

AFFILIATED TO C.C.S UNIVERSITY MEERUT, (U.P)
APPROVED BY THE BAR COUNCIL OF INDIA

CHAIRPERSON'S DESK:

“Success is all that matters”, goes the saying. It is apparent that this underlying philosophy dominates the mind of today's generation. Aspiring youth are representative of ambition, achievement, go-getting spirit and a quest for knowledge.

Educational Institutions act as schools of socialization aimed at equipping students with the necessary theoretical and practical inputs. INDCARE College of Law (ICL) emphasizes upon core values such as professionalism, quality, relevance, flexibility and freedom of choice. We believe that the future is 'NOW' and aim to inculcate the spirit of entrepreneurship and functional competency amongst the future professionals.

With the advent of globalization and liberalization, there has been a paradigm shift in the perception of desired profile of an aspiring professional. In the spirit of keeping up with the times, INDCARE College of Law sees itself as a constantly evolving knowledge body which is flexible, as per the demands of the environment.

I take this opportunity to record my sincere appreciation of the faculty, staff and students for their continuous effort to fructify the dream of ICL, in its endeavor to become a temple of excellence.

Best wishes

(REEVA SOOD)

WELCOME TO INDCARE COLLEGE OF LAW

Over the course of two decades, INDCARE Trust has been successfully working in different parts of the country since 1989 for the betterment of the status of women and children. The endeavor of the organization is to enhancing the abilities of women, children and under privileged communities through a grass root level involvement in policy and advocacy. The

organization achieves this by exploring and enhancing their potential and providing them with a variety of networks and resources so that they become empowered with sustainable livelihood with the right to live with dignity and self respect. To sustain with these high ideas, INDCARE Trust steps forward into the knowledge sectoring the form of INDCARE College Of Law.

The INDCARE College Of Law aims to instill in their students a high level of competence in comprehension, analysis and presentation skills. Students are encouraged to delve into literature regarding the subject matter from various sources and are taught to process what they learnt through in-depth thinking. INDCARE College Of Law teaches students meticulous investigative and analytical skills through inventive and modern classroom teaching that integrates theory and practice, without comprising professional ethics. We aim to enhance the student's expert judgment and reasoning through dynamic and innovative learning environment, while instilling in them the goal to advocate positive changes in law that improves the society at large. ICL boasts of large collection of books regarding various subjects of law, providing the student with a plethora of information in various fields. The course is designed to encourage students to think like a lawyer from the beginning. Students will develop essential legal skills through practical workshops and problem-based learning. Preparation for Practice module will give them professional skills which they will need in their future careers.

In these days of globalization and liberalization, it is likely to get further momentum as more lawyers would be required to handle cases arising out of international trade and as a result of growing importance of WTO. At present there are more than 5,00,000 advocates in India and the number is swelling with 15,000 new enrolments every year.

sector, firms, Lawyers are held in high esteem in a civil society as they render valuable service to all segments of the society by getting their constitutional and legal rights enforced through courts-civil or criminal, at all levels of judiciary, that is, Trial Court, High Court, Supreme Court or Quasi-Judicial Institutions. Persons holding Law degree or other higher legal qualifications have ample employment opportunities in private as well as public sector .It is their choice whether they opt for service or prefer to practice as a Lawyer.

Lawyers can work as legal counsel and legal advisors for corporate organizations, legal persons, individuals and families. They can work as trustees of various trusts, as teachers, law reporters, company secretaries and so on. Additional Law qualification along with other degrees offers scope for a wide range of employment opportunities. One who desires to become an advocate and

practice Law as a profession after Law degree. He/ she should get himself/herself enrolled with State Central Bar Council as per provisions contained in the Advocates Act, 1961. Besides, he/she is also required to qualify in the entry test recently introduced by Bar Council of India failing which no one shall be enrolled as an advocate.

Persons possessing requisite qualifications are recruited for Indian legal service against various posts– Legal advisors in Department of Legal Affairs and Legislative Counsel in Legislative Department. These officers can reach the level of Secretary to the Government of India with the passage of time according to their suitability. Likewise, Legislative Counsels are also appointed in official languages Wing of the Legislative Department for Hindi and Regional languages. At the state level, too, officers with legal qualifications and professional qualifications are also appointed against similar posts. Law officers/ Legal advisors are appointed in almost all the Ministries/Departments/ undertakings of the Govt. of India and State Governments. All these posts are generally filled up by recruitment through UPSC and State Public Service Commissions on regular/ deputation basis.

VISION

INDCARE College of Law aspires to be one of the nation's illustrious law schools, priding in educating graduates who strive to be well rounded, trained and excellent professionals. Our mission is to help nurture minds to be expert, erudite, innovative, contemplative, realistic and above all ethical. Equipped with practical knowledge of law, advancement of human dignity and promotion of justice, we seek successful solutions to both social and legal problems.

MISSION

- ❖ *Teaching students meticulous investigative and analytical skills through inventive and modern classroom teaching that integrates theory and practice, without comprising professional ethics.*
- ❖ *Assisting students in comprehending, appreciating and imbibing the law and the legal processes through individual research and writing.*
- ❖ *Enhancing the student's expert judgment and reasoning through a dynamic and innovative learning environment while advancing the goal to advocate positive change in law that improves the society at large.*
- ❖ *Enabling them to serve the public, nation and the world by creating a pool of their collective talent and expertise to which student and faculty contribute alongside.*
- ❖ *Providing lifelong advice towards students and alumni in their professional, personal and ethical development.*

COLLEGE OF LAW

The College Of Law offers Undergraduate programs in Law as per the guidelines of the Bar Council of India and the University Grant Commission. The mandatory course includes a six semester program. In order to promote interaction between student and legal professionals, seminars, guest lectures and workshop are conducted on various subjects of law in regular intervals.

The College Of Law has well equipped infrastructure. The entire campus is *WiFi enabled*. A Mecca of knowledge plays the role of a center for browsing knowledge resources.

The air conditioned *Library* is stocked with books, journals, periodicals, magazines and compendiums on various topics. The silent environment and computerized classification of books adds to the ambience of the library.

Advanced and ergonomically designed *Lecture Halls* are spacious and adequately equipped with podiums, white boards and LCD Projector facility.

Designed in work-station form, the *Faculty Rooms* with highly professional faculty members provide much needed scope for intellectually stimulating discussions and structuring lectures and informal banter.

The *Moot Court* is established in which students take part in simulated court proceedings, which usually involves drafting briefs and participating in oral argument. Students typically spend a semester researching and writing the memorials, and another semester practicing their oral arguments.

Located in the Administrative section, the *Conference Room* is utilized as a venue for formal meetings, discussions and brain storming sessions. The conference Room is also a preferred venue for chalking out the activities of various student forums such as sports and cultural programs and various other in-house official meetings.

ICL provides separate *Hostel Facility* for boys and girls at a location nearby to the main building. The 50 bed boy's hostel and 100 bed girl's hostel are aesthetically designed complete with mess and recreational facilities, in safe and secure environment.

To and fro facility may be availed from the nearest specified stoppage points by utilizing the Institute's transport facility on a nominal payment

LOCATION

Set amidst a lush green environment, the campus is ideally located at a 30 minute drive from New Delhi, at knowledge park-III, Greater Noida, a fledging township and a claimant for the city of the millennium.

The strategic location is home to over 500 leading corporates such as Honda, WIPRO, Ericsson, ADOBE, Sapient Corp, Moser-Baer and Escorts, providing an added leverage to tap the companies for an Academic Industry synergy through pro-active interactions.

The city of Greater Noida, has numerous attributes including environment friendly landscapes, board roads, artificial waterfalls, pollution free and hygienically maintained public places and facilities.
