SSIP CELL (Student Startup & Innovation Policy Cell)

SSIP Cell at Rai University has been established with the Prime Minister's vision of "Make in India" and "Aatm Nirbhar Bharat", shifting focus from creating employment seekers to employment providers. SSIP Cell at Rai University has received SSIP Nodal Center Grant (Institute) Phase-VIII from Student Startup & Innovation Policy (SSIP), Gujarat Knowledge Society, Gandhinagar. SSIP Cell supports innovative entrepreneurship initiatives and provides support for proof of concept and filing of patents. It conducts awareness workshops and capacity building programs and motivates students to participate in Hackathons.

Rai University Student Team was awarded with Summer Innovation Challenge Award by Honorable Ex. Chief Minister of Gujarat Shri Vijay Rupani and Honorable Ex. Education Minister Shri Bhupendrasinh Chudasama for their Innovative Project titled "Treadmill Bicycle Walk to Speed".

CORPORATE RESOURCE CELL

- Corporate Resource Cell at Rai University provides necessary support for training students and providing placement opportunities. CRC identifies and bridges the gap between industry and academia through various activities like Industry Visits, Guest Lectures, Expert Talks and Capacity Building programs etc.
- Corporate Resource Cell grooms students by offering Resume Building workshops, Mock Interviews, Group Discussions and guiding them to work on Aptitude tests.

The Cell provides necessary exposure to real world corporate experience by offering Internship opportunities, Training programs and special sessions as per the needs of different programs.
