"Think Big... Think Beyond"

Samata Lok Sansthan (SLS) Trust

is a well-known entity widely recognized for its socio-economic endeavours with 21 years of proven track record of excellence and experience in the field of education. All academic institutions created by the Trust offer an environment, where students can freely challenge the existing boundaries of education, develop interdisciplinary and transdisciplinary understanding, get nurtured in true human values, not only freely exchange ideas, but are also able to experiment with them, question and test set assumptions, learn about cutting-edge research at global arena, can apply and reflect on seemingly most abstruse conceptions and others. Additionally, the Trust also values the importance of quality infrastructure that appropriately captures our value system and complements in the grooming of innovative ideas among students.

ITM (SLS) Baroda University, Vadodara

is at the forefront of radical and student serving educational innovations. It has been crafted to serve as a hub where all the stakeholders can collaborate in optimizing teaching-learning processes to create a quality outcome for the society in general. The collaborative system ensures tailor made programmes, effective teaching learning processes, creation of enabling habitat, pro-active participation of industry, embedding of stakeholders at every step of value chain and others. The broad outcome is helping students in transforming their passion into career of their choice.

Why ITM (SLS) Baroda, University ?

Innovative Teaching-Learning Process, here, is a showcase of flexible system where students can seamlessly customize their own degrees based on the prevailing industry demands. They can replace any of their course with MOOCs offered by the best Universities around the globe. They are given the liberality to choose industry offered courses and projects, wide array of choices of state-of-art courses. Crystallize their interdisciplinary understanding by earning credits from other disciplines, be a part of short-term international training programmes, earn credits by joining offline and online programmes offered by professors of reputed institutions, and industry leaders.

Exciting Campus Life

Quality education doesn't just happen in the classroom. The pristine lush-green campus of ITMBU, located at the banks of Vishwamitri river, is a treat to visit and is able to capture anyone's imagination. Avenues and roads, adorned with trees and medicinal plants, laden with emerald green leaves and beautiful ornamental flowers, make the habitat at the University picturesque and spell bound. The world class infrastructure, the beautiful interruptions of creative mular sculptures and paintings all through the campus, sports and well ness provisions render itself into a perfect eco-system for the students to groom themselves.

3) School of Computer Science, Engineering & Technology		
---	--	--

Diploma Programmes		
a.	Diploma in Computer Science & Engineering	₹ 49,000
b.	Diploma in Information Technology	₹ 49,000

Eligibility : Passed 10th Std./ SSC examination, with English, Mathematics & Science obtained at least 35% in qualifying examination and as per ACPDC / AICTE rules.

B.Tech. Programmes		
a.	B.Tech. Computer Science & Engineering	₹ 98,000
b.	B.Tech. Computer Science & Engineering (Specialization in Artificial Intelligence & Data Science)	₹ 98,000
c.	B.Tech. Computer Science & Engineering (Specialization in Cyber Security & Network)	₹ 98,000
d.	B.Tech. Information Technology	₹ 98,000

Eligibility : B. TECH - Passed 10+2 examination with Physics/ Mathematics/ Chemistry as compulsory subject. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

D2D B TECH - Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.

BCA / MCA Programme		
a.	BCA Bachelor of Computer Applications	₹ 65,000

Eligibility : A candidate should have passed 12th or equivalent examination from any recognized Central/ State Board.

a.	MCA Master of Computer Applications	₹ 75,000
----	-------------------------------------	----------

4) School of Nursing		
----------------------	--	--

a.	B.Sc. Nursing	₹ 90,000
----	---------------	----------

Eligibility : A candidate should have passed 12th (Science) with Physics, Chemistry, Biology and English as compulsory subjects. Minimum 45% of compulsory subjects (40% for reserve category)

b.	GNM	₹ 65,000
----	-----	----------

Eligibility : A candidate should have passed 10+2 examination from any recognized Board with English as a compulsory subject.

S.No.	Branch	National Students in ₹ (Per year)
-------	--------	-----------------------------------

5) School of Pharmacy		
a.	Bachelor of Pharmacy (B. Pharm.)	₹ 1,00,000

Eligibility : Std. 12th (Science) with minimum passing marks of Physics and Chemistry with (Maths or Biology) from single board + GUJCET (Not mandatory for students of other states) / as per ACPC / PCI rules.

6) School of Sciences		
a.	B.Sc. Applied Chemistry	₹ 55,000
b.	B.Sc. Microbiology	₹ 55,000

Eligibility : Candidates are required to pass 12th std. with science stream having group A (Mathematics) or B (Biology) or AB (Mathematics & Biology) conducted by any recognized Central / State board.

c.	M.Sc. Industrial Chemistry	₹ 65,000
d.	M.Sc. Organic Chemistry	₹ 65,000

Eligibility : B.Sc. Chemistry with minimum 50% marks.

7) School of Medicine and Para Medical Sciences		
a.	B.Sc. in Medical Laboratory Technology	₹ 55,000
b.	B.Sc. in Medical Radiology and Imaging Technology	₹ 55,000
c.	B.Sc. in Cardiology	₹ 55,000
d.	B.Sc. in Renal Dialysis	₹ 55,000

Eligibility : Candidates are required to pass 12th std. with science stream having group A (Mathematics) or B (Biology) or AB (Mathematics & Biology) conducted by any recognized Central / State board.

8) School of Technology & Engineering Diploma Programmes		
a.	Diploma in Chemical Engineering	₹ 49,000
b.	Diploma in Mechanical Engineering	₹ 49,000
c.	Diploma in Robotics and Automation	₹ 49,000

Eligibility : Passed 10th Std./ SSC examination, with English, Mathematics & Science obtained at least 35% in qualifying examination and as per ACPDC / AICTE rules.

B.Tech. Programmes		
a.	B.Tech. Chemical Engineering	₹ 98,000
b.	B.Tech. Mechanical Engineering	₹ 98,000
c.	B.Tech. Robotics and Automation	₹ 98,000

Eligibility : B. TECH - Passed 10+2 examination with Physics/ Mathematics / Chemistry as a compulsory subject. Obtained at least 45% marks (40% marks in case of candidates belonging to reserved category) in the above subjects taken together.

D2D B TECH - Passed Minimum THREE years / TWO years (Lateral Entry) Diploma examination with at least 45% marks (40% marks in case of candidates belonging to reserved category) in ANY branch of Engineering and Technology.

9) School of Humanities & Social Sciences		
a.	B.A. Mass Communication & Journalism	₹ 55,000
b.	M.A. Mass Communication & Journalism	₹ 60,000
