Innovative Practices followed in the University

Internal Complaint Committee

Fakir Mohan University has pledged to create a gender sensitive campus following the guidelines of “Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013”. The University has constituted its Internal Complaints Committee with the objective to take up gender issues within the campus.

Career Counselling Cell

To address various educational, vocational, personal and social issues along with to choose right profession and vocation during and after their studies as per their talent interest and ability, University has established a Career Counselling Cell.

Placement Cell

The Central Placement Cell of the University plays active role in arranging on-campus and off-campus placement drive. It also arranges placement training for final year students for enhancement of employability. Placement Cell contacts industries throughout India for the summer training/ project work of the students. A faculty member is looking after the Cell. The Cell is taking up career guidance for students and arranging Campus Interviews. It also arranges Entrepreneurship Motivation Camp for the students to take up Entrepreneurship as an alternative career.

Student Assembly

Student assembly has been organized to collect views, suggestions and complaints from the students regarding academic and non-academic matters. This helps in decision making, strategy planning and overall quality of University.

Outreach Programme

With a view to contribute in uplift of rural community life, outreach programmes are conducted as part of village adoption program. University has adopted two villages (Nuapadhi and Mardarajpur). Awareness programs are organized hand holding with colleges, UG and High School students on different issues to support and solve greater need for long term plan towards socio-economic and educational progress. University has organized Rural Football Tournament and ten teams from rural areas have participated in it. Frequent medical camps, health check-up and awareness programmes are organized with the help of local NGOs.

Lab to Land

The programme (practices) intends to improve the economic conditions of small and marginal farmers of local community by transfer of improved technology developed by the researchers of the University. This introduces low-cost relevant, salt tolerant rice plants which can be cultivated in pre-monsoon seasons.

The University organizes training programmes and other extension activities relating to prepare farmers for active participation in agricultural development of the state frequently.

Extensive research on Dhana (Paddy), Pana (Betel) and Mina (Fish) is going by the faculties of Bioscience and Biotechnology Department and Environmental Science Department of the University to provide innovative techniques to local farmers in their agricultural activities.

Proctorial System

Students of all PG Departments are put under the advisory responsibility of an individual teacher of the concerned Department. Each teacher takes responsibility of a group of students of his/her Department and keeps a vigilant eye on the students allotted to him/her and guides such students in curricular and co-curricular activities.

Evaluation of Teachers by Students

The University has accepted the UGC guidelines relating to evaluation of teachers by the students. The evaluation of teachers by students is a regular practice in the University since 2005. It is conducted at the end of each academic session.

Health Insurance

The University has an insurance scheme for the students known as Janata Personal Accident (JDA) offered by National Insurance Company Ltd. All the students taking admission in P. G. Departments are brought under the insurance coverage

2. THE POST-GRADUATE COUNCIL

Post Graduate Council makes policy recommendations of the education mission of the University. The nomenclature of the Post Graduate Council of the University is P.G. Central Office, which is established to look after the academic Excellence of the University under the able guidance of P.G. Council. Specific function includes: facilitation of post graduate study and research related policy matters, recommendation of new courses and programs, evaluation of existing programs, recommendation of faculty related decisions, all matters concerning to students.

The Chairman of the P. G. Council shall be appointed for a period of two academic years by the Vice-Chancellor from amongst the professors of the University on seniority-cum-rotation basis.

DEPARTMENT OF APPLIED MICROBIOLOGY

About the Department

The Department of Applied Microbiology has started the self-financing Post-Graduate teaching programs in Applied Microbiology in the year 2022. Syllabus has been prepared keeping in view the unique requirements of M.Sc. Applied Microbiology students GATE, ICAR-NET, ICMR-NET and CSIR-NET syllabus. The emphasis is to provide students the latest information along with due weightage to the concepts of classical Applied Microbiology so that they are able to understand and appreciate the current interdisciplinary approaches particularly in the field of research and innovation in microbiology, life sciences and biological sciences and its role in societal development. The subject is an amalgamation of the traditional components with the modern aspects of biochemistry, molecular biology, genetics, industrial, medical, environmental and agricultural microbiology, immunology and biotechnology.

DEPARTMENT OF ATMOSPHERIC SCIENCE

About the Department

The Department of Atmospheric Science is established in the year 2023 as a Post- Graduate Department under SFC mode at Fakir Mohan University, Balasore, Odisha. The uniqueness of the Department is that it is the first and only Post Graduate Department in the cyclone-prone state like Odisha, to provide degree in Atmospheric Science, which deals with the study of structure and evolution of earth's atmosphere. The design of the Master's program in Atmospheric Science is aimed at imbuing the students with fundamental scientific methodology in mathematics, physics, and chemistry to enable them in appreciating, understanding, and investigating the complex behaviour of Earth's atmosphere and climate systems. Again, its mission is to produce trained manpower in providing solutions to various challenges and issues related to atmospheric sciences and other interdisciplinary areas, particularly aim to provide skills in theory, numerical modelling of Atmospheric processes and their applications in weather forecasting and development of early warning systems for extreme weather events.

About the Department

The Department of Biosciences and Biotechnology has started the regular Post-Graduate teaching programs in Biosciences and Biotechnology in the year 2004. Department of Biotechnology (DBT), Govt. of India recognized the Department in 2007 as the centre for DBT-BTIS-net Bioinformatics Centre (BIF) for Structural and Computational Biology work. Under this program, the Centre imparts training to students, researchers and teachers on various aspects of Bioinformatics. Department of Science & Technology (DST), Govt. of India sanctioned funds for infrastructural development under “FIST-2008 program”. Research is a core component of the academic curriculum starting with M. Sc., MPhil as well as PhD. A wide range of research activities that addresses important biological, biomedical and biotechnological problems are being conducted. The scientific success of our department rests on its interdisciplinary research environment through close interaction of specialists from different fields. Funding for research activities are through various Govt. agencies (DST, DBT, UGC, INSA, BARC, DRDO, WWF, ICAR-CIFA, ICAR-CIFRI, ICAR-NRRI, etc.) and through International Scientific Collaborations. Department is enrolling the students for Ph.D degree work and Post PhD research works under the guidance of the faculties. M. Sc. students are admitted from any discipline of Biological, Natural, Medical, Agricultural and Veterinary sciences. The Department conducts various Seminars, Conferences and Refresher courses etc. regularly. The personal advisory system is implemented for a close interaction between the students and teachers for overcoming the difficulties and deficiencies of the students.

DEPARTMENT OF GEOGRAPHY

About the Department:

The Post Graduate Department of Geography as a regular department was established in the year 2018. With the widening scope of teaching and research, the department mainly thrusts on sensitizing students to critical thinking, modern geographical thoughts, connect theory and practice, advance research methodologies and enhance students' abilities to critically analyze the socio-cultural, bio-physical and demographic diversities. The department has evolved with the courses on modern geospatial technologies that include Geographic Information System (GIS), Remote Sensing (RS) and Global Positioning System (GPS). With the expertise of our faculties we offer specializations on three key areas viz. Urban and Regional Planning, Remote Sensing and GIS, and Population Geography for the master degree students. Our inquiry encompasses rigorous empirical work on local problems and issues, and always recognizing the relevance of socio-spatio-temporal dimensions along with modern geospatial technologies is to strengthen the geographical analysis skills of the students.

DEPARTMENT OF LAW

About the Program

Fakir Mohan University is on the verge of completing 24 years (1999-2023) of excellence in providing quality education, it has become a trusted institution for professional education for students from around the nation and beyond. FM University introduced LL.M and B.A.LL.B courses in the year 2002 and 2017 respectively followed by UGC and BCI Guidelines. But due to a lack of infrastructure, both courses were being conducted at Balasore Law College. As the infrastructure was ready, in August 2022, as per the direction of our esteemed Vice Chancellor Prof. Santosh Kumar. Tripathy, the FM University has introduced the PG Department of Law in the old campus of the University. Now the LL.M and 5 Years Integrated B.A. LL.B (Hons.) courses are continuing in the Department of Law FM University rather in Balasore Law College.

Centre of Excellence (CoE)
“Bioresource Management and Energy Conservation Material Development”
Fakir Mohan University, Balasore

Centre of Excellence (CoE) for “Bioresource Management and Energy Conservation Material Development” has been established in the University to provide cutting edge research ecosystem to carry out interdisciplinary research. It was established in the year 2018 with the funds received under the Odisha Higher Education Programme for Excellence & Equity (OHEPEE) Assisted by World Bank.

There are two components of the CoE. The broad research objectives of the Component A is to assess the biodiversity and to monitor the level of pollution in North Odisha region for their effective management. The research objectives of the component B is to develop Hybrid Nano-composite Materials for Efficient Energy Conservation. The CoE has different high end scientific equipments like, Gas Chromatography-Mass Spectrometry system, Atomic Absorption Spectrophotometer, UV visible spectrophotometer for both solid and liquid samples, FTIR, Electro chemical work station, Fluorescence microscope, Thermal Cycler (PCR), -80 °C deep freezer etc.. Other facilities such as Tissue culture facility, Betel vine Germplasm Conservatory facility, Herbarium facilities have also been developed to support research in the concerned areas. Research scholars and M.Sc. Trainees of related fields avail these instrument and infrastructure facilities for bringing out novel research output.

The Project Investigators and other Researchers of the CoE are as mentioned below.

Nodal Officer:	Dr. P. C. Mishra	
Mentors:	Prof. S. P. Adhikary, Component-A	
	Prof. N. C. Mishra, Component-B

4. DR. HAREKRUSHNA MAHATAB LIBRARY

Vision:

Our Library inspires learning, catalyses creativity and builds community. While entering to library (Physical and Virtual), our user can feel the world of knowledge in their fingertips. Library will be updated with the knowledge of ages and potential of the future.

Mission:

To support the academic and research needs of our users and improve the quality of education by bringing it at par with national and international benchmarks, is the core mission of our Library.

BACK GROUND:

The central library of Fakir Mohan University was established in the year 1999. The library was named as Dr. Harekrushna Mahatab Library on 11th July, 2005 in the memory of late Dr. Harekrushna Mahatab: a great freedom fighter as well as former chief minister of Odisha, who hailed from this locality.

The ground floor of the library at old campus was constructed out of MPLAD fund of Prof, M.N Das, an eminent historian of India. The building was inaugurated on 11th July, 2004. The first floor of the same building was constructed with the financial support of Mr. M. A. Kharbela Swain from his M.P LAD fund. The built up of area of this building is 3301.86 Square feet. This floor was inaugurated on 11th July, 2005. The building of Library at Nuapadhi Campus having total built up area 14464.53 Sq. ft. was inaugurated on 2nd May, 2014 at Nuapadhi campus. There are four special galleries exhibiting the personal works/ collections of eminent persons.

A brief introduction about Dr. Harekrushna Mahatab

(21st November, 1899 – 2nd January, 1987)

(Utkal Keshari Harekrushna Mahatab, a versatile towering like personality of contemporary era, the architect of modern Utkal and pioneer of a new dawn of Odisha was highly inspired by the Father of the Nation Mahatma Gandhi. Dr. Mahtabs name will be forever inscribed in golden letters in the annals of Odisha Politics for his contributions towards the development of Odia literature and culture.)

Sections of Library

Administration, Acquisition, Technical, Circulation, Reading Room cum Reference and e-resources.

Library Automation

The service modules of library like: Acquisition, Cataloguing, issue and return has been automated using e-granthalaya software (eg4) of NIC.

Services and Facilities:

Cataloguing:

This facility is available in web OPAC format of the adopted software namely eg4. The web link is hosted in University website and communicated among users in WhatsApp group. Web OPAC is accessible from android mobile and own computer system remotely. So, one can check the availability of books of his choice by clicking on the link.

Circulation:

This module is also automated. A user can issue or return his/ her books by scanning the barcode printed/ pasted on the book and membership card. Users are also guided by the staff members deployed at the counter. An auto generated e- mail is sent to individual mail after every issue or return. He/she can also see the status of his library account through individual I.D. and password.

Reading Room cum Reference Section:

This room is equipped with competitive books, journals, encyclopaedia, dictionary, reference books and text books.

Reprographic Facility:

This facility is provided @ Rs.1/- per copy on demand.

Plagiarism Detection:

Library provides assistance for detection of similarity index with the help of OURIGINAL software. Initially it was done with TURNITIN from 2016 to 2020.

Shodhganga Submission:

Library adds the evaluated thesis of the University to the Shodhganga repository.

User Awareness Programme:

Library conducts awareness programme in physical as well as webinar mode in regular interval. Library staff members also meet the students in their class room to create awareness.

Current Awareness Service:

One can know the new arrival of books from eg4 link

Basanti Pal Digital Library:

This is the e-resource centre of the University. This part is named after the mother of an alumnus, who has extended financial assistance through MO College Abhijan (a collective programme of Alumni). The computers are connected through LAN having a static I.P. The users can access the e-resources and use the system for their academic assignments.

Creation of IRINS instances to provide VIDWAN i.d. to individual teachers

The link for creation of IRINS (Indian Research Information Network System) instance is

Special/ Unique Services:**Heritage Corner:**

This part of the library comprises of 04 (Four) special galleries cum research cubicles named as: Fakir Mohan Archive, Padmabhushan Manoj Das Gallery, Padmashree Jayanta Mahapatra Gallery and Dr. Kabi Prasad Misra Gallery.

Fakir Mohan Archive

Fakir Mohan is considered as the rescuer of Odia Language. He is contemporary of Premchanda. Our University is named after this legendary person who is a son of the soil. Some true copies of his hand written documents have been collected from different sources and preserved in library in print and digital for the reference of users. Books written by him and written about him are inside the room.

Besides above some rare palm leaf inscriptions (49 numbers) collected from locality are also preserved and displayed in this section. The letters written by another famous poet namely Gangadhar Meher (Swabhab Kabi) are also available inside this gallery.

Padmabhushan Manoj Das Gallery:

Manoj Das is the recipient of notable awards like: Saraswati Samman, Padma Shri, Padma Bhushan, Sahitya Akademi Fellowship, etc. He is also a son of the soil. The books written by him or written about him have been collected and exhibited in the gallery.

Padmashree Jayanta Mahapatra Gallery.

Jayanta Mahapatra is an Indian English Poet. He is the recipient of notable awards like: Sahitya Akademi Award-1981 as an Indian English Poet, Padma Shri-2009 etc. The author has donated some books written by him, books collected by him and mementos gifted to him. This gallery/ research cubicle is a good resource for the scholars pursuing research in English. He was a living legend for our University Community. But, unfortunately he passed away on 27th August, 2023.

Dr. Kabi Prasad Misra Gallery:

Dr. Kabi Prasad Misra was a well-known cardiologist. He was associated with Apollo Hospital, Chennai (Madras). He had also taken a leading role for establishment of Jagannath Temple at Chennai.

He has contributed books on poetry, philosophy and Bhanja literature in odia language. It also includes a large number of his own writings.

Personal collections of late Dr. K.P Mishra, a cardiologist as well as a poet and novelist are placed in this section.

Lending of laptop:

Since maximum students come from a poor financial back ground, they face problem in preparing their project /academic work. Considering their need concept of lending laptop has been introduced. Any student can borrow a laptop for the purpose of his/her academic works on production of identity card.

Assistive Technology for Low Vision Users:

Jaws software is being used to convert the pdf contents of a document to audio format which can be heard easily by low vision users. A scanner is used to convert the printed documents to pdf format.

 - Extension of date for admission by 30 days.
 - Relaxation in cut-off percentage up to 10% subject to a minimum eligibility requirement.
 - Increase in intake capacity up to 5% course-wise subject to a minimum of one seat.
 - Reservation of at least one seat in merit quota in technical / professional subjects.
 - Waiving of domicile requirements.
 - Facilitation of migration in second and subsequent years.

8. OTHER FACILITIES

Availability of Scholarships/ Financial Aids

The students of the University enjoy various types of scholarships awarded by the National Councils and State Government on the basis of the result of +3 Exams in Arts/Science/Commerce. Besides, Students pursuing Post-Graduate courses in University Departments are eligible to receive P.G. Merit Scholarship and Loan stipend awarded by the State Government. Few meritorious students in Biotechnology are awarded scholarship by the Dept. of Science and Technology, Govt. of Odisha.

Students' Cultural Committee

There is a Cultural Committee for the PG students of the University. Its executive Committee consists of 2 student members (from each Department) are nominated as Secretary and an Assistant Secretary from among themselves. The Chairman, P.G. Council is the President of the Cultural Committee. One faculty member is the Vice-President of the Committee. The Vice President advises the Students Cultural Committee and conducts various events/ programmes.

Students' Sports Committee

The P.G. Council has also a Sports Committee of which the Chairman, P.G. Council is the

President and one of the faculty members is the Vice-President. The Sports Secretary and the Assistant Sports Secretary are nominated in the same manner as in case of Cultural Committee. The Vice-President advises the Students' Sports Committee and conducts various games and sports events.

National Service Scheme (NSS)

The Post Graduate Council has two NSS units under it. The units are supervised by Programme Officers appointed by the Vice - Chancellor on the recommendation of the Chairman, P.G. Council. Students are required to enroll themselves as volunteers of the NSS wing after being admitted into the PG courses.

Ama Cha Khati (My Café)

Fakir Mohan University has a students' cafeteria for the 600 odd residents on the campus including the boarders staying in six P. G. Hostels and the staff residing in residential quarters. My Cafe called "Ama Cha Khati", has been an innovative step in that direction, and it has been launched with a vision on 1 December 2021. The boarders of each hostel are to manage the Cafe through a students' committee for a month. They are assisted by the concerned caretaker (of gents' hostel) or matron (in the case of ladies hostel) and the cook of the respective hostel. It opens at 5 p.m. and continues up to 6.30 p.m. The Cafe is a no plastic zone and uses only handmade leaves for serving dishes. The University provides all the necessary support etc. for cooking. The students' committee decides the menu every day. All income and expenses are recorded in a register. Since there is no profit motive, the food is not only cheap but also of good quality. After a month, whatever amount is found surplus shall equally be shared by the members of the students' committee; the caretaker/matron and the cook. The management of the Cafe will be given to all hostels on a rotation basis. The hostel that is found the best based on the surplus earned; varieties of food prepared and served; and, well managed, would be rewarded by the University administration. The students envision it as a practice of "earning while learning during leisure". It is looked upon as one of the best practices followed in the University.

Achi Jadi Dia, Nahi jadi Nia :

A centre for society has been established at the Main Gate of FM University, Nuapadhi Campus to help the poor people of the society by donating the old and new cloths.

Little Free Library ;

For students to read freely of their choice books donated by students, teachers, employees , a centre named Little Free Library has been established in the open garden in front of PG Central Office.

Internal Complaints Committee

Fakir Mohan University has pledged to form a gender sensitive campus. Following the guidelines of “Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act 2013”, the University has constituted its Internal Complaints Committee with the objective to take up gender issues within the campus.
