Dr. P. V. Ramana

President, ITM Vocational University
Chairman, ITM Group of Institutions

President's Message

Welcome to ITM Vocational University

As the Founder and Chairman of ITM Group, I have watched our ITM students bloom and make great careers in India and abroad. Since the last 33 years, we have consistently achieved our mission of educating India's next generation, as proved by our long list of alumni who have become successful CEOs and entrepreneurs, and will continue to do so in the future.

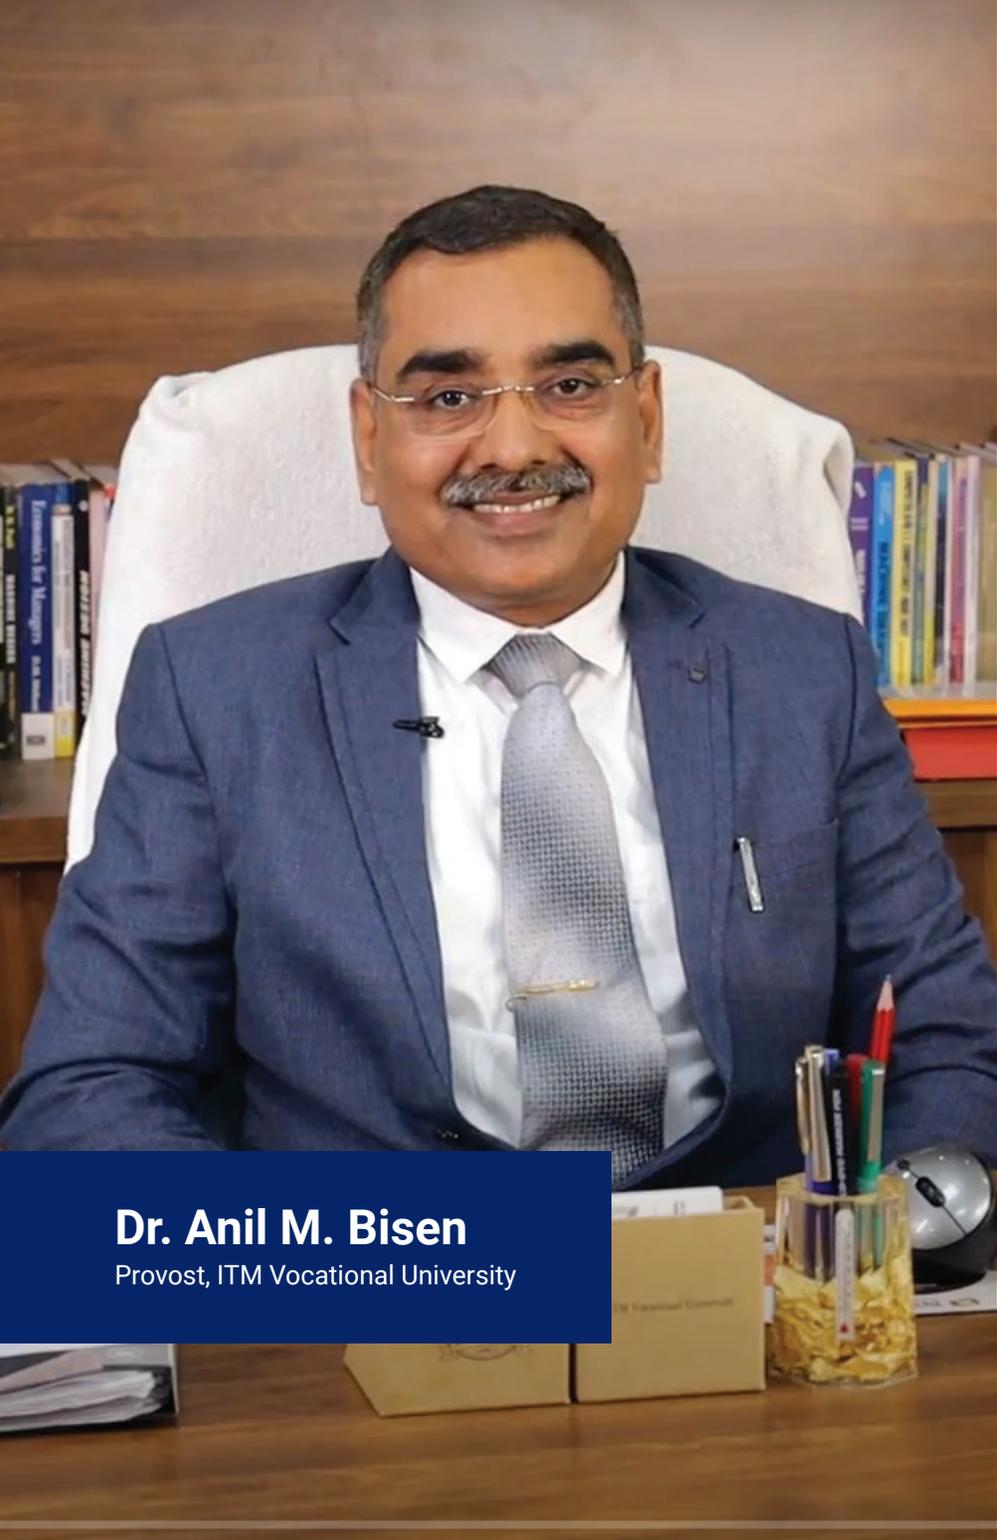

To provide quality education, ITM Vocational University has a team of highly qualified faculties and an environment that supports learning, self-development and research.

Our focus remains on evolving efficient, confident and highly knowledgeable technocrats, leaders with global thinking and futuristic mind-set that will contribute to nation building with simultaneous faith in corporate ethics.

ITM Vocational University is the essence of what we have learnt in 33 years of providing superior education across the country. In just TEN year of operation, the University has carved a niche for itself as an excellent choice for the students of Gujarat.

I look forward to meet you at the University and assure you that you will have exciting educational experience to help you fulfill your dreams. Thank you, for considering ITM at this significant juncture in your life.

Godspeed!

Dr. Anil M. Bisen

Provost, ITM Vocational University

Provost's Message

Dear Students,

It gives me immense pleasure to welcome you to ITM Vocational University, an exciting place to learn and grow. ITM Vocational University is creating lifelong learning opportunities for the learner. Creating platforms for employability bridge courses and vocational career paths is key to meet the priorities of economy of the region.

In order to meet this requirement, ITM Vocational University, Vadodara was set up by the ITM Group of Institution, Mumbai under Gujarat Private University Act.

In a rapidly advancing world around us, new technologies, innovations and new market trends are emerging fast and discarding the established ones. Bridging the gap between industry and academia is a major challenge in this country and bridging this gap is possible only by intense industry-academia interaction, training the youth with the tools and technologies of Industry and creating a mind-set of innovation and entrepreneurship.

ITM Vocational University, aims at meeting the skill demands of the state and nation in the current and emerging areas of various sectors such as Engineering, Information technology, Management, Life Sciences and latest evolving field. Our curriculum has provision for internship and project-based learning at the end of each semester which focuses on skill development, entrepreneurship and innovation and creating industry-ready professionals are the unique features of the University. We have collaboration with many industries around the country and keep ourselves engaged with them to evolve our curriculum as per industry requirements. Our aim is to produce future-ready professionals who can start working productively from the instant they join the industry.

With us, you can build a successful professional career. I promise you a enriching academic experience, which will transform your life.

About ITM Group of Institutions

ITM Group of Institutions was established in 1991 by Dr. P.V. Ramana, Founder and Chairman. Today, we offer the highest quality higher and technical education at our Institutions located across India, in various streams including Engineering, Management, Health Sciences, Hotel Management, Culinary Arts, Fashion and Interior Design.

ITM Business School is a flagship campus of ITM Group which offers AICTE approved fulltime Management Programs.

ITM Universities in Raipur (Chattisgarh), Vadodara (Gujarat) and ITM Skills University (Mumbai) are UGC recognized and offer a range of undergraduate and postgraduate programs in Engineering, Life sciences, Law, Design, Hospitality and Management.

The group has 2 renowned Institutes of Hospitality Management and Culinary Arts in Mumbai, as well as a Design School in Mumbai. ITM Institute of Health Sciences is a pioneering Institution, working closely with the health industry to offer programs in allied health professions.

ITM has associations with renowned universities across the world, such as RMIT (Australia), Queen Margaret University (UK), Politecnico Milano (Italy), IB tour and many more.

In 33 years, ITM Group has grown in reputation and size, with over 45,000+ students currently enrolled in our campuses across India.

 ITM Vocational University

ENGINEERING AND TECHNOLOGY

Bachelor of Technology (B.Tech)

4 Years

Eligibility: 10 + 2 with PCM

Specialisation

1. Computer Science & Engineering
 - Data Science
 - Cloud Technology & Information Security
2. Mechanical Engineering
3. Mechatronics Engineering
4. Civil Engineering

Highlights

- Siemens Lab Advantage
- Semester transfer to Foreign Partner University (Optional)
- Project Based Learning from 1st Semester.
- Exclusive 6 months INTERNSHIP in Final Year.
- Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready.
- Certification Courses in each semester

Bachelor of Computer Application (BCA)

3 Years

Eligibility: 10 + 2

Highlights

- CLOUD LABS, access to Latest Technology platforms.
- Technology enabled Learning with Learning Management System & E Learning Facility
- Application Oriented Curriculum & 6 months Internship
- 2 to 4 weeks International Certificate Program (optional)
- Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready.

MANAGEMENT, ECONOMICS AND COMMERCE

MBA

2 Years

Eligibility:

Graduate students of any Stream

Specialisation

• Finance • Marketing • Human Resource Management

Highlights

- Highly qualified and expert faculties from eminent institutions and industries.
- 100% practical evaluation i.e., no pen and paper exam pattern.
- 100% guaranteed placements.
- Entrepreneurship oriented studies and assistance for new start up both in urban and rural business.
- New age curriculum with skill-oriented subjects that meets the present and future requirements of the industry.
- Cross culture tour national and international level to understand the cultural diversity.
- Industry internship of 5 months to get exposure of the industry.
- Career Management Training
- Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready.
- International Credit Transfer

Bachelor of Business Administration (BBA)

3 Years + 1 Year*

Eligibility: 10 + 2 in any discipline

Highlights

- 5 months Corporate Internship after 5th semester.
- Entrepreneurship Development Program
- 2 to 4 weeks International Certificate Program (optional)
- Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready

Additional Certification Program

1. Certificate Course in Business & Trade Practices
2. Certificate Course in Digital Transformation
3. Certificate Course in HR Analytics
4. Certificate Course in Marketing Analytics
5. Certificate Course in GST

LIFE, HEALTH AND ALLIED SCIENCES

Bachelor of Optometry

4 Years

Eligibility: • 12th [PCB / PCM]
• For Lateral Entry - Diploma in Optometry from Recognized University

Highlights

- 1 Year Internship at Hospitals & Optical outlets
 - Project works and Research activities
 - Tie ups with reputed eye hospitals
 - Health care professional career
 - Placement empowerment program
 - 2 to 4 weeks International Certificate Program (optional)
 - Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready
 - Overseas Opportunity(Dubai, Oman, Abu Dhabi)
-

B.Sc. Medical Lab Technology

3 Years + 1 Year*

Eligibility: 12th Science (PCB/PCM)

Highlights

- Hands on training through Medical camps
 - Tie ups with Pathology labs and Blood Banks
 - Clinical posting in last semester
 - Placement empowerment program
 - 2 to 4 weeks International Certificate Program (optional)
 - Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready
 - 1 year Internship / Research Project in Last year
-

B.Sc. Industrial Chemistry

3 Years + 1 Year*

Eligibility: 12th Science (PCM/PCB)

Highlights

- 6 Months Industrial Internship
- Curriculum comprises excellent blend of Chemical Engineering and Chemistry
- Expert guest lectures by Eminent speakers from Industry and academics
- 2 to 4 weeks International Certificate Program (optional)
- Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready

M.Sc. Industrial Chemistry

2 Years

Eligibility: Minimum Bachelor Degree (Any Discipline of Chemistry) with at least 45% Marks

Highlights

- 6 months Industrial Internship or 6 months Research Project
 - Collaborative research work- National and International
 - Frequent Industrial visits
 - Expert Lectures by Professionals of Industry & academics
 - 2 to 4 weeks International Certificate Program (optional)
 - Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready
-

M.Sc. Medical Lab Technology

2 Years

Eligibility: B.Sc. from (MLT/Life Science/Chemistry)

Highlights

- Advanced Syllabus
- Hands on practice through medical camps
- Advanced training for latest technologies used in laboratories
- Expert/ Guest/ Invited talks or lectures by field veterans
- 2 to 4 weeks International Certificate Program (optional)
- Special Training with focus on soft skills, communication & applied behavioural sciences to make the student placement ready.

Project Based Learning

Medichat

Medichat is an Artificial intelligence based device that takes an input from user through the voice recognition and processes it based on algorithms and gives output in form of voice to the user.

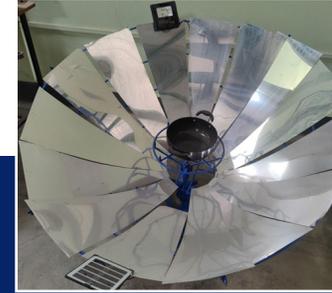

Hydrapulper

It is circular tank that contains water in which bales of waste paper are loaded for pulping process. Produced pulp will be used for new paper products

Sheet Press

Which will be used for converting plastic and aluminium into sheet by application of Pressure and Heat. Machine Consist Hydraulic press.

Scheffler Solar Cooker

The Scheffler Solar Cooker uses sunlight to cook food. It has a curved dish that reflects sunlight onto a pot, making it hot for cooking. It's eco-friendly and works well in sunny places.

Duster Mould & Duster

Injection moulding die of Duster produced using CNC Milling machine and heat treatment done. Successful product obtain using die.

Plastic Extruder with Die System

The extruder melts plastic material and forces it through a die, shaping it into a specific form. The die determines the final shape and size of the plastic product being produced, allowing for the creation of various items such as pipes, sheets, and profiles with precision and consistency

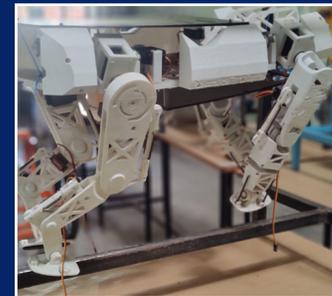

3D Printer

Three-dimensional (3D) printing is an additive manufacturing process that creates a physical object from a digital design.

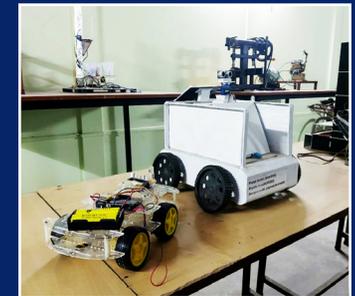

Multi-Purpose Agriculture Vehicle

A multi-purpose agriculture vehicle plants seeds and harvests crops. It's versatile, with features like adjustable attachments and Electrical systems, making farming more efficient.

Quadruped Robot

A quadruped robot, with four legs, navigates diverse terrains like forests and disaster zones for tasks such as exploration and surveillance, utilizing its stability and adaptability. Equipped with sensors and actuators, it maintains balance and performs tasks effectively

Solar Based Robo car

The project designs and develops a Bluetooth Robot Car which works with solar panel and it is controlled by android application

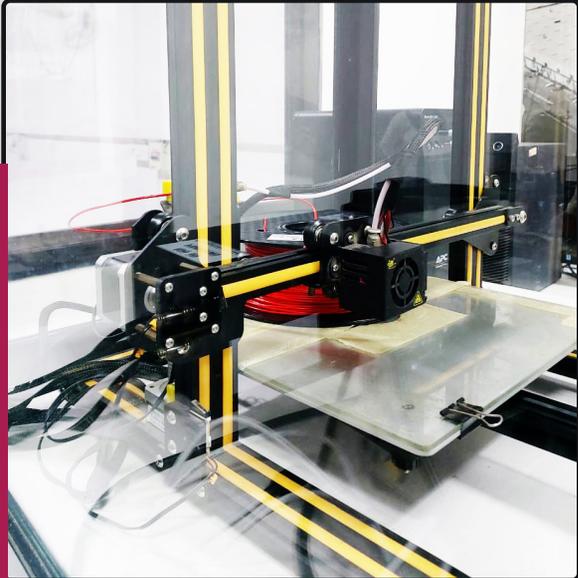

HI-TECH BLUE TALBRABO

The Smart Indian Robot-TAL BRABO with 5/6 axis control to do the 3D – Dull, Dirty and Dangerous work efficiently, across industries. It is India's first indigenous industrial articulated robot. Easy to use, easy to maintain and bound to revolutionize the industrial manufacturing. It provides vast range of applications providing total solutions.

3D PRINTER

Rio 3D Printer is known for the foremost manufacturing of a high-quality range of 3D Prints using various Filaments. 3D Modeling Service through 3D Printer and Modeling Service, are well-known for the features like long working life, high functionality, and low maintenance. 3D Prototyping Service and 3D Modeling Service offer wide industrial exposure, being the most demanded and respected firm, providing high-quality products. 3D printing service is well known for its Superior performance, easy installation, high accuracy and elevated durability.

Students Projects

APPU

“If you believe, that ‘being breathing is the wish of Divine, install APPU, that is you are destined “

APPU is the Air Particulate Purifier that is Low cost, Low Maintenance, Easy to use, No water use and Disinfectant System with 67% efficiency in filtering PM 2.5 and PM 10.

Students Testimonials

ANKIT PATEL

B.tech Mechatronics Engineering

My experience at the ITM Vocational University was amazing. It inspired me to pursue my dreams by providing ample opportunities to showcase my knowledge and skills. The faculty were highly qualified, knowledgeable, and friendly. The course offers site visits to various curriculum activities throughout the year, including sports events(LITMUS), fashion shows, annual programs etc. I lived the best student life while pursuing my bachelor's degree in Mechatronics engineering.

RIYA GANDHI

Bachelor of optometry

I believe my success story at ITM started the day I decided to join the course B. Optometry. My idea was to choose a career in which I get to serve the community. Knowing about the course of B.Optomety made me feel confident that this is the area in which I would like to spend my whole life working. Now, I am very confident. I wish to thank my faculty members who arranged multiple eye camps. I practice my Optometry skills daily in the in-house optometry clinic established in our department.

AJAY SAVALIYA

B.Sc. (Medical Lab. Technology)

One of my biggest life changers was to join ITM Vocational University, Vadodara, for graduation in Medical Laboratory Technology. I was quite nervous from the beginning because of the new atmosphere on campus, meeting new people and new teachers. The teaching at ITMVU is excellent. The faculties always helped me to work independently and always helped me to develop my individual goals. Communication and Management were important skills that I got to learn from ITMVU.

KAJAL DABADIYA

BBA

My name is Kajal Dabadiya and I was a student of BBA Program at ITM Vocational University, Vadodara. While studying at the University I learned a lot of things. The faculty, classroom infrastructure, library & transportation facilities are very good, and we were given ample of opportunities to learn and try out new things. There were also a lot of co-curricular activities that helped us to relieve ourselves from the stress that may arise because of studying hard. I really enjoyed my time at the University.

I am happy to share that I have taken admission in **MBA 2022-24** Batch

VISHAL BHANAGE

B.Tech, Civil Engineering

ITMVU provides state-of-the-art infrastructure and facilities. The teachers are highly qualified, knowledgeable, and friendly. The course curriculum is relevant and offers site visits. Most importantly, the project based learning process is followed in this university which helps us to think out-of-the-box. The annual events organized by the college are awesome. The university conducts various extracurricular activities throughout the year. I thoroughly enjoyed my student life while pursuing my graduation.

ANJALI P. PUROHIT

M.Sc. (Industrial Chemistry)

The best thing about being at the ITM Vocational University was being able to invest my time studying the three subjects I'm most passionate about. I enjoyed being able to develop myself as a person, becoming more knowledgeable, learning from my mistakes, and how to balance a variety of extra-curricular activities with my studies.

I had some great teachers, who pushed me all the way. I saw their dedication not only to the subject, but also to me. I also loved my mentor, who helped me with any problem I had.

Sub: Result of ROBOFEST - GUJARAT 2.0 Competition

Dear Madam/Sir,

Greetings from Gujarat Council on Science and Technology (GUJCOST), Gandhinagar.

It is our pleasure to inform you that your Team has been selected for a First Prize in the ROBOFEST - GUJARAT 2.0 competition in Category IV (Powered Exoskeletons). The Team will receive certificate and a special cash prize of INR 5,00,000/- (Rupees Five Lakh only) in a formal programme to be organised by the GUJCOST soon.

We would like to congratulate you and your team for this fantastic achievement. The prize money will be transferred through NEFT as per the bank detail furnished by you.

Further, we are pleased to inform you that your prototype model has been selected for display at Robotics Gallery at Gujarat Science City. In this connection, you are requested to provide an information to assist regarding details of model, design and drawing, function and application etc. along with user manual and other literature, so that the same can be furnished at the Robotics Gallery.

We once again thank you and the team for your creative effort and wish you all to capture new heights of excellence in this emerging field.

Thank you and with best wishes.

Yours sincerely,
[Signature]
