MESSAGE FROM THE DIRECTOR

CAMPUS PLACEMENT BROCHURE 2024-25

NIT WARANGAL

Welcome to NIT Warangal,

It is my pleasure to introduce you to NIT Warangal and the incredible journey we have embarked upon. Our commitment to excellence, innovation, and community is at the heart of everything we do.

At NIT Warangal, we believe in the power of knowledge to transform lives and create lasting impact. Our dedicated team of faculty, students and staff works tirelessly to push boundaries, embrace new challenges, and deliver exceptional results. We are proud of our achievements and the difference we make in the lives of those we serve.

This brochure offers a glimpse into our world – from our core values and mission to our latest projects and initiatives. We have 11 UG, 45+ PG programs and about 7000 students on campus.

We are excited about the future and the opportunities that lie ahead. As we continue to grow and evolve, we remain focused on fostering a culture of collaboration, innovation, and integrity. Together, we can achieve great things and create a brighter future for all.

Thank you for your interest in NIT Warangal. We look forward to embarking on this journey with you.

**Prof. Bidyadhar
Subudhi**

**Prof. Hari Kumar
Voruganti**

The National Institute of Technology Warangal has quickly become a leader in science and technology education. Over the years, we have developed into an institution that focuses on the holistic development of our students.

Our alumni have proven their value and competence in various fields such as industry, entrepreneurship, scientific research, and public service, showcasing the excellence of our nurturing process. Our institution boasts state-of-the-art laboratories that offer practical knowledge and field implementation alongside theoretical expertise.

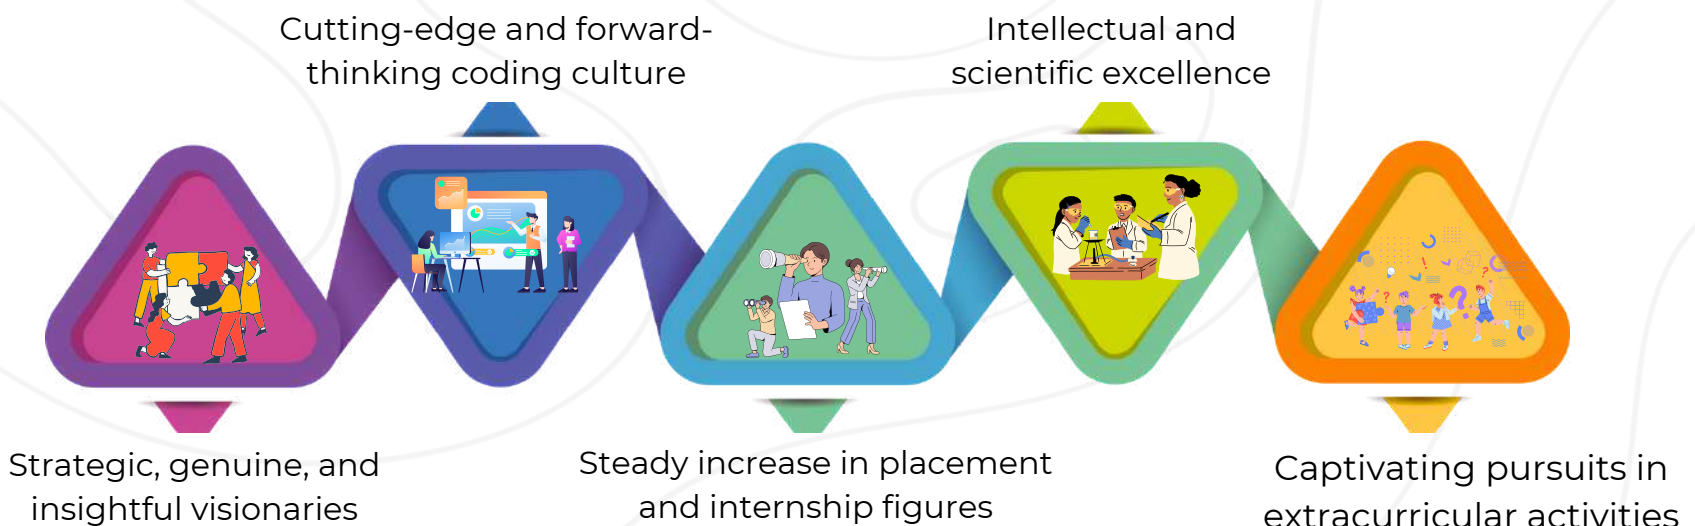

To better equip our students to handle diverse professional challenges, we now offer several minor degrees in line with the National Education Policy (2020). This initiative ensures our students receive education, training, and mentorship in interdisciplinary fields. We have a talent pool of 3500 students across many UG and PG programs ready to be hired as interns and full-time employment.

On behalf of NIT Warangal, I extend a warm invitation to organizations to conduct their recruitment processes on our campus and offer my best wishes to our students for a successful and fulfilling future.

- The National Institute of Technology, Warangal (NIT Warangal), located in Telangana, India, is a premier engineering institution. Established in 1959 as the first of the 31 NITs in the country.
- It was initially known as the Regional Engineering College.
- Renowned for its strong emphasis on research and innovation, NIT Warangal offers undergraduate, postgraduate, and doctoral programs in various engineering, science, and management disciplines.
- The institute is known for its state-of-the-art infrastructure, experienced faculty, and active student community.
- It consistently ranks among the top engineering colleges in India and has a strong alumni network contributing to diverse fields globally.

Technical Activities

NITW is not just a place of academic excellence but also a hub for innovation, creativity, and technical prowess. Our campus hosts a vibrant ecosystem of technical clubs like robotics club, students developers club, business club, innovation garage, Finwiz, EA & HAM, TEDxNITW, Quiz club, etc that play a crucial role in shaping the future of our students. These clubs provide a platform for students to explore, experiment, and enhance their technical skills by conducting different hackathons, coding competitions, group contests, quizzes and many more fostering a sense of community and collaboration.

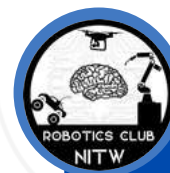

Innovation Garage

People working on ideas to provide the necessary facilities- mentorship, seed funding & and resources to convert innovative ideas into independent business models or products in line with our entrepreneurial vision.

Business and Finance Club

The BUSINESS CLUB is a student group dedicated to promoting financial literacy through interactions, discussions, presentations, and case-based learning. It emerged from the need for financial education and fosters open discussions about business and finance topics.

Robotics Club

The Robotics Club was established to introduce robotics to NITW, inspire enthusiasts to pursue it as a career and create a supportive community. We achieve this through workshops, training, and competitions in Robotics contests held across India each year, sessions, presentations, and case-based learning.

EA & HAM

A group of techies who love to explore new domains of technology that aim to attain and impart knowledge. Members of EA & HAM are working in Data Science, Machine Learning, Robotics, Blockchain, Websites and Apps Development, IOT, Core Hardware and software oriented fields and many more

Cultural Activities

The demanding academic and extracurricular environment at NIT Warangal keeps students active, but it's essential to take time to relax and recharge. Cultural clubs at NITW provide the perfect forum for this, helping students discover and showcase their talents through various competitions, talent hunts, social events, and workshops. Clubs include the Dance and Dramatics Club, Photography Club, Music Club, Film Committee, Media Club, Yoga Club, Nature Club, Painting Club, and more. The cultural fest, Spring Spree, attracts young talents from across the country, offering a vibrant platform for performance and skill showcasing.

Music club

The music club is a society of music enthusiasts living and experimenting through various forms of music. The club provides students with a stage to perform, to get rid of their stage fear, and to hone their stage presentation skills.

Dance and dramatics club

The club is the flag bearer of the rich culture of drama and street drama play at NIT Warangal. It is a family of theatre lovers and dancing enthusiasts. The club always aspires to be the real mirror of the society.

Photography club

The main objective of the club is to bring together all photography enthusiasts and lead them towards collective learning through workshops, photo walks and other activities.

Literary and Debating club

The club has been striving hard to drive the creative youth towards literature and arts through its events and workshops. It has been focussing on the importance of communication, presentation, and involvement in creative vision through various events like debates and ice-breaking sessions.

STUDENT ACTIVITIES

CAMPUS PLACEMENT BROCHURE 2024-25
NIT WARANGAL

Social Activities

Some social clubs like Nature Club, NSS NITW, NCC NITW, Youth Red Cross Club, and Value Education Club are also there to enlighten students about community welfare and foster growth among them. SpringSpree is the cultural fest of NIT, Warangal filled with exuberance, attracting a large pool of young talents from all over the country to perform, showcase their skills, and triumph in the spotlight.

Nature Club

With the motto of "We care, we share", the Nature Club encourages students who join to take part in various conservation activities and guides them to have an appreciation for nature.

NSS NITW

The NSS unit organizes several events, campaigns, awareness programs, and drives inside as well as outside the campus imbuing volunteers with the idea of 'Not me, but you'.

NCC NITW

Embracing the notion of Unity and Discipline, NCC NITW is a government organization exclusively for the students of NIT, Warangal.

Youth Red Cross Club

Youth Red Cross being a techno-social hub, awakens the social responsibilities of young engineers.

Value Education Club

Center for Value Education, NIT Warangal promotes education, keeping values and ethics in mind.
