone operates on Fiber Optic connectivity, interconnecting the computer center, School of Studies, and administrative offices. The access network utilizes structured UTP network infrastructure incorporating approximately 400 units of 10/100 Mbps switches. The University is equipped with a 2 Gbps bandwidth for internet connectivity obtained from the National Knowledge Network (NKN) and other ISPs.
- CCC offers easy access of excellent computational facilities to both faculty and students, boasting over 900 computers that cater to their academic, research, and recreational needs. The entire campus is interlinked through LAN and seamless wireless connectivity, facilitated by Cisco APs, which are managed by the WLC (Wireless LAN Controller) Cisco 5508. Over 250 indoor APs are strategically installed to ensure connectivity across various buildings, including different schools within the University
- NextGen Firewalls are installed to detect Malware, Spyware, and viruses at the gateway level, thereby securing the network from potential threats.
- Multiple servers are installed in the CCC data center for various application used by different schools and labs.

2.3 BODHISATTVA DR. BHIM RAO AMBEDKAR PUSTAKALAYA (CENTRAL LIBRARY)

Bodhisattva Dr. Bhim Rao Ambedkar Pustakalaya (Central Library) is situated at the centre of the Gautam Buddha University Campus. The library building is a structural marvel designed with inspirational inputs from the Buddhist Traditions of Learning. It is tallest building in the campus and is a mark of tribute to the Buddha. The library spread in approx. 1.78 lacs sqft. having five storeys, which support the University's mission to contribute to society through its pursuit of education, learning and research at the highest levels of excellence.

It is the soul of academic and research activities of the University. It has huge volumes of Management, Computer Science, Engineering, Information Technology, Biotechnology, Humanities, & Social Sciences, Buddhist Studies and other related areas. The library is well equipped with modern facilities, spacious stack halls, 2000 seating capacity reading hall, reference section, catalogue area, multiple self supporting loaning counters, and is managed by professionals. The Central Library is fully automated with Libsys 10 and RFID systems.

Library Resources

E-Resources: The Library has subscribed various e-resources (approx 6461) which cover various subjects in the field of Management, Biotechnology, Genetics & Molecular Biology, Chemistry, Computer Science, Engineering, Environmental Science, Material Science, Mathematics and Social Science. In addition to these 1,00,000 plus open access E-resources are linked with the University website to make it accessible to the users anytime anywhere.

Newspapers and Magazines: The Library subscribed various Hindi and English Newspapers and Magazines related to competitive exams.

Special Services: The Library has a dedicated section for preparation of the IAS/IPS and other competitive exams. One reading hall is also available 24*7 for studying purpose. The Library subscribed Anti-plagiarism Software Turnitin for checking the similarity of thesis / project report of the Researchers and Students.

DELNET Services:

The Library is a member of DELNET. Inter Library Loan from other institution around the globe is available through DELNET.

Library Facilities and Services

- The Library provides various value added services with special services to students for competitive exams
- Current Awareness Services
- Xerox, Printout and Scanning facility
- Computer Lab for Students
- Smart ID Cards facilities for Students /Faculty/ Staff
- Internet Services through wi-fi connectivity throughout the library and GBU Campus
- OPAC (Online Public Access Catalogue)
- Book Bank Services for Students
- Introduced new and updated services to the users by displaying on notice board or circular
- Property Counter with Lockers system

2.4 EXAMINATION CELL

The University has a well established examination cell to conduct examinations, to prepare results and to maintain all the academic records of the students. All programs of the University follow Choice Based Credit System (CBCS) and students are examined on semester basis.

The University follows a 10-point grading system. The system works as:

Maximum marks: 100; Minimum passing marks: 40

At University, students have to complete the programs

Letter Grade	Marks	Grade Point
O	91-100	10
A+	81-90	9
A	71-80	8
B+	61-70	7
B	51-60	6
C	41-50	5
P	40	4
F	<40	0
Ab	Absent	0
Inc	Detained due to low attendance	0

in n+2 (n+3 for SC & ST students) years, where 'n' is the duration (number of year) of a particular program. To be promoted to next academic year, student must score a minimum 4.0 CGPA in two semesters of particular academic year.

2.5 PLANNING & RESEARCH CELL

The office of the Dean Planning & Research looks after various Research Projects which are being sponsored by different funding agencies like Department of Biotechnology (DBT), Indian Council of Medical Research (ICMR), Council of Scientific & Industrial Research (CSIR), Department of Science & Technology (DST), Indian Council of Social Science Research (ICSSR), Indian Council of Historical Research (ICHR), Indian Council of Philosophical Research (ICPR), etc. These projects of approximately Rs. 60000000 (Six crore) are ongoing at different stages of growth and development at various Schools of the University. A number of Junior Research Fellow (JRF), Senior Research Fellow (SRF), Research Associate and Research Assistant (RA) and Principal Investigator (PI) under Women Scientist Scheme-DST are also working in different projects under the meticulous supervision and mentorship of our esteemed faculty members. We also encourage different other fellowships like Ramanujan Fellowship of Department of Science and Technology under the scheme for brilliant Indian Scientists and Engineers from outside India to take up scientific research positions in India, those Indian Scientist / Engineers who want to return to India from abroad.

The University has state of the art laboratories in all the Schools apart from well equipped Computer Centre. Apart from the above, registration for copyrights and patents are also been taken care of by this office. Various copyrights and patent have been granted and filed under patent law. A number of MoUs with different organizations have also been signed by the University.

2.6 NATIONAL SERVICE SCHEME (NSS)

The National Service Scheme (NSS) is a Central Sector Scheme of the Government of India, Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands-on experience to young students in delivering community service. The University started community service under the NSS in 2015.

GBU currently has three units of NSS. Each unit consists of 100 volunteers with two programme officers, male and female, in each unit. Various activities have been carried out under the scheme such as maintaining a green campus, campus cleaning drive, environmental sustainability, cloths distribution among needy people, the spread of awareness programmes on various social and political issues, plantation and adoption of plants, Sharmdaan, free eyes check-up camp for GBUites, visits in the adopted villages, health and road safety awareness campaigns through nukkad natak, and Swachhta Pakhwada, voter awareness programmes, various welfare drives for slums etc. Also, helps in the

development of a sense of social and civil responsibilities among youth who will be the milestones of our nation tomorrow.

2.7 NATIONAL CADET CORPS (NCC)

The University encourages students to participate in National Cadet Corps (NCC) activities in order to educate them for “Unity and Discipline” which is the motto of NCC. The NCC cadets contribute towards social development by providing leadership, participating in community service, national and

cultural integration, understanding the value of physical education with adventure training and promoting awareness through social programmes. Currently, the University has 1 girl (31 UP (Girls) Battalion NCC, Greater Noida) platoon which enrolls 50 female students for Senior-Wing NCC training leading to 'B' and 'C' certificates. The University has also applied for permanent seats in NCC Senior-Wing (Boys) and is hopeful to get it soon.

2.8 SPORTS FACILITIES

The University promotes multi-dimensional growth with emphasis on an integrated physical and intellectual learning and training. The Eklavya Sports Complex of the University is spread over approx. 47 acres with indoor and outdoor stadiums of global standard, equipped with state-of-the art sports facilities. It is the hub of sports activities in the University.

- Synthetic Lawn-Tennis courts with floodlights-04
- Synthetic Volleyball courts with floodlights-04
- Synthetic Basketball courts with floodlights-03
- Gym Facility in Girls Hostel-04
- GBU Club :
 - Gym Facility -01 nos., Wooden Badminton Courts-02 nos., Squash Court-01 no., Billiard Table-01 no., ITTF approved Table-Tennis Table-01 no.
- Cricket Stadium:

National Level Cricket Stadium with pavilion of sitting approx. 650 persons- 01

Cricket Practices pitch- 07 Nos.

- Sports Centre:

ITTF approved Table-Tennis Tables in Sports

Centre 06 Nos., 10 m. Air Pistol Shooting Range- 5 targets, Boys Gym Facility - 01 no.

Practice Soccer cum track and field- 01 no.

- Indore Stadium: Centre Playing Area approx. - 38.50 x 59.60 m. with PVC approved Sports Flooring, Seating Capacity- approx. 5000 persons with the facilities of Badminton Courts-08 nos., Basketball Court- 01 no. & Wooden Squash Courts - 02 nos.

PROPOSED SPORTS FACILITIES:

- Hockey Astro-turf Stadium with pavilion of sitting approx. 650 persons.
- Synthetic Athletic Cum Soccer Stadium with pavilion of sitting approx. 650 persons.
- Olympic size Swimming Pool-cum-Diving Pool with sitting approx. 600 persons.

The University has a good number of experienced coaches for Badminton, Basketball, Football, Volleyball, Cricket, and Table Tennis games, to provide guidance and training in concerned sports event 'Shauryotsav', the annual sports festival of the University aims at motivating students to participate and add physical extensions to their intellectual quests. University organised Shauryotsav every year in which almost all students (Boys and Girls) participate in approximately 100 different sports events.

2.9 CULTURAL COUNCIL

The Cultural Council promotes co-curricular and cultural activities among the students through its wide variety of events throughout the year to inculcate the values of our ancient wisdom and cultural heritage. University focuses on the allround development of its students hence to strike a balance between books, syllabus and curriculum, co-curricular activities are incorporated to enhance the creative intellectual, moral, social and cultural development of the student.

Throughout the year various cultural events are organised by different clubs of the Cultural Council where students get the opportunity to develop

and exhibit their skills and non-academic abilities. University's annual cultural event 'Abhivyanjana' intends to add wings to intellect, imagery, and creativity of our students. It aims at dissolving the cultural demarcations and facilitates a new school of thought where every student thinks beyond boundaries. It also gives a platform to the budding managers, team leaders and team players, testing their own abilities against all odds. The cultural council of the university consists of following clubs:

- Adventure Club
- Natures Club
- Audio Visual Education Club: **Pradarsh**
- Debating Society: **Drishtikon**
- Literary Club: **Arhant**
- Photography Club: **Pratibimb**
- Techno-Cultural Club
- Art Club
- Creativity Club
- Dance Club: **Jhanak/Jhankaar**
- Dramatics Club: **Dishyan**
- Music Club: **Swaranjali**
- Social Service Club
- Painting Club: **Chitrakala**

2.10 MAHATMA JYOTIBA PHULE DHYAN KENDRA (MEDITATION CENTRE)

Mahatama Jyotiba Phule Dhyan Kendra, popularly known as the Meditation Centre, is designed to visually tie the earth with the sky when viewed in the horizon. It is inspired by the Stupa architecture (a symbolism of Buddhist Stupa), is a learning and retreat centre which gives an experience of the power of peace and inner silence to the students of the University besides their regular curriculum. The centre aims to create a community around the pursuit of living a more mindful, reflective and skillful life. It focuses to develop the meditation skills of its members and foster discussion of matters of practical importance.

Personality trait and mindfulness are associated in a way to understand ourselves and those around us and consequentially be able to demonstrate skills to respond to the society peacefully. These skills could be, for example, working with others, solving problems, decision making adapting to change etc.

The centre organizes seminars, lectures and

experiential workshops on Buddhist meditation, positive values, stress free living and self management. It aims to help the residents of the campus, in recognizing their own inherent qualities and recollect their inner most potential. The meditation centre facilitates the experience of the inner self through silence. The purpose of meditation is the cultivation of positive states of mind, conducive to peace and well-being, and it helps overcome negative habits of minds. The course is a chance for the students to centre themselves with a calm mind and develop clarity of perception, a sense of healing and the ability to connect to an inner source of energy.

2.11 HEALTH CARE CENTRE

The multifarious medical needs of the Campus residents including students, faculty, staff members and their dependents are met by the University Dispensary. The Dispensary is equipped with a team of full time and visiting Medical professionals co-ordinated by Nursing Supervisor. Patients registered at the reception are served on first come first serve basis, however out of turn consultation is provided in case of emergency and for senior citizens. In OPD, clinical consultation is provided to the patients which also includes; patient's clinical history, clinical examination, diagnosis, henceforth diagnosis and prescriptions are provided to patients and laboratory tests suggested, if required. OPD facility covers waiting hall with chairs, public utilities like drinking water and toilets. Sub waiting areas are available in front of individual consultation room. Wheel Chairs and attendants are there to help patients. Other facilities include Ward/Indoor facility, Minor OT, Physiotherapy, Laboratory services, ECG services, Pharmacy, 24x7 Ambulance services.

HEALTH CARE EVENTS

- Annually organizing free health check-up camp, free orthopedic & physiotherapy camp, yoga camp. etc. for University student's/residents by Dispensary in collaboration with leading hospitals of Delhi/NCR.
- Annually organizing voluntary blood donation camps by dispensary in association with Red Cross society and leading blood banks.
- Providing Health education for visiting patients in Dispensary by medical professionals.

2.12 STUDENTS SUPPORT AND PROGRESSION

Each school of the University has an efficient and competent system for student support and mentoring them to provide academic, career and psychological counseling to the students. Students are supported through mentoring in academics, sports and cultural

activities. They are guided to develop their personality and soft skills. They are counselled to develop professional competitiveness as well as ethics, human values, sense of social responsibility and environmental consciousness. Students are encouraged to participate in activities for social and community services. The University is very sensitive to the issues of gender equality and has 'Gender-Sensitive Policy'. Students are encouraged to maintain gender discrimination free environment. Street plays/Skits related to such issues are enacted in the campus on various occasions by the students of various cultural groups. Debates/Talks are organized for encouraging students to make campus a safe place for every student irrespective of gender and culture. The University also has a zero tolerance policy for issues related to sexual harassment.

2.13 FACILITIES FOR DIFFERENTLY - ABLED PERSONS (DIVYANG)

With special consideration for differently-abled persons, the University has provision as per UP State reservation policy. For 'Barrier Free Access' the University has constructed ramps at all Schools/ Departments, administrative building, central library, hostels and shopping complex. There is a facility of lifts in all the Schools, administrative building, and central library with separate wash room facility in all the School buildings.

2.14 TRANSPORT FACILITY

GBU is a residential campus for students, faculty and staff. There is availability of University bus service to provide need based transport facility for educational tours, seminars and conferences etc. The roads layout plan in entire campus is in circulation system that keeps the complete vehicular movement restricted to the periphery of the campus allowing for a completely pedestrian-friendly environment. Separate tracks for cycles have been provided to move safely from one place to the other.

2.15 OTHER AMENITIES

- A shopping complex comprising of 21 shops which houses eatables, grocery, dry cleaner, stationery shops etc.
- A branch of Punjab National Bank & ATM.
- Ample number of Cafeterias operational in the campus.

2.16 PLACEMENTS AND EMPLOYABILITY ENHANCEMENT : The Core Strength of University

The University relentlessly works for Placement and employability enhancement of students under the

aegis of Corporate Relations Cell (CRC).

Training & Placement:

The Corporate Relations Cell (CRC) provides 100% placement assistance to all the students, it acts as the career guidance cell. Following are the activities which fall under the ambit of CRC: conducting trainings, providing summer & final Placement assistance and maintaining liaisoning with corporate. It is the primary Industry Interface for the students with the outside world and vice versa. Apart from this the Corporate Relations Cell infuses the spirit of entrepreneurship through its Incubation Center with beneficial tie-ups with angel investors. This incubator houses the dreams of young entrepreneurs. CRC also conducts Mega Job fairs to invite the best available opportunities for the students of Gautam Buddha University.

Mukhyamantri Abhyudaya Yojna Centre: Abhyudaya Yojna is a free scheme for economically weaker students for the Civil Services and other competitive exams aspirants. The platform facilitates services of IAS, IPS and IFS officers from various government institutions and experts that provide multidisciplinary

training to the aspirants of civil services and other competitive examinations through live classes and virtual medium.

Career Counseling lies at the core of CRC's focus. It is imperative to steer the young minds at all times, so as to enable them to achieve their target careers in the most efficient and effective way. Hence, CRC helps students understand how best they can utilize classroom course work training and apply it in the real world.

Job Fairs: GBU Organizes the Mega Open Campus Placement Drive along with Ministry of Labour and Employment, (Govt. of India), FICCI and other Organization, which is a Platform for many Employers and Job Seekers. This fair has provided opportunities to 150+ Employers and 10,000+ Job Seeker with 1000s success stories.

Highest Package offered for the Batch (2024) - 51 LPA
Number of Companies conducted Campus drives in 2024 - 60+ and 75% Placement of USoICT, USoE & USoM

2.17 GBU INCUBATION CENTRE

Entrepreneurship and Incubation: In its regular efforts to equip students with the right skills and tools, Gautam Buddha University has an Incubation Center which works like an accelerator for young entrepreneurs. From bootstrapping to technical training, and from mentorships to financial and technical aid, GBU Incubation Centre is the one place where students can find everything they need. The incubation center is one of its kind that helps and propagate entrepreneurship, which in turn addresses issues like local area development, niche sector growth, employment generation and economic growth. The Incubation Centre of GBU is duly recognized by Ministry of MSME GoI, and UP Startup Policy.

2.18 INTERNATIONAL STUDENTS

International Affairs Cell at Gautam Buddha University offers a very cordial welcome to the International students wishing to join various programmes of the University for higher studies. We are a nation whose core ethos recognizes divinity in each and every guest, who lands in India. To enforce it properly, the University has created a separate entity to look after the matter related to admissions of International Students in terms of procedure, process, admission, and related administration. The International Affairs Office advises students on the matters related to application, admission, fees, arrival services and orientation. It also offers an ongoing support and after arrival advice.

The International Students' Office is responsible to provide all necessary help to International students regarding:

- How to choose course of study
- How to fill in the application form for admission
- Course information
- Whether academic qualifications are suitable/eligibility criteria
- English Remedial Programme
- Orientation
- Visa formalities
- Accommodation/Hostels
- Fees and any other issues
- Annually organizing voluntary blood donation camp by dispensary in association with Red Cross society and leading blood banks.

The Centre coordinates with ICCR, Ministry of External Affairs, different embassies, consulates Study in India.

Programme and Direct Admission of Student Aboard

(DASA) University admits students under various government schemes for foreign nationals, PIO, NRIs etc. through their respective online portals as well for various purposes including the scholarships on behalf of the students.

The University model for Internationalization of Higher Education has the following unique features:

- Single Window
- Networking
- Interfacing
- Wireless connectivity
- Interaction
- Multi/Interdisciplinary
- Competitive and Affordable

The University has a large number of International students for not only Under Graduate and Post Graduate courses, but also for Research Programs viz. Ph.D. programs. In the age of globalization, the University has set out to make its presence felt globally through internationalization of its programmes and opening new avenues of association for international student community. The International Students registered in this University since its inception, belong to following countries:

Vietnam	Cambodia	Afghanistan
South Korea	Thailand	USA
China	Yemen	Canada
Myanmar	Nepal	Suriname
Mongolia	Lao PDR	Bangladesh
Taiwan	Bhutan	Sri Lanka

In order to promote value-based education, research and training, the University has eight schools of studies.

Each School of Study in the University combines a multilateral confluence of academic training, research, innovation and creativity. These Schools are embodiments of the University's ever growing quest for excellence in higher education and research. All the Schools encompass modern fields of studies, technological exposure and a meaningful dissemination of knowledge coupled with practicing wisdom. The uniqueness of the University is acknowledged through the format, content and pedagogy of its programmes and their relevance to the society.

The Schools of Studies have been established with the objective to disseminate knowledge by providing instructional and research facilities in such branches of learning as it may deem fit; to make special provisions for various courses in Management, Engineering, Biotechnology and Information & Communication Technology (ICT) in its educational programmes; to take appropriate measures for promoting innovations in teaching-learning process and inter-disciplinary studies and research; to educate and train the manpower for the development of the country and to establish linkages with industries for the promotion of science and technology; and to pay special attention to the improvement of the social and economic conditions and welfare of the people, their intellectual, academic and cultural development. The academic programmes offered by the University are recognized by UGC and by various regulatory bodies /

statutory Councils, whichever are applicable in individual cases.

Teaching Pedagogy

The traditional form of teaching in a University often involves lectures being given to large groups of students, accompanied by tutorials and workshops, with some independent study. However, there are several other modes of delivery that can also be very effective such as the flipped classroom and problem based learning. The teaching pedagogy implemented at the University is designed to give an overview of various methods of teaching and learning process for the better understanding of the students which are:

- Conventional Lecture mode, however, the University promotes small group teaching to make lectures productive and engaging
- Demos in practical classes for effective engagements of students.
- Flipped classroom approach by asking learners to watch video content before the class session, and devote in-class time to exercises, projects and discussions.
- Active learning to explore teaching and learning methods that put the student in-charge of their own learning to work together to support each other's learning.
- Blended learning where traditional classroom teaching is combined with online learning and independent study.

Emerging as Centre of Excellence

The University, through its various academic activities and innovative pedagogies, is emerging as a centre of excellence. Our growing number of research projects, publications and meaningful interventions are testimony of our claim. It has been gaining steady progress in attracting talent pool from both national and international community. Our untiring efforts to engage industry and incorporate required skill sets in our curriculum have started yielding results in developing various incubators and development centers in major sunrise sectors. There are a few core areas that the University places major thrust on, such as:

- University is emerging as a base for researching,

experimenting, testing and delivering.

- Launching programmes in AI, Data Science, Block Chain, IoT and Cyber Security etc. allows us to take the first step towards integrating these technologies by building applications that can be used in businesses or end users for the larger benefits of the society.
- AI applications driven business objectives, build strong capabilities in other emerging technologies and deploy these applications.

University is focussing on research on various areas such as social sciences, human resource development, biosciences, energy and environment, physical sciences, Buddhist studies and its application in present world scenario, etc. with the aim of high quality publications in journals and filling of patents of inventions. The University places major thrust on the application of computational biology, systems biology, structural biology and bioinformatics, molecular design, molecular modelling, structural pharmacology, and computational immunology. In addition, the University also focuses on Genomics, Molecular Science, etc

3.1 UNIVERSITY SCHOOL OF MANAGEMENT (USOM)

The School has leveraged the flexibility in the curriculum design to mould it according to the fast changing regional and global scenario. It has been offering some unique courses under various programmes, which has been quite popular among students and industry. The Dual Degree Programme BBA-MBA [with exit option after BBA] makes possible to cater pool of electives in the areas of Finance, Marketing, HR, Business Analytics etc. along with summer training opportunities research projects, corporate exposure. The School has state of the art classrooms equipped with computing and multimedia facilities and supported by an extensive central library which includes books, journals, e-databases.

The curriculum of all its academic programs is regularly upgraded to match corporate need. The School offers Two Year MBA Programme with specialization in HRM, Marketing, Finance, Operations, Information Technology and Strategy and Business Analytics etc. MBA Executive is a management programme for working professional at dignified position. This course is exclusively meant for the experienced people, who wish to upgrade their skills in their field of work or industry. Further, USOM promotes diversity in MBA Programme by inducting students in the same from across various Schools of the University, thus encouraging multi disciplinary learning.

Laboratories:

Computer Labs, Professional, Development Lab & Communication Lab, SPSS Lab etc.

PROGRAMMES OFFERED AT USOM					
Programmes		Eligibility Criteria	No. of Seats & Duration	Mode of Selection	
Code	Name				
UNDER GRADUATE					
UMG01	Dual Degree BBA-MBA [with exit option after BBA]	10+2 in any stream securing minimum 50% marks (45% for SC/ST) or equivalent grade.	(120 Seats) 5 Years (10-Semester)	Direct admission based on merit in qualifying examination	
UMG02	B.Com. (Hons.) Bachelor of Commerce (Hons.)		(60 Seats) (Duration and exit option as per NEP 2020)		
POST GRADUATE					
PMG01	MBA Master of Business Administration Specializations: * <ul style="list-style-type: none">• Business Analytics• Finance• Human Resource Management• Marketing• Operations	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	(120 Seats) 2 Years (4-Semesters)	GBU-ET	Reasoning & Aptitude - [30] Mathematical Ability & Data Interpretation - [30] English Proficiency - [20] General Awareness - [20]
PMG03	MBA Master of Business Administration [Executive]	Graduation in any discipline from a recognized University /College securing minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade.	(40 Seats) 2 Years (4-Semesters)	Direct admission based on merit in qualifying examination	
PMG04	MBA Master of Business Administration (Business Analytics and Data Science) in association with IBM or any equivalent reputed Industry	Bachelor's degree in any discipline from a recognized University/College/Institution with minimum 50% marks in aggregate (45% for SC/ST) or equivalent grade and having Mathematics/Statistics /Quantitative Techniques as one of the subjects at 10+2 or Graduation Level.	(60 Seats) 2 Years (4-Semesters)	GBU-ET	Reasoning & Aptitude - [30] Mathematical Ability & Data Interpretation - [30] English Proficiency - [20] General Awareness - [20]
DOCTORAL					
RMG01	Ph.D. Doctor of Philosophy (Management)	Master's Degree in Management or relevant discipline with minimum 55% aggregate marks (50% in case of SC/ST/OBC (non-creamy layer)/Differently abled/ EWS) or its equivalent grade.	For Area wise availability of seats refer University's website	GBU-ET	Research Methodology - [50] Subject Awareness - [50]

ADMISSION THROUGH VALID TEST SCORES				
PMG01	MBA	Same as above	Valid CAT/MAT/GMAT/CMAT/XAT Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant after GBU-ET)	
PMG04	MBA (Business Analytics and Data Science)			

* (To be offered based on minimum no. of students opting)

3.2 UNIVERSITY SCHOOL OF INFORMATION AND COMMUNICATION TECHNOLOGY (USOICT)

University School of Information and Communication Technology (USOICT) was established in 2009. It has five departments; Computer Science and Engineering, Electronics and Communication Engineering, Information Technology, Artificial Intelligence & 4IR and Computer Science & Applications. The school of ICT has the history of producing skilled doctorate, postgraduate and undergraduate professionals in the emerging areas of Information and Communication Technology (ICT). The University School of Information and Communication Technology has been progressing towards excellence in the field of technical education and research. The School aims to produce competent professionals having strong sense of social responsibilities and to become a hub of research and development activities of national and international recognition. The academic programmes are designed in line with the best Universities around the world. The

School combines the best practices of pedagogy and class room teaching, complemented by practical training and experiential learning.

Laboratories

The School combines the best practices of pedagogy and class room teaching, complemented by Computer Lab-1, Computer Lab-2, Computer Lab-3 (Windows Operating Systems), Computer Vision Lab Basic Electronics Laboratory, Electronic Circuits Lab, Logic Design Lab, Artificial Robotics Technologies Lab, Optical Communication Lab, Analog Communication Lab, VLSI Design Lab, DSP Lab, Microprocessor and interfacing Lab, Microwave & Antenna Lab, Electronics Workshop, Computer Networking Lab, Expert System Lab, Multimedia Technology Lab, Parallel Processing Lab, Advance Digital Communication Lab, Research and Projects Lab, Open Source Software Lab, Embedded System Lab, Image Processing Lab and training and experiential learning.

3.3 UNIVERSITY SCHOOL OF BIOTECHNOLOGY (USOBT)

The objective of the University School of Biotechnology (USOBT) is to generate high quality professionals and researchers by offering various academic programmes in Biotechnology and to develop a premier biotechnology teaching and research department catering the needs and challenges of the region and the country. The School's vision is to provide quality teaching with a strong core science concepts and an application oriented undergraduate and post-graduate education along with solid foundation in the rapidly expanding fields of biotechnology that enable them to produce high quality professionals. Our goal is to provide students with a sound knowledge and understanding of current theories, concepts and laboratory practices in Biotechnology, such as molecular biology, biochemistry, microbiology, immunology, genetics and cell biology, which are in turn linked to practical disciplines like chemical engineering, physics, and information technology. The School is dedicated to provide quality service through teamwork, partnerships and developing research spirit for the professional strength of community and individual. The teachers are available to the students for academic as well as personal counseling. The School has been encouraging the students to independently think as well as implement research ideas.

A breathtaking diversity of the unicellular and the multicellular life forms offers fascinating research opportunity in Biotechnology. The school of Biotechnology at GBU is engaged in cutting age research and teaching in diverse in area of Biotechnology. The school is an active center of basic

and applied research. The faculty members of the School can clearly be distinguished in terms of proven academic engagement, and diverse the ground. School of Biotechnology faculty members are alumni of various prestigious universities/ institutes such as AIIMS, JNU, DU, ICGB, ICAR etc. The Department is involved in research areas such as diseases Diagnostics, Cancer Biology, Genomics and Genome Engineering, Crops improvements, tissue culture, structure based drug design, development of novel antibiotic, Three dimensional structure determination of Enzymes and proteins, production of enzymes for diagnostics and industrial applications etc. The School has also earned reputed DST-FIST grant for infrastructure improvements from the Ministry of S&T, Government of India. Faculty of School of Biotechnology have also acquired extramural research grants of more than 13 crores from various government agencies such as ICMR, DBT, BIRAC, DST and CSIR etc.

The School of Biotechnology has organized a number of Seminars, Conferences, Workshops and Awareness Programmes through regular lectures by the Expert Faculty and the eminent Guest Lecturers. The department is well equipped with all the necessary instruments and number of research facilities.

Laboratories

Apart from basic laboratories the School has state-of-the-art research facilities and laboratories including advanced Plant and Animal Tissue Culture Lab, Molecular Biology Lab, Microbiology Lab, Bioprocess and Fermentation Lab, Genomics & Proteomics lab, Environmental Biotechnology Lab, Advanced Central Instrumentation Facility and Bioinformatics Lab for UG/PG/PhD students.

ADMISSION THROUGH VALID TEST SCORES					
UBT01	Integrated (B.Tech – M.Tech. (Biotechnology) / MBA [Without exit and lateral entry options]	Same as above	Valid JEE/GATE/NEET (UG/PG) Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant)		
PBT01	M.Tech. Master of Technology (Biotechnology)				

3.4 UNIVERSITY SCHOOL OF ENGINEERING (USOE)

The University School of Engineering (USOE) has earned recognition for its commitment to excellence from its inception. The School is enriched by Civil Engineering, Electrical Engineering, Mechanical Engineering and Architecture & Regional Planning departments. The School has experienced faculty helping the students to develop technical expertise and also guide them for various events and workshops that require self- commitment, problem- solving skills, field trips and internships. The School has upheld commitment to the liberal skills and aptitudes in all their breadth and depth to encourage students to expand their talents and skills not only in technical education but also in career enhancement and personality building too. The School also offers numerous leadership opportunities with various technical and professional augmentation establishments viz. the SAE-GBU Collegiate club, GBU- IEEE Student Chapter, CEAS-GBU. A strong technical core forms the foundation for a wealth of Bachelor, Master and Doctoral degree programs offered through USOE.

Laboratories

Civil Engineering Labs: Material Testing, Concrete,

CAD, Structural Analysis, Trans- portation, Soil, Mechanics, Environmental Engineering, Advanced Environmental Engineering, Surveying, Engineering Graphics, Building Design & Drawing, Design, Remote Sensing & GIS, and Hydraulics.

Electrical Engineering Labs: Basic Electrical Engineering, Electrical Machine, Simulation (Python and MATLAB/ Simulink), Power System, Switchgear and Protection, Measurement and Instrumentation, Network, Power Electronics Electric Drives, Control System, Bio-medical and Virtual Instrumentation, Digital and Non-Linear Control, Distribution Network, Power System Simulation, Advance Electric Drives, Power Converter and Simulation, Advance Instrumentation and Control.

Mechanical Engineering Labs: Engineering Workshop, Fluid Mechanics, Fluid Machines, Automobile, Dynamics of Machine, Manufacturing, Refrigeration and Air conditioning, Vibration, Advance Thermal IC Engine. Upcoming Labs: Meteorology and instrumentation Lab, Advanced Manufacturing Lab – I & II.

Architecture & Planning Labs: Model Making, Building Material, Eco-Design, Auto Cad, Construction yard, Art Court, Climatology, Photography, Labs shared with Civil – Survey, GIS & Remote sensing.

DOCTORAL					
REG04	Ph.D. Doctor of Philosophy (Civil Engineering)	M. Tech. (in relevant area of Civil Engineering) With minimum 55% aggregate marks (50% in case of SC/ ST/OBC (non-creamy layer/ Differently - abled/ EWS) or its equivalent grade	For Area wise availability of seats refer University's website	GBU-ET	Research Methodology – [50] Subject Awareness – [50]
LATERAL ENTRY IN B.TECH.					
LIE01	B.Tech. Bachelor of Technology (Civil Engineering)	Passed 3 years/ 2 years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in any branch of Engineering and Technology.	As per AICTE rules	GBU-ET	10+2 level Mathematics - [40] Chemistry - [30] Physics - [30]
	B.Tech. Bachelor of Technology (Mechanical Engineering)	OR B.Sc. Degree from a recognized University as defined by UGC, with at least 45% marks (40% marks in case of candidates belonging to reserved category) and passed 10+2 examination with Mathematics as subject.			
	B.Tech. Bachelor of Technology (Electrical Engineering)	OR Passed D.Voc. Stream in the same or allied sector.			
ADMISSION THROUGH VALID TEST SCORES					
UIE01, LIE01	All B.Tech. Bachelor of Technology/ Integrated B.Tech. -M.Tech.	Same as above	Valid JEE/GATE Score, as applicable (Admission through valid test score of the national tests will be applicable only in case of seats lying vacant)		
PEG01 to PEG05	All M.Tech. Master of Technology				

3.5 UNIVERSITY SCHOOL OF VOCATIONAL STUDIES AND APPLIED SCIENCES (USOVAS)

The University School of Vocational Studies and Applied Sciences (USOVAS) comprises of primary disciplines of Physics, Chemistry and Mathematics along with two interdisciplinary subjects, viz., Environmental Science, and Food Processing & Technology. All academic programmes of the School lay emphasis on the integration of the existing theoretical knowledge with practical applications. Through its academic and research staff, the School possesses a huge depth and breadth of scientific & technological knowledge. The School offers core courses in Physical, Chemical and Mathematical Sciences to undergraduate students of all branches of Engineering, Biotechnology and Information & Communication Technology. The Course “Environmental Science” is offered to all Undergraduate students of all streams of education as “Ability Enhancement Compulsory Course”. The School has been successfully conducting doctoral/postgraduate programmes in Physics, Chemistry, Mathematics, Food Processing & Technology, Food Science, and Environmental Science since 2011-12. The School has started its undergraduate programme, B.Sc. in (Mathematics, Statistics, Economics) from the academic session 2023-24, B.Sc. (Hons) in Physics,

Chemistry and Mathematics from academic session 2019-20, and P.G. Diploma programmes from academic session 2022-23. These programmes of the School support specialized interdisciplinary fields of teaching, research and industry engagement in polymer chemistry, green chemistry, pharmaceutical chemistry, environmental science, food technology, photonics & optoelectronics, semiconductor optoelectronics devices, plasmonics, thin films, nanotechnology, computational fluid dynamics, operations research, functional differential equations; cryptography, number theory and mathematical problems in extreme weather events. The School has been very active in conducting workshops and organizing national and international conferences and seminars, and has well acknowledged research profile.

Laboratories

Apart from the basic laboratories for undergraduate Engineering and Science students, the School has advanced practical and computational laboratories in various disciplines for postgraduate /doctoral students. These are Physics Labs, Chemistry Labs and Mathematics Computer Labs, Environmental Science Labs and Food Processing & Technology Labs.

3.6 UNIVERSITY SCHOOL OF HUMANITIES AND SOCIAL SCIENCES (USOHSS)

The University School of Humanities and Social Sciences (USOHSS) is interdisciplinary in approach. It plays the pivotal role of exposing the students to an environment that is conducive to develop understanding of contemporary social issues through inter-relationship of science, technology and management. The School has a unique and distinctive role of hosting creative educational programmes that focus on creating holistic understanding of complexities of life in social context with emphasis on Indian cultural values. The School is committed to provide an interdisciplinary and integrative pedagogical interface to learners so as to nurture them into competent human beings. The academic programmes, designed in line with the best Universities around the world, combine the best

practices of pedagogy and class room teaching, complemented by practical training and experiential learning. The School encourages research and focuses on providing its students an atmosphere for rigorous academic and intellectual development. The School has competent faculty members who keep pace with the current developments in teaching & research.

Laboratories

- **Clinical Psychology Laboratory & OPD Services:** Mental Health Clinic, Child and Adolescent Clinic, Neuropsychological Clinic, Mental Retardation and Development Pathology Clinic, De-addiction Clinic and Psychosexual Clinic, on specific week-days.
- Social Work Practice Learning Lab, Psychology Lab, Social Science Lab, ICT Lab, Curriculum Lab.

3.7 UNIVERSITY SCHOOL OF BUDDHIST STUDIES AND CIVILIZATION (USOBSC)

The University School of Buddhist Studies and Civilization (USOBSC) has been set up with a vision to produce the erudite scholars and distinguished researchers in the field of Buddhist Studies in order to develop and cater their knowledge to serve the humanity. The School adopts interdisciplinary and multidimensional approaches with the help of other sciences and social sciences like Archaeology, History, and Philosophy etc. for producing scientific researches. The School is well supported by talented and innovative faculty members, who are striving hard to establish the School as an institution of repute with their pioneer researches, conference participations, and academic endeavours and able to encourage scientific inquiry and inquisitiveness among the students as well as academicians. It would facilitate acquisition of specialized knowledge in Buddhist History, Philosophy, and Literature existing in Pali, Sanskrit, Chinese, Burmese, Sinhalese and Tibetan languages and their literature. With a very rich library, a

grand meditation centre, a serene campus, the School promises a very productive academic engagement and practice of Buddhist techniques of Vipassana meditation under qualified supervision. In addition to the above, the School provides an ideal forum for cross-cultural and international dialogues, with regular sessions with scholars, conventions, symposia, seminars, conferences, lecture series, etc. It is open to academic collaborations, joint research programmes and faculty & student exchange programmes with academic institutions of repute dedicated to Buddhist Studies. In these programmes not only Indian but foreign students are also enrolled. School is running compulsory courses of “Human Values & Buddhist Ethics” and “Buddhist Moral Values and Contemporary Society” for UG and PG programmes respectively. The School has MoU with Dhammachai International Research Institute, based in New ecogni, MoU with MIMC, Leh, and many more MoUs with institutions of repute in South Korea, Taiwan, Vietnam, Myanmar, Thailand, Sri Lanka etc. are in progress and will take their final shape in near future.

Preference will be given to Buddhist Studies /Pali.	For Area wise availability of seats refer University's website	GBU-ET	Research Methodology - [50] Subject Awareness - [50]

3.8 UNIVERSITY SCHOOL OF LAW, JUSTICE & GOVERNANCE (USOLJG)

University School of Law, Justice and Governance, being integral part of Gautam Buddha University, has been operational since 2011 with its core objective to promote teaching, learning, research and innovation in the fields of law and governance. In pursuit of its objective, the School is running four programmes: Integrated five year B.A. LL.B. at graduation level; LL.M.(One Year) and LL.M.(Two Year for working professionals) at Post Graduation level and Ph.D. in the diverse fields of Law. The ongoing B.A. LL.B programme of the School attempts to strike a balance between the compulsory subjects prescribed by the Bar Council of India (BCI) along with the subjects enhancing the employability skills and also increases their prospects in legal field.

Moreover, the School aims to set a balance between the theoretical knowledge with practical learning and development of skills and professional attitude through clinical legal education. The students are guided to participate in moot-court practice, Legal aid, debate, essay writing and project work to instill in them the confidence to take up the challenges of their future career more prolifically and proficiently. The Post Graduate LL.M. (Two Year) programme, which started in 2017, is directed towards more advanced legal studies by following directives of the University Grant Commission (UGC) and necessity of promoting high standard disciplinary knowledge among students.

Considering the demand of the students and to stop best legal minds to go abroad for pursuing similar programme, the department has started one year LL.M programme in 2019. Along with same the School has started LL.M. (Two Year) weekend programme for working professional in the year of 2023.

Without research and innovation no centre of learning can attain excellence and therefore, the School envisages endorsing high quality research in the multi disciplinary fields of law. The Ph.D. programme of the School vigorously takes up this noble objective. The School currently employs highly motivated and dedicated full-time academicians, who have doctoral degrees in various fields of Law, Social Sciences and Humanities from different nationally and internationally reputed universities/institutions.

The Computer Lab: A computer lab at the School has been set up to have an access to the online journals (155), including AIR, SCC online web edition Platinum Plus with Heinonline etc.

Moot-Court: The School has moot-court facility to provide a practical experience to the students.

School Library: The School under BCI guidelines has set up its own library with access to online and offline (hard- bound) study materials.

The Legal Aid Centre: The School under BCI mandate has set up the Legal Aid Centre to provide free legal aid to the marginalized section of the society in collaboration with District Legal Service Authority.

4.1 FEE STRUCTURE FOR INDIAN NATIONALS

The fee structure comprises Registration Fee, Security Fee, Library Fee, Sports Fee, Examination Fee and Academic Fee applicable to National and International Students of the University. The details of the fee structure for Indian Nationals comprising the three components Table A, B and C are as follows:

A. Registration Fee For All Programmes (National Students Only)

S. NO.	PARTICULARS	AMOUNT IN RS.
1	Counseling cum Registration Fee (Rs.) (One Time) (NON-REFUNDABLE) :	10000
2	Security Fee (Rs.) (One Time) (REFUNDABLE)	10000

Note: At the time of issuance of provisional Admission letter candidate has to pay Rs. 20,000/- only

B. Common Fees For All Programmes

1	Library Fee (Rs.) (Per Semester)	750
2	Sports Fee (Rs.) (Per Semester) except Weekend Programmes and Ph.D. Working Professionals	750

UNIVERSITY SCHOOL OF BUDDHIST STUDIES AND CIVILIZATION		
1	B.A. (Hons.) (Buddhist Studies)	18,000
2	M.A. (Buddhist Studies)	25,000
FOR ALL DOCTORAL PROGRAMMES		
1	Ph.D. (Full Time)	20,000
2	Ph.D. (Working Professional)	40,000

D. Hostel and Mess Charges per Academic year

S. NO.	PARTICULARS	AMOUNT IN RS.
i	Per Annum per candidate for Single Seated Room and MRSH	45,000/-
ii	Per Annum per candidate for Double Seated Room	30,000/-
iii	Mess Charges per annum*	40,000/-

* Tentative Health Insurance and Mess Charges (This is a variable component and will be adjustable as per actual tender value)

E. Application Form Fee

S. NO.	PARTICULARS	AMOUNT IN RS.
1	General/ OBC	1,500
	SC / ST (U.P.)	750

Note:

1. Academic Fee will be charged semester-wise.
2. Relaxation to SC/ST candidates in the fee is as per Uttar Pradesh government norms/rules.
3. Counselling & Registration fee is a one time non-refundable fee, and not a part of academic fee. It will be compulsory for all Courses/Programmes. This fee is non-refundable.
4. In case, a newly admitted candidate applies for change or switchover to another programme, she/he may not have to deposit registration fee again. However, this flexibility of registration fee is permissible once only.
5. Security Fee (Caution Money) of Rupees Ten Thousand only will be charged for all Courses/Programmes. This is refundable after submission of no dues certificate from all Departments through the Dean of the school. Security Fee (Caution Money) is not applicable for Foreign/International Students.
6. Gautam Buddha University is a residential University, and therefore, all registered students shall reside in Hostel assigned to him/her. However, the students are exempted in some specific programmes (**Refer point no. 11**).
7. Students (preferably in their 1st and 2nd year) may be allotted double seated rooms in the hostel if single-seated rooms are not available. It would be an exclusive prerogative of the University to allocate a kind of room (Single/Double seated). The student shall be charged according to the type of room allotted.
8. Hostel exemption would not ordinarily be allowed. Only in exceptional circumstances, it can be allowed on case to case basis by the competent authority. However, exemption may be granted to married Postgraduate (PG) and Ph.D. students or those having any chronic ailment requiring regular therapy with ongoing hospitalization, continuously or intermittently. The recommendations of the University medical board/doctor regarding ailment will be final. Any such exemption will not be by default and the interested and eligible candidates must submit their completed application in the office of Dean Student Affairs (forwarded by the Dean of University School) within 15 days from the closing date of admission.
9. The exemptions are granted session wise and students will have to apply a fresh for exemption in each subsequent session. Only in case of exemption granted to married students, the exemption will carry forward to the subsequent sessions till the end of the program.
10. During the dissertation/internship, the exemption may be given only for mess charges for students going for outstation dissertation /internship.
11. The following programmes are exempted from the clause of "Mandatory Hostel Accommodation".
 - All B. A. and B. A. (Hons.) Programmes
 - All B. Sc. and B. Sc. (Hons.) Programmes
 - All M. A. and M. Sc. Programmes
 - BSW and MSW Programmes

- B. Ed. Programme
- All Diploma and Certificate Programmes

The above exemption is applicable only to the newly enrolled students in the Academic Session 2024-25. In case of students enrolled in the above courses seeking hostel accommodation will be required to apply for accommodation, which will be given for at least one year academic subject to the availability.

12. The students admitted to Gautam Buddha University during Academic Session 2024-25, and resident of district Gautam Budh Nagar (Uttar-Pradesh) may be given hostel exemption provided the student apply for such an exemption to the office of Dean Student Affairs. The applicant in this category will have to provide the valid proof that, he/she is a resident of district Gautam Budh Nagar (U.P.).

13. No Hostel and/or mess exemption application will be considered after due date, which will be within 15 days from the date of admission closing or as declared through administrative order.

14. Mere submission of exemption application does not warrant its acceptance. Any hostel and/or mess exemption is subject to the approval of the competent authority.

15. The University shall have the right to continue/review/scrap exemption policy as and when it deemed fit.

16. The student found using Hostel/Mess facility after getting exemption may have to pay fine in addition to the disciplinary action and Hostel/Mess Fee for an Academic Session.

17. Hostel Fee would be liable to change from time to time, as determined by the Fee Review Committee. In case of Lateral Entry programme, the fee will be applicable as per 1st semester norms.

4.2 FEE STRUCTURE FOR FOREIGN NATIONALS

The fee structure shall be decided or may the University from time to time. Common fee (Table B), Academic fee (Table C) and Hostel fees (Table D) are same for the foreign Nationals from SAARC and ASEAN Nations and India Nationals. Table A & E not applicable.

A separate Registration fee will be charged from International Students which is as under:

i. Foreign Nationals of SAARC and ASEAN Countries: One time registration fee of \$US 500 (or equivalent in Indian Currency as per the be revised by the competent authority of prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US \$ 1000 (or equivalent in Indian Currency as per the prevailing exchange rate) for Technical and/or Professional Programmes of all the Schools, as the case may be.

ii. International Students of other than SAARC and ASEAN Countries: One time registration fee of US\$ 700 (or equivalent in Indian Currency as per the prevailing exchange rate) for Non-Technical and/or Non-Professional Programmes of all the Schools, as the case may be. Whereas, US \$ 1500 (or equivalent in Indian Currency as per the prevailing exchange rate)

for Technical and/or Professional Programmes of all the Schools, as the case may be.

iii. One time registration fee of US \$ 200 for Diploma/ Certificate programmes from Foreign Nationals of SAARC and ASEAN Countries and US \$ 400 for Diploma/ Certificate programmes from foreign nationals of other than SAARC and ASEAN Countries.

4.3 REFUND POLICY

Voluntary withdrawal from the Programme:

- Academic fee shall be refunded in case of withdrawal of admission from the programme of study in which he/she is enrolled as per UGC norms.
- Security deposit shall be refunded in full.
- Once the hostel is allotted then hostel fee for the semester shall not be refunded in case of withdrawal of admission.
- Mess fee shall be refunded to all the students on pro rata basis.
- The last date of seeking admissions, as communicated in the provisional admission.

4.4 SCHOLARSHIPS AND ASSISTANTSHIP

Scholarship and Assistantship from GBU & other agencies

1. GBU offers 50% relaxation in fees for candidates securing 80% and above marks in 12th exam and opt B.Tech. Civil, Mechanical and Electrical Engineering. This is not applicable for working professionals.
2. GBU offers 50% scholarship in Tuition fees to all students belong to SC/ ST categories. Scholarship for remaining tuition fees as per U. P. Govt. rule.
3. M.Tech. GATE qualified students may be engaged on assistantship for the teaching load.
4. Merit Scholarship to position holder students on Annual basis.
5. The University offers "Teaching Assistantship" to research scholars who do not have UGC/CSIR or any other fellowship to support their studies while pursuing his/her doctoral degree.
6. GBU offers 50% Exemption on Tuition fees to wards of GBU's employees, subject to two children.
7. GBU will arrange Medical/ Health Insurance cover for students.

4.5 New Entrant Scholarship:

Admission (NES-A): The New Entrant Scholarship: Admission (NES-A) will be offered to meritorious students at the time of admission, and the duration of the fellowship will be one academic year. Subsequent to completion of first year in the university, the NES-A scholarship holder students will be eligible for New Entrance Scholarship: Academic Progress (NES-AP), subject to fulfilling the criteria of scoring minimum CGPA and other requirements as prescribed by the university. At the time of admission, the rules and regulations to grant the New Entrant Scholarship: Admission (NES-A) are as follows: Marks 80% and above in aggregate of all subjects in class 12th candidate should have passed in all subjects. The candidate should have also scored aggregate marks as per the eligibility prescribed by the University for the particular programme. The candidate should have passed all the courses in first attempt and should not

have improved his/her marks in any subject by appearing for improvement/supplementary examination in the same/succeeding year of passing class 12th. This scholarship is applicable to students of CBSE / ISCE / State Board. The Gautam Buddha University reserves the right to withdraw / cancel the scholarship awarded if the candidate is found ineligible at any time. The Gautam Buddha University has initiated scholarship for the meritorious new entrants. Application from the meritorious candidates are invited for admission in engineering programme after passing 12th, or such other qualifying examinations as prescribed by the Gautam Buddha University. For the candidates of B.Tech. 1st to 2nd year onwards in the core engineering branches (i.e, Civil Engineering, Electrical Engineering and Mechanical Engineering) in the following programmes for full time category only (not for working professional programmes and also not for M.Tech. / MBA in case of Integrated Programme) as a pilot activity. However, such students should not have less than 80% marks at the 12th standard.

4.6 RESERVATION/RELAXATION POLICY

- The reservation and relaxation policy as per Uttar Pradesh Government and Gautam Buddha University rules.
- The sports person providing evidence of participation in National / International level events may be provided 5% relaxation in respective qualifying examination.

4.7 GENERAL INSTRUCTIONS

- It is Mandatory for Students to register on ABC portal through: www.abc.gov.in
- ABC ID should be made a mandatory field in the admission form, examination forms or if possible on Student's I-card also.
- **GBU-ET 2024 may be conducted via CBT**
- **The date of examination / schedule and mode of entrance test (GBU-ET 2024) will be notified 15 Days well in advance before the examination.**
- **The Number of seats in all the programmes may be increased or decreased.**
- Qualifying exam only from Government recognized National/ International bodies/ National level board(s)/ State level board(s) shall be considered for admission in various programmes of the University.
- Candidate may apply for more than one programme at a time, however application fee for each separate programme will be charged.
- For all B. Tech. / Integrated B. Tech. programmes of the University, candidate is required to fill only one application form and consequently, only one Merit list will be prepared for the same. Hence, candidate will have the choice to opt for the programme of his/her choice subject to availability as per the eligibility of the concerned programme and rank obtained in GBU-ET.
- The entrance test will be common for all B.Tech., Integrated B.Tech-M.Tech and Integrated B.Tech-M.Tech (Biotech.)/ MBA programmes in USOE, USOICT, USOVAS & USOBT as per the

eligibility criteria applicable to a particular branch / programme. The branch allocation will be based on the choices filled by the candidate at the time of Counselling.

- Students may be considered for branch upgradation after completion of first year of 4-year degree programme subject to availability of vacant seats.
- In case of M.Tech. (CSE, ECE, EE, ME & CE) programmes, specialization will be given at the time of counselling. Admission through valid Test Score of other National Level Tests will be applicable only in case of seats lying vacant after GBU Entrance Test and counselling sessions. Thereafter, vacant seats may be filled by any National level Test Score or through direct mode (on merit basis). It is the sole responsibility of the candidates to ensure that the test score(s) viz. Valid CAT/MAT/CMAT/ GMAT/ XAT/CLAT (PG)/GATE/ NTA/ JEE Mains/ UPJEE through which he/she is applying for admission to a particular programme is valid. The submission of application form does not guarantee the fulfilment of eligibility for that programme.
- A self attested copy of valid score(s), as applicable, will be required at the time of interview/counselling for admission. The admission in the programme shall be provisional until the candidate furnishes all the required documents, fee and testimonials, etc. including final result of the qualifying examination. The University reserves the right to cancel the admission of student(s) at any point of time if there is any discrepancy found in the eligibility of his/her candidature as per eligibility criteria laid down in the Admission Brochure 2024-25.
- The candidate appearing in qualifying examination may also apply. However, the candidate should have completed all the requirements (theory/practical and viva- voce etc.) of the award of qualifying examination and submit the final result of the qualifying examination **latest by 30th November 2024**, and meet the eligibility criteria as laid down in the Admission Brochure 2024-25. Non- fulfilment of this condition will automatically result in the cancellation of the provisional admission. Result awaiting candidates should not have any back papers in previous years. Such candidates may take admission solely at own risk.
- The minimum number of students to run any programme is atleast 15 (Fifteen) or 50% of number of seats advertised, whichever is lower. However, the Competent Authority of the University will take the final decision in this regard. The Counselling/Interview schedule will be available on GBU website in due course of time. The Candidates shall be solely responsible for not reporting on the scheduled counselling/ Interview date and time.

FOR CANDIDATES OF M. Lib. I. Sc.

- Master of Library and Information Science (M. Lib. I. Sc.) course curriculum is based on

NEP-2020, is given with Multiple Entry (lateral entry) and Multiple Exit (lateral exit) options. The Two-Year Postgraduate /Master's Degree Programme will have an exit point after the first year (second semester). The students who successfully complete the first year of study and leave the programme will receive a Postgraduate Diploma equating to a Bachelor of Library Information Science (B. Lib. I. Sc.) and those who successfully complete the second year (fourth semester) will receive a Master of Library and Information Science (M. Lib. I. Sc.).

FOR CANDIDATES OF M.PHIL./PH.D.

- Abbreviations: FT-Full Time, WP-Working Professional.
- Ph.D. applicants must be required to produce relevant Research Proposal in approx. 1500 words at the time of interview. In the title page of the Ph.D. proposal, the discipline and the mode of admission (Full Time/Working professional) should be specified. They may also submit the list of publications or other research credentials, if any.
- The candidate appearing in qualifying examination may also apply, however, M.Phil./ Ph.D. students will be required to produce the proof of having acquired the minimum prescribed qualifications at the time of interview purpose of admission into Ph.D. programme.
- University recognises Chartered Accountant (CA) & Company Secretary (CS) qualifications (along with graduation degree) as equivalent to post graduation for the purpose of admission into Ph.D. Programme in relevant area in University School of Management as per UGC guidelines.
- The Entrance Test shall be qualifying with qualifying marks as 50%. The syllabus of the Entrance Test shall consist of 50% of Research Methodology and 50% shall be subject specific. For the detailed syllabi of the Ph.D. entrance test exam of Subject Awareness and Research Methodology, candidates are advised to visit admission link available on the university website (www.gbu.nic.in)
- The Entrance Test for M.Phil/Ph.D. Programmes shall be qualifying with qualifying marks as 50% for candidates belonging to General and OBC category (45 % for SC/ST) as per UGC Guidelines.
- GBU-ET in M.Phil./Ph.D. shall be followed by an interview of the qualified candidates of the GBU-ET, for admission in M.Phil./Ph.D. programmes. **The qualified candidates in GBU- ET for M.Phil./Ph.D. Programmes shall be called for interview in the ratio of 1:7 against each seat (Category wise).**
- **A weightage of 70% to the entrance test and 30% to the performance in the interview/viva voce shall be given for selection of candidates in M.Phil./Ph.D. Programmes as per UGC norms.**

SPECIFIC REQUIREMENT FOR CANDIDATES OF WORKING PROFESSIONAL (WP CATEGORY)

- The candidate(s) is/are required to possess two years of teaching and/or research experience from National Institutes of higher learning/ Universities/Central Laboratories or two years experience from Industry/R&D of an industry at an appropriate level.
- The candidate (s) is/are also required to produce NOC and a letter of consent from his/her organization, for providing sufficient facilities and time for completing the course work and conducting the research, at the time of interview for admission.

The candidate(s) is/are required to complete their course work in class-room mode during first year.

4.8 ONLINE APPLICATION PROCEDURE

- Candidates are required to opt for maximum three Centers as their preferred choice centre for entrance test. In case of not having desired number of candidates in any of the opted Centers, the University shall reserve the right to allocate any one of the opted Test Centre by the candidate irrespective of the preference indicated by him/her on the Application Form without assigning any reason.

Note:

GBU-ET 2024 will be conducted at designated centers through Computer Based Test.

The date of examination / schedule and mode of entrance test will be notified 15 Days well in advance before the examination.

- Online submission: Online application form and admission brochure is available on the University website: www.gbu.ac.in. Application fee is to be paid through Credit Card/ Debit Card/ Net Banking/UPI.
- Candidates are advised to read the Admission Brochure carefully, check their eligibility and applicable reservation category etc. before filling and submitting the application form. The application forms shall be available in the online mode only from the University Website: www.gbu.ac.in.

- The applicants are advised that they must keep the details of their login-id and the password secure and safe as the form filling as well as admit cards shall be made available through the online mode only.
- The incomplete / wrongly filled online application forms shall be rejected.
- It is the responsibility of the candidates to ascertain whether he/she possesses the requisite eligibility and qualifications for admission. Applying for a particular entrance test, appearing for the written examination and qualifying the same does not necessarily mean acceptance of eligibility.
- All applicants will get all information through the University website (www.gbu.ac.in). A candidate would be responsible for not visiting GBU website for required details.
- All the communication will be done through E-mail ID and phone number given at the time of registration. Its advised to all applicants to remember their E-mail ID and phone number for any communication regarding admission.
- Grievance(s) about Entrance Test: If any grievance(s) is raised pertaining to any question(s) by any examinee within 24 hrs of the test, it would be referred to the grievance committee. The grievance committee may keep the question as such, or may delete any question in consultation with the relevant subject expert. In every case, the decision of grievance committee shall be binding upon all.
- The result of admission declared for various programmes by the University shall be final and binding upon the candidates. Any plea that a candidate failed to receive in-person information for appearing in GBU-ET 2024-25 and/or counselling/ interview for direct mode/ any other programmes will not be accepted as a ground for the refund of fee or any other redressal.
- The University accepts the prescribed fee only. A candidate is required to contact his/her own banker for the refund of the fee payment which is debited in excess during the online transaction.

The University would not entertain the queries related to refund of application fee which is not credited in University's accounts.

- Download the fee receipt after successful submission of application form and payment. Application form fee is to be paid through Credit Card/Debit Card/Net Banking/ UPI and application form fee once paid is NON-Refundable in any circumstances.
- Issuance of admit card doesn't ensure the eligibility of the candidate for admission in any programme.

4.9 RAGGING FREE CAMPUS

Ragging is strictly prohibited on Campus. Any case of ragging should be brought to the notice of the authorities. Anyone indulging in ragging is liable to disciplinary action including rustication from the University and to criminal prosecution under the relevant laws.

In compliance to UGC regulations, GBU University follows 'Zero Tolerance Policy' to any act which may be construed as ragging as per the provisions of the UGC regulations. GBU has 'Anti Ragging Committee' and

'Anti Ragging Squad' in this regard.

Every student has to furnish an affidavit pertaining to compliance of the said regulation. It shall therefore be binding on all students to submit this affidavit immediately. An affidavit of similar nature needs to be signed by the Parent/ Guardian.

Link:

(https://www.antiragging.in/affidavit_registration_disclaimer.html)

In compliance of the 2nd Amendment in UGC Regulations, it is compulsory for each student and ever parent to submit an online undertaking every academic year at www.antiragging.in

The student will receive an e-mail with his/her registration number. The student will forward that e-mail to the Nodal officer in his/her university/college e-mail.
