SHANTARAM POTDUKHE COLLEGE OF LAW

Legal Education at S.P. College of Law: A Unique and Dynamic Venture

In recent years, legal education in India has undergone a significant transformation, marking a notable shift in the perception and preference for this field. Previously, students would often pursue legal education or enter the legal profession only if they had no better alternatives. However, today a large number of students choose law as their first and sometimes only choice, making it one of the most sought-after courses in the country, as indicated by recent surveys.

This increased interest in legal education can be attributed to several factors. Firstly, there is a growing demand for legal practitioners due to a shortage in the field. Additionally, the rise of legal outsourcing, the establishment of numerous law firms, and the need for legal officers in banks, companies, and other commercial organizations have contributed to the appeal of pursuing a legal career. Moreover, vacancies in judicial services and the potential for fame and financial success through advocacy have also influenced students' choices.

Recognizing the importance of adapting to change, Shantaram Potdukhe College of Law, a prestigious institution in Central India, embraces the principles of the Darwinian theory. The college understands the need to evolve both internally and externally in response to the changing landscape of legal education. Over the course of its 49-year journey, the college has continuously strived to meet the increasing demands for quality legal education. It believes that an institution should flow like a stream rather than remain stagnant like a pond.

One of the significant indications of this transformative journey is the introduction of numerous new programs by the college. These programs, such as Masters Degree in Human Rights and Duties Education, P.G. Diploma in Cyber Law, Panchayat Raj, Law, Health and Medicine, and Dr. B.R. Ambedkar Thoughts, are designed to equip students with the necessary skills and knowledge to thrive in the fast-changing field of education.

The college proudly announces that its students consistently secure top ranks in university examinations. Many alumni of the college have established successful careers as lawyers in various High Courts, the Supreme Court, and even abroad. Others have pursued roles in the judiciary, serving as Public Prosecutors, JMFCs, District and Sessions Judges, and in various capacities. These achievements are particularly remarkable considering the college's location in a tribal and rural area. However, the college does not rest on its laurels but continues to march forward towards excellence, innovation, and progress.

The journey of S.P. College of Law began in 1974 as a faculty of law affiliated with Nagpur University under the umbrella of Sardar Patel Mahavidyalaya, Sarvodaya Shikshan Mandal. With the cooperation of esteemed jurists from the Chandrapur Bar, the law faculty experienced remarkable success. Initially, the college offered the LL.B. 3 Year course in the evening session at an old building. Subsequently, the B.A.LL.B. 5-year course was introduced in 1982, making it the first of its kind in the region. In 1990, the Government of Maharashtra granted permission for Post-Graduate Studies and

Research in Law at the law faculty in Chandrapur, a rare privilege at the time. This achievement added another feather to the cap of S.P. College, as it became one of the few institutions in Maharashtra to offer such programs.

From the academic year 1995-96 onwards, the Government of Maharashtra allowed the conversion of the Law Faculty into an independent law college, leading to the establishment of Shantaram Potdukhe College of Law. The foundation stone of the college was laid by His Excellency Dr. P.C. Alexander, the Chancellor of Nagpur University and Governor of Maharashtra, on September 13, 1998. Several dignitaries, including Mrs. Akkamma Alexander, Mrs. Shobhatai Fadnavis, the then Guardian Minister, Hon'ble Shri. Chopne, Vice-Chancellor Shri. Wamanrao Gaddamwar, Ex-State Minister Mr. Abdul Shaffi, Ex-M.P., Shri. Shantaramji Potdukhe, President of S. S. Mandal, Shri. Ramesh Mamidwar, Vice-President of S. S. Mandal, Arvind Poreddiwar, Principal, K.U. Nimbalkar, Secretary of S.S. Mandal, Principal P.H. Dhankar, Joint Secretary of S.S. Mandal, Divisional Commissioners, Shri. Arun Bongirwar, Principal Secretary, academicians, and other distinguished individuals were present to commemorate the occasion. Foundation stone program was successfully planned by Dr. A.P.Pillai, former visionary Principal of the S.P.College of Law.

The college is now located in a spacious campus on Tadoba Road, Tukum, Chandrapur, which is in close proximity to the District Court, Collectorate, Bus Stand, and Railway Station. In June 2000, the college shifted to its new premises, marking a significant milestone in its growth.

What began with 60 students in 1974 has now blossomed into a college with over 900 students pursuing various graduate and post-graduate courses, including LL.B. 3 Year, B.A.LL.B. 5 Year, LL.M., M.L.S., M.H.R.D.E., Ph.D(Law), Master of Cyber Law & IT, and diploma courses in Consumer Laws, Human Rights, Cyber Law, Panchayat Raj, Health & Medicine, Indian Legal System & Ambedkar Thoughts, and Taxation.

With permanent affiliation from Gondwana University and recognition under the 2(f) and 12B status by the University Grants Commission (UGC), the college receives financial assistance for academic and infrastructural activities since the academic session of 2010-11. The college boasts highly qualified teaching staff and excellent infrastructure, providing a conducive environment for students to pursue legal education.

Determination, discipline, hard work, and success are the guiding principles of this esteemed institution. Today, S.P. College of Law has established itself as one of the leading centers of legal education in Maharashtra. It maintains strong connections with other renowned legal institutions in India and abroad, strengthening its position in the legal community. To stay connected with the legal fraternity and disseminate information, the college maintains an active website at www.spcl.edu.in.

Overall, Shantaram Potdukhe College of Law has embraced the evolving landscape of legal education in India, catering to the changing demands and needs of students. With its commitment to excellence, innovation, and progress, the college continues its journey towards shaping competent legal professionals and contributing to the field of law.
