About the Trust

Nehru College of Educational and Charitable Trust is at the threshold of its Golden Jubilee year. Nehru College of Educational and Charitable Trust, established at an auspicious moment in the year 1968, with the primary objective of rendering selfless, dedicated and yeomen service to the cause of higher education originally in the field of Aeronautics and subsequently in the field of rest of engineering branches, Management, Arts, Science, Medical and Paramedical Sciences, Architecture and Law has added feather after feather to its Cap.

Its educational service to the poor underprivileged and downtrodden in the society is freely accessed and widely appreciated by the people, especially from Tamil Nadu and Kerala. Over a period of nearly five decades, it has established and patronized a number of prestigious Educational Institutions, all of which have grown to the stature of being accredited with ISO 14001:2004 certification by the International Certification Services.

POSIT Learning System

"We provide clarity to your vision through step by step instruction with personalized training to help you to achieve your goals"

As a part of continuous improvement in quality education, NGI introduced the POSIT learning system into academic curriculum. POSIT is an applied learning system which gives an opportunity to students to develop their skills to fulfil their future endeavours. It is a flexible combination of theoretical and practical learning such as **Project Learning, Outbound Training, Syllabi Learning and Industrial Training**. It aims to enable the students to understand fundamental theories & concepts to develop beginner's skill set and generic skills through application and practice. It makes students to think out of the box & nurture creativity so that they can explore their career aspiration and orientation for life-long learning and it makes students be a job –creator rather than being a job-seeker.

NCP&IR

"Like all the sciences; evolution is constantly, well & evolving"

Nehru Corporate Placement and Industrial Relations is a division of NGI, instituted to explore the world of employment and new career avenues for every students of NGI. It has a team of professionals drawn from various industry backgrounds and they work on building relationship with the industry to enable multiple level engagements such as Placements, Training, Alliances, Projects etc. It also helps students in career planning through counselling wherein they can gather information about themselves in terms of their interest, aptitude and abilities so that they can choose their career more effectively. The objective of NCP&IR is also on the professional development of the students by training them towards employability skill such as resume building, group discussion and interview skills which in turn help the students to move into desired occupation.

RIDDHI

"A dream doesn't become reality through magic; it takes Sweat, Determination & Hard Work"

RIDDHI, an annual event conducted by NGI to felicitate those students who have made grade in campus recruitment drives of various companies. For students it is the outcome of their hard work throughout their college life by becoming employable through acquisition of necessary skills and attitude. For parents, it is the proudest moment in their life as their dream of seeing their wards successful in life become true. Riddhi is a function wherein all stakeholders of NGI have everything to celebrate and in this function the employment offer letter for each candidate is distributed in the presence of their parents.

Major Recruiters

Shooting Sports, a thinking man's / women's sports as a therapy, can be applied to kindle one's emotions and to bring to life a whole new person. Shooting sports create opportunities to explore one's strength through concentrated activities. Such

experiences increase mental disciplines, yielding to sharpening and expansion of concentration levels. As a result of this, students learn to be independent, assertive, self-reliant and have patience and gain maturity.

To achieve a healthier lifestyle while coping with the pressures of studying, one needs to be healthy both emotionally and physically. As a part of this process, NGI emphasizes the importance of sports, Gym, Yoga etc.. and considers them as an integral part of the curriculum.

Spicy Village is the NGI's largest college refectory intent for students and staff. It serves wholesome cuisine for the health and fast food for those intended in quick bite between classes.

NOBLE Outbound to Unlearn & Learn Is someone who risks their life in extreme sports a HERO or a FOOL ?

Nehru Outbound for Leadership Excellence helps students to unleash the hidden potential and help them to reinvent themselves. In today's world, qualities like leadership, Being self-driven, decisiveness and team spirit have taken on an unprecedented importance. We firmly believe that the traits can be learnt best in NOBLE than in class rooms. This facilitates an inner view of student's strengths and limitations, thereby leading them to high power individuals with a strong team spirit.
