ABOUT US

The Xavier's Institute of Business Management Studies offers Business and Management programs for working class professionals. By joining XIBMS, you become part of a unique learning culture that prepares you for experiences in the real business world. Our distance learning education programs offer the opportunity to study a comprehensive curriculum in business management and receive a higher professional qualification in business management with a specialty major. All students enter the program taking the core courses in business administration and management studies. XIBMS is evolving as per the industry requirements for well educated and talented professionals. Our team has visualized the need to educate the managers who have missed out on the graduate and post graduate studies and hence have not been able to scale the same success in their career path which they deserve to. XIBMS is committed to its role in improving the talent pool employed currently in various sectors of the economy.

XIBMS is affiliated to "Ananta Education Society" which is duly recognised by Government of Maharashtra and is a registered Education Society with Planning Commission, Government of India.

XIBMS is also affiliated to Indian Society for Technical Education which is one of the key partners of AICTE for running many short term programs out of which one is for working class professionals under WPLP (Working professional Learning Program). XIBMS is also affiliated with British Academy of Management, London which is one of the biggest platforms for young managers and professionals from the Business world. XIBMS is also affiliated to American Management Association.

MISSION

To facilitate the student learning knowledge, skills, values and to promote use of that knowledge in the student's work place.'

To develop competence in communication, critical thinking, collaboration, and information utilization, together with a commitment to a continuous learning for the enhancement of students' opportunities for career success.

To provide instruction that bridges the gap between theories and practice through detailed study Material and the skills that comes from the current practice of their professions.

To create a solid support System for Working class professionals by providing Higher Education in Business Management through a unique educational approach that expands access to learning resources.

To analyze the student learning and use assessment data to improve the future teaching and learning system, curriculum, instruction, learning resources, counselling and associated student services.

To be Recognized as a Business School which facilitates a spirit of innovation that focuses on providing academic quality, service, excellence, convenience to the working class professionals.

QUALITY POLICY

We at XIBMS are committed to making the institute a center of excellence and it is an enthusiastic attempt by XIBMS to expose the best of international management principles, practices and managerial function to the students. We want our students to excel in management learning and carry out research, consultancy and training that fulfill the needs and expectations of students, business and society at large. We aim to do this with high degree of social sensitivity through innovation.

The quality of XIBMS is reflected in the accreditations, the institute carries along with it from great number of years and also the acceptance of the certificate issued from our institute in various organizations across different industries also stand witness to our uncompromised quality in the sphere of the education industry.

XIBMS offers an innovative approach to higher education. Focused on meeting the needs of working students, we believe it is important to provide educational opportunities that are not only convenient and accessible, but also up-to-date and applicable to the real world. This philosophy is reflected in many areas throughout XIBMS.

XIBMS indefinitely works towards removing the barriers in education, XIBMS offers flexible time management that allows students to a convenient home learning environment, in which the student does not have to compromise on his/her job timings and this would also bring down the geographical barrier or students presence in the institute.

Another benefit of flexible time management is that learning is not interrupted for long breaks during the year. Students can complete their courses sooner than they may think and without having to put their jobs and other commitments on hold. We are relentlessly striving for giving the best student service throughout the time, which has been proven time and again in the testimonials given by our students. The main National and International accreditations that XIBMS can boast about are IAF, NHRD, Planning Commission Govt. India, IAO, ISTE etc.

WHY XIBMS?

- XIBMS Programs give unparalleled exposure to contemporary knowledge which is the need of the hour in the current business dynamics.
- XIBMS Programs are focused and are profession specific the way management programs are required to be. The programs are flexible, innovative and less expensive than the traditional long term programs.
- XIBMS is one of the few management institutes to have international affiliations ensuring global advantage in your career.
- XIBMS offers more than 250 specializations across industries, which helps the students to pursue his /her goals in the field of their choice.
- XIBMS offers self-learning courses along with web support system for attending to and solving queries of students during their self study.
- The exam pattern is mainly designed on case based structure, in which the students have much opportunity to expose themselves to the realistic situations and approaches of current industry scenarios.
- The course material provided by XIBMS is periodically analyzed and upgraded as per the industry requirements.
- XIBMS is an ISO 9001:2015 International B-School Accredited by the International Accreditation Forum (IAF).
- XIBMS believes working in hand in hand with students and help them to seek the best employability opportunities available, we assure the students of 100% placement assistance on the successful completion of course by students.
- At XIBMS, the student can demand for the student service which he/she has a right to, at any point of time, which will be taken care of with full dexterity and at a faster pace.
- At XIBMS we have the best career-guides and experts who will help you in guiding your career and shaping up it in a better way.

NATIONAL

The list of Affiliation / Membership / Association and this Accreditation of Xavier's Institute of Business Management Studies (XIBMS).

The XIBMS is a part of Ananta Education Society which is a registered in Education Society F/19327 with Government of Maharashtra under Societies Act, 1860 and is also a registered Education Society with planning commission Government of India. (KA/2010/0028324).

The Indian Society for Technical Education (ISTE) is a national, professional, non-profit society registered under the society's registration Act of 1860.

First started in 1941 as the Association of Principals Technical Institutions, it was Converted into "Indian Society for Technical Education" in 1968 with a view to enlarging its activities and advancing the cause of technological education. The major objective of the ISTE is to assist and contribute in the production and development of top quality professional engineers / technicians and management graduates needed by the industries and other organizations. Being the only national organization of educators in the field of engineering, management and technology, ISTE is involved in the various technical committees, boards formed by central government, Ministry of Human resource Development, AICTE/DOTE/DST. State governments are also involving the ISTE in many of their important programs and activities relating to technical educations.

The Xavier's Institute of Business Management studies has been approved and accredited by Distance Learning Council of India. This ensures the approval of processes adopted by XIBMS in providing distance education.

The Xavier's Institute of Business Management Studies has been approved and accredited by National Human Resource Development India.

Xavier's Institute of Business Management Studies is an Academic Member of BMA, Bombay Management Association and this help enhance managerial effectiveness and improve the standards of Business Management in India. It is widely regarded as one of the best management associations in India credited for the training and development of innumerable managers.

The Xavier's Institute of Business Management Studies is a proud member of British Academy of Management, London which is dedicated to developing the community of management academics across the Globe.

IAO has granted Xavier's Institute of Business Management Studies for achievement of the highest standards in Organizational Management, Academic Management and Institutional Performance through a commitment to quality and continuous improvement. IAO's International accreditation ensures that the organizations are operating according to the international principles and standards of quality.

American Management
Association®

The Xavier's Institute of Business Management Studies is a proud member of American Management Association, New York which is the world's leading membership based management development organization. AMA offers a full range of business educational and management development programs for individuals and organizations worldwide.

The Xavier's Institute of Business Management Studies is a member of Euro Asia Management Studies Association which is a platform for scholarship and exchange between Europe and Asia on economic and management issues. The association was established in Berlin in the autumn of 1984 by 30 scholars from Europe and Asia. The initial point of interest was to exchange results on Japanese management practices and the problems involved in their transfer to Europe. Today the EAMSA hosts annual conferences alternately in Europe and Asia, bringing together researchers and business executives who discuss highly current and relevant issues concerning a vast field of business and economic challenges of cross-border operations.

The Xavier's Institute of Business Management Studies is an ISO 9001:2015 Accredited Institute and the same has been awarded by International Accreditation Forum (IAF).

XIBMS students have gained the necessary management skills from our courses and have been performing well in their respective fields and domains. No wonder the number of XIBMS students is growing day by day. The working class professionals who take up our courses have always expressed their appreciation for our pedagogy and methodology which always provided the flexibility to complete management courses with ease. Our support and the education methodology ensured that the existing profile of our students doesn't get disturbed while they complete XIBMS courses. After completing our courses these students elevate their profiles and soar high in their professional lives.

Designation: Manager

Company Name: Shapoorji Pallonji and Co. Ltd, Mumbai

Ammenuddin Ansari

Bachelors Program in Management Studies

The BMS has given me the confidence to move ahead in my career. It gave me the opportunity to step back and reflect on what I do, how well I do it and where I can improve together with the toolkit to progress. It has given me a much greater sense of appreciation for what it is to become strategically focused. But ultimately, it was the opportunity to apply my existing skill set coupled with those skills learned on the BMS in my own workplace that has proved most rewarding.

Designation: Admin manager

Irani Hoshang Rustom

Masters Program in Business Administration

XIBMS is one of the best option for an individual who is working and wants to study side by side, the case studies are very helpful in our day to day operations, this also helps to "sharpen to saw" and makes any individual confident enough to handle any situation.

Designation: Assistance Unit Manager

Company Name: Mphasis an HP Company, Pune

Ravi Pati Prashanth

Masters Program in Business Administration

As an undergraduate and working professional, you constantly hear how getting your MBA can help you advance faster and get better jobs. In my experience, this information is entirely true. Earning my MBA from the XIBMS provided me with numerous benefits and opportunities during my first year in the workplace.

Designation: Sr. H.R Executive

Company Name: Infotech, Hyderabad

Siddiqui Ehtaisham

Advance Diploma In Materials Management

It was really great being part of this institution, had an amazing time with the desired courses which helps me to build my career.

Designation: Officer

Company Name: AIR INDIA, HYD

Examination

Study Center Exam:

Under this option student has to come to any of our centers and appear for the exam. Student will be allotted 3 hours for each subject and the type of exam would be Question & Answer.

Home Based Exams:

This is a very convenient method of taking exam and is especially designed for working class professionals who need flexibility of time due to their work schedule and travel schedule. The pattern of the exam is case study based which is more relevant for working class professionals.

Results:

Students will receive the results on their email address with in 30days after the submission of their answer papers.

Grading is based on percentage of marks scored by individual student.

A+	-	75% and Above
A	-	65% - 74.99%
B	-	55% - 64.99%
C	-	40% - 54.99%

Certification & Verification

Certification:

The Certificate and Marksheet is being processed after the results are declared. The students can collect the Certificates from the branch office after 30days of results declaration.

Certificate Verification:

We provide an online verification facility to all our students where in their current or prospective employer can check the credentials on our website (www.xibms.com) by entering the Admission Code provided on the Certificate. We also respond to the mails and physical verification requests received by the verification agencies.

Career Opportunities/
Placements

emailus@xibms.com

The aim of XIBMS is to be centre of excellence in Management Education and to provide highly competent and professional Managers to organization. Our fasttrack courses are designed for career oriented professional programs. The courses are designed after analyzing the current Market scenario and market needs. The courses are being accepted successfully by the global business markets and our students get placed in multinational organizations.

As the markets are moving towards globalization, they require skilled managers to handle the functions of organizations. This provides a golden opportunity to our students to acquire higher management qualification in a short time at a reasonable cost.

XIBMS imparts cutting edge, research driven knowledge and skills in a targeted, dynamic and productive fashion. At XIBMS, we ensure our students to become complete and successful managers in the shortest possible time and make their future bright.

After the completion of course, candidates benefit in several ways. Top pioneers in the business open their placement doors for our candidates. You learn skills that are unbeaten in your field. Slowly and steadily, you become masters of your field.

XIBMS provides 100% Placement assistance to students who wish for a change in job after successful completion of the course. The institute has tie up with key placement consultants which helps students in meeting their career aspirations.

Student can send his/her updated CV to emailus@xibms.com

Q. What are the unique advantages of pursuing the Course from XIBMS?

A. The following are the advantages:

- XIBMS programs are flexible, innovative and less expensive than any other programs.
- XIBMS is one of the few management institutes to have international affiliations ensuring global advantage in your career.
- XIBMS offers more than 250 specializations across the industries.
- The curriculum is contemporary and updated periodically.
- XIBMS assures the students with 100% placement assistance on the successful completion of their courses.

Q. Are the Courses offered at XIBMS through distance learning accepted by the industry?

A. Courses offered by XIBMS have a very high industry acceptance. In addition, XIBMS courses are very well accepted by leading global corporates such as IBM, HR Dr. Reddy's, Aditya Birla Group, Wipro, Bosch, Tech Mahindra, SOMA, Delloite, Taj Hotels, AIR INDIA and many more...

Q. What are the job prospects after doing Courses from XIBMS?

A. After completing courses from XIBMS, students get opportunity in various National and International companies such as Banks, Consultancy firms, FMCG companies, Logistics Companies, IT firm etc. To name a few, some of our patronizing companies are HSBC, TCS, IBM, Sujana Groups, L&T, HR Bank of America, Microsoft and Apollo Hospitals etc.

Q. What is the admission procedure?

A. Student has to submit duly filled application form along with the required eligibility documents at our study centers to get enroll.

Q. What will I get from XIBMS after getting enrolled for the course?

A. The students will receive Admission confirmation email and study material from the institution after the admission.

Q. Do I need to refer any other books apart from the study Material provided by XIBMS?

A. Our recommendation is "NO". The Course Material are very carefully selected on the recommendation of a lead faculty. Thus, it is sufficient for a particular Course.

Q. What if I am unable to complete my course with in the duration?

A. The course can be extended by paying the course extension charges. You can contact the study center to know the charges based up on your course.

Q. How many specializations are offered by XIBMS?

A. XIBMS is offering more than 250 specializations.

Q. Can I go for an Extra Specialization?

A. Yes, you can opt for an extra specialization by paying Rs.5900/-.

Q. When will I get my results and certificates after writing the exams?

A. It will take 30 days to get results and then 15 days to get your certificates

Q. What happens if I fail?

A. The student can re-appear for the exam in which he failed by paying Rs.500/- per subject.

Q. I would like to apply for higher studies abroad; will I get Transcripts or Bonafide Letter from XIBMS?

A. Yes, Transcripts and Bonafide letter can be provided on the request of the student. Rs. 1500/- will be charged per Transcript/Bonafide.

Q. What about Placements?

A. After completion of the course, Students are requested to send their updated C.V to Emailus@xibms.com. Their profile will be shared with MNC's and Placement Agencies in India and overseas.

Q. Do companies consider a Candidate who has finished MBA in distance mode for employment?

A. Employers do not discriminate against any candidate based on whether they have done MBA on full-time or flexible learning mode. The past track record of the candidates as well as their experience and soft skills are also considered by the employers for recruitment. The MBA Program of XIBMS is designed to prepare men and women with the skills, knowledge and strategic perspectives essential to the leadership of business anywhere in the world. It is designed to provide both a portfolio of strong functional skills and the ability to apply, adapt and integrate those skills into different management settings.

Q. I am 40 years old and I would like to pursue with my studies further. Can I apply for this Course?

A. Yes, you are eligible for the Course as the age is no bar.

Q. I am planning to go abroad; will the certificates of XIBMS get attested by the Embassy?

A. Yes, the certificates of XIBMS can be attested by M.E.A (Ministry of External Affairs), India and then by the respective country's embassy.

Q. What does XIBMS expect out of its graduates?

A. XIBMS expects its graduates to contribute to society by demonstrating the highest levels of business ethics and by being a leader who can successfully manage a modern international business. When our graduates are successful, XIBMS will be successful.
