Datta Meghe Medical College (DMMC)

Unleashing the new era in medical education

Extending across vast space at Wanadongri (Hingna) in Nagpur, Datta Meghe Medical College is a world-class campus committed to transforming medical education in the country.

DMMC imparts medical education in preclinical, para-clinical and clinical disciplines. Every department has a state-of-art infrastructure, specialised labs and a highly qualified and trained faculty having decades of experience in teaching and research.

The campus also houses the 350-bedded Shalinitai Meghe Hospital and Research Centre for hands-on training as well as providing quality yet affordable sub-speciality healthcare services, like Urology, Cardiology, Endoscopy, Minimal Access Surgery, Dialysis, Joint Replacement, Arthroscopy, Wound Care Clinic, etc., to patients hailing from the economically weaker background.

MBBS Bachelor of Medicine & Bachelor of Surgery

Vision

To provide state-of-the-art, globally-relevant, locally-effective, and competency-based training to Health Sciences students for accomplishing desired health insights and pertinent research and making a meaningful augmentation to the health standards of the region, Nation, and the globe.

Mission

- To create competent, compassionate, and credible health manpower.
- To develop researchers who seek new knowledge and deliver solutions for better health.
- To promote 'Health for All'

Goals & Objectives

- To impart a strong, conceptual, relevant, and factual grounding in the students.
- To strive for excellence in teaching, learning, evaluation, and assessment activities.
- To achieve Internationally-relevant and locally-effective research activities.
- To create an intellectually-vibrant environment.
- To foster a strong sense of belonging amongst all stakeholders, including the community at large.
